Item 2.02 Results of Operations and Financial Condition

On November 19, 2014, Stage Stores, Inc. (the “Company”) issued a News Release reporting its unaudited financial results for the third quarter of fiscal 2014 and reaffirming its guidance for fiscal 2014.

The News Release included “non-GAAP financial measures,” as that term is defined by Rule 101 of Regulation G (17 CFR Part 244) and Item 10 of Regulation S-K (17 CFR Part 229). Specifically, the following non-GAAP financial measures were included: (i) adjusted loss from continuing operations; and (ii) adjusted diluted loss per share from continuing operations. The non-GAAP financial measures exclude from the most directly comparable financial measure calculated and presented in accordance with accounting principles generally accepted in the United States of America (“GAAP”), an after-tax charge of approximately \$2.6 million, or \$0.08 per diluted share, incurred during the third quarter of fiscal 2013, in connection with the consolidation of the Company's Houston, Texas office and its former South Hill, Virginia office. The News Release posted in the Investor Relations section of the Company's website contains a presentation of the most directly comparable financial measure calculated and presented in accordance with GAAP and a reconciliation of the difference between the non-GAAP financial measures and the most directly comparable financial measures calculated and presented in accordance with GAAP.

Management believes this supplemental financial information enhances an investor's understanding of the Company's financial performance as it excludes those items which impact comparability of operating trends. The non-GAAP financial information should not be considered in isolation or viewed as a substitute for net income, cash flow from operations or other measures of performance as defined by GAAP. Moreover, non-GAAP financial information as reported by the Company is not necessarily comparable to other similarly titled measures of other companies due to the potential inconsistencies in the method of presentation and items considered.

Attached as Exhibit 99.1 to this Form 8-K is a copy of the News Release, including information concerning forward-looking statements and factors that may affect the Company's future results. The information in Exhibit 99.1 shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference to such filing. By furnishing the information in this Form 8-K and the attached exhibits, the Company is making no admission as to the materiality of any information in this Form 8-K or the exhibits.

Item 8.01 Other Events
