(e) On March 11, 2016, Community Bank System, Inc. (the “Company”) and Community Bank, N.A. (the “Bank”) entered into renewal employment agreements with Brian D. Donahue, the Bank’s Executive Vice President and Chief Banking Officer, and Joseph F. Serbun, the Bank’s Senior Vice President and Chief Credit Officer.

Mr. Donahue’s Employment Agreement continues the format and substantially similar terms of his prior employment agreement which expired on December 31, 2015. The Employment Agreement provides that Mr. Donahue shall serve as the Executive Vice President and Chief Banking Officer of the Bank during the period from January 1, 2016 to December 31, 2018. During the term of the Agreement, the Company shall pay a base salary at an annual rate of \$359,625, which will be reviewed and may be adjusted in future years in accordance with the Company’s regular payroll practices for executive employees. Mr. Donahue will be eligible to receive annual incentive compensation under the terms of the Company’s Management Incentive Plan (“MIP”) as determined by the Compensation Committee of the Board. The Employment Agreement may be terminated by the Company for cause at any time, and shall terminate upon Mr. Donahue’s death or disability. In the event Mr. Donahue is terminated without cause, he will be entitled to the greater of (i) 175 percent of the sum of his annual base salary at the time of termination and the most recent payment to him under the Company’s MIP, or (ii) the amount of base salary and expected MIP payments that otherwise would have been payable to Mr. Donahue through the unexpired term of the agreement. If Mr. Donahue’s employment is terminated for reasons other than cause, death, or disability within two years following a change in control of the Company, or if Mr. Donahue voluntarily resigns during this period based upon an involuntary and material adverse change in his authority, duties, responsibilities, base salary, or the geographic location of his assignment, he shall be entitled to three times his base salary and his incentive compensation award for the year immediately preceding the change in control and continuation of certain benefits for a 36 month period. Mr. Donahue is subject to non-compete provisions which restrict his ability to engage in competing business activities for one year following termination of employment or to solicit customers of the Company or Bank for two years following termination of employment.

Mr. Serbun’s Employment Agreement continues the format and substantially similar terms of his prior employment agreement which expired on December 31, 2015. The Employment Agreement provides that Mr. Serbun shall serve as the Senior Vice President and Chief Credit Officer of the Bank during the period from January 1, 2016 to December 31, 2018. During the term of the Agreement, the Company shall pay a base salary at an annual rate of \$260,000, which will be reviewed and may be adjusted in future years in accordance with the Company’s regular payroll practices for executive employees. Mr. Serbun will be eligible to receive annual incentive compensation under the terms of the Company’s MIP as determined by the Compensation Committee of the Board. The Employment Agreement may be terminated by the Company for cause at any time, and shall terminate upon Mr. Serbun’s death or disability. In the event Mr. Serbun is terminated without cause, he will be entitled to the greater of (i) the sum of his annual base salary at the time of termination and the most recent payment to him under the Company’s MIP, or (ii) the amount of base salary and expected MIP payments that otherwise would have been payable to Mr. Serbun through the unexpired term of the agreement. If Mr. Serbun’s employment is terminated for reasons other than cause, death, or disability within two years following a change in control of the Company, or if Mr. Serbun voluntarily resigns during this period based upon an involuntary and material adverse change in his authority, duties, responsibilities, base salary, or the geographic location of his assignment, he shall be entitled to 2.5 times his base salary and his incentive compensation award for the year immediately preceding the change in control and continuation of certain benefits for a 36 month period. Mr. Serbun is subject to non-compete provisions which restrict his ability to engage in competing business activities for one year following termination of employment or to solicit customers of the Company or Bank for two years following termination of employment.
