Section 5 - Corporate Governance and Management

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

Approval of 2007 Performance Incentive Plan

The Board of Directors of Edison International (the "Board") previously adopted the 2007 Performance Incentive Plan (the "2007 Plan"), subject to shareholder approval of the 2007 Plan. According to the results from Edison International's annual shareholder meeting held on April 26, 2007, Edison International's shareholders have approved the 2007 Plan.

The following summary of the 2007 Plan is qualified in its entirety by reference to the text of the 2007 Plan, which was previously filed as Exhibit A to the Edison International and Southern California Edison Company ("SCE") Joint Proxy Statement (the "Proxy Statement") filed on March 16, 2007, and is incorporated by reference herein.

The Board or one or more committees appointed by the Board will administer the 2007 Plan. The Board has delegated general administrative authority for the 2007 Plan to its Compensation and Executive Personnel Committee.

The administrator of the 2007 Plan has broad authority under the 2007 Plan to, among other things, select participants and determine the type(s) of award(s) that they are to receive, and determine the number of shares that are to be subject to awards and the terms and conditions of awards, including the price (if any) to be paid for the shares or the award.

Persons eligible to receive awards under the 2007 Plan include officers or employees of Edison International or any of its subsidiaries, and non-employee members of the Edison International and SCE Boards of Directors.

Prior to the adoption of the 2007 Plan, Edison International maintained two active equity compensation plans, the Edison International Equity Compensation Plan (the "ECP") and the Edison International 2000 Equity Plan (the "2000 Plan" and together with the ECP, the "Prior Plans").

The maximum number of shares of Edison International's common stock that may be issued or transferred pursuant to awards under the 2007 Plan equals the sum of: (1) 8,500,000 shares, plus (2) the number of any shares subject to awards granted under the Prior Plans and

outstanding on April 26, 2007, which expire, or for any reason are cancelled or terminated, after that date without being exercised or shares being delivered

(including shares that become available because outstanding awards are settled in cash, but not any shares exchanged or withheld or deemed exchanged or withheld as full or partial payment for any award or for withholding taxes thereon). As of March 6, 2007, approximately 15,430,941 shares were subject to awards then outstanding under the Prior Plans. No additional awards will be granted under the Prior Plans on or after April 26, 2007.

The types of awards that may be granted under the 2007 Plan include stock options, stock appreciation rights, restricted stock, stock units, performance shares, stock bonuses and other forms of awards granted or denominated in Edison International's common stock, as well as certain cash bonus awards.

Edison International 2007 Executive Bonus Program

The Compensation and Executive Personnel Committee of the Board approved the 2007 Executive Bonus Program (the "2007 Bonus Program") subject to shareholder approval of the 2007 Plan as described above. On April 26, 2007, Edison International's shareholders approved the 2007 Plan.

The following summary of the 2007 Bonus Program is qualified in its entirety by reference to the text of the 2007 Bonus Program which is filed as Exhibit 10.2 hereto and incorporated by reference herein.

The 2007 Bonus Program will be administered by the Compensation and Executive Personnel Committee of the Board.

The 2007 Bonus Program creates a bonus pool having a maximum value equal to 1.5% of Edison International's consolidated earnings from continuing operations during fiscal year 2007. As disclosed in the Proxy Statement, certain Edison International executive officers were granted performance-based awards under the 2007 Bonus Program having a maximum value equal to a fixed percentage of the bonus pool, if any. The maximum fixed percentage of the bonus pool allocated to each named executive officer of Edison International who participates in the 2007 Bonus Program is as follows:

Name and Title	Percentage of Bonus Pool
John E. Bryson, Chairman of the Board, President and CEO of Edison International and Chairman of the Board of SCE	36%
Alan J. Fohrer, CEO of SCE	12%
Thomas R. McDaniel, Executive Vice President, CFO and Treasurer of Edison International	12%
Theodore F. Craver, Jr., CEO of Edison Mission Group Inc.	12%

John R. Fielder, President of SCE	8%
-----------------------------------	----

The Compensation and Executive Personnel Committee retains discretion to reduce the actual amount payable to any of these officers but it is not allowed to increase the actual amount payable to any of the officers or to re-allocate any reduced bonus amount between program participants.
