Item 2.02 Results of Operations and Financial Condition.

On May 22, 2013, Dycom Industries, Inc. (the “Company”) held a webcast and conference call to review its fiscal 2013 third quarter results and provide guidance for the fourth quarter of fiscal 2013. A copy of the transcript is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The transcript contains the financial measures of Adjusted EBITDA and certain amounts relating to organic revenue, which are Non-GAAP financial measures within the meaning of Regulation G promulgated by the Securities and Exchange Commission. Adjusted EBITDA, defined by the Company as earnings before interest, taxes, depreciation and amortization, gain on sale of fixed assets, acquisition related costs, write-off of deferred financing costs, and stock-based compensation expense is not a recognized term under generally accepted accounting principles (“GAAP”) and does not purport to be an alternative to net income, operating cash flows, or a measure of earnings. Organic revenue is not a recognized term under GAAP and does not purport to be an alternative to GAAP contract revenue. Because all companies do not use identical calculations, the presentation of these Non-GAAP financial measures may not be comparable to other similarly titled measures of other companies. The Company believes these Non-GAAP financial measures provide information that is useful to the Company’s investors. The Company believes that this information is helpful in understanding period-over-period operating results separate and apart from items that may, or could, have a disproportionate impact on the Company’s results of operations in any particular period. Additionally, the Company uses these Non-GAAP financial measures to evaluate its past performance and prospects for future performance. A reconciliation of these Non-GAAP financial measures to the most directly comparable GAAP measures is provided in the conference call materials referred to on the webcast and conference call, a copy of which has been furnished as Exhibit 99.1 to the Company’s Form 8-K previously filed with the Securities and Exchange Commission on May 22, 2013.

The information in the preceding paragraphs, as well as Exhibits 99.1, shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934 (the “Exchange Act”), or otherwise subject to the liabilities of that section. It may only be incorporated by reference into another filing under the Exchange Act or the Securities Act of 1933 (the “Securities Act”) if such subsequent filing specifically references this Current Report on Form 8-K.

## Forward Looking Statements

This Current Report on Form 8-K contains forward-looking statements as contemplated by the 1995 Private Securities Litigation Reform Act, including statements regarding the outlook for the Company. These statements are based on management's current expectations, estimates and projections. Forward-looking statements are subject to risks and uncertainties that may cause actual results in the future to differ materially from the results projected or implied in any forward-looking statements contained in this Current Report on Form 8-K. Such risks and uncertainties include business and economic conditions and trends in the telecommunications industry affecting our customers, the adequacy of our insurance and other reserves and allowances for doubtful accounts, whether the carrying value of our assets may be impaired, preliminary purchase price allocations of businesses acquired in December 2012, expected benefits and synergies of the acquisition, future financial and operating results, future opportunities for the combined businesses, the future impact of any acquisitions or dispositions, including the consummation of such acquisitions and dispositions, the anticipated outcome of other contingent events, including litigation, liquidity and other financial needs, the availability of financing, and the other risks detailed in our filings with the Securities and Exchange Commission. These filings are available on a web site maintained by the Securities and Exchange Commission at <http://www.sec.gov>. The Company does not undertake to update forward looking statements except as required by law.
