(C) Weighted average offering price per share based on the number of shares carried over and the number of shares registered for the first time hereunder.

Statement Regarding Compliance with Instruction E of Form S-8

Deere & Company, a Delaware corporation ("Deere"), has filed this Registration Statement to register the offer and sale of 10,724,753 shares of Deere's Common Stock, \$1 par value (the "Shares")

pursuant to the John Deere Omnibus Equity and Incentive Plan (the "Plan"). Contemporaneously with the filing of this Registration Statement, Deere is filing with the Securities and Exchange Commission (the "Commission"): (i) Post Effective Amendment No. 2 to its registration statement on Form S-8 (File No. 333-01477) (the "1996 Registration Statement") pursuant to which Deere registered, among other offers and sales of shares of the Common Stock, the offer and sale of 748,476 shares of the Common Stock pursuant to the 1991 John Deere Stock Option Plan; and (ii) Post Effective Amendment No. 2 to its registration statement on Form S-8 (File No. 33-57897) (the "1995 Registration Statement" and together with the 1996 Registration Statement, the "Prior Registration Statements") pursuant to which Deere registered, among other offers and sales of shares of the Common Stock, the offer and sale of 955,861 shares of the Common Stock pursuant to the John Deere Equity Incentive Plan. The 1991 John Deere Stock Option Plan and the John Deere Equity Incentive Plan are predecessors to the Plan.

The Plan was adopted by Deere's Board of Directors and approved by Deere's stockholders to succeed the prior plans. Deere desires to have the Shares registered for the Plan to include those shares of the Common Stock described above whose offer and sale were registered under the Prior Registration Statements and are carried over to this Registration Statement. Following the filing of this Registration Statement, the shares carried over from the Prior Registration Statements are no longer available for new awards under the prior plans.

Consequently, in accordance with the Instruction and Interpretation: (1) Deere is carrying over from the 1996 Registration Statement and registering the offer and sale of 748,476 shares of the Common Stock under the Plan pursuant to this Registration Statement; (ii) Deere is carrying over from the 1995 Registration Statement and registering the offer and sale of 955,861 shares of the Common Stock under the Plan pursuant to this Registration Statement; (iii) \$10,114.10 of the registration fee allocable to the Shares carried over from the 1996 Registration Statement and paid in connection with the 1996 Registration Statement, is carried over in this Registration Statement; (iv) \$8,329.44 of the registration fee allocable to the Shares carried over from the 1995 Registration Statement and paid in connection with the 1995 Registration Statement, is carried over in this Registration Statement; (v) the Prior Registration Statements are being amended on a post-effective basis to discuss the succession of the 1991 John Deere Stock Option Plan and the John Deere Equity Incentive Plan by the Plan; (vi) in addition to the Shares being carried over pursuant to (i) and (ii) above, Deere is registering for the first time the offer and sale of 9,020,416 shares of the Common Stock under the Plan pursuant to this Registration Statement; and (vii) in addition to the registration fees being carried over pursuant to (iii) and (iv) above, \$29,244.80 of the registration fee allocable to the newly registered shares has been deposited by Deere to the Commission's lock-box account in connection with this Registration Statement.

Information required by Part I to be contained in the Section 10(a) prospectus is omitted from this Registration Statement in accordance with Rule 428 under the Securities Act of 1933 and the Note to Part I of Form S-8.

The validity of the shares offered under the Registration Statement is being passed upon for Deere by James R. Jenkins, Senior Vice President and General Counsel of Deere. Mr. Jenkins is an officer and employee of Deere and, as such, participates in various stock benefit plans of Deere. By reason of such participation, Mr. Jenkins owns and holds options to purchase and shares of Common Stock of Deere.

Item 6. Indemnification of Directors and Officers.

Section 145 of the General Corporation Law of Delaware authorizes a corporation to indemnify directors and officers under certain prescribed circumstances and, subject to certain limitations, against certain costs and expenses, including attorneys' fees, actually and reasonably incurred in connection with any action, suit or proceeding, whether civil, criminal, administrative or investigative, to which any of them is a party by reason of his being a director or officer of the corporation if it is determined that he acted in accordance with the applicable standard of conduct set forth in such statutory provision. Article Seventh of the Certificate of Incorporation of Deere provides in effect that Deere shall provide certain indemnification to such persons.

Deere has contracts of indemnification with its directors and officers providing that they shall be indemnified to the fullest extent permitted by law. The contracts also provide: (1) that, in the event of a change in control, determinations concerning indemnification shall thereafter be made by independent counsel, instead of the board of directors; (2) that, if indemnification is not available, in whole or in part, contribution shall be paid by Deere in a proportion based upon the relative benefits to, and relative fault of, Deere and the director or officer in the action or inaction, and other equitable considerations; and (3) that any legal action, brought by or on behalf of Deere against any director or officer party to such contract, shall be brought within the shorter of two years from the date of accrual of such cause of action or the applicable period of limitations for such cause of action.

The directors and officers of Deere are insured, under policies of insurance maintained by Deere, within the limits and subject to the limitations of the policies, against certain expenses in connection with the defense of actions, suits or proceedings, to which they are parties by reason of being or having been such directors or officers.

Item 9. Undertakings.

(a) Rule 415 Offering.

Deere hereby undertakes

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
 - (iii) To include any material information with respect

to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however,

that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

Page 6

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) Filings Incorporating Subsequent Exchange Act Documents by Reference.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c)-(g) Not applicable.

(h) Undertaking Regarding Indemnification Provisions if Filing of Registration Statement on Form S-8.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as

expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(i)-(j) Not applicable.
