## AMERICAN INSURED MORTGAGE INVESTORS - SERIES 85, L.P.

### NOTES TO FINANCIAL STATEMENTS

(Unaudited)

#### 1. ORGANIZATION

American Insured Mortgage Investors - Series 85, L.P. (the Partnership) was formed under the Uniform Limited Partnership Act of the state of California on June 26, 1984. The Partnership Agreement ("Partnership Agreement") states that the Partnership will terminate on December 31, 2009, unless previously terminated under the provisions of the Partnership Agreement.

CRIIMI, Inc. (the "General Partner") holds a partnership interest of 3.9% and is a wholly owned subsidiary of CRIIMI MAE Inc. ("CRIIMI MAE"). AIM Acquisition Partners L.P. (the "Advisor") serves as the advisor to the Partnership. The general partner of the Advisor is AIM Acquisition Corporation ("AIM Acquisition") and the limited partners include, but are not limited to, AIM Acquisition, The Goldman Sachs Group, L.P., Sun America Investments, Inc. (successor to Broad, Inc.) and CRI/AIM Investment, L.P., an affiliate of CRIIMI MAE. AIM Acquisition is a Delaware corporation that is primarily owned by Sun America Investments, Inc. and The Goldman Sachs Group, L.P.

Under the Advisory Agreement, the Advisor will render services to the Partnership, including but not limited to, the management of the Partnership's portfolio of mortgages and the disposition of the Partnership's mortgages. Such services will be subject to the review and ultimate authority of the General Partner. However, the General Partner is required to receive the consent of the Advisor prior to taking certain significant actions, including but not limited to the disposition of mortgages, any transaction or agreement with the General Partner, or its affiliates, or any material change as to policies regarding distributions or reserves of the Partnership. The Advisor is permitted to delegate the performance of services pursuant to a sub-advisory agreement (the "Sub-Advisory Agreement"). The delegation of such services will not relieve the

## Edgar Filing: AMERICAN INSURED MORTGAGE INVESTORS SERIES 85 L P - Form 10-Q

Advisor of its obligation to perform such services. CRIIMI MAE Services Limited Partnership ("CMSLP"), an affiliate of CRIIMI MAE, manages the Partnership's portfolio, pursuant to the Sub-Advisory Agreement. The general partner of CMSLP is CMSLP Management Company, Inc., an affiliate of CRIIMI MAE.

The Partnership's investment in mortgages consists of participation certificates evidencing a 100% undivided beneficial interest in government insured multifamily mortgages issued or sold pursuant to Federal Housing Administration (FHA) programs (FHA-Insured Certificates), mortgage-backed securities guaranteed by the Government National Mortgage Association (GNMA) (GNMA Mortgage-Backed Securities) and FHA-insured mortgage loans (FHA-Insured Loans and together with FHA-Insured Certificates and GNMA Mortgage-Backed Securities referred to herein as Insured Mortgages). The mortgages underlying the FHA-Insured Certificates, GNMA Mortgage-Backed Securities and FHA-Insured Loans are non-recourse first liens on multifamily residential developments or retirement homes.

On October 5, 1998, CRIIMI MAE, the parent of the General Partner, and CRIIMI MAE Management, Inc., an affiliate of CRIIMI MAE and provider of personnel and administrative services to the Partnership, filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). On November 22, 2000, the United States Bankruptcy Court for the District of Maryland, in Greenbelt, Maryland (the "Bankruptcy Court") confirmed CRIIMI MAE's and CRIIMI MAE Management, Inc.'s Third Amended Joint Plan of Reorganization (as amended and supplemented by praecipes filed with the Bankruptcy Court on July 13, 14 and 21, and November 22, 2000). On April 17, 2001, CRIIMI MAE and CRIIMI MAE Management, Inc. announced the completion of their confirmed joint plan of reorganization and emerged from bankruptcy. This marks the conclusion of CRIIMI MAE's and CRIIMI MAE Management, Inc.'s financial reorganization.

## 2. BASIS OF PRESENTATION

In the opinion of the General Partner, the accompanying unaudited financial statements contain all adjustments of a normal recurring nature necessary to present fairly the financial position of the Partnership as of September 30, 2001 and December 31, 2000 and the results of its operations for the three and nine months ended September 30, 2001 and 2000 and its cash flows for the nine months ended September 30, 2001 and 2000.

These unaudited financial statements have been prepared pursuant to the rules and regulations of the Securities and Exchange Commission. Certain information and note disclosures normally included in annual financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted. While the General Partner believes that the disclosures presented are adequate to make the information not misleading, these financial statements should be read in conjunction with the financial statements and the notes to the financial statements included in the Partnership's Annual Report filed on Form 10-K for the year ended December 31, 2000.

Comprehensive Income

-----

Comprehensive income is the change in Partners' equity during a period from transactions from nonowner sources. This includes net income as currently reported by the Partnership adjusted for unrealized gains and losses related to the Partnership's mortgages accounted for as available for sale. Unrealized gains and losses are reported in the equity section of the Balance Sheet as

(7) Afton Square Apartments	1,061,000	Jul. 2001	29,341	0.08	Jul. 2001

\* In May 2001, HUD issued assignment proceeds in the form of two 7.125% debentures for the mortgages on Summit Square Manor and Park Place Apartments. The debentures, with face values of \$2,715,930 and \$1,075,951, for the mortgages on Summit Square Manor and Park Place Apartments, respectively, were issued to Firststar Trust Company, with interest payable semi-annually on January 1 and July 1. Firststar Trust Company, the initial mortgagee, signed the debentures over to Midland Loan Services, Inc.

## Edgar Filing: AMERICAN INSURED MORTGAGE INVESTORS SERIES 85 L P - Form 10-Q

("Midland"), the third party servicer. Midland will sell the debentures and distribute the proceeds as soon as practical. A distribution will be declared at that time. The mortgages on Summit Square Manor and Park Place Apartments were owned approximately 70% by the Partnership. The Partnership expects to receive net proceeds of approximately \$1.9 million and \$746,000 for the mortgages on Summit Square Manor and Park Place Apartments, respectively. The net proceeds due the Partnership are included on the balance sheet in Receivables and other assets. The servicer of these mortgages filed an application for insurance benefits under the Section 221 program of the National Housing Act of 1937 in June 2000.

As of November 1, 2001, all of the fully insured FHA-Insured Certificates and GNMA Mortgage-Backed Securities are current with respect to the payment of principal and interest. In addition, the Partnership no longer receives monthly principal and interest from the mortgages that are in the HUD assignment process under Section 221, as discussed below.

As of November 1, 2001, the Partnership has received notification from the respective servicers that HUD applications for insurance benefits have been filed for the following mortgages:

Property Name -----	Date last principal and interest payment received -----	Outstanding Principal Balance -----
Park Hill Apartments	Sept. 2000	\$ 1,737,000
Fairfax House	Sept. 2000	2,128,000
Country Club Terrace Apts.	Sept. 2000	1,439,000
Fairlawn II	Sept. 2000	755,000
Nevada Hills Apts.	Dec. 2000	1,146,000
Dunhaven Apartments, Section I	Jan. 2001	884,000
Woodland Villas	April 2001	303,000

Under the Section 221 program, a mortgagee has the right to assign a mortgage ("put") to FHA at the expiration of 20 years from the date of final endorsement if the mortgage is not in default at such time. Any mortgagee electing to assign an FHA-insured mortgage to FHA will receive, in exchange therefor, HUD debentures having a total face value equal to the then outstanding principal balance of the FHA-insured mortgage plus accrued interest to the date of assignment. These HUD debentures will mature 10 years from the date of assignment and will bear interest at a rate announced semi-annually by HUD in the Federal Register ("going Federal rate") at such date. This assignment

10

procedure is applicable to an insured mortgage, which had a firm or conditional FHA commitment for insurance on or before November 30, 1983. Once the servicer of a mortgage has filed an application for insurance benefits under Section 221, the Partnership will no longer receive the monthly principal and interest on the applicable mortgage. The Partnership expects to receive HUD debentures, as discussed above, plus accrued interest at the "going Federal rate", from date of assignment of the mortgage to the date of issuance of the debenture. The Partnership will recognize a gain on these assignments upon receipt of HUD debentures or a loss when it becomes probable that a loss will be incurred. In general, the Partnership plans to hold the debentures until called or date of maturity, whichever comes first. At that time debenture proceeds will be distributed to Unitholders.

#### 4. INVESTMENT IN FHA-INSURED LOANS

Fully Insured FHA-Insured Loans

# Edgar Filing: AMERICAN INSURED MORTGAGE INVESTORS SERIES 85 L P - Form 10-Q

-----  
 Listed below is the Partnership's aggregate investment in FHA-Insured Loans:

	September 30, 2001 -----	December 31, 2000 -----
Fully Insured Acquired Loans:		
Number of Loans (1)	7	
Amortized Cost	\$ 8,946,627	\$ 10,041,600

Fair Value	10,913,704	12,023,400
Fully Insured Originated Loans:		
Number of Loans	3	
Amortized Cost	\$ 12,466,072	\$ 12,570,000
Face Value	12,165,849	12,261,300
Fair Value	12,509,638	12,192,600

(1) In September 2001, the mortgage on Berryhill Apartments was prepaid. The Partnership received net proceeds of approximately \$1.2 million and recognized a gain of approximately \$190,000 for the nine months ended September 30, 2001. A distribution of approximately \$0.10 per Unit related to the prepayment of this mortgage was declared in September and paid to Unitholders in November 2001.

As of November 1, 2001, all of the Partnership's FHA-Insured Loans, recorded at amortized cost, were current with respect to the payment of principal and interest, except for the mortgage on Westbrook Apartments, which is delinquent with respect to the October payment of principal and interest.

In addition to base interest payments under Originated Insured Mortgages, the Partnership is entitled to additional interest based on a percentage of the net cash flow from the underlying development (referred to as Participations). During the three and nine months ended September 30, 2001, the Partnership received additional interest of \$0 and \$53,423, respectively, from the Participations. During the three and nine months ended September 30, 2000, the Partnership received additional interest of \$0 and \$21,566, respectively, from the Participations. These amounts, if any, are included in mortgage investment income on the accompanying Statements of Income and Comprehensive Income.

11

## 5. INVESTMENT IN DEBENTURE AND DUE TO AFFILIATE

In December 2000, HUD issued assignment proceeds in the form of a 7.125% debenture for the mortgage on Fox Run Apartments. The debenture, with a face value of \$2,385,233 was issued to the Partnership, with interest payable semi-annually on January 1 and July 1. The mortgage on Fox Run Apartments was owned 50% by the Partnership and 50% by an affiliate of the Partnership, American Insured Mortgage Investors ("AIM 84"). Upon disposition of the debenture 50% of the proceeds will be payable to AIM 84. The Partnership expects to receive net proceeds of approximately \$1.2 million. The net proceeds due AIM 84 are included on the balance sheet in due to affiliate. In August 2001, HUD issued a call notice for redemption of this debenture, at par, plus accrued interest, on January 1, 2002. A distribution will be declared at that time. The servicer of this mortgage filed an application for insurance benefits under the Section 221 program of the National Housing Act of 1937 in May 2000.

# Edgar Filing: AMERICAN INSURED MORTGAGE INVESTORS SERIES 85 L P - Form 10-Q

## 6. DISTRIBUTIONS TO UNITHOLDERS

The distributions paid or accrued to Unitholders on a per Unit basis for the nine months ended September 30, 2001 and 2000 are as follows:

	2001 -----	2000 -----
Quarter ended March 31,	\$ 0.68 (1)	\$ 0.47 (6) (7)
Quarter ended June 30,	0.37 (2)	0.46 (8) (9)
Quarter ended September 30,	0.71 (3) (4) (5)	0.18
	-----	-----
	\$ 1.76	\$ 1.11
	=====	=====

The following disposition proceeds are included in the distributions listed above:

Complex Name(s) -----	Declaration Date -----	Type of Disposition -----	Net Proceeds Per Unit -----
(1) The Meadows of Livonia	Jan. 2001	Prepayment	\$ 0.53
(2) Gold Key Village Apartments	Apr. 2001	Prepayment	0.22
(3) Cedar Ridge Apartments and Carlisle Apartments	July 2001	Prepayment	0.38
(4) Afton Square Apartments	July 2001	Prepayment	0.08
(5) Berryhill Apartments	Sept. 2001	Prepayment	0.10
(6) Northwood Apartments	Jan. 2000	Prepayment	0.13
(7) Turtle Creek Apartments	Jan. 2000	Prepayment	0.13
(8) Woodland Hills Apartments and New Castle Apartments	May 2000	Prepayment	0.22
(9) Colony West Apartments	Jun. 2000	Prepayment	0.05

The basis for paying distributions to Unitholders is net proceeds from mortgage dispositions, if any, and cash flow from operations, which includes regular interest income and principal from Insured Mortgages. Although the Insured Mortgages yield a fixed monthly mortgage payment once purchased, the cash distributions paid to the Unitholders will vary during each quarter due to (1) the fluctuating yields in the short-term money market where the monthly mortgage payment receipts are temporarily invested prior to the payment of quarterly distributions, (2) the reduction in the asset base and monthly mortgage payments resulting from monthly mortgage payments received or mortgage dispositions, (3) variations in the cash flow attributable to the delinquency or default of Insured Mortgages and professional fees and foreclosure costs incurred in connection with those Insured Mortgages and (4) variations in the Partnership's operating expenses. As the Partnership continues to liquidate its

12

mortgage investments and investors receive distributions of return of capital and taxable gains, investors should expect a reduction in earnings and distributions due to the decreasing mortgage base.

### General -----

As of September 30, 2001, the Partnership had invested in 44 Insured Mortgages with an aggregate amortized cost of approximately \$89 million, an aggregate face value of approximately \$92 million and an aggregate fair value of approximately \$94 million, as discussed below.

As of November 1, 2001, all of the fully insured FHA-Insured Certificates and GNMA Mortgage-Backed Securities are current with respect to the payment of principal and interest, except for the mortgage on Westbrook Apartments, which is delinquent with respect to the October payment of principal and interest. In addition, the Partnership no longer receives monthly principal and interest from the mortgages that are in the HUD assignment process under Section 221, as discussed below.

As of November 1, 2001, the Partnership has received notification from the respective servicers that HUD applications for insurance benefits have been filed for the following mortgages:

Property Name -----	Date last principal and interest payment received -----	Outstanding Principal Balance -----
Park Hill Apartments	Sept. 2000	\$ 1,737,000
Fairfax House	Sept. 2000	2,128,000
Country Club Terrace Apts.	Sept. 2000	1,439,000
Fairlawn II	Sept. 2000	755,000
Nevada Hills Apts.	Dec. 2000	1,146,000
Dunhaven Apartments, Section I	Jan. 2001	884,000
Woodland Villas	April 2001	303,000

Under the Section 221 program, a mortgagee has the right to assign a mortgage ("put") to FHA at the expiration of 20 years from the date of final

endorsement if the mortgage is not in default at such time. Any mortgagee electing to assign an FHA-insured mortgage to FHA will receive, in exchange therefor, HUD debentures having a total face value equal to the then outstanding principal balance of the FHA-insured mortgage plus accrued interest to the date of assignment. These HUD debentures will mature 10 years from the date of assignment and will bear interest at a rate announced semi-annually by HUD in the Federal Register ("going Federal rate") at such date. This assignment procedure is applicable to an insured mortgage, which had a firm or conditional FHA commitment for insurance on or before November 30, 1983. Once the servicer of a mortgage has filed an application for insurance benefits under Section 221, the Partnership will no longer receive the monthly principal and interest on the applicable mortgage. The Partnership expects to receive HUD debentures, as discussed above, plus accrued interest at the "going Federal rate", from date of assignment of the mortgage to the date of issuance of the debenture. The Partnership will recognize a gain on these assignments upon receipt of HUD debentures or a loss when it becomes probable that a loss will be incurred. In general, the Partnership plans to hold the debentures until called or date of maturity, whichever comes first. At that time debenture proceeds will be distributed to Unitholders.

In December 2000, HUD issued assignment proceeds in the form of a 7.125% debenture for the mortgage on Fox Run Apartments. The debenture, with a face value of \$2,385,233 was issued to the Partnership, with interest payable semi-annually on January 1 and July 1. The mortgage on Fox Run Apartments was owned 50% by the Partnership and 50% by an affiliate of the Partnership, American Insured Mortgage Investors ("AIM 84"). Upon disposition of the debenture 50% of the proceeds will be payable to AIM 84. The Partnership expects to receive net proceeds of approximately \$1.2 million. The net proceeds due AIM 84 are included on the balance sheet in due to affiliate. In August 2001, HUD issued a call notice for redemption of this debenture, at par, plus accrued interest, on January 1, 2002. A distribution will be declared at that time. The servicer of this mortgage filed an application for insurance benefits under the Section 221 program of the National Housing Act of 1937 in May 2000.

In May 2001, HUD issued assignment proceeds in the form of two 7.125% debentures for the mortgages on Summit Square Manor and Park Place Apartments. The debentures, with face values of \$2,715,930 and \$1,075,951, for the mortgages on Summit Square Manor and Park Place Apartments, respectively, were issued to Firststar Trust Company, with interest payable semi-annually on January 1 and July 1. Firststar Trust Company, the initial mortgagee, signed the debentures over to Midland Loan Services, Inc. ("Midland"), the third party servicer. Midland will sell the debentures and distribute the proceeds as soon as practical. A distribution will be declared at that time. The mortgages on Summit Square Manor and Park Place Apartments were owned approximately 70% by the Partnership. The Partnership expects to receive net proceeds of approximately \$1.9 million and \$746,000 for the mortgages on Summit Square Manor and Park Place Apartments, respectively. The net proceeds due the Partnership are included on the balance sheet in Receivables and other assets.

### Results of Operations

-----

Net earnings did not change significantly for the three and nine months ended September 30, 2001, as compared to the corresponding periods in 2000.

Mortgage investment income decreased for the three and nine months ended September 30, 2001, as compared to the corresponding periods in 2000, primarily due to a reduction in the mortgage base. The mortgage base decreased as a result of eleven mortgage dispositions with an aggregate principal balance of approximately \$23 million, representing an approximate 19% decrease in the aggregate principal balance of the total mortgage portfolio since March 2000.

Interest and other income increased for the three and nine months ended September 30, 2001, as compared to the corresponding periods in 2000, primarily due to the timing of temporary investment of mortgage disposition proceeds prior to distribution and due to the timing of the receipt of interest on debentures.

Asset management fee to related parties decreased for the three and nine months ended September 30, 2001, as compared to the corresponding periods in 2000, primarily due to the reduction in the mortgage asset base, as previously discussed.

General and administrative expenses decreased for the three and nine months ended September 30, 2001, as compared to the corresponding periods in 2000, primarily due to a decrease in mortgage service fees as a result of the decreased mortgage base, as previously discussed.

Gains on mortgage dispositions increased for the three and nine months ended September 30, 2001, as compared to the corresponding periods in 2000. During the nine months ended September 30, 2001, the Partnership recognized gains of approximately \$875,000 from the prepayment of the mortgages on The Meadows of Livonia, Gold Key Village Apartments, Carlisle Apartments, Cedar Ridge Apartments, Afton Square Apartments and Berryhill Apartments. In addition, during the first nine months of 2001, the Partnership recognized gains of approximately \$330,000 from the assignment of the mortgages on Summit Square Manor and Park Place Apartments. During the nine months ended September 30, 2000, the Partnership recognized gains of approximately \$279,000 from the prepayment of the mortgages on Turtle Creek Apartments, Woodland Hills Apartments, New Castle Apartments and Colony West Apartments.

#### Liquidity and Capital Resources

-----

The Partnership's operating cash receipts, derived from payments of principal and interest on Insured Mortgages, plus cash receipts from interest on short-term investments, were sufficient during the first nine months of 2001 to meet operating requirements. The basis for paying distributions to Unitholders is net proceeds from mortgage dispositions, if any, and cash flow from operations, which includes regular interest income and principal from Insured Mortgages. Although the Insured Mortgages yield a fixed monthly mortgage payment once purchased, the cash distributions paid to the Unitholders will vary during each quarter due to (1) the fluctuating yields in the short-term money market where the monthly mortgage payments received are temporarily invested prior to the payment of quarterly distributions, (2) the reduction in the asset base and monthly mortgage payments due to monthly mortgage payments received or mortgage dispositions, (3) variations in the cash flow attributable to the delinquency or default of Insured Mortgages and professional fees and foreclosure costs incurred in connection with those Insured Mortgages and (4) variations in the Partnership's operating expenses. As the Partnership continues to liquidate its mortgage investments and investors receive distributions of return of capital and taxable gains, investors should expect a reduction in earnings and distributions due to the decreasing mortgage base.

Net cash provided by operating activities decreased for the nine months ended September 30, 2001, as compared to the corresponding period in 2000, primarily due to the reduction in the mortgage base, as previously discussed and due to an increase in the change in receivables and other assets. The increase in receivables and other assets is primarily due to the accrual of principal and interest on the mortgages awaiting assignment proceeds from HUD under the section 221 program, as previously discussed.

Net cash provided by investing activities increased for the nine months

## Edgar Filing: AMERICAN INSURED MORTGAGE INVESTORS SERIES 85 L P - Form 10-Q

ended September 30, 2001, as compared to the corresponding period in 2000. This increase is primarily due to an increase in proceeds received from the disposition of mortgages.

16

Net cash used in financing activities decreased for the nine months ended September 30, 2001, as compared to the corresponding period in 2000, due to a decrease in the amount of distributions paid to partners in the first nine months of 2001 versus the same period in 2000.

### ITEM 2A. QUALITATIVE AND QUANTITATIVE DISCLOSURES ABOUT MARKET RISK

The Partnership's principal market risk is exposure to changes in interest rates in the U.S. Treasury market. The Partnership will experience fluctuations in the market value of its assets related to changes in the interest rates of U.S. Treasury bonds as well as increases in the spread between U.S. Treasury bonds and the Partnership's Insured Mortgages. As of September 30, 2001, the average treasury rate used to price the Partnership's Insured Mortgages had decreased by approximately 57 basis points compared to December 31, 2000.

Management has determined that there has not been a material change as of September 30, 2001, in market risk from December 31, 2000 as reported in the Partnership's Annual Report on Form 10-K as of December 31, 2000.
