Item 1.01. Entry into a Material Definitive Agreement.

Tech Data Corporation (the “Company”) entered into a second waiver and amendment agreement and second amendments to certain limited waivers with respect to outstanding indebtedness and other instruments in connection with the Company’s pending restatement of certain of its previously issued quarterly and audited financial statements, as described in the Company’s Current Report on Form 8-K filed with the Securities and Exchange Commission (the “SEC”) on March 21, 2013. The limited waivers to which these second amendments apply were previously described in the Company’s Current Report on Form 8-K filed with the SEC on May 1, 2013, and the first amendments to the limited waivers were described in the Company’s Current Report on Form 8-K filed with the SEC on July 29, 2013. The agreements to which the second waiver and amendment agreement applies were previously disclosed in the Company’s Current Report on Form 8-K filed with the SEC on July 3, 2013, and the first waiver to such agreements were previously disclosed in the Company’s Current Report on Form 8-K filed with the SEC on July 29, 2013.

Each of the second amendments to the limited waivers extends until January 31, 2014 the Company’s required delivery of its audited financial statements for the fiscal year ended January 31, 2013 and its unaudited financial statements for the fiscal quarters ended April 30, 2013, July 31, 2013 and October 31, 2013. Each of the second amendments to the limited waivers also extends the waivers previously granted related to representations that may have been incorrect when made and the Company’s potential failure to comply with certain covenants, including, principally, financial reporting covenants, as well as to potential defaults and events of default that may have arisen or could arise as a result of the foregoing. The second waiver and amendment agreement waives potential defaults and events of default that may have arisen or could arise in connection with the pending restatement.
