Item 1.01 Entry into a Material Definitive Agreement.

On August 7, 2006, Good Times Restaurants Inc. (the "Company") and Good Times Drive Thru Inc., a wholly owned subsidiary of the Company, entered into a loan agreement with PFGI II, LLC (the "Lender") which provides for a revolving line of credit of up to \$1 million for the construction of improvements for Good Times Burgers & Frozen Custard restaurants in Thornton, Colorado and Loveland, Colorado.

The promissory note under the agreement provides that interest on amounts borrowed under the agreement will be payable monthly at the rate of the prime rate plus two percent. All unpaid principal and accrued interest will be due and payable on July 10, 2008. The commitment fee for the loan is \$10,000. Borrowings under the agreement are secured by the Company's leasehold estates and business assets with respect to certain of the Company's restaurants located in Adams, Jefferson and Larimer counties in Colorado.

The agreement contains customary representations and warranties and affirmative and negative covenants. Any violation of these covenants could result in a default under the agreement which would permit the Lender to restrict the Company's ability to access the line of credit and require the immediate repayment of any outstanding borrowings under the line of credit.

A copy of the agreement is filed as Exhibit 10.1 to this report, and a copy of the related promissory note is filed as Exhibit 10.2 to this report. The foregoing brief description of the agreement and promissory note is qualified in its entirety by reference to the complete text of the agreement and promissory note filed as exhibits to this report.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement.

Please see the discussion under Item 1.01 above, which is hereby incorporated by reference into this Item 2.03.
