Item 1.01 Entry into a Material Definitive Agreement.

On October 31, 2014, The Hartford Financial Services Group, Inc. (the “Company”) entered into a \$1.0 billion Five-Year Revolving Credit Facility Agreement (the “Credit Agreement”) with a syndicate of financial institutions, including Bank of America, N.A., as administrative agent, JPMorgan Chase Bank, N.A., Citibank, N.A., U.S. Bank National Association and Wells Fargo, National Association as syndication agents, and Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC, Citigroup Global Markets Inc., U.S. Bank National Association and Wells Fargo Securities, LLC as joint lead arrangers and joint bookrunners.

The Credit Agreement replaced the Company’s \$1.75 billion Four-Year Revolving Credit Facility dated as of January 6, 2012 (the “Existing Credit Agreement”) with a syndicate of financial institutions, including Bank of America, N.A., as administrative agent, JPMorgan Chase Bank, N.A. and Citibank, N.A. as syndication agents, and Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC and Citigroup Global Markets Inc. as joint lead arrangers and joint bookrunners. The Existing Credit Agreement would otherwise have expired on January 6, 2016. There were no outstanding borrowings under the Existing Credit Agreement at the time of its termination.

The Credit Agreement provides for revolving loans as well as for letters of credit, with a \$250 million sublimit on outstanding letters of credit at any time. The Credit Agreement also contains an expansion option permitting the Company to request an increase of the credit facility from time to time by up to an aggregate additional \$500 million from certain lenders that elect to make such increase available, upon the satisfaction of certain conditions. The Company has unconditionally and irrevocably guaranteed the obligations of each of its subsidiaries that is named as a borrower under the Credit Agreement.

The Credit Agreement will expire on the earlier of (a) October 31, 2019, or (b) the date of termination of the commitments upon an event of default. The Company may optionally prepay the loans or irrevocably reduce or terminate the unutilized portion of the commitments under the Credit Agreement, in whole or in part, without premium or penalty at any time by the delivery of a notice to that effect as provided under the Credit Agreement. Borrowings under the Credit Agreement may be used for general corporate purposes of the Company and its subsidiaries.

The Credit Agreement requires the Company to maintain a minimum consolidated net worth of \$13.5 billion, and subjects the Company to a limit on consolidated total debt to consolidated total capitalization of 35% and consolidated total debt of the Company’s subsidiaries to consolidated total capitalization of 10%, in each case subject to the limitations and exceptions contained in the Credit Agreement. In addition, the Credit Agreement contains certain customary representations, warranties and affirmative and negative covenants, including covenants that, among other things, limit the ability of the Company and its subsidiaries to incur certain types of liens, enter into certain mergers or consolidations, and use proceeds of borrowings under the Credit Agreement for other than permitted uses. These covenants are subject to a number of important exceptions and qualifications.

Amounts due under the Credit Agreement may be accelerated upon an “event of default,” as defined in the Credit Agreement, such as failure to pay amounts owed thereunder when due, a breach of a covenant, material inaccuracy of a representation or the occurrence of bankruptcy, if not otherwise waived or cured.

Certain of the lenders and the agents (and their respective subsidiaries or affiliates) under the Credit Agreement have in the past provided, and may in the future provide, investment banking, underwriting, lending, commercial banking, trust and other advisory services to the Company or its

subsidiaries. These parties have received, and may in the future receive, customary compensation from the Company or its subsidiaries for such services.

The foregoing description of the Credit Agreement is qualified in its entirety by reference to the Credit Agreement which is filed herewith as Exhibit 10.1 to this Form 8-K and is incorporated herein by reference.

The information set forth above under Item 1.01 with respect to the Company's \$1.75 billion Four-Year Revolving Credit Facility dated as of January 6, 2012 is hereby incorporated by reference into this Item 1.02.
