The foregoing matters are more fully described in the accompanying Proxy Statement.

The Board of Directors has fixed the close of business on March 14, 2007, as the record date for the determination of stockholders entitled to receive notice of and to vote at the Annual Meeting or any adjournment thereof. TO BE HELD MAY 10, 2007

Edgar Filing: HEARTLAND EXPRESS INC - Form DEF 14A

This Proxy Statement is furnished in connection with the solicitation of proxies from the stockholders of Heartland Express, Inc., a Nevada corporation (the "Company"), to be voted at the 2007 Annual Meeting of Stockholders of the Company (the "Annual Meeting"), which will be held at The Holiday Inn Conference Center/Hampton Inn, 1220 First Avenue, Coralville, Iowa 52241, on Thursday, May 10, 2007, at 8:00 a.m. local time, and any adjournment thereof. THE ENCLOSED PROXY IS SOLICITED BY OUR BOARD OF DIRECTORS. All costs of the solicitation will be borne by the Company. The approximate date of mailing this Proxy Statement and the enclosed form of proxy is March 30, 2007.

PROXIES AND VOTING

Only stockholders of record at the close of business on March 14, 2007 ("Stockholders") are entitled to vote, either in person or by valid proxy, at the Annual Meeting. On the record date of March 14, 2007, the Company had 98,251,889 shares of \$0.01 par value common stock issued and outstanding. Each share is entitled to one vote. The Company has no other class of stock outstanding. Stockholders are not entitled to cumulative voting in the election of directors.

All proxies that are properly executed and received by the Company prior to the Annual Meeting will be voted in accordance with the choices indicated unless timely revoked. Any Stockholder may be represented and may vote at the Annual Meeting by a proxy or proxies appointed by an instrument in writing. In the event that any such instrument in writing shall designate two (2) or more persons to act as proxies, a majority of such persons present at the meeting shall have and may exercise, or, if only one shall be present, then that one shall have and may exercise, all of the powers conferred by such written instrument upon all of the persons so designated unless the instrument shall otherwise provide. No such proxy shall be valid after the expiration of six (6) months from the date of its execution, unless coupled with an interest or unless the person executing it specifies therein the length of time for which it is to continue in force, which in no case shall exceed seven (7) years from the date of its execution. Any Stockholder giving a proxy may revoke it at any time prior to its use at the Annual Meeting by filing with the Secretary of the Company a revocation of the proxy, by delivering to the Company a duly executed proxy bearing a later date, or by attending the meeting and voting in person.

Other than the election of directors, which requires a plurality of the votes cast, any matters submitted to the Stockholders will require the affirmative vote of a majority of the votes cast at the meeting. For purposes of determining the number of votes cast with respect to a particular matter, only those cast "For" or "Against" are included. If no direction is specified by the stockholder, the proxy will be voted "For" the proposals specified in this Proxy Statement, and at the discretion of the proxy holders, upon such other matters as may properly come before the meeting or any adjournment thereof. Proxies marked "Abstain" and broker non-votes are counted only for purposes of determining whether a quorum is present at the meeting.

3

CORPORATE GOVERNANCE AND THE BOARD OF DIRECTORS

Meetings and Director Compensation

The Board of Directors of the Company meets on a regularly scheduled basis. The Board of Directors held a total of six meetings during the last fiscal year, including an annual meeting, one special meeting, and four regularly scheduled meetings. Each of the directors attended 75% or more of the meetings of the Board of Directors and the meetings held by all of the committees of the Board on which he or she served. The Company has no formal policy regarding attendance by its directors at annual stockholders meetings. All directors have historically attended those meetings, and four out of five then-current directors were present at the 2006 annual meeting of stockholders.

Independent Directors

Of the six members currently serving on the Board of Directors, the Board has determined that Lawrence D. Crouse, Richard O. Jacobson, Dr. Benjamin J. Allen, and James G. Pratt are "independent directors" as defined in the NASDAQ rules and also meet the additional independence standards and other requirements for audit committee membership set forth in NASDAQ and Securities and Exchange Commission ("SEC") rules.

Committees of the Board and Other Corporate Governance Matters

The Board of Directors has a standing Audit Committee, Compensation Committee, and Nominating Committee. All three committees are composed of independent directors.

Audit Committee. The Audit Committee presently consists of independent directors James G. Pratt (Chairman), Lawrence D. Crouse, Dr. Benjamin J. Allen, and Richard O. Jacobson. Mr. Pratt succeeded Mr. Crouse as the audit committee chairman in August 2006. The Board has determined that James G. Pratt qualifies as an "audit committee financial expert," as defined by the SEC. The Audit Committee's primary duties include maintaining communication between the Board of Directors, the Company's independent registered public accounting firm and the Company's executive officers and accounting personnel with respect to the Company's financial affairs in general, including financial statements and audits, the adequacy and effectiveness of the internal accounting controls and systems and the retention and termination of the independent registered public accounting firm. The Audit Committee also reviews quarterly financial and operating results of the Company, through meetings and conference calls, with the management, independent registered public accounting firm, and, when appropriate, the securities counsel for the Company. The Board has adopted a charter for the Audit Committee, which sets forth the purpose and responsibilities of the Audit Committee in greater detail. A copy of the charter is available on the Company's website at www.heartlandexpress.com. The Audit Committee met one time in person and four times via conference call during fiscal year 2006.

Compensation Committee. The Compensation Committee presently consists of independent directors Dr. Benjamin J. Allen (Chairman), Richard O. Jacobson, and Lawrence D. Crouse. The primary responsibilities of the Compensation Committee are to review the compensation policies of the Company and to periodically make salary recommendations to the Board of Directors for all elected officers. The Board has adopted a charter for the Compensation Committee, which sets forth the purpose and responsibilities of the Compensation Committee in greater detail. A copy of the charter is available on the Company's website at www.heartlandexpress.com. The Compensation Committee met one time in person during fiscal year 2006. Additional information concerning the Compensation Committee Report on Executive Compensation is set forth under the caption "Compensation Committee Report."

Nominating Committee. The Nominating Committee presently consists of independent directors Richard O. Jacobson (Chairman), Lawrence D. Crouse, and Dr. Benjamin J. Allen. The Nominating Committee met one time via conference call during fiscal year 2006. The primary responsibilities of the Nominating Committee are to identify and recommend to the Board for nomination individuals qualified to serve as directors. The Nominating Committee will consider recommendations from many sources, including stockholders, regarding possible director candidates. Such recommendations, together with appropriate biographical information, should be submitted to the Secretary of the Company for consideration by the Nominating Committee by December 31 of the year preceding the annual meeting of stockholders at which the proposed director candidate would be elected. Guidelines regarding the qualifications of candidates for directors, including stockholder proposed candidates, insofar as they apply to non-employees, generally favor individuals who have managed relatively large, complex business, educational, or other organizations or who, in a professional or business capacity, are accustomed to dealing with complex business or financial problems. In addition to these guidelines, the Committee will also evaluate whether the candidate's skills are complementary to the existing Board members' skills, and the Board's needs for operational, management, financial, and other expertise. With regard to specific qualities and skills, the Nominating Committee believes it necessary that: (i) at least a majority of the members of the Board of Directors qualify as independent under NASDAQ Rules; (ii) at least three members of the Board of Directors satisfy the additional independence and other requirements for audit committee membership; and (iii) at least one member of the Board of Directors eligible to serve on the Audit Committee has sufficient knowledge, experience, and training concerning accounting and financial matters so as to qualify as an "audit committee financial expert" within the meaning of applicable SEC rules. The Board has adopted a charter for the Nominating Committee, which sets forth the purpose and responsibilities of the Nominating Committee in greater detail. A copy of the charter is available on the Company's website at www.heartlandexpress.com. The Nominating Committee recommends that the Board of Directors nominate the six directors named in this Proxy Statement for re-election at the Annual Meeting.

Stockholder Communications. Stockholders may send communications to any director in writing by sending them to the director in care of the Secretary of Heartland Express at 2777 Heartland Drive, Coralville, Iowa 52241. The Secretary will forward all such written communications to the director to whom it is addressed.

Code of Ethics. The Board of Directors has adopted a Code of Business Conduct and Ethics for all employees and directors of the Company, and a Code of

Edgar Filing: HEARTLAND EXPRESS INC - Form DEF 14A

Ethics for Senior Financial Officers, as recommended by the Audit Committee. Copies of the codes are available on the Company's website at www.heartlandexpress.com.

5

Compensation Committee Interlocks and Insider Participation

In 2006, our Compensation Committee was comprised of Richard O. Jacobson, Dr. Benjamin J. Allen, and Lawrence D. Crouse. No member of the Compensation Committee is or has been an officer or employee of the Company, or has or had any relationship with the Company requiring disclosure under Item 404 of SEC Regulation S-K.

All compensation decisions affecting the executive officers of the Company are made by the Compensation Committee of the Board of Directors. The Committee deliberates and votes upon the compensation to be paid to each of the four executive officers. The Committee does take the guidance from the Company's Chief Executive Officer concerning the compensation of executive officers other than him.

Compensation Committee Report

Report of the Compensation Committee. In performing its duties, the Compensation Committee, as required by applicable rules and regulations promulgated by the SEC, issues a report recommending to the Board of Directors that our Compensation Discussion and Analysis be included in this Proxy Statement and our Annual Report on Form 10-K. The Report of the Compensation Committee follows.

The Report of the Compensation Committee shall not be deemed to be incorporated by reference into any filing made by us under the Securities Act of 1933 or the Exchange Act, notwithstanding any general statement contained in any such filings incorporating this Proxy Statement by reference, except to the extent we incorporate such report by specific reference.

Report of the Compensation Committee

We have reviewed and discussed the Compensation Discussion and Analysis contained in this Proxy Statement with management. Based on that review and discussion, we have recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and in Heartland Express, Inc.'s Annual Report on Form 10-K for the year ended December 31, 2006.

Compensation Discussion and Analysis

Overview

The Compensation Committee assists the Board of Directors in its responsibilities relating to executive compensation and in fulfilling its responsibilities relating to our compensation and benefit programs and policies. The Compensation Committee may make recommendations with respect to our compensation plans and reviews and approves the compensation of executive officers. The Compensation Committee currently consists of three directors, all of whom are independent under applicable NASD and SEC standards. The Compensation Committee receives recommendations from our Chief Executive Officer regarding the compensation of executive officers (other than the Chief Executive Officer).

Compensation Philosophy and Objectives

Our executive compensation policies are designed to achieve four primary objectives: o attract and retain well-qualified executives who will lead us and inspire superior performance; o provide incentives for achievement of corporate goals and individual performance; o provide incentives for achievement of long-term stockholder return; and o align the interests of management with those of the stockholders to encourage continuing increases in stockholder value.

Elements of Compensation

The components of compensation are intended to accomplish one or more of the compensation objectives discussed above.

Base Salary and Benefits. To attract and retain officers with exceptional abilities and talent, annual base salaries are set to provide competitive levels of compensation. The Compensation Committee considers each officer's performance, current compensation, and responsibilities within our Company. The Compensation Committee considers base salaries paid by competitors within our peer group and those paid by other businesses of comparable size in the Midwest. The Compensation Committee also considers past individual performance and achievements when establishing base salaries.

Annual Cash Bonus Incentives. Annual cash bonus incentives are sometimes used to reward our employees. The current bonus plan is based on the percentage increase in growth of our fleet and revenue miles, and maintaining a certain level of customer service. The bonus paid is based upon a pre-determined percentage of base-salary based upon departmental responsibilities.

Longer-Term Equity-Based Incentives. A portion of potential career compensation is also linked to corporate performance through equity-based compensation awards, historically in the form of stock awards. Since going public in 1986, our Chief Executive Officer has contributed shares of our common stock from his personal holdings to two separate stock award plans. The most recent plan was adopted in March 2002. The plan participants have included our executive officers and other key personnel. The awarded stock has vested incrementally over a five-year period. All stock awards for executive officers were fully vested as of March 7, 2007.

Stock awards under our equity-based compensation plan are designed to: o more closely align executive officer and stockholder interests; o reward key employees for building stockholder value; and o encourage long-term investment in the Company by participating officers.

Edgar Filing: HEARTLAND EXPRESS INC - Form DEF 14A

Although we do not have specific stock ownership guidelines, the Compensation Committee believes that stock ownership by management has been demonstrated to be beneficial to stockholders.

We have never granted awards of stock options and have no plans to do so in the foreseeable future.

Tuition Plan. We maintain a tuition award program for the children of certain employees, including executive officers. Contributions to the program are based upon our performance. During 2006, we contributed \$523,000 to the program, based upon 2005 performance. Other than payments to Mr. Hill, there were no tuition payments to our executive officers in 2006.

Retirement Plan. We have a qualified retirement plan ("Pension Plan") that covers certain employees, and a 401(k) savings plan that covers all employees, except for highly-compensated employees as defined by Internal Revenue code. Accordingly, none of our named executive officers participate in the retirement plan.

Deferred Compensation Plan. We have a non-qualified deferred compensation plan ("DC Plan") primarily for employees excluded from participation in our qualified retirement plan due to being highly compensated employees as determined by Internal Revenue limitations. The DC Plan is unfunded for tax purposes and for purposes of ERISA. The named executive officers in this proxy statement are eligible to participate in the DC Plan. Employer contributions to the DC Plan are discretionary and subject to the approval of our Compensation Committee. Participants may elect to defer up to 100% of their salary, including any cash bonus, to the DC Plan. The election to defer compensation under the DC Plan is irrevocable for each plan year as of the beginning of each plan year. Participant contributions are made into a trust account for the purpose of administering and providing for payment of the deferred compensation under this plan. The investment of contributions are self-directed by participants within an established array of money market, equity and fixed income mutual funds. Investment in our common stock is prohibited under the DC Plan. We do not pay interest or other earnings on the invested contributions. Earnings are generated by the investments selected by the participants. The aggregate earnings on these investments, by each named executive officer who is a participant in the DC Plan, is included in the table below and are attributable to the specific investments selected by each participant. Participants may change the designation of their investments at such times as mutually agreed by the parties. As of December 31, 2006, participants could change their investment designation on a daily basis. Participants elect in advance of the deferral of their compensation when the funds will be distributable. The aggregate vested balances of the participants are distributable, as designated by each participant, when the following occur: the participant's termination of employment; a change in control; or the participant's death or disability. The DC Plan provides for distributions to be made in either a lump sum amount or installments.

Compensation Paid to Our Named Executive Officers During 2006

A summary of the Compensation Committee's considerations for setting the compensation for 2006, earned by, or paid to those persons who were, at December 31, 2006, (i) our Chief Executive Officer, (ii) our Chief Financial Officer, and (iii) our three other most highly compensated executive officers with total compensation exceeding \$100,000 for the fiscal year ended December 31, 2006

Edgar Filing: HEARTLAND EXPRESS INC - Form DEF 14A

(collectively, the "Named Executive Officers") are set forth below. The Compensation Committee evaluates and sets the compensation of Mr. Russell Gerdin, our Chief Executive Officer differently than it does our other executive officers.

Compensation of Our Chief Executive Officer. Mr. Russell Gerdin receives a base salary only, with no bonus or long-term incentives. The Compensation Committee recognizes Mr. Russell Gerdin's substantial responsibility and contribution to our operating performance, operating margin, revenue and net income growth rates, and attainment of our goals, as well as his large stockholdings. At Mr. Russell Gerdin's request, his salary has remained the same since 1986, and he has never been paid a bonus. The Compensation Committee believes that Mr. Russell Gerdin's salary is reasonable compared to similarly situated executives, and that as a direct and indirect holder of approximately 35% of our outstanding stock, Mr. Russell Gerdin receives an incentive through appreciation in the market value of our stock. Because of Mr. Russell Gerdin's request, the Compensation Committee did not consider or recommend an increase in annual compensation or any incentive compensation for Mr. Russell Gerdin. Thus, our performance directly affects Mr. Russell Gerdin, but not in the form of salary or bonuses.

Compensation of Our Other Named Executive Officers. Our other Named Executive Officers are compensated through a mix of salary, incentive compensation, and restricted stock awards. Factors considered in establishing the compensation for other Named Executive Officers include (i) our operating performance, stock performance, operating margin, and revenue and net income growth rates, (ii) team-building skills, past individual performance and future potential with us, (iii) local compensation levels and cost of living, (iv) compensation information disclosed by similarly situated publicly-held truckload motor carriers, and (v) the suggestions of our Chief Executive Officer. Salary and bonus levels are largely subjective, with individual performance being the most important factor. Compensation levels at other publicly-traded truckload motor carriers are used as a general guide, and the Compensation Committee believes that the compensation of our Named Executive Officers as a group, historically and during the last fiscal year, has been comparable to that of other carriers.

Based upon our financial performance for the fiscal year ended December 31, 2005, and considering our compensation philosophy and the guidelines described above, the Compensation Committee approved the following annual base salary increases for our Named Executive Officers, other than our CEO: (i) a \$113,400 increase for Michael J. Gerdin in recognition of his development and increased level of responsibilities as our President, with the relatively large percentage increase being justified by a very low starting point and the need to bring his salary more in line with the position of President; (ii) a \$9,020 increase for John P. Cosaert in continued recognition of his role in the Company's efforts to control costs, increase efficiency, and promote growth, as well as increased responsibilities attendant to his position; (iii) a \$9,020 increase for Richard L. Meehan in recognition of his role in meeting performance targets and the increased responsibilities attendant to his position, and (iv) a \$5,928 increase for Thomas E. Hill in continued recognition of his increased responsibilities as our Vice President and Controller.

For 2006, our Named Executive Officers, other than Mr. Russell Gerdin, were awarded performance-based cash bonuses of approximately 9% of their base salary. All full-time, non-driver personnel were included in this bonus program. The percentage of salary assigned to each participating employee was based on their level of responsibility and the attainment of growth targets. This percentage

Edgar Filing: HEARTLAND EXPRESS INC - Form DEF 14A

may change from time to time as responsibilities of the executive officers change and as specific goals evolve.

We believe that stock ownership by our Named Executive Officers helps to align the interests of such officers with the interests of stockholders in maximizing long-term stockholder value. This objective was advanced through the award of shares of restricted stock contributed by Mr. Russell Gerdin to key employees, including certain Named Executive Officers, in 2002. The Compensation Committee believes that the equity ownership of our senior management currently is sufficient to align their long-term interests with those of our stockholders, and therefore did not recommend any stock-based awards to the Named Executive Officers in 2006.

Except as provided by the terms of the DC Plan, whereupon employer contributions to this plan immediately become fully vested in the event of a change of control of our Company, there are no employment contracts, termination of employment agreements, change in control agreements, or other arrangements with our executive officers, including our Named Executive Officers, that provide for payment or benefits to any executive officer at, following, or in connection with a change in control of our Company, a change in an executive officer's responsibilities, or an executive officer's termination of employment, including resignation, severance, retirement, or constructive termination.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors, and greater than 10% stockholders are required by SEC regulations to furnish the Company with copies of all reports that they file under Section 16(a). Based solely upon a review of the copies of such forms furnished to the Company, the Company believes that its officers, directors and greater than 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them during the Company's preceding fiscal year.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In 2006, the Company leased two office buildings, totaling approximately 25,000 square feet, a storage building of approximately 3,500 square feet, and five acres of land in Coralville, Iowa from Russell A. Gerdin for \$331,415 plus taxes, utilities, insurance and maintenance. The lease agreement will be cancelled in 2007 prior to the completion of the construction of a new corporate headquarters and shop facility in North Liberty, Iowa. The new facilities will be owned by the Company.

On March 13, 2006 the Company acquired 16.7 acres of land in North Liberty, Iowa for \$1,250,000 from Russell A. Gerdin. The purchase price was based on the fair market value of the land as determined by an independent appraisal. The land is at the site of the Company's new corporate headquarters and shop facility that is scheduled for completion in 2007.

Our Audit Committee has established procedures relating to the review, approval, or ratification of any transaction, or any proposed transaction, in which we were or are to be a participant and the amount involved exceeds \$120,000, and in which any "related person" (as that term is defined in Instruction 1 to Item 402(a) of Regulation S-K) had or will have a direct or indirect material interest ("Interested Transactions"). Upon review of the material facts of all Interested Transactions, the Audit Committee will either approve or disapprove the Interested Transactions, subject to certain exceptions, by taking into account, among other factors it deems appropriate, whether the terms are arms'-length and the extent of the related person's interest in the transaction. No director may participate in any discussion or approval of an interested transaction for which he is a related party. If an Interested Transaction will be ongoing, the Audit Committee may establish guidelines for our management to follow in its ongoing dealings with the related party and then at least annually must review and assess ongoing relationships with the related party. The Company's lease and purchase of land for our new corporate headquarters described above were subject to such review, approval, or ratification.

AUDIT COMMITTEE

Audit Committee Report for Fiscal 2006

Edgar Filing: HEARTLAND EXPRESS INC - Form DEF 14A

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Audit committee's actions are governed by a written charter, which has been adopted by the Board of Directors. All of the members of the Audit Committee are independent as defined by Rule 4200(a)(15) of the National Association of Securities Dealer's listing standards, and also meet the additional independence and other requirements for audit committee membership under Rule 4350(d)(2) of those standards. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. In addition, the Audit Committee has discussed with the Company's independent registered public accounting firm its independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board, and considered the compatibility of non-audit services with the independent registered public accounting firm's independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU ss.380), as well as the overall scope and plans for their audit. The committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of its examinations, its evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit Committee met two times in person and two times via conference call during fiscal 2006.

In reliance on the reviews and discussions referred to above, and after receiving and reviewing the written disclosures and the letter from the independent registered public accounting firm as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the SEC.
