Recent Hurricane Activity

On September 28, 2017, the Company issued a preliminary assessment of losses from its exposure to the recent major successive hurricanes, namely Hurricanes Harvey, Irma and Maria.

Hurricane Harvey made landfall in Texas as a Category 4 hurricane causing catastrophic flooding and damage. Hurricane Irma made landfall in Florida as a Category 4 hurricane after causing widespread and catastrophic damage in the Caribbean as a Category 5 hurricane. Hurricane Maria, a Category 5 hurricane, did not make US landfall, but caused significant devastation in the Caribbean and US territories, namely Puerto Rico and USVI.

The Company estimates, as of September 28, 2017, that the impact to its capital relating to losses from the above three named hurricanes, collectively, are expected to be between an aggregate of \$17.5 million and \$25.5 million. The Company's estimate is preliminary and is based on claims received to date and industry assessments of damages and exposure. Accordingly, the Company's actual ultimate net loss from these hurricanes may differ materially from this preliminary estimate.

Share Repurchase Program

In May 2016, the Company authorized a share repurchase program (the "Share Repurchase Program"), pursuant to which the Company had been authorized, from time to time, to purchase shares of its common stock for an aggregate repurchase price not to exceed \$2 million. The Share Repurchase Program was set to expire on December 31, 2017. On September 28, 2017, the Company discontinued the Share Repurchase Program. Through September 28, 2017, the Company had repurchased an aggregate of 326,413 shares for an aggregate of \$1.8 million under the Share Repurchase Program.

The Company had previously adopted a Rule 10b5-1 share repurchase plan under the Securities Exchange Act of 1934 (the "Plan") in connection with the Share Repurchase Program. The Plan allowed the Company to repurchase its shares at times when it otherwise might be prevented from doing so under insider trading laws or because of self-imposed trading blackout periods. The Company has cancelled the Plan effective September 28, 2017.
