Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 2, 2013, the Compensation Committee of the Board of Directors of Legg Mason, Inc. (the “Company”) awarded options to purchase 500,000 shares of Legg Mason, Inc. common stock at an exercise price of \$31.46 to Joseph A. Sullivan, the Company’s President and Chief Executive Officer. This award recognizes Mr. Sullivan’s recent promotion to the Chief Executive Officer role and is intended to provide a substantial long-term incentive to grow Legg Mason’s business. To align this award with shareholders’ interests, the award is subject to vesting requirements, the majority of which contain market-based hurdles, as well as a requirement that Mr. Sullivan retain certain shares received upon exercise for a two year period, as described below.

On May 2, 2013, in connection with the award to Mr. Sullivan, the Committee approved a form of Non-Qualified Stock Option Agreement under the Legg Mason, Inc. 1996 Equity Incentive Plan, as amended.

The options awarded to Mr. Sullivan expire on May 2, 2023. Except under certain circumstances as described below, the options vest in twenty-five percent increments, each subject to time or market-based vesting requirements, as follows:

- (1) 25% vest on May 2, 2015;
- (2) 25% vest on the later of May 2, 2015 and the first day on which the closing price of the Company’s common stock on the New York Stock Exchange (“NYSE”) has equaled or exceeded \$36.46 for twenty consecutive trading days;
- (3) 25% vest on the first day on which the closing price of the Company’s common stock on the NYSE has equaled or exceeded \$41.46 for twenty consecutive trading days;
- (4) 25% vest on the first day on which the closing price of the Company’s common stock on the NYSE has equaled or exceeded \$46.46 for twenty consecutive trading days.

The options vest immediately upon the recipient’s death or permanent disability, or in the event the recipient’s employment with the Company terminates without cause or for good reason following a change of control of the Company. Vested options will expire one year following the recipient’s death or permanent disability and three months following the date of termination of the recipient’s employment with the Company. In the stock option agreement, the recipient has agreed to retain a portion of the shares received upon exercise of the options (equal to the total shares exercised less a number of shares with a value equal to the total exercise price of the options and the aggregate amount required to be withheld for payment of U.S. federal and state income taxes) for a period of at least

two years following the exercise date, except in the event of a change of control of the Company. The award is subject to clawback provisions in certain circumstances.

The foregoing descriptions of the stock option agreement do not purport to be complete and are qualified in their entirety by reference to the agreement, which is filed as an exhibit to this Report and incorporated in this Report by reference.
