PART III - NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

In May 2013, the Registrant announced its decision to close the contract division of Tulsa Dynaspan, Inc. (TDI) in the Ready-Mixed Concrete Business segment. On July 12, 2013, the Registrant sold the property, plant and equipment of TDI's ready-mixed concrete division known as Arrow Concrete Company (Arrow) and subsequently ceased operations of the division at the end of the same business day. Upon TDI's construction contract division closure, which is expected to be completed by the end of the fourth quarter 2013, the subsidiary will cease all operations. Due to the complexity of segregating TDI's discontinued operations in the Registrant's financial statements required to be included in the Registrant's Form 10-Q, the Registrant requires additional time to properly finalize its Quarterly Report on Form 10-Q for the quarter ended June 30, 2013 before the filing deadline for such Quarterly Report on Form 10-Q. As a result, the Registrant was not able to file timely the Form 10-Q without unreasonable effort and expense. In accordance with Rule 12b-25 of the Securities Exchange Act of 1934, as amended, the Registrant intends to file its Form 10-Q no later than the fifth calendar day following the prescribed due date.

If the answer is no, identify report(s).  Yes  No

Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal (3) year will be reflected by the earnings statements to be included in the subject report or portion thereof?  Yes  No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Registrant anticipates a significant change in the results of operations for June 30, 2013 from the corresponding period in 2012. However, a reasonable estimate of the results cannot be made until the Registrant has finalized the financials reflecting the discontinued operations of TDI.
