You should rely only on the information contained in or incorporated by reference into this prospectus supplement and the accompanying prospectus. We have not and the selling stockholder has not, authorized any other person to provide you with different information. If anyone provides you with different or inconsistent information, you should not rely on it. We are not and the selling stockholder is not, making an offer to sell these securities in any jurisdiction where the offer and sale is not permitted. You should assume that the information appearing in this prospectus supplement and the accompanying prospectus is accurate only as of their respective dates. Our business, financial condition, results of operations and prospects may have changed since those dates.

This document is in two parts. The first part is this prospectus supplement, which describes the specific terms of this offering of our common stock and also adds to and updates information contained in the accompanying prospectus and the documents incorporated by reference into the accompanying prospectus. The second part, the accompanying prospectus, provides more general information. Generally, when we refer to this prospectus, we are referring to both parts of this document combined. To the extent there is a conflict between the information contained in this prospectus supplement and the information contained in the accompanying prospectus or any document incorporated by reference therein filed prior to the date of this prospectus supplement, you should rely on the information in this prospectus supplement. If any statement in one of these documents is inconsistent with a statement in another document having a later date - for example, a document incorporated by reference in the accompanying prospectus - the statement in the document having the later date modifies or supersedes the earlier statement. Unless we indicate otherwise, the words "we," "our," "us" and "Company" refer to Stifel Financial Corp. ("Stifel") and its wholly-owned subsidiaries, including Stifel, Nicolaus & Company, Incorporated, which we refer to as "Stifel Nicolaus."

## **CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS**

This prospectus and the information incorporated by reference in it contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 ("Securities Act") and Section 21E of the Securities Exchange Act of 1934 ("Securities Exchange Act") that are based upon our current expectations and projections about current events. We intend for these forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995, and we are including this statement for purposes of these safe harbor provisions. You can identify these statements from our use of the words "may," "will," "should," "could," "would," "plan," "potential," "estimate," "project," "believe," "intend," "anticipate," "expect" and similar expressions. These forward-looking statements are subject to significant risks, assumptions and uncertainties, including, among other things, changes in general economic and business conditions, actions of competitors, regulatory actions, changes in legislation, technology changes and the risks and other factors set forth in our Quarterly Report on Form 10-Q for the quarterly period ended on June 30, 2008 and in our Annual Report on Form 10-K for the fiscal year ended December 31, 2007, which are incorporated by reference into this prospectus supplement.

Because of these and other uncertainties, our actual future results may be materially different from the results indicated by these forward-looking statements. In addition, our past results of operations do not necessarily indicate our future results. You should not place undue reliance on any forward-looking statements, which speak only as of the date they were made. We will not update these forward-looking statements, even though our situation may change in the future, unless we are obligated to do so under federal securities laws. We qualify all of our forward-looking statements by these cautionary statements.

With our century-old operating history, we have built a diversified business focused primarily on serving private clients, institutional investors and investment banking clients located across the country. ## **SELLING STOCKHOLDER**

As of the date hereof, OTA LLC, a Delaware limited liability company ("OTA"), is the holder of immediately exercisable warrants to purchase an aggregate of 722,586 shares of the Company's common stock, par value \$0.15 per share, at an exercise price of \$24.00 per share. We originally issued these warrants to BankAtlantic Bancorp, Inc. on June 22, 2007 in connection with our acquisition of Ryan Beck Holdings, Inc. Subsequently, on June 12, 2008, the Company distributed a 3-for-2 stock split to the holders of its common stock. Accordingly, the foregoing description of the warrants reflects the effect of such stock split.

We do not know when or in what amounts OTA may offer shares for sale. OTA may elect not to sell any of the shares offered by this prospectus supplement. Because OTA may offer all or none of the shares pursuant to this offering, and because there are currently no agreements, arrangements or understandings with respect to the sale of any of the shares that will be held by the selling stockholders after completion of the offering, we cannot estimate the number of shares that will be held by OTA after completion of the offering. OTA, and any agents or broker-dealers that participate in the distribution of the shares registered hereby may be deemed to be "underwriters" within the meaning of the Securities Act, and any commissions received by them and any profit on the resale of the shares may be deemed to be an underwriting commission or discount under the Securities Act. The address for OTA is One Manhattanville Road, Purchase, NY 10577.

To our knowledge, neither OTA nor any of its affiliates have held any position or office with, been employed by or otherwise has had any material relationship with us or our affiliates during the past three years.

## **USE OF PROCEEDS**

All of the shares sold pursuant to this prospectus supplement will be sold by the selling stockholder. We will not receive any of the proceeds from the sale of the shares by the selling stockholder.

## **PLAN OF DISTRIBUTION**

The shares covered by this prospectus supplement may be offered and sold from time to time by the selling stockholder (or by such stockholder's pledges, donees, transferees or other successors in interest selling shares received after the date of this prospectus supplement). To the extent required, this prospectus supplement may be amended and supplemented from time to time to describe a specific plan of distribution. The selling stockholder will act independently of us in making decisions with respect to the timing, manner and size of each sale. These sales may be made at a fixed price or prices, which may be changed or at prices on the NYSE and under terms then prevailing or at prices related to the then current market price.
