SECTION 8 – Other Events

Item 8.01 Other Events

As previously disclosed in its Current Report on Form 8-K filed by Citizens, Inc. (the “Company”) on March 11, 2015 (the “March 11th 8-K”) and its Form 12b-25 filed by the Company on March 17, 2015 (the “12b-25” and together with the March 11th 8-K, the “Previous Filings”), the Company’s management determined that it would not be able to timely file its Annual Report on Form 10-K for the period ended December 31, 2014 (the “Form 10-K”), as it needed additional time to complete its analysis of the tax compliance issue described in the Previous Filings regarding the disqualification of a substantial portion of the Company’s insurance subsidiaries’ endowment policies and whole life insurance policies from the favorable U.S. federal income tax treatment afforded by Sections 7702 and 7702A of the Internal Revenue Code of 1986. As described in the 12b-25, the Company at that time anticipated it would be able to file the Form 10-K on or before March 31, 2015. However, as of this date, the Company still requires additional time to complete its financial statements to be filed as part of the Form 10-K. The Company is working to complete its Form 10-K and will file it upon completion.

Cautionary Statement Regarding Forward-Looking Statements

The Private Securities Litigation Reform Act of 1995 provides a “safe harbor” for forward-looking statements. This Form 8-K and any other written or oral statements made by or on behalf of the Company may include forward-looking statements that reflect the Company’s current views with respect to future events and financial performance. All statements other than statements of historical fact included in this Form 8-K are forward-looking statements. Forward-looking statements can generally be identified by the use of forward-looking terminology such as “may,” “will,” “plan,” “expect,” “project,” “intend,” “estimate,” “anticipate,” “believe” and “continue” or their negative or variations or similar terminology. All forward-looking statements address matters that involve risks and uncertainties. Accordingly, there are or will be important factors that could cause the actual results of the Company to differ materially from those indicated in these statements. Please refer to the Company’s filings with the Commission, including among others the Company’s Annual Report on Form 10-K for the year ended December 31, 2013 and subsequent filings on Form 10-Q, for a description of the important factors that could cause the actual results of the Company to differ materially from those indicated in these statements. Forward-looking statements speak only as of the date on which they are made, and the Company undertakes no obligation to update publicly or revise any forward-looking statement, whether as a result of new information, future developments or otherwise.
