Election of New Director

On March 14, 2018, the Board of Directors (the “Board”) of Power Integrations, Inc. (the “Company”) appointed Necip Sayiner to serve as a director beginning on April 1, 2018. Dr. Sayiner’s election was recommended to the Board by the Nominating and Governance Committee of the Board. Upon commencement of services to the Board, Dr. Sayiner will be appointed to the Compensation Committee and Nominating and Governance Committee of the Board.

A veteran of the semiconductor industry, Dr. Sayiner has served as executive vice president of Renesas Electronics Corporation since February 2017 and the president of Renesas Electronics America since July 2017. Previously, he was the president and CEO of Intersil Corporation from March 2013 until its acquisition by Renesas Electronics Corporation in February 2017. Prior to Intersil, from September 2005 to April 2012, he was the president and CEO of Silicon Labs. He also served as the elected chair of the Semiconductor Industry Association in 2016 and the vice chair in 2015.

Upon commencement of services to the Board, and in consideration of services to the Company as a director, Dr. Sayiner will be granted an equity award in the form of restricted stock units of the Company’s common stock (the “Initial Grant”) under the Power Integrations 2016 Incentive Award Plan (the “2016 Plan”) with an aggregate fair value of approximately \$25,000. The Initial Grant will vest on the date of the Company’s 2018 annual meeting of stockholders (currently scheduled for June 15, 2018), provided Dr. Sayiner is still serving as a director on that date. Notwithstanding the foregoing, the Initial Grant would be deemed fully vested upon the occurrence of a change of control of the Company. Beginning on July 1, 2018, Dr. Sayiner will receive annual equity compensation pursuant to the Directors Equity Compensation Program consistent with the Company’s other non-employee directors, which is a grant of restricted stock units, under the 2016 Plan with an aggregate value of \$100,000, which would vest in full effective immediately prior to the commencement of the Company’s first annual meeting of stockholders in the year following the year of the grant date, provided that the recipient is still providing services to the Company as a director and provided, further, that 100% of the shares subject to such equity award would be deemed fully vested upon the occurrence of a “Change of Control”, as such term is defined in the 2016 Plan.

As a non-employee director, Dr. Sayiner will also receive \$9,000 per quarter for service on the Board. In addition, as a member of the Compensation Committee and Nominating and Governance Committee, Dr. Sayiner will receive an additional \$1,500 and \$800 per quarter, respectively, to serve on these committees. The Company intends to enter into an indemnity agreement with Dr. Sayiner that is in the form of indemnity agreements executed by other members of the Board.
