PROXY STATEMENT

General

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The Brazil Fund, Inc., a Maryland corporation, (the "Fund") for use at the Annual Meeting of Stockholders, to be held at the offices of Deutsche Investment Management Americas Inc., ("DeIM" or the "Investment Manager"), part of Deutsche Asset Management, 29th Floor, East Side, 280 Park Avenue (at 48th-49th Streets), New York, New York 10017, on Wednesday, July 7, 2004 at 10:45 a.m., Eastern time, and at any adjournments thereof (collectively, the "Meeting").

This Proxy Statement, the Notice of Annual Meeting and the proxy card are first being mailed to stockholders on or about May ____, 2004, or as soon as practicable thereafter. Any stockholder giving a proxy has the power to revoke it by mail (addressed to the Secretary at the principal executive office of the Fund, 345 Park Avenue, New York, New York 10154) or in person at the Meeting, by executing a superseding proxy or by submitting a notice of revocation to the Fund. All properly executed proxies received in time for the Meeting will be voted as specified in the proxy or, if no specification is made, for each proposal referred to in the Proxy Statement.

Edgar Filing: BRAZIL FUND INC - Form PRE 14A

The presence at any stockholders' meeting, in person or by proxy, of stockholders entitled to cast a majority of the votes entitled to be cast shall be necessary and sufficient to constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker "non-votes" will be treated as shares that are present but which have not been voted. Broker non-votes are proxies received by the Fund from brokers or nominees when the broker or nominee has neither received instructions from the beneficial owner or other persons entitled to vote nor has discretionary power to vote on a particular matter. Accordingly, stockholders are urged to forward their voting instructions promptly.

With respect to the election of director nominees, abstentions and broker-non-votes will have the same effect as a vote not to elect the nominees, because election of a nominee requires the affirmative vote of a majority of the shares present in person or by proxy and entitled to vote. See "Proposal: Election of Directors -- Required Vote."

Holders of record of the common stock of the Fund at the close of business on April 8, 2004 (the "Record Date") will be entitled to one vote per share on all business of the Meeting and any adjournments. There were 16,241,288 shares of common stock outstanding on the Record Date.

The Fund provides periodic reports to all stockholders which include relevant information, including investment results and a review of portfolio changes. You may receive an additional copy of the annual report for the fiscal year ended June 30, 2003 and a copy of the semiannual report for the six-month period ended December 31, 2003, without charge, by calling 800-349-4281 or 800-294-4366 or writing the Fund at 345 Park Avenue, New York, New York 10154.

PROPOSAL: ELECTION OF DIRECTORS

Persons named on the accompanying proxy card intend, in the absence of contrary instructions, to vote all proxies for the election of the three nominees listed below as Directors of the Fund to serve for a term of three years, and until their respective successors are duly elected and qualify. The nominees have consented to stand for election and to serve if elected. If any such nominee should be unable to serve, an event not now anticipated, the proxies will be voted for such person, if any, as shall be designated by the Board of Directors

to replace any such nominee. For election of Directors at the Meeting, the Board of Directors has approved the nomination of the individuals listed below.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") and Section 30(j) of the Investment Company Act of 1940, as amended (the "1940 Act"), as applied to a closed-end management investment company, require the Fund's Officers and Directors, investment manager, investment advisor, affiliates of the Fund's investment manager and investment advisor, and persons who beneficially own more than ten percent of a registered class of the Fund's outstanding securities ("Reporting Persons"), to file reports of ownership of the Fund's securities and changes in such ownership with the Securities and Exchange Commission (the "SEC"). Such persons are required by SEC regulations to furnish the Fund with copies of all such filings.

Based on a review of reports filed by the Fund's directors and executive officers, the Investment Manager, officers and directors of the Investment Manager, affiliated persons of the Investment Manager and beneficial holders of 10% or more of the Fund's outstanding stock, and written representations by the Reporting Persons that no year-end reports were required for such persons, all filings required by Section 16(a) of the Exchange Act for the fiscal year ended June 30, 2003 were timely. As a convenience to the directors, the Investment Manager assists the directors in making their Section 16 filings.

Edgar Filing: BRAZIL FUND INC - Form PRE 14A

According to filings made with the SEC in February 2004, February 2004 and April 2004, respectively, the following owned beneficially more than 5% of the Fund's outstanding stock:

Schedule 13G/A, Lazard Asset Management LLC, 30 Rockefeller Plaza, New York, NY 10112, reported beneficial ownership as of December 31, 2003 of 1,302,000 shares, or 7.9% of the Fund's shares.

Schedule 13D, The Carrousel Fund Ltd., The Carrousel Fund II Limited, Carrousel Capital Ltd. and Bruno Sangle-Ferriere, c/o Bruno Sangle-Ferriere, Carrousel Capital Ltd., 203-205 Brompton Road, London SW3 1LA, reported beneficial ownership of 979,185 shares, or 5.07% of the Fund's shares.

Except as noted above, to the best of the Fund's knowledge, as of April 30, 2004, no other person owned beneficially more than 5% of the Fund's outstanding stock.

Honorary Director

Mr. Roberto Teixeira da Costa serves as an Honorary Director of the Fund. Honorary Directors are invited to attend all Board meetings and to participate in Board discussions, but are not entitled to vote on any matter presented to the Board. Mr. da Costa became a Director of the Fund in 1993 and retired from the Board in 2001.

Committees of the Board -- Board Meetings

The Board of Directors of the Fund met seven times during the fiscal year ended June 30, 2003. Each Director attended at least 75% of the total number of meetings of the Board of Directors and of all committees of the Board on which he or she served as regular members, except Nicholas Bratt, a former Director, who attended 43% of the meetings.

The Board of Directors seeks to have at least a majority of its members present at annual stockholder meetings. At the Fund's last annual stockholder meeting on July 9, 2003, all Directors were in attendance.

The Board of Directors, in addition to an Executive Committee, has an Audit Committee, a Valuation Committee and a Committee on Independent Directors.

Audit Committee

The Board has an Audit Committee, consisting of those Directors who are not interested persons of the Fund or of the Investment Manager ("Independent Directors") as defined in the 1940 Act, which met three times during the fiscal year ended June 30, 2003. The members of the Audit Committee are independent, as independence is defined in the listing standards of the New York Stock Exchange. The Audit Committee reviews with management and the independent accountants for the Fund, among other things, the scope of the audit and the controls of the Fund and its agents, reviews and discusses with management the Fund's annual audited financial statements, reviews the auditor's required communications

Edgar Filing: BRAZIL FUND INC - Form PRE 14A

regarding the scope and results of the audit that may assist the Audit Committee in overseeing management's financial reporting and disclosure process, reviews and approves in advance the type of services to be rendered by independent accountants, approves and recommends to the Board for its approval the selection of independent accountants for the Fund, reviews matters related to the independence of the Fund's independent accountants and in general considers and reports to the Board on matters regarding the Fund's accounting and bookkeeping practices.

Audit Committee's Pre-Approval Policies and Procedures. The Audit Committee must approve the engagement of the independent accountants to provide audit or non-audit services to the Fund and non-audit services to DeIM or its control affiliates that relate directly to the Fund's operations and financial reporting prior to the commencement of any such engagement. In addition, the independent accountants must notify the Fund's Audit Committee not later than the Audit Committee's next meeting if the independent accountants enter into an engagement to provide audit or non-audit-related services to DeIM or its control affiliates that are not for services to the Fund or services that relate directly to the Fund's operations and financial reporting whose projected fees are in excess of \$25,000. Such notification must include a general description of the services awarded, the entity that is to be the recipient of such services, the timing of the engagement, the entity's reason for selecting the independent accountants, and the projected fees.

The Board of Directors has adopted a written charter for the Audit Committee, which is attached to this Proxy Statement as Appendix A.

At a meeting held on April 7, 2004, the Board of Directors of the Fund, including a majority of the Independent Directors, selected PricewaterhouseCoopers LLP to act as independent accountants for the Fund for the fiscal year ending June 30, 2004. The Fund's financial statements for the fiscal years ended June 30, 2003 and June 30, 2002 and for the six-month periods ended December 31, 2003 and December 31, 2002 were audited by PricewaterhouseCoopers LLP. The following table sets forth the aggregate fees billed for professional services rendered by PricewaterhouseCoopers LLP:

The fees disclosed in the table above under the caption "Audit Fees" are the

Edgar Filing: BRAZIL FUND INC - Form PRE 14A

aggregate fees billed for each of the last two fiscal years for professional services rendered for the audits of the Fund's annual and semi-annual financial statements and review of financial statements included in the registrant's N-CSAR for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for those fiscal years. The fees disclosed under the caption "Audit-Related Fees" are the aggregate fees billed in each of the last two fiscal years for assurance and related services that are reasonably related to the performance of the audit or review of the Fund's financial statements and are not reported under "Audit Fees." "Tax Fees" are the aggregate fees billed in each of the last two fiscal years for professional services rendered for tax compliance, tax advice, and tax planning. "All Other Fees" are the aggregate fees billed in each of the last two fiscal years for products and services provided, other than the services described above. DeIM-Related Fees include fees billed for services, if any, in each of the last two fiscal years to DeIM and all entities controlling, controlled by, or under common control with DeIM that provide services to the Fund.

The aggregate non-audit fees billed by PricewaterhouseCoopers LLP to the Fund, DeIM and entities controlling, controlled by or under common control with DeIM that provide services to the Fund for each of the Fund's last two fiscal years were \$_____for the fiscal year ended June 30, 2003 and \$_____ for the fiscal year ended June 30, 2002. The Fund's Audit Committee gave careful consideration to the non-audit related services provided by PricewaterhouseCoopers LLP to the Fund, DeIM and entities controlling, controlled by or under common control with DeIM that provide services to the Fund, and, based in part on certain representations and information provided by PricewaterhouseCoopers LLP, determined that the provision of these services was compatible with maintaining PricewaterhouseCoopers LLP's independence.

Representatives of PricewaterhouseCoopers LLP are not expected to be present at the Meeting, but will be available by telephone to respond to appropriate questions and to make a statement if they wish to do so.

Audit Committee Report

In connection with the audited financial statements as of and for the fiscal year ended June 30, 2003 included in the Fund's Annual Report for the fiscal year ended June 30, 2003 (the "Annual Report"), at a meeting held on August 20, 2003, the Audit Committee reviewed and discussed the annual audited financial statements with management and the independent accountants, and discussed the audit of such financial statements with the independent accountants.

10

The Audit Committee also discussed with the independent accountants the matters required to be discussed by Statement On Auditing Standards No. 61 (Communications with Audit Committees). The independent accountants provided to the committee the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with representatives of the independent accountants their firm's independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent

Edgar Filing: BRAZIL FUND INC - Form PRE 14A

basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with auditing standards generally accepted in the United States of America or that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the independent accountants and subject to the limitation on the responsibilities and role of the Audit Committee set forth in the Audit Committee's Charter and those discussed above, the Audit Committee of the Fund recommended to the Board of Directors of the Fund that the audited financial statements be included in the Fund's Annual Report.

The Audit Committee currently consists of Messrs. Froewiss (Chairman), Callander, Luers, Nogueira and Yun and Dr. Purcell.

Committee on Independent Directors

The Board has a Committee on Independent Directors consisting of the Independent Directors. The Committee met once during the fiscal year ended June 30, 2003. The primary purposes and responsibilities of the Committee are (i) to identify individuals qualified to become members of the Board in the event that a position is vacated or created; (ii) to recommend for the Board's selection the Director nominees for the next annual meeting of stockholders if any is to be held; (iii) to set any necessary standards or qualifications for service on the Board; (iv) to review and evaluate the compensation practices of the Independent Directors and to recommend any changes thereto to the Board; (v) to determine the policies governing retirement of all Independent Directors; (vi) to perform periodic evaluations of the effectiveness of the Independent Directors; and (vii) to consider such other matters of special relevance to the Independent Directors. The Committee met on April 7, 2004 to nominate the nominees for Independent Directors presented in this proxy statement. The Committee requires that Director candidates have a college degree or equivalent business experience. The Committee may take into account a wide variety of factors in considering Director candidates, including (but not limited to): (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board, (ii) relevant industry and related experience,

11

(iii) educational background, (iv) financial expertise, (v) an assessment of the candidate's ability, judgment and expertise and (vi) overall diversity of the Board's composition.

The Board of Directors has adopted a written charter for the Committee on Independent Directors, which is attached to this Proxy Statement as Appendix B.

The aggregate direct remuneration incurred by the Fund for payment to Independent Directors was \$116,772, including expenses, for the fiscal year ended June 30, 2003. Each such Independent Director currently receives fees, paid by the Fund, of \$750 per Directors' meeting attended and an annual Director's fee of \$6,000, except for Mr. Nogueira who as a Resident Brazilian Director receives an annual fee of \$12,000. Effective January 1, 2003, the Lead Director of the Independent Directors (currently Mr. Callander) and the Chairman of the Audit Committee (currently Mr. Froewiss) each receives an additional \$2,500 annual fee for serving in that capacity. Each Director also receives \$250 per committee meeting attended (other than audit committee meetings and meetings held for the purpose of considering arrangements between the Fund and the Investment Manager or an affiliate of the Investment Manager, for which such Director receives a fee of \$750). DeIM supervises the Fund's investments, pays the compensation and certain expenses of its personnel who serve as Directors and Officers of the Fund, and receives a management fee for its services. Several of the Fund's Officers and Directors are also officers, directors or employees of DeIM and participate in the fees paid to that firm (see "Investment Manager"), although the Fund makes no direct payments to them.

Possible Dissident Nominations

The Carrousel Fund Ltd. ("Carrousel Fund I") has written the Fund that it intends to nominate three persons for election as directors of the Fund at the Annual Meeting. The Fund has notified Carrousel Fund I that no valid notice of the proposed nominations was given to the Fund as required by the Fund's bylaws. If Carrousel Fund I nevertheless were to solicit proxies, the Board urges you to discard and not to sign or send in any proxy card the Carrousel group may send to you.

⁴ 345 Park Avenue, New York, NY 10154

⁵ 300 South Grand Avenue, Los Angeles, CA 90071

16

The Fund does not know whether Carrousel Fund I will propose nominees at the Meeting. The Fund's bylaws require a stockholder nomination to be made in writing by a stockholder of record not later than 90 days before the meeting date, and require the notice of nomination to contain specified information about the nominee, including information called for by the SEC's proxy rules. These bylaw provisions are intended to ensure that a nominating stockholder is in fact a stockholder of record, and that stockholders and the Board receive material information about nominees on a timely basis, so that the Board may be well informed in making its recommendations to stockholders concerning proposed nominations, and stockholders may be well informed in voting.

The Fund has informed Carrousel Fund I that it was not a stockholder of record at the time of its purported notice of nomination and that no valid nomination complying with the Fund's by-law requirements was received by 90 days before the date of the Meeting. Under the bylaws, only persons nominated in accordance with the bylaw requirements are eligible for election as directors by the stockholders. If Carrousel Fund I seeks to propose its nominees, despite the express requirements of the Fund's bylaws, the Board urges you not to support these efforts. The Board believes the Carrousel-proposed nominees have interests that differ from those of other shareholders and are less qualified than the Board's nominees to supervise the Fund. The Board urges you to discard and not to sign or send in any proxy card the Carrousel group may send to you.

The Board of Directors recommends that the stockholders vote FOR the election of Mr. Nogueira, Dr. Purcell and Mr. Hale.

Other Matters

The Board of Directors does not know of any matters to be brought before the Meeting other than that mentioned in this Proxy Statement. The appointed proxies will vote on any other business that comes before the Meeting or any adjournment thereof in their discretion.

Miscellaneous

Proxies will be solicited by mail and may be solicited in person or by telephone by Officers of the Fund or personnel of DeIM. The Fund has retained Georgeson Shareholder Communications Inc. ("Georgeson"), 17 State Street, New York, New York 10004 to assist in the proxy solicitation. The costs and expenses of the solicitation will depend on whether Carrousel Fund I solicits proxies, despite having been advised by the Fund that no valid nomination was received by the Fund. If there is no Carrousel Fund I solicitation, the cost of Georgeson's services is estimated at \$9,500 plus expenses. If there is a Carrousel solicitation, Georgeson would be paid a fee not to exceed \$_____ and would employ up to approximately 30 people to solicit stockholders. Georgeson would also be reimbursed for its expenses. The costs and expenses connected with the solicitation of the proxies and with any further proxies which may be solicited by the Fund's Officers or Georgeson, in person or by telephone, will be borne by the Fund. The Fund will reimburse banks, brokers, and other persons holding the Fund's shares registered in their names or in the names of their nominees, for their expenses incurred in sending proxy material to and obtaining proxies from the beneficial owners of such shares. If there were to be a Carrousel solicitation, expenses related to the Fund's solicitation of stock-

17

holders, in excess of those normally expended in an election of Directors, including fees for attorneys, proxy solicitors, advertising, printing, transportation and other related expenses, are expected to aggregate approximately \$[_____], [approximately \$ ___] [no material portion] of which has been spent to date.

Certain information about the employees of the Investment Manager who will be soliciting proxies on the Fund's behalf is set forth in Appendix D. Appendix E sets forth certain other information relating to the Directors and executive officers of the Fund and these employees (collectively, the "Participants").

Solicitation of proxies is being made primarily by the mailing of this Proxy Statement with its enclosures on or about May __, 2004. As mentioned above, Georgeson will assist in the solicitation of proxies. As the meeting date approaches, certain stockholders may receive a telephone call from a representative of Georgeson if their votes have not been received. Authorization to permit Georgeson to execute proxies may be obtained by telephonic or electronically transmitted instructions from stockholders of the Fund. If proxies are obtained telephonically, they will be recorded in accordance with procedures that are consistent with applicable law and that the Fund believes are reasonably designed to ensure that both the identity of the stockholder casting the vote and the voting instructions of the stockholder are accurately determined.

If a stockholder wishes to participate in the Meeting, but does not wish to give

Edgar Filing: BRAZIL FUND INC - Form PRE 14A

a proxy by telephone or electronically, the stockholder may still submit the proxy card originally sent with this proxy statement. Should stockholders require additional information regarding the proxy or a replacement proxy card, they may contact Georgeson toll-free at 800-366-2167. Any proxy given by a stockholder is revocable until voted at the Meeting. See "Proxy Statement -- General."

In the event that sufficient votes in favor of the proposal set forth in the Notice of this Meeting are not received by July 7, 2004, the persons named as appointed proxies on the enclosed proxy card may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of the holders of a majority of the shares present in person or by proxy at the session of the meeting to be adjourned. The persons named as appointed proxies on the enclosed proxy card will vote in favor of such adjournment those proxies which they are entitled to vote in favor of the proposal for which further solicitation of proxies is to be made. They will vote against any such adjournment those proxies required to be voted against such proposal. The costs of any such additional solicitation and of any adjourned session will be borne by the Fund.

Stockholder Proposals

Stockholders wishing to submit proposals for inclusion in the Fund's proxy statement for the 2005 meeting of stockholders of the Fund should send their written proposals to John Millette, Secretary of the Fund, c/o Deutsche Investment Management Americas Inc. at 345 Park Avenue, New York, New York 10154, by January ___, 2005. The timely submission of a proposal does not guarantee its inclusion.

For nominations of candidates for election as Directors (other than nominations made by or at the recommendation of the Directors) or other business to be properly brought before the annual meeting by a stockholder, the stockholder must have given timely notice thereof in writing to the Secretary of the Fund, the stockholder must be a stockholder of record and the notice must contain the information about the nomination or other business that is required by the Fund's Bylaws. To be timely, any such notice must be delivered

18

to or mailed by certified mail, return receipt requested, and received at the principal executive offices of the Fund not later than 90 days nor more than 120 days prior to the date of the meeting; provided, however, that if less than 100 days' notice or prior public disclosure is given or made to stockholders, any such notice by a stockholder to be timely must be so received not later than the close of business on the 10th day following the earlier of the day on which such notice of the date of the annual or special meeting was given or such public disclosure was made.

The Fund may exercise discretionary voting authority with respect to stockholder proposals for the 2005 meeting of stockholders which are not included in the proxy statement and form of proxy, if notice of such proposals is not received by the Fund at the above address within the timeframe indicated above. Even if timely notice is received, the Fund may exercise discretionary voting authority in certain other circumstances. Discretionary voting authority is the power to vote proxies that stockholders have executed and returned to the Fund on matters not specifically reflected on the form of proxy.
