- \* Represents holdings of less than 1%.
- (1) Based on information furnished by the directors and executive officers as of February 21, 2006.
  - (2) The amounts shown include shares of Common Stock held directly or indirectly in the following amount by the spouse and other family members of the immediate household of Christopher J. Murphy III, who disclaims beneficial ownership of such securities: 2,022,815 shares. Voting authority for 957,771 shares owned indirectly by Mr. Murphy is vested in 1st Source Bank as Trustee for various family trusts. Investment authority for those shares is held by 1st Source Bank as Trustee of the underlying trusts.
  - (3) The principal occupation represents the employment for the last five years for each of the named directors and executive officers. Directorships presently held in other registered corporations are also disclosed.

Directors and officers of 1st Source and their affiliates were customers of and had transactions with 1st Source and its subsidiaries in the ordinary course of business during 2005 and in compliance with applicable federal and state laws and regulations. Additional transactions are expected to take place in the ordinary course of business in the future. All outstanding loans and commitments were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility, or present other unfavorable features. Credit underwriting procedures followed were no less stringent than those for comparable transactions with other borrowers.

During 2005, Mr. Johnson was President and a principal shareholder of WPJ Realty, Inc., a real estate company. In 2004, 1st Source Bank entered into two lease agreements with WPJ Realty pursuant to which 1st Source Bank leases a banking center facility and a drive-up Resource Center. In 2005, 1st Source Bank paid an aggregate of \$91,556 to WPJ Realty, Inc. under these leases.

Both lease agreements granted 1st Source Bank a right of first refusal and an option to purchase the property during the lease term. In 2005, 1st Source exercised the options to purchase both the banking center facility and the drive-up Resource Center for an aggregate purchase price of \$600,000. Mr. Johnson entered into a lease agreement for office space in the banking center facility pursuant to which he will pay rent at a market rate. The lease agreement is cancelable by either party with 30 days' notice.

Mr. Kapson is President and a principal shareholder of Jordan Motors, Inc., an automobile dealership. 1st Source Bank has established an ongoing relationship with Jordan Motors in which Jordan Motors facilitates the purchase of automobiles by car rental companies that are commercial lending customers of the Bank. Where the customer chooses to utilize this arrangement, the purchase price of such vehicles is funded by the Bank as a loan to the customer on customary terms. During 2005 the Bank loaned customers approximately \$4.3 million for the purchase of automobiles from Jordan Motors, which amount included service fees paid to Jordan of less than \$12,000 in the aggregate. Also during 2005 the Bank purchased vehicles in an aggregate amount of approximately \$3.5 million from Jordan Motors for lease to various commercial finance

customers of the Bank on customary terms. Revenues from all of the foregoing represented less than 2.29% of 2005 revenues of Jordan Motors.

### BOARD COMMITTEES AND OTHER CORPORATE GOVERNANCE MATTERS

In January 2004 the Board of Directors adopted Corporate Governance Guidelines to ensure and document the Company's existing high standards for corporate governance. The Corporate Governance Guidelines are in accordance with the listing standards of the Nasdaq Stock Market and Securities and Exchange Commission rules. The Corporate Governance Guidelines are available on the Company's website at [www.1stsource.com](http://www.1stsource.com).

**DIRECTOR INDEPENDENCE** -- The Board assesses each director's independence in accordance with the Corporate Governance Guidelines. The Corporate Governance Guidelines define an independent director as one who has no relationship to the Company that would interfere with the exercise of independent judgment in carrying out responsibilities as a director of the Company and who are otherwise "independent" under the listing standards of the Nasdaq Stock Market. The Board has determined, after careful review, that each member of the Board is independent as defined in the Company's Corporate Governance Guidelines, with the exception of Mr. Murphy and Mr. Jones, who are employed by the Company. Accordingly, twelve out of the fourteen current members of the Board are independent directors.

**BOARD COMMITTEES** -- 1st Source and its major subsidiary, 1st Source Bank, share the following permanent committees made up of board members of both organizations. Executive and Governance, Nominating, Audit, and Executive Compensation and Human Resources Committee members are appointed annually after the Annual Meeting of Shareholders.

MEETINGS OF THE BOARD OF DIRECTORS AND DIRECTORS' COMPENSATION -- The Board of Directors held six meetings in 2005. Incumbent directors attending fewer than 75% of the aggregate total meetings of the Board of Directors and all committees of the board of 1st Source on which they served were Dane A. Miller and Toby S. Wilt. Directors receive fees in the amount of \$16,000 per year, \$1,000 per board meeting and \$750 per committee meeting attended (\$1,000 per Audit Committee meeting attended). Committee chairpersons receive an additional \$250 per meeting attended (an additional \$750 per Audit Committee meeting attended). Total fees paid in 2005 were \$468,500.

ANNUAL MEETING ATTENDANCE -- Per the Company's Corporate Governance Guidelines, directors are expected to attend the Annual Meeting of shareholders. The Chairman of the Board presides at the Annual Meeting, and the Board of Directors holds one of its regular meetings in conjunction with the Annual Meeting of shareholders. All members of the Board at the time of the Company's 2005 Annual Meeting of shareholders attended that meeting except for Dane A. Miller and John T. Phair.

CODE OF ETHICAL CONDUCT -- The Board of Directors has adopted a Code of Ethical Conduct for Financial Managers, which is available on the Company's website at [www.1stsource.com](http://www.1stsource.com). The Code of Ethical Conduct for Financial Managers constitutes a code of ethics as defined in Section 406(c) of the Sarbanes-Oxley Act of 2002 and applies to the Chief Executive Officer, Chief Financial Officer, Controller and other individuals performing similar accounting or financial reporting functions for the Company.

## Edgar Filing: 1ST SOURCE CORP - Form DEF 14A

SHAREHOLDER COMMUNICATIONS -- Communications to the Board of Directors from shareholders are welcomed. All written communications should be directed to the attention of the Chairman of the Executive and Governance Committee. The Chairman of the Executive and Governance Committee shall either (i) relay a shareholder communication to the full board or an appropriate committee chairman, or (ii) where he feels that the communication is not appropriate to relay, at least provide a copy of the communication and an indication of his proposed disposition to the General Counsel, or another independent director, either of whom may forward the communication to any other directors if he deems it prudent or appropriate to do so. The Chairman of the Executive and Governance Committee shall forward all recommendations for board nominees submitted by shareholders to the Chairman of the Nominating Committee.

### NOMINATING COMMITTEE INFORMATION

The Board of Directors formed an independent Nominating Committee in January 2004. Its responsibilities were formerly carried out by the Executive Committee. The charter of the Nominating Committee is available on the Company's website at [www.1stsource.com](http://www.1stsource.com). All members of the Nominating Committee (see "Board Committees" above) comply with the independence requirements of the Nasdaq Stock Market listing standards.

The purpose of the Nominating Committee is to identify, evaluate, recruit and select qualified candidates for election, re-election, or appointment to the Board. The Nominating Committee may use multiple sources for identifying and evaluating nominees for directors, including referrals from current directors and executive officers and recommendations by shareholders. Candidates recommended by shareholders will be evaluated in the same manner as candidates identified by any other source. In order to give the Nominating Committee adequate time to evaluate recommended director candidates, shareholder recommendations should be submitted in writing at least 120 days prior to the next Annual Meeting to be held on or about April 26, 2007. Nominations should be addressed to the attention of the Chairman, Executive and Governance Committee, c/o 1st Source Corporation.

The Nominating Committee will select new or incumbent nominees or recommend to the Board replacement nominees considering the following criteria:

- o Whether the nominee is under the mandatory retirement age of 70;
- o Personal qualities and characteristics, accomplishments and reputation in the business community;
- o Current knowledge and contacts in the communities or industries in which the Company does business;
- o Ability and willingness to commit adequate time to Board and Committee matters;
- o The fit of the individual's skills with those of other directors and potential directors in building a Board that is effective and responsive to the needs of the Company; and
- o Diversity of viewpoints, background, experience and other demographics.

### REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees 1st Source's financial reporting process on behalf of the Board of Directors, retains and oversees the Company's independent

registered public accounting firm and approves all audit and non-audit services provided by the independent registered public accounting firm. The Board of Directors has adopted a Charter for the Audit Committee to set forth its authority and responsibilities. All of the members of the Committee are independent as defined in the listing standards of the Nasdaq Stock Market and Securities and Exchange Commission rules. The Board has determined that David C. Bowers, Daniel B. Fitzpatrick, Lawrence E. Hiler, Dane A. Miller, Timothy K. Ozark, and Toby S. Wilt qualify as audit committee financial experts, as defined by Securities and Exchange Commission guidelines.

The Committee reviewed the audited financial statements in the Annual Report with management. The Committee also reviewed the financial statements with 1st Source's independent registered public accounting firm, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States. The Committee also considered with the independent registered public accounting firm their judgments as to the quality, not just the acceptability, of 1st Source's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. In addition, the Committee has discussed with the independent registered public accounting firm the firm's independence from management and 1st Source, including the matters in the written disclosures required by the Independence Standards Board, and considered the compatibility of nonaudit services provided by the independent registered public accounting firm to 1st Source with the firm's independence.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission.

(1) Mr. Murphy, Mr. Jones and Mr. Stifel signed employment agreements in April 1998. Mr. Griffith signed an employment agreement in March 2001. Mr. Murphy's agreement provides for a \$598,000 base salary at December 31, 2005, with annual increases of not less than 5% each year, and cash bonus payments based on a formula computed in a manner similar to the awards to executives under the Executive Incentive Plan and Long-Term Executive Award Program. Under the other three agreements, Mr. Jones, Mr. Stifel and Mr. Griffith receive base salaries of \$331,500, \$231,132 and \$250,650, respectively, at December 31, 2005, with annual increases each year as may be determined by 1st Source, and cash and stock bonuses determined under the Executive Incentive Plan and the Long-Term Executive Award Program. The agreements permit gross-up payments necessary to cover possible excise tax payments by the Executives and to reimburse the Executives for legal fees that might be expended in enforcing the agreements' provisions or contesting tax issues relating to the agreements' parachute provisions. Mr. Murphy's agreement is a five-year agreement which is extended an additional year each year unless either party gives notice not to extend. The agreements for Mr. Jones and Mr. Stifel expire on December 31, 2006. Mr. Griffith's agreement expires on March 31, 2006. In each case the Executive's agreement will be extended from year to year thereafter unless either party gives notice not to extend. If an Executive terminates employment because of any adverse change in his status, he will continue to receive his base salary for a period of twelve months after his

## Edgar Filing: 1ST SOURCE CORP - Form DEF 14A

termination. If an Executive terminates employment within one year of a change in control (which term includes any third party which becomes beneficial owner of 50%, or in the case of Mr. Murphy, 20% or more of the outstanding stock of 1st Source, the election of a majority of new directors in connection with a sale, merger, other business combination or contested Board of Directors election, or any approval of any transaction which results in a disposition of substantially all of the assets of 1st Source), he will receive severance pay in cash equal to 2.99 times his "Annualized Includable Compensation" (as defined under the Internal Revenue Code of 1986, as amended.) The agreements also include restrictive covenants which require, among other things, that the Executives not compete with 1st Source in bank or bank-related services within certain designated counties of Indiana and not divulge confidential information or trade secrets for a twenty-four month period (in the agreement of Mr. Griffith, an unlimited period with respect to confidential information or trade secrets) after termination of employment. In the event of disability, an Executive will receive his base salary for up to one year, in addition to other disability programs in effect for all officers of 1st Source.

- (2) 1st Source has an Executive Incentive Plan (the "Plan") and the 1998 Performance Compensation Plan which are administered by the Executive Compensation Committee (the "Committee") of the Board. Awards under the Plan consist of cash and "Book Value" and "Market Value" shares of Common Stock. "Book Value" shares are awarded annually on a discretionary basis and typically are subject to forfeiture over a period of five (5) years. In 2003, the Executive Compensation Committee extended, subject to Board and shareholder approval, the forfeiture period for the award made in 1997 by four (4) years for all members of the Executive Incentive Plan except Mr. Murphy, Mr. Jones and Mr. Qualey, who forfeited the remaining 20% of that award. It also extended the forfeiture period for the awards made in 1998, 1999, 2000 and 2001 by four (4) years for all members of the Executive Incentive Plan except Mr. Murphy, who forfeited the remaining 60% of the 1998 award in January 2004 and the remaining 100% of the 1999 and 2000 awards in January 2005 and January 2006 respectively. "Book Value" shares may only be sold to 1st Source, and such sale is mandatory in the event of death, retirement, disability or termination of employment. 1st Source may terminate or extend the Plan at any time. During February 2006, February 2001 and February 1996, 1st Source granted special long-term incentive awards (the "Awards") to participants in the Executive Incentive Plan administered by the Committee. The 2006 Award was granted for the attainment of the company's long-term goals for 2005, which were set in 2000. The 2001 Award was granted for the attainment of the company's long-term goals for 2000, which were set in 1995. The 1996 Award was granted for the attainment of the company's long-term goals for 1995 which were set in 1990. Each Award was split between cash and 1st Source Common Stock valued at the market price at the time of the award. Such shares are subject to forfeiture over a period of ten (10) years. The first 10% of these shares was vested at the grant of the Award. Subsequent vesting requires (i) the participant to remain an employee of 1st Source and (ii) that 1st Source be profitable on an annual basis based on the determination of the Committee.

1st Source also has a Restricted Stock Award Plan (the "Restricted Plan") for key employees. Awards under the Restricted Plan are made to employees recommended by the Chief Executive Officer and approved by the Committee. Shares awarded under the Restricted Plan are subject to forfeiture over a four (4) to ten (10) year period. Vesting is based upon meeting certain criteria, including continued employment with 1st Source.

## Edgar Filing: 1ST SOURCE CORP - Form DEF 14A

The bonus amounts shown represent the annual cash awards under the Plan, the 1998 Performance Compensation Plan and other cash bonuses. Vested stock under the Plan, the Awards and the Restricted Plan are included in the LTIP Payouts column. The value placed on "Book Value" shares is the book value per share as of December 31 of each year. The value placed on market value shares is market value as of December 31 of each year. Mr. Murphy receives this vested amount in cash.

Unvested stock holdings under the Plan, the Awards and the Restricted Plan as of December 31, 2005, are as follows:

Name	Book Value Shares	Market Value Shares	Calculated Value
Christopher J. Murphy III	17,737	9,258	\$529,401
Wellington D. Jones III	21,857	4,035	466,929
Allen R. Qualey	14,665	2,960	319,643
Richard Q. Stifel	10,603	1,582	217,069
John B. Griffith	6,810	2,036	165,069

- (3) Amounts shown in "All Other Compensation" for Mr. Jones, Mr. Qualey, Mr. Stifel, and Mr. Griffith represent 1st Source contributions to defined contribution retirement plans.
- (4) \$49,250 of the amount shown in the "All Other Compensation" column for Mr. Murphy for 2005 is the amount Mr. Murphy earned as part of his bonus for 2005 under the 1998 Performance Compensation Plan. This amount served to satisfy the Company's remaining commitment to reimburse Mr. Murphy for his additional tax liability related to the 2003 termination of the split-dollar insurance benefit, discussed further in (5) below. The remaining \$24,950 shown in "All Other Compensation" represents 1st Source contributions to defined contribution retirement plans.
- (5) Mr. Murphy did not receive a cash bonus for 2003. The amounts in the "All Other Compensation" column for Mr. Murphy for 2003 and 2004 largely relate to termination at the end of 2003 of the split-dollar insurance benefit for which 1st Source has been obligated to Mr. Murphy since 1998. Because of changes in the tax treatment and other regulations affecting split-dollar insurance arrangements, 1st Source and Mr. Murphy agreed to terminate the existing split-dollar insurance benefit on terms that also satisfied the company's obligation to him under the 1998 Performance Compensation Plan. Mr. Murphy earned a bonus for 2003 under the 1998 Performance Compensation Plan of \$478,850. At the direction of the Executive Compensation Committee of the Board, and by agreement with Mr. Murphy, the company's obligation for such bonus, as well as its obligation to fund premiums for the life insurance benefit, were fully satisfied by the company's assignment to Mr. Murphy (or his designee) of its right to receive repayment out of any death benefit of the aggregate amount of previously funded premiums for the policy. \$963,487 of the \$977,487 included in "All Other Compensation" for 2003 for Mr. Murphy directly relates to the termination of the split-dollar arrangement. Of the \$963,487, \$758,478 reflects the value of the premium receivables assigned to Mr. Murphy. The company paid the remaining \$205,009 to satisfy a loan against the cash surrender value of the policy used by Mr. Murphy's designee trust to fund the 2002 premium for the policy. In connection with termination of the split-dollar arrangement, Mr. Murphy incurred a tax liability on the \$963,487 distribution. Because the taxes were not envisioned when 1st Source awarded the split-dollar insurance benefit to Mr. Murphy in 1998, the Executive Compensation Committee also decided to reimburse Mr. Murphy for his payment of such taxes. The Committee and Mr. Murphy agreed that any amounts up to \$656,000 he earned in 2004 or subsequent years, if needed, under the 1998 Performance

Compensation Plan would serve to satisfy the Company's commitment to reimburse this additional tax liability. \$606,750 of the amount shown in "All Other Compensation" for 2004 is the amount Mr. Murphy earned as a bonus for 2004 under the 1998 Performance Compensation Plan and served as a partial reimbursement by the Company of this additional tax liability. The remaining \$16,152 and \$14,000 shown in "All Other Compensation" for 2004 and 2003, respectively, represents 1st Source contributions to defined contribution retirement plans.

### EXECUTIVE COMPENSATION AND HUMAN RESOURCES COMMITTEE REPORT

1st Source officers are reviewed annually by their immediate supervisor. The

## Edgar Filing: 1ST SOURCE CORP - Form DEF 14A

review includes an assessment of management performance and achievement of individual, group and Company goals. In 2003, reviews for the three most senior officers were delayed by at least one year.

The performance review is a normal part of 1st Source's Salary Administration Program. Positions are rated and placed in a salary range. Annually, with the Board's approval, management establishes a salary performance grid that sets the range of merit increases that may be given to officers depending on individual performance and position (lower, middle or upper third) in the respective salary range.

The categories of performance under the Company's review program are:

- o Substantially and consistently exceeds job requirements
- o Often exceeds job requirements
- o Meets and sometimes exceeds job requirements
- o Meets some job requirements, improvement is required
- o Does not meet minimal job requirements

Management awards salary increases as determined under the guidelines of the Salary Administration Program in conformance with the salary performance grid in effect for the year and the annual budget.

12

All of the officers reported herein, including Mr. Murphy, are under the 1st Source Salary Administration Program. In Mr. Murphy's case, he is evaluated by us against a series of objectives set in the Company's annual budget plan and in its long-term strategic plan as approved each year by our full Board. In February 2005, we reviewed Mr. Murphy's salary. Under his employment contract described elsewhere in this proxy statement, Mr. Murphy has a right to receive a minimum annual increase of 5%. In 2003 Mr. Murphy waived his right to these 5% increases and, upon his recommendation, we granted no increase. We had intended to review Mr. Murphy in the second quarter of 2004 but, upon his recommendation, deferred his review until early 2005. At that time we assessed Mr. Murphy's performance in dealing with the challenges facing the Company and his leadership efforts and granted him a 5% increase. In February 2006, Mr. Murphy again waived his right to a 5% increase. At that time we reviewed Mr. Murphy's salary based on his 2005 performance and the Company's performance vs. the objectives set in the Company's annual budget plan and, using the salary performance grid as is used for all officers, granted him a 3.7% increase.

Bonuses under 1st Source's Executive Incentive Plan (EIP) are determined annually following the close of the year. The bonus is calculated based on the officer's "partnership level" adjusted for the Company's performance relative to plan and for the individual's performance relative to weighted objectives set by the individual and his or her supervisor at the beginning of the year. In Mr. Murphy's case, the base bonus is calculated at a "partnership level" of 25% of his salary. For each 1% that the Company varies from its profit plan for the year, the base bonus is adjusted up or down by 2.5%. Since the Company performed at approximately its plan for the year and generally met its qualitative and other quantitative objectives, Mr. Murphy was awarded \$274,785 in 2006 for 2005 performance.

Under the terms of the EIP, 50% of an Executive Incentive Plan bonus is paid in cash at the time of the award. The other 50% is paid in book value stock and is subject to forfeiture over the succeeding five (5) years. The forfeiture lapses ratably for each year the employee remains with the Company and for each year, or period of years, the Company grows its net income by a targeted minimum

## Edgar Filing: 1ST SOURCE CORP - Form DEF 14A

per year. During this period, the "at risk" portion of the bonus, delineated in book value stock, is transferred to the participant as the forfeiture period lapses. In Mr. Murphy's case, while determined in book value stock, the award is paid in cash as the forfeiture lapses. Due to the Company's performance in 2002, the remaining 20% of the award made in 1997 would be forfeited. In early 2003 Mr. Murphy asked that the forfeiture period for these awards be extended for four (4) years for all members of the Executive Incentive Plan except himself, Mr. Jones, and Mr. Qualey, as they are the most senior officers of the Corporation with credit and management authority and should bear full responsibility for the Company's performance. The recommendation for the extension was made in an effort to encourage the management team throughout the Company to accelerate their efforts to return 1st Source to its historic earnings levels. We approved this extension, as did the Board of Directors, and the Shareholders. We also extended the forfeiture period for the awards made in 1998, 1999, 2000 and 2001 by four (4) years for all members of the Executive Incentive Plan except Mr. Murphy, who forfeited the remaining 60% of the 1998 award in January 2004 and the remaining 100% of the 1999 and 2000 awards in January 2005 and January 2006, respectively. 100% of Mr. Murphy's 2001 award will likely be forfeited in January 2007.

In addition, bonuses under 1st Source's special long-term incentive award program were determined following the end of 2005 for the current five-year period. The bonus is calculated based on a pre-determined mathematical formula which compares Company performance relative to the 2005 long-term goals set in 2000 adjusted for the officer's "partnership level" and for the individual's performance over the five-year period. The Company largely achieved its long-term credit quality goals and partially achieved its long-term profitability goals. Accordingly, based on this application of the mathematical formula to the Company's performance in 2005, Mr. Murphy was awarded a bonus of \$74,536 for 2001 to 2005 performance.

Under the Company's Executive Incentive Plan, 32.5% of this award will be paid in cash in March 2006 to Mr. Murphy. The other 67.5% will be subject to forfeiture over the next nine (9) years. During this period, the "at risk" portion of the bonus is delineated in market value stock but is paid in cash to Mr. Murphy as the forfeiture lapses.

Mr. Murphy was also eligible for a cash bonus under the 1998 Performance Compensation Plan based on goals established by us at the beginning of 2005. For 2005, the award level set was up to 2.5% of net income, or the same percentage as set for the six (6) previous years. Under the terms of that plan, Mr. Murphy earned a bonus of \$514,250. As discussed in our report for 2004 in last year's proxy as well as footnotes (4) and (5) to the Summary Compensation Table above, \$49,250 of this bonus for 2005 served to satisfy the Company's remaining commitment to reimburse Mr. Murphy's additional tax liability related to termination of his split-dollar insurance benefit at the end of 2003.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The financial statements of 1st Source are audited annually by an independent registered public accounting firm. For the year ended December 31, 2005 and the five (5) preceding years, the audit was performed by Ernst & Young LLP. Fees for professional services provided by Ernst & Young LLP for the last two years were as follows:

	2005	2004
Audit Fees	\$520,000	\$533,700
Audit-Related Fees	65,995	92,786
Tax Fees	980	8,500
Other Fees	-	1,500
Total	\$586,975	\$636,486

(1) The amounts shown include fees billed through February 17, 2006. Management and Ernst & Young LLP expect to meet in the near future to determine a final fee for Ernst & Young's audit and its attestation report on management's assessment of internal control over financial reporting.

Audit fees included fees associated with the annual audit and the reviews of 1st Source's quarterly reports on Form 10-Q. Audit-related fees included fees for pension and statutory audits and accounting consultations. Tax fees included review of 1st Source's federal and state tax returns and tax advice on other federal and state tax issues.

In 2003 the Audit Committee adopted an Audit and Non-Audit Services Pre-Approval Policy covering services performed by 1st Source's independent registered public accounting firm. Under this policy the annual audit services engagement terms and fees are subject to the specific pre-approval of the Audit Committee. The Audit Committee will approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, company structure, or other matters. Any other services provided by the independent registered public accounting firm will require specific pre-approval by the Audit Committee unless the type of service has received general pre-approval from the Audit Committee.

## Edgar Filing: 1ST SOURCE CORP - Form DEF 14A

In addition, a pre-approved type of service will require specific pre-approval if the current year fee level for the type of service will exceed the approved fee level established annually by the Audit Committee. Requests or applications to provide services that require approval by the Audit Committee will be submitted to the Audit Committee by both the independent registered public accounting firm and the Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence. All fees paid to the independent registered public accounting firm for their 2005 services were pre-approved by the Audit Committee in accordance with this policy.

Representatives of the firm of Ernst & Young LLP will be available to respond to questions during the Annual Meeting. These representatives have indicated that they do not presently intend to make a statement at the Annual Meeting. 1st Source intends to retain Ernst & Young LLP as its independent registered public accounting firm for the year ending December 31, 2006, pending approval of fees by the Audit Committee and execution of an engagement letter.
