Item 8.01 Other Events.

On February 28, 2008, Overseas Shipholding Group, Inc. ("OSG") issued a press release announcing that a joint venture between OSG and Euronav NV ("Euronav") had been awarded two contracts by Maersk Oil Qatar AS to provide Floating Storage and Offloading ('FSO') services on the Al Shaheen field offshore Qatar. The contract award is for eight years to be performed by two vessels, the TI Africa and the TI Asia, both double hull Ultra Large Crude Carriers tankers totaling 442,000 dwt tons each, currently owned by OSG and Euronav, respectively. These are the largest ships of this type in the world.

The contracts provide for both vessels to be converted to FSOs and the converted vessels are expected to commence service in July and September of 2009.
