Cautionary Statement Regarding Forward-Looking Statements and Information

This news release could be viewed as containing forward-looking statements or information. Actual results may differ materially from the results suggested by the statements and information contained herein for a number of reasons, including, but not limited to, risks related to the pending merger, including fulfillment of conditions and receipt of consents and approvals, the company's ability to secure financing for all of its scheduled aircraft deliveries, the impact of the restructuring of the company and certain of its U.S. subsidiaries, the company's ability to refinance, extend or repay its near and intermediate term debt, the company's substantial level of indebtedness and related interest rates, the potential impact of volatile and rising fuel prices, impairments and restructuring charges, and the potential impact of labor unrest. Because of the company's restructuring, there can be no assurance as to the future value of the company's or any of its subsidiaries' securities, including AMR common stock. Accordingly, the company urges that caution be exercised with respect to existing and future investments in any of these securities (including AMR's common stock) or other claims. Readers are referred to the documents filed by the company with the Securities and Exchange Commission, including the company's Form 10-K for the period ended December 31, 2012, as amended by its Form 10-K/A filed April 16, 2013, which further identify the important risk factors that could cause actual results to differ materially from the forward-looking statements in this news release. The company disclaims any obligation to update any forward-looking statement or information.
