Item 3.02 Unregistered Sales of Equity Securities

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

On June 7, 2005, Candie's, Inc. (the "Company") issued to UCC Consulting Corporation, ("UCC"), a company whose sole shareholder and President is Robert D'Loren, a former Director of the Company who resigned his directorship with the Company on June 6, 2005, a ten-year warrant ("Warrant") to purchase an aggregate of 1,000,000 shares of the Company's common stock ("Warrant Shares") at a price of \$5.98 per share, subject to anti-dilution adjustments under certain conditions. The Warrant was issued in connection with the Company's entering into an agreement with UCC (the "Agreement") pursuant to which UCC will act, for a 36 month term, as the Company's exclusive advisor in connection with providing various advisory services in connection with the Company's desire to acquire various companies in the apparel or footwear industries (the "Targets"). The Warrant vests as to (a) 333,334 Warrant Shares upon consummation of the first acquisition of a Target, (b) 333,333 Warrant Shares upon consummation of the second acquisition of a Target and (c) 333,333 Warrant Shares upon consummation of the third acquisition of a Target, provided, however, that no such vesting will occur with respect to the closing of an acquisition where the "enterprise value" of the Target is \$10 million or less. The Warrant also grants the holder certain registration rights with respect to the Warrant Shares. The Warrant was issued to UCC, which is an "accredited investor", in a privately negotiated transaction pursuant to the exemption from registration under Section 4(2) of the Securities Act of 1933.

The Company has not entered into any agreement to acquire any Target and there can be no assurance that the Company will do so in the future.
