Use of Proceeds

The following disclosure under "Use of proceeds" on page S-23 and each other location where it appears in the preliminary prospectus supplement is amended to read as follows:

We estimate that net proceeds from this offering will be approximately \$1,230.6 million, after deducting the underwriters' discounts and commissions and estimated offering expenses payable by us.

We intend to use the net proceeds of this offering to prepay \$250.0 million of our term loan B, and to fund general corporate purposes, which may include, among other things, strategic investments and acquisitions, capital expenditures and additional repayment of other debt.

The term loan B bears interest at Libor plus 2.50% (with a 1.00% floor), matures February 2018 and may be prepaid at our option without penalty.

Capitalization

As a result of the increase in the aggregate principal amount of Notes from \$750,000,000 as stated in the preliminary prospectus supplement to \$1,250,000,000, the following replaces in its entirety the disclosure included under "Capitalization" on page S-24 of the preliminary prospectus supplement referred to below and each other location where such information appears in the preliminary prospectus supplement:

The following table sets forth our cash and cash equivalents and capitalization as of June 30, 2012:

on an actual basis; and

on an as adjusted basis to give effect to the issuance and sale of the notes in this offering and the partial use of the net proceeds therefrom to prepay \$250.0 million of our term loan B.

This table should be read in conjunction with the information set forth under the "Use of Proceeds" section and the "Description of Other Indebtedness" section included in this prospectus supplement and our consolidated financial statements and the notes thereto incorporated by reference in this prospectus supplement and the accompanying prospectus.
