FIRST MERCHANTS CORPORATION ANNOUNCES 3rd QUARTER YEAR-TO-DATE NET INCOME OF \$20.4 MILLION.

Year-to-date diluted earnings per share totaled \$1.13, a decrease of 7.4 percent, from 2007 earnings per share of \$1.22. Net Income totaled \$20.4 million, a decline of \$1.9 million from the prior year total of \$22.3 million.

Total assets reached \$3.8 billion at quarter-end, an increase of \$110 million, or 2.9 percent, from September 30, 2007. Loans and investments, the Corporation's primary earning assets, totaled \$3.47 billion, an increase of \$122 million, or 3.6 percent, over the prior year. Loans accounted for \$208 million of the increase as investment securities declined by \$86 million as spreads between investment securities and borrowings remain below historical levels. At September 30, 2008, the Corporation's tangible capital was 5.9%, tier 1 capital was 7.3%, tier 1 risk based capital was 8.5% and total risk based capital was 11.2%.

Net-Interest margin expanded by 39 basis points from 3.52 percent in the third quarter of 2007 to 3.91 percent in 2008. As a result, net-interest income increased by \$4.7 million, or 16.5 percent. Provision expense totaled \$7.1 million for the quarter, an increase of \$4.3 million, as net charge-offs totaled \$3.7 million. The Corporation's allowance for loan losses as a percent of total loans increased from .96 to 1.14 percent since September 30, 2007. The increase totals \$7.4 million in additional reserves. The increased allowance for loan losses total is comprised of a \$2.0 million increase in the general historical loss component, a \$6.3 increase in environmental factors and a decline in specific reserves of \$924,000.

Total non-interest income decreased by \$1.6 million, during the quarter, due primarily to a \$1.5 million write-off of FHLMC preferred stock. Total expenses increased during the quarter by \$2.1 million totaling \$27.1 million. Year-to-date non-interest income declined by \$337,000 and non-interest expense

increased \$2,857,000.

Michael C. Rechin, President and Chief Executive Officer, stated that, "First Merchants has the people, strategies, capital, liquidity, and commitment to weather the current environment. While our short-term earnings have been impacted by credit costs, the strengthening of our balance sheet by building our loan loss reserve is prudent for the future and warranted by the economic trends we see in the Midwest. The volatility in our local markets and the capital markets does create opportunity and we have been successful in the strategic building of relationships and revenues."

Rechin continued, "First Merchants exceeds the Federal Reserve's capital adequacy requirements and continues to meet their definition of "well capitalized". Despite prudent provisioning, the Corporation's earnings and liquidity remain strong." Rechin also added that, "We look forward to the conclusion of our announced acquisition of Lincoln Bancorp. All required applications for approval have been filed and, at this time, no delays are expected in completing the transaction by our announced target date of December 31, 2008."
