#### 2013 Annual Incentive Plan

On January 24, 2013, the Dominion Resources, Inc. (Dominion) Compensation, Governance and Nominating Committee (CGN Committee) approved the 2013 Annual Incentive Plan (the “Plan”). Under the Plan, Dominion’s officers are eligible for an annual performance-based cash award. Each officer has a target incentive award under the Plan based on a percentage of base salary. For 2013, the target percentages of base salary for Dominion’s named executive officers are as follows: Chairman, President and Chief Executive Officer – 125%; Executive Vice President and Chief Financial Officer – 100%; Executive Vice President and Chief Executive Officer – Dominion Generation Business Unit – 90%; Executive Vice President and Chief Executive Officer – Dominion Virginia Power Business Unit – 90%; and Executive Vice President and Chief Executive Officer – Dominion Energy Business Unit – 90%.

The Plan is funded based on the achievement of consolidated financial operating earnings goals, with potential funding ranging from 0% to 200% of the target funding with the CGN Committee retaining negative discretion with respect to funding for those officers subject to Internal Revenue Code Section 162(m). For most officers, payout of the amount funded under the Plan is subject to achievement of applicable consolidated financial, business unit financial, and operating and stewardship goals, including safety and diversity. For those Dominion officers whose compensation may be subject to the deduction limits imposed under Internal Revenue Code Section 162(m), payout of incentives under the Plan will be based solely on the achievement of the funding goals in order preserve the deduction of any payouts they receive under the Plan.

The CGN Committee has the authority to exercise negative discretion to lower payouts for the named executive officers if discretionary goals adopted by the named executive officers are not achieved. All of the named executive officers have adopted discretionary consolidated financial, safety and diversity goals. The weighting for the safety and diversity goals is 5% for each goal. In addition, all of the named executive officers, except for the Chief Executive Officer and Chief Financial Officer, have adopted a discretionary business unit financial goal with a weighting of 45% for such goal.

The Plan includes a provision granting the CGN Committee discretion to require repayment of payouts made to any participant who engages in fraudulent or intentional misconduct that directly causes the need for a restatement of Dominion’s financial statements or who engages in fraudulent or intentional misconduct related to or materially affecting the company’s business operations.

#### 2013 Long-Term Incentive Program

On January 24, 2013, the CGN Committee approved the 2013 Long-Term Incentive Program (the “Program”) for its officers, including its named executive officers. The Program is being awarded pursuant to Dominion’s 2005 Incentive Compensation Plan, as amended, and consists of two components of equal value: a restricted stock grant and a cash-based performance grant. The restricted stock is subject to a three-year cliff vesting period, while payout of the performance grant will be based on the achievement of two performance metrics: total shareholder return relative to companies that are listed as members of the Philadelphia Utility Index (weighted 50%) and return on invested capital (weighted 50%). Payout on the performance grant will be made by March 15, 2015, with the amount of the award to vary depending on the level of achievement of the performance metrics. The CGN Committee retains authority to exercise negative discretion to lower payouts as it may deem appropriate, in its sole discretion. The Program includes a provision granting the CGN Committee discretion to require repayment or recovery of cash-based performance grant

or restricted stock payouts made to any officer who engages in fraudulent or intentional misconduct that directly causes the need for a restatement of Dominion's financial statements or who engages in fraudulent or intentional misconduct related to or materially affecting the company's business operations.

The description of the Program is a summary only and is qualified by reference to the 2013 Performance Grant Plan and form of 2013 Restricted Stock Award Agreement, which are filed as Exhibits 10.1 and 10.2, respectively.
