FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 6, 2004

Dear Fellow Stockholders:

The 2004 Annual Meeting of Stockholders (the "Annual Meeting") of Heartland Express, Inc., a Nevada corporation (the "Company"), will be held at The Holiday Inn & Conference Center, 1220 First Avenue, Coralville, Iowa, at 8:00 a.m. local time, on Thursday, May 6, 2004, for the following purposes:

1. To consider and act upon a proposal to elect five (5) directors of the Company;
2. To consider and act upon such other matters as may properly come before the meeting and any adjournment thereof.
3. The foregoing matters are more fully described in the accompanying Proxy Statement.

The Board of Directors has fixed the close of business on March 10, 2004, as the record date for the determination of Stockholders entitled to receive notice of and to vote at the Annual Meeting or any adjournment thereof. Shares of common stock may be voted at the Annual Meeting only if the holder is present at the Annual Meeting in person or by valid proxy. YOUR VOTE IS IMPORTANT. TO ENSURE YOUR REPRESENTATION AT THE ANNUAL MEETING, YOU ARE REQUESTED TO PROMPTLY DATE, SIGN AND RETURN THE ACCOMPANYING PROXY IN THE ENCLOSED ENVELOPE. Returning your proxy now will not interfere with your right to attend the Annual Meeting or to vote your shares personally at the Annual Meeting, if you wish to do so. The prompt return of your proxy may save the Company additional expenses of solicitation.

All Stockholders are cordially invited to attend the Annual Meeting.

By Order of the Board of Directors,

PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 6, 2004

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Heartland Express, Inc., a Nevada corporation (the "Company"), to be used at the 2004 Annual Meeting of Stockholders of the Company (the "Annual Meeting"), which will be held at The Holiday Inn and Conference Center, 1220 First Avenue, Coralville, Iowa 52241, on Thursday, May 6, 2004, at 8:00 a.m. local time, and any adjournment thereof. All

Edgar Filing: HEARTLAND EXPRESS INC - Form DEF 14A

costs of the solicitation will be borne by the Company. The approximate date of mailing this proxy statement and the enclosed form of proxy is April 2, 2004.

The enclosed copy of the Company's annual report for the fiscal year ended December 31, 2003, is not incorporated into this Proxy Statement and is not to be deemed a part of the proxy solicitation material.

PROXIES AND VOTING

Only stockholders of record at the close of business on March 10, 2004 ("Stockholders") are entitled to vote, either in person or by valid proxy, at the Annual Meeting. On the record date of March 10, 2004, the Company had 50,000,000 shares of \$0.01 par value common stock issued and outstanding. Each share is entitled to one vote. The Company has no other class of stock outstanding. Stockholders are not entitled to cumulative voting in the election of directors.

All proxies that are properly executed and received by the Company prior to the Annual Meeting will be voted in accordance with the choices indicated unless timely revoked. Any Stockholder may be represented and may vote at the Annual Meeting by a proxy or proxies appointed by an instrument in writing. In the event that any such instrument in writing shall designate two (2) or more persons to act as proxies, a majority of such persons present at the meeting shall have and may exercise, or, if only one shall be present, then that one shall have and may exercise, all of the powers conferred by such written instrument upon all of the persons so designated unless the instrument shall otherwise provide. No such proxy shall be valid after the expiration of six (6) months from the date of its execution, unless coupled with an interest or unless the person executing it specifies therein the length of time for which it is to continue in force, which in no case shall exceed seven (7) years from the date of its execution. Any Stockholder giving a proxy may revoke it at any time prior to its use at the Annual Meeting by filing with the Secretary of the Company a revocation of the proxy, by delivering to the Company a duly executed proxy bearing a later date, or by attending the meeting and voting in person.

Other than the election of directors, which requires a plurality of the votes cast, each matter to be submitted to the Stockholders requires the affirmative vote of a majority of the votes cast at the meeting. For purposes of determining the number of votes cast with respect to a particular matter, only those cast "For" or "Against" are included. If no direction is specified by the stockholder, the proxy will be voted "For" the proposal as specified in this notice, and at the discretion of the proxy holder, upon such other matters as may properly come before the meeting or any adjournment thereof. Proxies marked "Abstain" and broker non-votes are counted only for purposes of determining whether a quorum is present at the meeting.

Meetings and Director Compensation

The Board of Directors held four regularly scheduled meetings during the last fiscal year. Each director was present at all meetings of the Board of Directors and all meetings of the committees on which he served. The Company has no formal policy regarding attendance by its directors at annual stockholders meetings. All directors have historically attended those meetings, and all five directors were present at the 2003 Annual Meeting of Stockholders.

Directors who are not employees of the Company are paid \$1,000 for attendance at each Board of Directors or committee meeting attended (if the committee meeting is held on a day other than the day of a Board meeting), and are reimbursed for expenses incurred in attending such meetings.

Independent Directors

Of the five members currently serving on the Board of Directors, the Board has determined that Lawrence D. Crouse, Richard O. Jacobsen, and Dr. Benjamin J. Allen are "independent directors" as defined in the NASDAQ rules and also meet the additional independence standards and other requirements for audit committee membership.

3

Committees of the Board and Other Corporate Governance Matters

The Board of Directors has a standing Audit Committee. In addition to the Audit Committee, the Board established standing Compensation and Nominating Committees at its February 20, 2004 meeting.

Audit Committee and Audit Committee Report. The Audit Committee presently consists of Lawrence D. Crouse (Chairman), Dr. Benjamin J. Allen and Richard O. Jacobson. The Board has determined that Lawrence D. Crouse qualifies as an "audit committee financial expert," as defined by the Securities and Exchange Commission. The Audit Committee's primary duties include maintaining communication between the Board of Directors, the independent auditors and the Company's executive officers and accounting personnel with respect to the Company's financial affairs in general, including financial statements and audits, the adequacy and effectiveness of the internal accounting controls and systems and the retention and termination of the independent auditors. The Audit

Edgar Filing: HEARTLAND EXPRESS INC - Form DEF 14A

Committee also reviews quarterly financial and operating results of the Company, through meetings and conference calls, with the management, independent auditors and securities counsel of the Company. The Board has adopted a charter for the Audit Committee, which sets forth the purpose and responsibilities of the Audit Committee in greater detail. The Audit Committee charter was revised in February 2004. A copy of the revised charter is attached to this proxy statement as Appendix A. The Audit Committee met two times in person and two times via conference call during the past year.

The following Audit Committee Report shall not be deemed to be incorporated by reference into any filing made by the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934, notwithstanding any general statement contained in any such filings incorporating this Proxy Statement by reference, except to the extent the Company incorporates such report by specific reference.

4

Audit Committee Report for Fiscal 2003

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Audit committee's actions are governed by a written charter, which has been adopted by the Board of Directors. All of the members of the Audit Committee are independent as defined by Rule 4200(a)(15) of the National Association of Securities Dealer's listing standards, and also meet the additional independence and other requirements for audit committee membership under Rule 4350(d)(2) of those standards. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independent Standards Board and considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee discussed with the Company's independent auditors the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AV Section 380), as well as the overall scope and plans for their audit. The committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit Committee held two meetings and two conference calls during the fiscal year 2003.

In reliance on the reviews and discussions referred to above, and after receiving and reviewing the written disclosures and the letter from the independent accountants as required by Independent Standards Board Standard No. 1 (Independence Discussions with Audit Committees), the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

Compensation Committee. The Compensation Committee presently consists of Lawrence D. Crouse, Dr. Benjamin J. Allen and Richard O. Jacobson. The primary responsibilities of the Compensation Committee will be to review the compensation policies of the Company and approve salary recommendations to the Board of Directors for all elected officers. The Board has adopted a charter for the Compensation Committee, which sets forth the purpose and responsibilities of the Compensation Committee in greater detail. A copy of the charter is available on the Company's website at www.heartlandexpress.com.

Nominating Committee. The Nominating Committee presently consists of Lawrence D. Crouse, Dr. Benjamin J. Allen and Richard O. Jacobson. The primary responsibilities of the Nominating Committee will be to identify and approve individuals qualified to serve as members of our Board. The Nominating Committee will consider recommendations from many sources, including stockholders, regarding possible director candidates. Such recommendations, together with appropriate biographical information, should be submitted to the Secretary of the Company for consideration by the Nominating Committee by December 31 of the year preceding the annual meeting of stockholders at which the proposed director candidate would be elected. Guidelines regarding the qualifications of candidates for directors, including stockholder proposed candidates, insofar as they apply to non-employees, generally favor individuals who have managed relatively large, complex business, educational, or other organizations or who, in a professional or business capacity, are accustomed to dealing with complex business or financial problems. In addition to these guidelines, the Committee will also evaluate whether the candidate's skills are complementary to the existing Board members' skills, and the Board's needs for operational, management, financial and other expertise. With regard to specific qualities and skills, the Nominating Committee believes it necessary that: (i) at least a majority of the members of the Board of Directors qualify as independent under NASDAQ Rules; (ii) at least three members of the Board of Directors satisfy the additional independence and other requirements for audit committee membership; and (iii) at least one member of the Board of Directors eligible to serve on the Audit Committee has sufficient knowledge, experience, and training concerning accounting and financial matters so as to qualify as an "audit committee financial expert" within the meaning of applicable SEC rules. The Board has adopted a charter for the Nominating Committee, which sets forth the purpose and responsibilities of the Nominating Committee in greater detail. A copy of the charter is available on the Company's website at www.heartlandexpress.com.

Stockholder Communications. Shareholders may send communications to any Director in writing by sending them to the Director in care of the Secretary of Heartland Express at 2777 Heartland Drive, Coralville, Iowa 52241. The Secretary will forward all such written communications to the Director to whom it is addressed.

Code of Ethics. The Board of Directors has adopted a Code of Business Conduct and Ethics for all employees and directors of the Company, and a Code of Ethics for Senior Financial Officers, as recommended by the Audit Committee. Copies of the codes are available on the Company's website at www.heartlandexpress.com.

- 1 Aggregate restricted stock holdings at December 31, 2002 and their value at March 7, 2002, the date of the award, are 20,000 shares valued at \$439,800 for both Mr. Cosaert and Mr. Meehan. The shares for both named executive officers vest as follows: 8,000 shares in 2004 and 4,000 shares per year in 2005 through 2007.
- 2 All other compensation reflects the Company's contribution to the non-qualified deferred compensation plan for key management employees.

Non-Qualified Deferred Compensation Plan

In 1993, the Company's operating subsidiary, Heartland Express, Inc. of Iowa, adopted a non-qualified deferred compensation plan for key management employees designated by the board of directors of the subsidiary for a given year. The chief executive officer does not participate in the deferred compensation plan. The total contingent benefit available for all participants is determined annually by the Company's President pursuant to a formula that is based upon the Company's net profits and operating ratio for the previous year. The benefits vest in increments up to age 65, payment is deferred until

Edgar Filing: HEARTLAND EXPRESS INC - Form DEF 14A

cessation of employment, and all contributions are subject to certain vesting and forfeiture provisions. Contributions are made pursuant to the deferred compensation plan only if the Company's operating ratio for the previous year was below a pre-determined target established by the President. The President determines the portion of the annual total deferred compensation pool to allocate to individual executive officers based upon a subjective evaluation of the job performance of each individual executive officer.

7

Tuition Award Program

The Company maintains a tuition award program for the children of certain employees, including executive officers. Contributions to the program are based upon the Company's performance. During 2003, the Company contributed \$340,000 to the program, based upon 2002 performance. The amounts paid for children of the Company's Named Officers were none in 2003 and 2002 and \$10,954 in 2001.

Restricted Stock Awards

On March 7, 2002, Russell Gerdin transferred 90,750 shares of his Common Stock to key employees, including 40,000 shares to the named executive officers. Shares distributed under the award generally vest over a five year period or upon death or disability of a recipient. Unvested shares cannot be sold, assigned, or transferred and are to be forfeited to Mr. Gerdin in the event of a recipient's termination of employment.

Compensation Committee Interlocks and Insider Participation

The 2003 Board of Directors consisted of Russell A. Gerdin, Richard O. Jacobson, Michael J. Gerdin, Dr. Benjamin J. Allen, and Lawrence D. Crouse, all of whom participated in deliberations concerning executive officer compensation during 2003. No other individuals participated in such deliberations. During 2003, Russell A. Gerdin served as the President and Secretary and Michael J. Gerdin served as Vice President of Regional Operations of the Company. Historically, the Board of Directors has established the compensation of Russell A. Gerdin and reviewed compensation set by Russell A. Gerdin for other executive officers.

During fiscal year 2003, none of our executive officers served as a member of the board of directors or compensation committee (or other committee performing equivalent functions) of any entity that had one or more executive officers serving as a member of our Board of Directors.

In February 2004, the Board established a Compensation Committee comprised of the three independent Board Members. Beginning in fiscal 2004, determinations with respect to the compensation of the Company's executive officers will be made subject to review and approval of the Compensation Committee.

See "Certain Relationships and Related Transactions" on page 12 below for a description of certain transactions between the Company and members of the Board of Directors and their affiliates.

8

Report of the Board of Directors on Executive Compensation

The Board of Directors Report on Executive Compensation, and the performance graph appearing later in this Proxy Statement, shall not be deemed

Edgar Filing: HEARTLAND EXPRESS INC - Form DEF 14A

to be incorporated by reference into any filing made by the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934, notwithstanding any general statement contained in any filing incorporating this proxy statement by reference, except to the extent that Company incorporates this report and graph by specific reference.

The members of the Board of Directors prepared the following report on executive compensation:

The Board of Directors reviewed the compensation of the Company's executive officers for fiscal 2003. In conducting this review, the Board evaluated the compensation of Mr. Gerdin, the Company's chief executive officer, differently than that of the other executive officers. A summary of the considerations for each is set forth below.

Chief Executive Officer. Mr. Gerdin receives a base salary only, with no bonus or long-term incentives. The Board of Directors recognizes Mr. Gerdin's substantial responsibility and contribution to the Company's operating performance, operating margin, revenue and net income growth rates, and attainment of Company goals, as well as his large stockholdings. At Mr. Gerdin's request, his salary has remained the same since 1986, and he has never been paid a bonus. The Board believes that Mr. Gerdin's salary is reasonable compared to similarly situated executives, and that as a holder of approximately 40% of the Company's outstanding stock, Mr. Gerdin receives an incentive through appreciation in the value of the Company's stock. Because of Mr. Gerdin's request, the Board of Directors has not considered or approved an increase in annual compensation or any incentive compensation for Mr. Gerdin. Thus, corporate performance directly affects Mr. Gerdin, but not through his compensation by the Company.

Other Executive Officers. The Company's other executive officers are compensated through a mix of salary, restricted stock awards, and incentive compensation. In establishing compensation, the Company's Chief Executive Officer, subject to the review of the Board of Directors, annually considers (i) the Company's operating performance, stock performance, operating margin, and revenue and net income growth rates, (ii) team-building skills, individual performance, past performance and potential with the Company, (iii) local compensation levels and cost of living, and (iv) compensation information disclosed by similar publicly-held truckload motor carriers. Salary and bonus levels are largely subjective, with individual performance being the most important factor. Compensation levels at other publicly-traded truckload motor carriers are used as a general guide, and the Board believes that the compensation of its executive officers as a group, historically and during the last fiscal year, has been comparable to that of other carriers.

The restricted stock award plan was adopted for key management employees to provide long-term incentive through equity ownership. Mr. Gerdin transferred shares of his Common Stock to the plan to provide executive officers and other key employees with incentive to maximize long-term stockholder value. The awards vest over a five year period contingent upon continued employment.

The Board believes that providing an incentive for its executive officers to maximize profitability is important, and that this objective is advanced by

the non-qualified deferred compensation plan for key management employees maintained by the Company's operating subsidiary. The Company's President determines the portion of the annual total deferred compensation pool to allocate to individual executive officers based upon a subjective evaluation of the job performance of each individual executive officer.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC"). Officers, directors, and greater than 10% stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely upon a review of the copies of such forms furnished to the Company, the Company believes that its officers, directors and greater than 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them during the Company's preceding fiscal year.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In 2003, the Company leased two office buildings, totaling approximately 25,000 square feet, a storage building of approximately 3,500 square feet, and five acres of land from Russell A. Gerdin for \$299,625 plus taxes, utilities, insurance and maintenance. The lease expires on May 31, 2005, but is renewable at the Company's option for an additional five year term with a cost of living adjustment.

During the year ended December 31, 2003, the Company purchased 8.9 acres of land at its headquarters from Russell A. Gerdin for \$1,350,000. The sale price was determined by an independent appraisal of the property, and the transaction was approved by the Board of Directors, including all of its independent members.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

The principal independent public accounting firm utilized by the Company during fiscal 2003 was KPMG LLP, independent certified public accountants ("KPMG"). KPMG has been engaged by the Company in that capacity since April 2002. The Audit Committee has appointed KPMG as the Company's principal public accounting firm for fiscal 2004. A representative of KPMG is expected to be present at the Annual Meeting and to be available to respond to appropriate questions, and such representative will have an opportunity to make a statement at the Annual Meeting if he or she desires to do so.

Change of Independent Public Accountants in 2002

On April 5, 2002, the Audit Committee of the Board of Directors approved the dismissal of our independent public accountants, Arthur Andersen LLP ("Arthur Andersen"). Arthur Andersen's reports on our financial statements for each of the fiscal years ended December 31, 2000 and 2001 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal years ended December 31, 2000 and 2001, and during the subsequent interim period through the date of dismissal, April 5, 2002, there were not (i) any disagreements between us and Arthur Andersen on any matters of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to Arthur Andersen's satisfaction, would have caused Arthur Andersen to make reference to the subject matter of the disagreements in connection with its reports, or (ii) any reportable events, as defined under Item 304(a)(1)(v) of Regulation S-K, promulgated by the Securities and Exchange Commission.

A copy of a letter addressed to the Securities and Exchange Commission from Arthur Andersen stating that it agrees with the above statements was included as Exhibit 16 to our Form 10-K for the year ended December 31, 2002 filed with the Commission is incorporated by reference herein.

12

Also on April 5, 2002, based upon approval of the Audit Committee, Heartland Express engaged KPMG to be our independent auditors. Heartland Express did not consult with KPMG at any time during the fiscal years ended December 31, 2000 and 2001, and through April 5, 2002, with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, or concerning any disagreement or reportable event with Arthur Andersen LLP.
