Note: (a) Effective January 1, 1993, the Company adopted Financial Accounting Standard (FAS) No. 113 "Accounting and Reporting for Reinsurance of Short-Duration and Long-Duration Contracts" which eliminates the reporting of assets and liabilities relating to reinsured contracts net of reinsurance ceded balances. Accordingly, reinsured losses and unearned premiums are to be reported as assets. Assets and liabilities were, as a result, increased by corresponding amounts of approximately \$1.5 billion at December 31, 2002, \$1.3 billion at December 31, 2001 and \$1.3 billion at December 21, 2000. FAS No. 113 did not have any effect on the Company's results of operations.

(b) Regulatory and related GAAP reclassifications that took effect at the beginning of 2001 pertained mostly to the recording of estimated premiums due subsequent to each balance sheet date and had the approximate effect of increasing accounts receivable by \$110.9 million, deferred acquisition costs by \$15.7 million and unearned premiums by \$110.9 million as of December 31, 2001. These changes had no effect on the Company's net income for 2001.
