Section 2.2 Assumption of Liabilities. Upon the terms and subject to the conditions of this Agreement, Buyer agrees, effective at the Closing, to assume only the following liabilities of Seller except to the extent that such liabilities relate to any Taxes other than Assumed Sales Tax Liabilities (the "Assumed Liabilities"):

(i) all liabilities of Seller accrued on the Interim Financial Statements and not discharged as of the Closing Date;

Any provisions in this Agreement or any writing to the contrary notwithstanding, Buyer is assuming only the Assumed Liabilities and through its acquisition of the Transferred Subsidiaries, the liabilities thereof, and is not assuming any other liability or obligation of Seller or any Affiliate of Seller (or any predecessor owner of all or part of any of the business or assets of Seller or any Affiliate of Seller), of whatever nature, whether presently in existence or arising or asserted hereafter. All such other liabilities and obligations shall be retained by and remain obligations and liabilities of the applicable Seller or its Affiliates, (all such liabilities and obligations not being assumed being herein referred to as the "Excluded Liabilities"). Without limiting the foregoing, none of the following shall be Assumed Liabilities for purposes of this Agreement:

Section 2.4 Purchase Price.

(a) Purchase Price. Upon the terms and subject to the conditions set forth herein, Buyer shall pay to Seller for the sale, transfer, assignment, conveyance and delivery of the Purchased Assets, a base purchase price in an aggregate amount equal to Sixteen Million One Hundred Thousand Dollars (\$16,100,000) plus an amount equal to the amount of cash and cash equivalents held by Seller and its Subsidiaries immediately prior to the Closing (the "Purchase Price"),

subject, however, to the adjustments set forth in Section 2.5. The Purchase Price (including the Assumed Liabilities) shall be allocated among the Purchased Assets as determined by Buyer, and such allocation shall be the allocation which is used by the parties in preparing (i) Internal Revenue Service Form 8594, Asset Acquisition Statement, (ii) all other Tax Returns and (iii) for all other Tax purposes. Seller and Buyer shall each file Internal Revenue Service Form 8594 with their U.S. federal income tax returns for the tax period including the Closing Date. All allocations made pursuant to this Section 2.4 shall be binding upon the parties and upon each of their successors and assigns, and the parties shall report the transactions contemplated hereby in accordance with such allocations. The parties hereto shall not make any written statements or take any position on any Tax Return, in any refund claim, during the course of any Tax audit, for any financial or regulatory purpose in any litigation or investigation or otherwise that are inconsistent with the allocations made pursuant to this Section 2.4. Each party shall notify the other parties if it receives notice that any Tax authority proposes any allocation different from that made pursuant to this Section 2.4.

(b) Payment of the Purchase Price. The Purchase Price shall be paid on the Closing Date as follows:

(i) Buyer will pay to Seller the Purchase Price less the Escrow Amount, by wire transfer of immediately available funds to an account designated by Seller.

(ii) A portion of the Purchase Price equal to \$3,300,000 (the "Escrow Amount") shall be paid by Buyer to the Escrow Agent to be held in escrow in accordance with the terms of the Escrow Agreement in the form agreed to by the parties thereto (the "Escrow Agreement") to serve as a source of payment for any Claim for indemnification of any Buyer Indemnified Party pursuant to Article 8 hereof and the Purchase Price adjustment pursuant to Section 2.5 hereof. The Escrow Amount shall be held, invested and distributed in accordance with the terms of the Escrow Agreement. Of the Escrow Amount, \$300,000 shall be deposited in cash and the remainder shall be deposited by delivering to the Escrow Agent that number of shares of PTC's Common Stock, par value \$0.02, ("PTC Common Stock") derived by dividing \$3,000,000 by the average of the last reported sale price of the Common Stock of PTC on the New York Stock Exchange for the 20 trading days ending on the third trading day immediately preceding the Closing Date. No fractional shares of PTC Common Stock shall be issued; the number of shares to be delivered to the Escrow Agent shall be rounded down to the nearest whole number. The delivery of the PTC Common Stock into escrow will be made on behalf of Seller with the same effect as if such shares had been delivered directly by Buyer to Seller, and shall serve, pursuant to the Escrow Agreement, along with the cash so deposited pursuant to this Section 2.4(b)(ii) and Section 2.5(d), as the first source, but not the sole source, of indemnification payments that may become due pursuant to Section 8.2 hereof. In connection with the issuance of the PTC Common Stock, each of Seller and the Principal shall execute and deliver an Investment

Edgar Filing: PAR TECHNOLOGY CORP - Form 8-K

Agreement in the form agreed to by the parties thereto.

Section 2.5 Purchase Price Adjustment.

(a) As soon as reasonably practicable following the Closing Date, and in any event within ninety (90) calendar days thereof, Buyer shall prepare and

deliver to the Seller (i) a consolidated balance sheet of Seller and its Subsidiaries immediately prior to the Closing on the Closing Date (the "Closing Balance Sheet"), and (ii) a calculation of the Closing Date Purchased Net Assets as reflected on the Closing Balance Sheet. The Closing Balance Sheet shall be prepared in accordance with GAAP consistent with the preparation of the December 31 Balance Sheet, and shall fairly present the consolidated financial position of Seller and its consolidated Subsidiaries as of the Closing Date; provided, that all Transaction Related Expenses incurred by Seller or any of its Subsidiaries at or prior to the Closing shall not be accrued on the Closing Balance Sheet whether or not such accrual would be required in accordance with GAAP. Without limiting the generality of the foregoing, the parties acknowledge that, for the purpose of determining the Closing Date Purchased Net Assets, the consolidated assets and consolidated liabilities of Seller and its consolidated Subsidiaries shall not reflect the value of any Tax deductions resulting from the transactions contemplated hereby.

(b) Seller may dispute the calculation of the Closing Date Purchased Net Assets or any element of the Closing Balance Sheet relevant thereto by notifying Buyer of such disagreement in writing, setting forth in detail the particulars of such disagreement, within thirty (30) days after its receipt of the Closing Balance Sheet; provided, that the basis of any such dispute shall be limited to the failure of the calculation of Closing Date Purchased Net Assets or any amount reflected on the Closing Balance Sheet to have been determined in accordance with GAAP applied on a basis consistent with Section 2.5(a). In the event that Seller do does not provide such a notice of disagreement within such thirty (30) day period, Seller shall be deemed to have accepted the Closing Balance Sheet and the calculation of the Closing Date Purchased Net Assets delivered by Buyer, which shall be final, binding and conclusive for all purposes hereunder. In the event any such notice of disagreement is timely provided, Buyer and Seller shall use their commercially reasonable efforts for a period of thirty (30) days (or such longer period as they may mutually agree) to resolve any disagreements with respect to the calculation of the Closing Date Purchased Net Assets. If, at the end of such period, Buyer and Seller are unable to resolve such disagreements then, Deloitte & Touche LLP (or such other independent accounting firm of recognized national standing as may be mutually selected by Buyer and the Sellers) (the "Auditor") shall resolve any remaining disagreements. The Auditor shall determine as promptly as practicable, but in any event within thirty (30) days of the date on which such dispute is referred to the Auditor, whether the Closing Balance Sheet was prepared in accordance with the standards set forth in Section 2.5(a) and (only with respect to the remaining disagreements submitted to the Auditor) whether and to what extent (if any) the Closing Date Net Purchased Assets requires adjustment. The fees and expenses of the Auditor shall be paid one-half by Seller and the Principal, jointly and severally liable therefor, and one-half by Buyer. The determination of the Auditor shall be final, conclusive and binding on the parties. For purposes of this Agreement, the date on which the Closing Date Purchased Net Assets are finally determined in accordance with this Section 2.5(b) shall be the "Determination Date."

(c) The "Adjustment Amount," which may be positive or negative, shall mean (i) the Closing Date Purchased Net Assets, minus (ii) negative \$4,397,101. If the Adjustment Amount is a positive number in excess of \$100,000, then the Purchase Price will be increased by the sum of the Adjustment Amount, less \$100,000. If the Adjustment Amount is a negative number less than negative

Edgar Filing: PAR TECHNOLOGY CORP - Form 8-K

\$100,000, the Purchase Price will be decreased by the absolute value of the sum of the Adjustment Amount plus \$100,000.

(d) If the Purchase Price is increased or decreased pursuant to Section 2.5(c), then promptly following the Determination Date, and in any event within five (5) Business Days of the Determination Date, Buyer shall pay to Seller in cash (in the case of a Purchase Price increase) the amount of such increase or Seller and the Principal, jointly and severally (in the case of a Purchase Price decrease) shall pay, to Buyer in PTC Common Stock released from escrow, such shares to have the per share value assigned to them at the time of deposit into escrow in accordance with Section 2.4(b)(ii), any changes in the market value of PTC Common Stock subsequent to the time of deposit notwithstanding, the amount of such decrease. In the event that the Purchase Price is decreased by more than \$800,000.00 pursuant to this Subsection, Seller shall, within five (5) days of such adjustment, deposit into escrow an amount in cash equal to the amount in excess of \$800,000.00 by which the Purchase Price was decreased, so that at such time, the Escrow Amount shall be not less than \$2,500,000.00.

Section 2.6 Closing Costs and Fees. The cost of the recording or filing of all applicable conveyancing instruments incurred by reason of the transfer of Purchased Assets hereunder (including documentary and transfer taxes in connection therewith) will be paid by Seller.

Seller and its Subsidiaries use industry standard methods to detect and prevent viruses and other code covered by the preceding sentence (and subsequently to correct or remove such viruses) that may be present in the Seller Software. The Seller Software does not include or install any spyware, adware, or other similar software which monitors the use of any remote computer without the knowledge and express consent of the users of such remote computer.

(d) Seller and its Subsidiaries have adopted policies or procedures to control the use of (i) Computer Programs including without limitation object code and source code portions thereof available for download on the internet; and (ii) any other Computer Programs not introduced into Seller's or its Subsidiaries' development environment through a formal procurement process and pursuant to a license agreement determined to be appropriate for establishing Seller's and its Subsidiaries' rights and obligations with respect to Computer Programs.

The Machinery and Equipment, taken as a whole, are in good

operating condition and repair (subject to normal wear and tear) and are suitable for the purposes for which they are presently and have historically been used. Except as otherwise contemplated by this Agreement, Seller or any of its Subsidiaries owns, or, in the case of leases and licenses, has valid and subsisting leasehold interests or licenses in, all of the material assets and properties of whatever kind (whether real or personal, tangible or intangible and including, without limitation, all material intellectual property) used in their business, in each case free and clear of any Encumbrances other than Permitted Encumbrances.

Section 4.15 Real Property.

(a) Section 4.15 of the Disclosure Schedule describes and lists the name of the landlord of all real property now leased or licensed for use by Seller (the "Real Property"). Seller neither owns, nor has ever owned any Real Property. Schedule 4.15 of the Disclosure Schedule sets forth all leases, subleases and other agreements pursuant to which Seller derives its rights in the Real Property (the "Leases"), including, with respect to each such Lease the identity of the landlord or sublandlord, the date of such Lease and each amendment thereto, and the aggregate annual rent.

(b) The Leases are in good standing and are valid, binding and enforceable in accordance with their respective terms, and there does not exist under any such Lease any default by Seller or, to Seller's Knowledge, by any other Person, or any event that, with notice or lapse of time or both, would constitute a default by Seller or, to Seller's Knowledge, by any other Person. Seller has delivered to Buyer complete and accurate copies of all Leases, including all amendments and agreements related thereto and the Leases constitute the entire agreement between Seller and each landlord or sublandlord with respect to the Real Property. All rent and other charges currently due and payable under the Leases have been paid.

(c) Seller is the holder of the tenant's interest under the Leases and has not assigned the Leases nor subleased all or any portion of the premises leased thereunder. Seller has not made any alterations, additions or improvements to the premises leased under the Leases that are required to be removed (or of

Edgar Filing: PAR TECHNOLOGY CORP - Form 8-K

which any landlord or sublandlord could require removal) at the termination of the respective Lease terms. Seller owns all trade fixtures, equipment and personal property located in the premises leased under the Leases and the landlords thereunder have no Liens thereon or claim thereto except for Permitted Encumbrances.

(d) The Real Property currently has access to public ways, duly laid out and accepted by the appropriate local jurisdictions, either directly or over valid, recorded and insurable easements over private ways or private property for ingress to and egress from all such Real Property and connections to water supply, storm and sewer facilities, telephone, gas and electrical connections and other public utilities (collectively, the "Access Rights"). All of such Access Rights are of sufficient width and capacity to permit the Business to be conducted as presently conducted and proposed to be conducted, without interference, challenge or complaint from any neighbors or abutters to each Real Property or from any municipal authorities having jurisdiction over such Access Rights.

(e) The Real Property includes all real property leased by Seller or otherwise used or held for use in connection with the conduct of the Business as heretofore conducted.

(f) The Real Property and the present use of the Real Property are not in violation of or out of conformity with any zoning, subdivision, building, building code, health, safety, traffic, flood control, wetlands, or other land use laws, variances, Permits or orders of any Governmental Entity having jurisdiction over the Real Property, including, without limitation, the Americans with Disabilities Act of 1990.

Section 4.16 Intellectual Property Rights. Section 4.16 of the Disclosure Schedule lists each patent, registered copyright, trademark, service mark, mask work, trade name or domain name, and each application (and renewal) for or to register any of the foregoing, that is included in the Intellectual Property Rights owned by Seller or any of its Subsidiaries, including the record owner, the registration or application number and the expiration date. Seller or one of its Subsidiaries solely owns free and clear of any Encumbrance, or has the right to use pursuant to a Material Contract, each of the Intellectual Property Rights, including without limitation the Intellectual Property Rights listed on Section 4.16 of the Disclosure Schedule. The Intellectual Property Rights constitute all of the intellectual property necessary to carry out the Business's former, current and currently - planned future activities. No other Person other than a Seller or one of its Subsidiaries (i) has the right to use any of the Intellectual Property Rights, except pursuant to the Material Contracts; or (ii) to Seller's Knowledge, is infringing upon or otherwise violating any Intellectual Property Rights. To Seller's knowledge, neither Seller's nor any of its Subsidiaries' use of the Intellectual Property Rights, nor the conduct of Seller's or any of its Subsidiaries' businesses, is infringing upon or otherwise violating the rights of any other Person. Except as set forth in Section 4.16 of the Disclosure Schedule, neither Seller nor any of its Subsidiaries are obligated to provide any consideration (financial or otherwise) to any third party, nor is any third party otherwise entitled to any consideration, with respect to any exercise of rights by Seller or any of its Subsidiaries, or by Buyer as successor to Seller and its Subsidiaries, in the Intellectual Property Rights. No proceedings are pending against or notices received by Seller or any Subsidiary that are presently outstanding alleging

Edgar Filing: PAR TECHNOLOGY CORP - Form 8-K

that Seller's or any of its Subsidiary's use of the Intellectual Property Rights, or the conduct of Seller's or any of its Subsidiaries' businesses, infringes upon or otherwise violates any rights of a third party, or alleging that any Intellectual Property rights are invalid or unenforceable, nor have any such allegations been made to Seller's Knowledge. Seller and its Subsidiaries have taken commercially reasonable steps (including measures to protect secrecy and confidentiality) to protect Seller's and its Subsidiaries' right, title and interest in and to all Intellectual Property Rights, and to assure that any Personnel who have access to confidential or proprietary information of Seller or its Subsidiaries have a contractual or legal obligation of confidentiality to

Seller or its Subsidiaries with respect to such information, and have an obligation to transfer rights for no additional consideration in inventions, and authored works, whether or not patented, patentable, copyrighted or otherwise protectable under the law, made during the course of their employment using resources of Seller and its Subsidiaries.

Section 4.17 Sufficiency of Purchased Assets. Seller and its Subsidiaries have good and marketable and marketable title to, or a valid leasehold interest in, the Assets. Upon the consummation of the transactions contemplated hereby, Buyer will acquire good and marketable title to, or a valid leasehold interest in, all the Purchased Assets, free and clear of any Encumbrances, other than Permitted Encumbrances. The Purchased Assets include in all material respects all assets used or held for use in the conduct of the Business as presently conducted.

(a) Seller, its Subsidiaries, and the Principal each agree that for a period of three full years from the Closing Date, neither it nor any of its Affiliates shall:

(i) engage, either directly or indirectly, as a principal or for its own account, solely or jointly with others, or through any form of ownership in another Person, or otherwise, in any business that competes with the Business as it exists on the Closing Date; or

(ii) employ or solicit, or receive or accept the performance of services for compensation by, any Personnel;

(iii) advise any customer or supplier of the Business with respect to its business relationship with the Business.

(b) If any provision contained in this Section shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Section, but this Section shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. It is the intention of the parties that if any of the restrictions or covenants contained herein is held to cover a geographic area or to be for a length of time which is not permitted by applicable law, or in any way construed to be too broad or to any extent invalid, such provision shall not be construed to be null, void and of no effect, but to the extent such provision would be valid or enforceable under applicable law, a court of competent jurisdiction shall construe and interpret or reform this Section to provide for a covenant having the maximum enforceable geographic area, time period and other provisions (not greater than those contained herein) as shall be valid and enforceable under such applicable law. Seller, its Subsidiaries, and the Principal acknowledge that Buyer would be irreparably harmed by any breach of this Section and that there would be no adequate remedy at law or in damages to compensate Buyer for any such breach. Seller, its Subsidiaries, and the Principal agree that Buyer shall be entitled to injunctive relief requiring specific performance of this Section, and Seller, its Subsidiaries, and the Principal consent to the entry thereof.

Section 6.12 Trademark; Tradenames. As soon as practicable after the Closing Date, Seller shall eliminate the use of all of the trademarks, tradenames, service marks and service names used in the Business, in any of their forms or spellings, on all advertising, stationery, business cards,

Edgar Filing: PAR TECHNOLOGY CORP - Form 8-K

checks, purchase orders and acknowledgments, customer agreements and other contracts and business documents. Seller shall change its corporate name so as to bear no resemblance to the current name.

Section 6.13 Investment Canada. Within thirty (30) days following Closing and in any event in accordance with the time periods required by the Investment Canada Act (Canada), Buyer shall make necessary filings with Investment Canada with respect to the purchase of the equity interest in Springer-Miller Canada, ULC.

Section 6.14 Co-operation. Several of the provisions of this Agreement allocate liabilities to one party while assigning to the other party contract rights under which a third party may be responsible for such liabilities. In such situations, the parties shall reasonably co-operate to enable the enforcement of any third party payment, contribution or indemnity rights.

ARTICLE 8

INDEMNIFICATION

Edgar Filing: PAR TECHNOLOGY CORP - Form 8-K

Section 8.1 Survival. Subject to the limitations and other provisions of this Agreement, (x) the representations and warranties of each party contained herein shall survive the Closing and shall remain in full force and effect, regardless of any investigation made by or on behalf of the other party, for a period of eighteen (18) months after the Closing Date; provided, however, that the (i) representations and warranties set forth in Sections 4.18(b)(vi) and (x), 4.21 (Environmental Matters) and 4.22 (Tax Matters) shall survive the Closing for a period ending 180 days after the expiration of the applicable statute of limitations, (ii) the covenants and agreements of the parties shall remain in full force and effect for the applicable periods specified in the respective Sections or Articles or, if no such period is specified, indefinitely and (iii) the expiration of the representations and warranties and covenants and agreements of Seller shall not serve to preclude Buyer from asserting a claim arising out of, resulting from or relating to fraud or intentional misrepresentation prior to the expiration of the applicable statute of limitations period.

Section 8.2 Indemnification.

(a) By each of Seller and the Principal. Subject to the provisions of this Section 8.2, Seller and the Principal shall jointly and severally indemnify, defend and save and hold harmless, PTC, Buyer, the Transferred Subsidiaries, their respective Affiliates, and their respective stockholders, members, partners, officers, directors and employees (the "Buyer Indemnified Parties") from and against any and all Losses, whether or not involving any third party claims, arising out of, resulting from or relating to (i) any breach on the date hereof or the Closing Date of any representation or warranty of Seller contained in Article 4 hereof or set forth in an officer's certificate delivered by Seller pursuant to Article 7 hereof, (ii) any breach of any covenant or agreement of Seller contained herein, and (iii) any Excluded Liabilities.

(b) By Buyer. Subject to the provisions of this Section 8.2, Buyer shall indemnify, defend and save and hold harmless Seller, its Affiliates, and their respective stockholders, members, partners, officers, directors and employees (the "Seller Indemnified Parties") from and against any and all Losses, whether or not involving any third party claims, arising out of, resulting from or relating to (i) any breach on the date hereof or the Closing Date of any representation or warranty of Buyer contained in Article 5 hereof or set forth in an officer's certificate delivered by Buyer pursuant to Article 7 hereof, (ii) any breach of any covenant or agreement of Buyer contained herein, or (iii) from and after the Closing, any Assumed Liabilities.

(c) Claim Procedure. If a claim for Losses (a "Claim") is to be made by an indemnified party, such indemnified party shall give written notice (a "Claim Notice") to the indemnifying party (the "Indemnifying Party"), promptly after such indemnified party becomes aware of any fact, condition or event which may give rise to Losses for which indemnification may be sought under this Section 8.2. If any lawsuit or other action is filed or instituted against any

indemnified party with respect to a matter subject to indemnity hereunder, notice thereof (a "Third Party Notice") shall be given to the Indemnifying Party as promptly as practicable (and in any event within fifteen (15) calendar days after the service of the citation or summons). The failure of any indemnified party to give timely notice hereunder shall not affect such indemnified party's rights to indemnification hereunder, except to the extent such delay or failure materially prejudices the Indemnifying Party's ability to defend such Claim or mitigate any Losses resulting therefrom. After receipt of a Third Party Notice, the Indemnifying Party shall have the right by providing written notice to the indemnified party to (i) take control of the defense and investigation of such lawsuit or action, (ii) employ and engage attorneys of its own choice (subject to the approval of the indemnified party, such approval not to be unreasonably

Edgar Filing: PAR TECHNOLOGY CORP - Form 8-K

withheld) to handle and defend the same, at the Indemnifying Party's sole cost, risk and expense, and (iii) compromise or settle such claim, which compromise or settlement shall be made only with the written consent of the indemnified party. The indemnified party shall cooperate in all reasonable respects with the Indemnifying Party and such attorneys in the investigation, trial and defense of such lawsuit or action and any appeal arising therefrom (at the cost and expense of the Indemnifying Party); and the indemnified party may, at its own cost, participate in the investigation, trial and defense of such lawsuit or action and any appeal arising therefrom. If the Indemnifying Party fails to assume the defense of such claim within ten (10) Business Days after receipt of the Third Party Notice (or such earlier date, if the failure to assume the defense on such earlier date would materially impair the ability of such indemnified party to defend such claim), the indemnified party against which such claim has been asserted will (upon delivering notice to such effect to the Indemnifying Party) have the right to undertake the defense, compromise or settlement of such claim (all at the cost and expense of the Indemnifying Party) and the Indemnifying Party shall have the right to participate therein at its own cost. Notwithstanding the foregoing, whether or not the Indemnifying Party assumes the defense of a third party Claim, if the indemnified party determines in good faith that a third party Claim is likely to have a Material Adverse Effect on the indemnified party in a manner that may not be adequately compensated by money damages (it being understood that any third party Claim related to Taxes shall be deemed to have such a material adverse effect on the Buyer Indemnified Parties), then the indemnified party may, by written notice to the Indemnifying Party, assume the exclusive right to defend, compromise, or settle such third party Claim. Notwithstanding anything to the contrary contained in Section 8.2, no Claim may be settled by the indemnified party without the written consent of the Indemnifying Party, such consent not to be unreasonably withheld.

(d) Limitations on Seller's and the Principal's Indemnification. Notwithstanding the foregoing, no Buyer Indemnified Party shall be entitled to indemnification pursuant to Section 8.2(a)(i) for any Losses unless and until the amount of all Losses for which all Buyer Indemnified Parties are entitled to indemnification pursuant to Section 8.2(a)(i) exceeds \$150,000 (the "Seller's Threshold Amount"), at which time the Buyer Indemnified Parties shall be entitled to indemnification for all such Losses sustained by such Buyer Indemnified Parties in excess of the Threshold Amount; provided, however, that such amount shall not exceed (i) \$2,500,000 in respect of Losses as to which a Claim Notice is given within one year after the Closing Date (the "Initial Period"), and (ii) an amount equal to the excess, if any, of \$1,800,000 over the sum of Losses as to which Claims are pending plus the amount of Claims paid to the date a Claim Notice is given, in respect of Losses as to which a Claim Notice is given during the Period commencing after the Initial Period and ending eighteen months after the Closing Date. Notwithstanding the foregoing, the limitation in this Section 8.2(d) shall not apply to any breach of Sections 4.18(b)(vi) and (x), 4.21 (Environmental Matters) and 4.22 (Tax Matters), and any Loss arising out of, resulting from or relating to fraud or intentional misrepresentation.

(e) Limitations on Buyer Indemnification. Notwithstanding the foregoing, (i) no Seller Indemnified Party shall be entitled to indemnification pursuant to Section 8.2(b)(i) for any Losses unless and until the amount of all Losses for which all Seller Indemnified Parties are entitled to indemnification pursuant to Section 8.2(b)(i) exceeds \$150,000 (the "Buyer Threshold Amount"), at which time the Seller Indemnified Parties shall be entitled to indemnification for all Losses sustained by such Seller Indemnified Parties in excess of the Buyer Threshold Amount; provided that such amount shall not exceed \$2,500,000 in the aggregate.

(f) Survival. Notwithstanding any provision hereof to the contrary, no Claim may be asserted for the breach of any representation, warranty, covenant

Edgar Filing: PAR TECHNOLOGY CORP - Form 8-K

or agreement contained herein after the expiration of the survival period applicable to such representation, warranty, covenant or agreement, as specified in Section 8.1; provided, that this Section 8.2(f) shall not limit the ability of any indemnified party to recover for any Claim relating to the breach of any representation, warranty, covenant or agreement asserted prior to the expiration of the survival period applicable to such representation, warranty, covenant and agreement.

(g) Indemnification Escrow. In the event that any Buyer Indemnified Party is entitled to indemnification pursuant to this Section 8.2, the amount of Losses for which such Buyer Indemnified Party is entitled to indemnification shall be paid first from the Escrow Amount, in accordance with the terms of the Escrow Agreement, to the extent funds are available therefor. In such event, Buyer and Seller shall issue joint written instructions authorizing distribution of the amount of such Losses to such Buyer Indemnified Party. Seller may direct whether any release of the Escrow Amount is in the form of cash, shares of PTC Common Stock, or a combination thereof. Any release of the Escrow Amount in the form of PTC Common Stock shall be valued by using the per share value of such shares assigned to them at the time of deposit into escrow in accordance with Section 2.4(b)(ii). Seller and Buyer agree to jointly instruct the Escrow Agent promptly after each of the twelve-month, eighteen-month, twenty-four month and thirty-six month anniversary of the Closing Date to disburse to Seller from the Escrow Amount an amount equal to (i) at the twelve-month anniversary of the Closing Date, \$700,000 less any pending Claims on such date and any Claim amounts paid to such date; (ii) at the eighteen-month anniversary, an amount, if any, equal to one-third of the difference between the amount remaining in escrow and any then-pending Claims; (iii) at the twenty-four month anniversary, an amount, if any, equal to one-half of the difference between the amount remaining in escrow and any then-pending Claims; and (iv) at the thirty-sixth month anniversary, an amount, if any, equal to the amount remaining in escrow less any then-pending Claims.

ARTICLE 9 TAX MATTERS

Section 9.1 Conveyance Taxes. Any transfer, documentary, sales, use, stamp, registration and other such Taxes and fees (including, without limitation, any recording or filing fees or other costs or expenses incurred with respect thereto) incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by Seller when due (or promptly reimbursed by Seller to Buyer, as the case may be), and Seller will, at its own expense file all necessary Tax Returns and other documentation with respect to all such transfer, documentary, sales, use, stamp, registration and other Taxes and fees, if required by applicable law.

Section 9.2 Treatment of Indemnity Payments. All amounts paid with respect to indemnity claims under this Agreement shall be treated by the parties hereto for all Tax purposes as adjustments to the Purchase Price, unless otherwise required by law. If amounts paid with respect to indemnity claims under this Agreement are treated as income to any recipient, then the amount required to be paid under Article 8 of this Agreement shall be increased so that the recipient receives the amount it is entitled to receive under this Agreement, net of any Taxes it is required to pay as a result of the receipt of such payment.

ARTICLE 10 TERMINATION, AMENDMENT AND WAIVER

Section 10.1 Termination. This Agreement may be terminated at any time prior to the Closing:

Edgar Filing: PAR TECHNOLOGY CORP - Form 8-K

(a) by the mutual written consent of the parties hereto;

(b) by either Seller or Buyer, if any Governmental Authority with jurisdiction over such matters shall have issued a Governmental Order restraining, enjoining or otherwise prohibiting the consummation of the transactions contemplated hereby, and such order, decree, ruling or other action shall have become final and unappealable; provided, however, that the provisions of this Section 10.1(b) shall not be available to any party unless such party shall have used its commercially reasonable efforts to oppose any such Governmental Order or to have such Governmental Order vacated or made inapplicable to the transactions contemplated by this Agreement;

(c) at any time before the Closing, by notice given by Seller or Buyer (i) in the event of a material breach of this Agreement by a non-terminating party if such non-terminating party fails to cure such breach within ten (10) days following notification thereof by the terminating party or (ii) upon the satisfaction of any condition to the terminating party's obligations under this Agreement becoming impossible or impracticable with the use of commercially reasonable efforts, if the failure of such condition to be satisfied is not caused by a breach of this Agreement by the terminating party; provided, however, that for purposes of this Section 10.1(c), Seller and the Principal, collectively, shall be deemed to constitute a single party and shall not each have a separate right of termination;

(d) by either Seller or Buyer, if the Closing shall not have occurred prior to October 15, 2004; provided, however, that the right to terminate this Agreement under this Section 11.1 (d) shall not be available to any party whose failure to fulfill any obligation under this Agreement shall have been the cause of, or shall have resulted in, the failure of the Closing to occur prior to such date.

Section 10.2 Effect of Termination. In the event of termination of this Agreement as provided in Section 10.1, this Agreement shall forthwith be of no force or effect and there shall be no liability on the part of any party hereto except (a) that the obligations of the parties set forth in Section 6.3 and this Section 10.2 shall survive such termination, and (b) that nothing herein shall relieve any party from liability for any breach of this Agreement prior to the date of termination.

ARTICLE 11 GENERAL PROVISIONS

Section 11.1 Expenses. Each party hereto shall bear its own expenses, including, without limitation, fees and disbursements of counsel, financial advisors and accountants, incurred in connection with this Agreement and the transactions contemplated hereby, except for the Transaction Related Expenses (which shall be paid by Seller to the extent paid prior to the Closing or accrued on the Closing Balance Sheet), whether or not such transactions shall be consummated.

Section 11.2 Notices. All notices, requests, claims, demands and other communications hereunder shall be in writing and shall be given or made (and shall be deemed to have been duly given or made upon receipt) by delivery in person, by courier service, by cable, by telecopy, by telegram, by telex or by registered or certified mail (postage prepaid, return receipt requested) to the respective parties at the following addresses (or at such other address for a party as shall be specified in a notice given in accordance with this Section 11.2:

Section 11.3 Public Announcements. Unless otherwise required by applicable Law no party to this Agreement shall make any public announcements in respect of this Agreement or the transactions contemplated hereby or otherwise communicate with any news media without the prior written consent of the other party, and the parties shall cooperate as to the timing and contents of any such announcement.

Section 11.4 Headings. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

Section 11.5 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the essential economic or legal substance of the transactions contemplated hereby is not affected. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

Section 11.6 Entire Agreement. This Agreement (including the Ancillary Agreements, Disclosure Schedule, and the other Exhibits hereto) constitute the entire agreement of the parties hereto with respect to the subject matter hereof and supersede all prior agreements and undertakings, both written and oral, other than the Confidentiality Agreement, with respect to the subject matter hereof and except as otherwise expressly provided herein.

Edgar Filing: PAR TECHNOLOGY CORP - Form 8-K

Section 11.7 Assignment. This Agreement shall not be assigned by operation of Law or otherwise without the consent of Seller and Buyer; provided, however, that without the consent of Seller, Buyer may, by providing written notice to Seller, assign this Agreement and Buyer's rights and obligations hereunder in whole or in part to (a) an Affiliate of Buyer, and (b) to any Person who acquires all or a portion of the Purchased Assets or the Equity Securities of PTC or Buyer following the Closing (by merger, recapitalization, sale of stock or otherwise), provided, in each case, that Buyer remains bound by the terms and conditions of this Agreement.

Section 11.8 No Third-Party Beneficiaries. This Agreement is for the sole benefit of the parties hereto and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other person or entity any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Section 11.9 Waivers and Amendments. This Agreement may be amended or modified, and the terms and conditions hereof may be waived, only by a written instrument signed by the parties hereto or, in the case of a waiver, by the party waiving compliance. No delay on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any waiver on the part of any party of any right, power or privilege hereunder, nor any single or partial exercise of any other right, power or privilege hereunder, preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder.

Section 11.10 Specific Performance. Seller, its Subsidiaries, and the Principal agree that Buyer would be irreparably and immediately injured and could not be made whole by monetary damages if this Agreement is not specifically enforced after default. Therefore, Buyer shall have the right to specifically enforce each of Seller's and the Principal's performance of its obligations under this Agreement, and each of Seller and the Principal agree to waive the defense in any such suit that Buyer has an adequate remedy at law and to interpose no opposition, legal or otherwise, as to the propriety of specific performance as a remedy, and that Buyer shall have the right to obtain specific performance of the terms of this Agreement without being required to prove actual damages, post bond or furnish other security. In addition, Buyer shall be entitled to obtain from Seller and the Principal court costs and reasonable attorneys' fees incurred by Buyer in enforcing its rights hereunder. As a condition to seeking specific performance, Buyer shall not be required to have tendered the Purchase Price.

Section 11.11 Governing Law. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of New York applicable to contracts executed in and to be performed entirely in that state. All actions and proceedings arising out of or relating to this Agreement shall be heard and determined in a New York state or federal court sitting in the City of New York, and the parties hereto hereby irrevocably submit to the exclusive jurisdiction of such courts in any such action or proceeding and irrevocably waive the defense of an inconvenient forum to the maintenance of any such action or proceeding.

Section 11.12 Counterparts. This Agreement may be executed in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed by their respective officers thereunto duly authorized as of the date first written above.
