Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers;  
Compensatory Arrangements of Certain Officers

On June 4, 2008, the Compensation and Executive Organization Committee (“Committee”) of our Board of Directors approved a special retention incentive award of 10,000 restricted stock units to Burton H. Snyder, our Senior Vice President, General Counsel and Secretary, who is one of the executive officers named in the Summary Compensation Table of our 2008 Proxy Statement. The restricted stock units shall vest in equal proportions on December 31, 2009 and December 31, 2010.

On June 3, 2008, the Committee also took steps to protect the lump sum retirement benefit payable to Mr. Snyder under our Supplemental Executive Retirement Plan (“SERP”). Because Mr. Snyder’s lump sum benefit is subject to fluctuation due to changing interest rates and other factors affecting calculation of the lump sum amount under the SERP, his continued employment may not add to or may erode the amount of benefit payable at retirement. In furtherance of its desire for Mr. Snyder to continue to serve the Company, and to ensure Mr. Snyder that the lump sum benefit payable to him under the SERP upon his retirement will not fall below the value currently projected to be payable to him under the SERP on December 31, 2008, the Committee agreed to pay Mr. Snyder at retirement an aggregate lump sum benefit equal to the greater of (i) \$5,290,335, or (ii) the amount actually payable to him under the SERP. Information regarding the SERP and Mr. Snyder’s accrued retirement benefits are contained in our 2008 Proxy Statement filed with the SEC on March 10, 2008.

The Committee also approved on June 3, 2008 an adjustment in base salary and incentive target level for John P. Bilbrey, our Senior Vice President, President Hershey North America, who is an executive officer named in the Summary Compensation Table in our 2008 Proxy Statement. The adjustment increases Mr. Bilbrey’s salary from \$475,000 to \$550,000 and his annual incentive target to 75% of base salary from 65% of base salary as a result of updated benchmarking of his position as the North American business he heads represents approximately 90% of our total revenue. In addition, the Committee made a special retention award of 15,000 restricted stock units to Mr. Bilbrey which shall vest in equal proportions over the next four years.
