### **Intertape Polymer Group Inc. Amends Credit Facilities**

Montreal, Quebec and Bradenton, Florida August 8, 2007 -- Intertape Polymer Group Inc. (NYSE, TSX: ITP) ("IPG" or the "Company") today announced that it has executed definitive documentation to amend its credit facilities, in a manner which will provide IPG with the flexibility needed to meet certain of its financial covenants under the credit facilities.

The amendments to the credit facilities permit the add back of certain one-time charges incurred in connection with the proposed acquisition of all the common shares of the Company by an indirectly wholly-owned subsidiary of Littlejohn Fund III, L.P., and the strategic alternatives process.

The Company's credit facilities as amended will permit IPG to exclude from the calculation of its consolidated earnings before income taxes, depreciation and amortization ("EBITDA") up to \$6.5 million in charges related to the proposed sale and strategic alternatives process, as well as the costs associated with the amendment of the credit facilities, all of which are expected to be taken in the fiscal quarters ending December 31, 2006, March 31, 2007, June 30, 2007 and September 30, 2007.

In connection with IPG's request for the modification of its credit facilities, the Company has confirmed to its lenders that it will apply the net proceeds from the issuance of common shares pursuant to the Company's recently announced rights offering to reduce the Company's indebtedness under the credit facilities and that the rights offering process will be completed within sixty days.

Melbourne F. Yull, Executive Director, stated "IPG appreciates the support of its Lenders and their continuing confidence in the Company by approving these amendments."
