3. For EEA only: To approve a change in the Fund's fundamental investment objective from seeking "long-term capital appreciation through investment primarily in equity or equity-linked securities of issuers domiciled in countries in Europe that utilize the Euro currency" to seeking "long-term capital appreciation through investment primarily in equity or equity-linked securities of issuers domiciled in countries that are members of the European Union"; and a corresponding change in a fundamental investment policy of the Fund to require the Fund, under normal circumstances, to invest at least 80% of the Fund's net assets (plus any assets funded with leverage) in equity or equity-linked securities of issuers domiciled in countries that are members of the European Union.
4. To transact such other business as may properly come before the Meeting or any postponement or adjournment thereof.

Joint Annual Meeting of Stockholders
June 19, 2014

PROXY STATEMENT

This joint Proxy Statement is furnished by the respective Boards of Directors (collectively, the “Board of Directors” or “Board”) of The Central Europe, Russia and Turkey Fund, Inc. (“CEE”), The European Equity Fund, Inc. (“EEA”) and The New Germany Fund, Inc. (“GF”), each a Maryland corporation (each, a “Fund” and collectively, the “Funds”), in connection with the solicitation of proxies for use at the joint Annual Meeting of Stockholders (the “Meeting”) to be held at 10:00 a.m., New York time, on June 19, 2014 at 60 Wall Street, New York, New York 10005. The purpose of the Meeting and the matters to be considered are set forth in the accompanying Notice of Joint Annual Meeting of Stockholders.

If the accompanying Proxy Card for your Fund is executed properly and returned, shares represented by it will be voted at the Meeting, and any postponement or adjournment thereof, in accordance with the instructions on the Proxy Card. However, if no instructions are specified, shares will be voted FOR the election of three (3) directors of each Fund nominated by the Board (“Proposal 1”), FOR the ratification of the appointment by the Audit Committee and the Board of PricewaterhouseCoopers LLP, an independent public accounting firm, as independent auditors for each Fund (“Proposal 2”) and, with respect to EEA only, FOR the proposed change in EEA’s investment objective and the corresponding change to a fundamental investment policy of the Fund (“Proposal 3”). A proxy may be revoked at any time prior to the time it is voted by written notice to the Secretary of a Fund, by submitting a subsequently executed and dated Proxy Card or by attending the Meeting and voting in person.

If a stockholder owns shares of a Fund in violation of applicable law, including the Investment Company Act of 1940, as amended (the “Investment Company Act”), the Fund may determine that any vote attributable to such shares shall not be counted, or that such shares will not be counted for quorum purposes, or both. Under Section 12(d)(1) of the Investment Company Act, the acquisition of more than 3% of a Fund’s common stock by another fund (whether registered, private or offshore) is unlawful. There is legal uncertainty about the operation of Section 12(d)(1) and about a Fund’s right under federal and state law to invalidate votes cast by any person whose Fund shares are held in violation of law. Each Fund, if necessary, may seek judicial resolution of the uncertainty in any particular case.

The close of business on May 12, 2014 has been fixed as the record date for the determination of stockholders entitled to notice of, and to vote at, the Meeting. On that date, CEE had _____ shares of Common Stock outstanding and entitled to vote, EEA had _____ shares of Common Stock outstanding and entitled to vote and GF had _____ shares of Common Stock outstanding and entitled to vote. Each share will be entitled to one vote on each matter that comes before the Meeting. It is expected that the joint Notice of Annual Meeting, this Proxy Statement and the Proxy Card(s) will first be mailed to stockholders on or about May ___, 2014.

For each Fund, a quorum is necessary to hold a valid meeting. If stockholders entitled to cast one-third of all votes entitled to be cast at the Meeting are present in person or by proxy, a quorum will be established. Each Fund intends to treat properly executed Proxy Cards that are marked “abstain” and broker non-votes (defined below) as present for the

purposes of determining whether a quorum has been achieved at the Meeting. Each nominee for Director set forth in Proposal 1 shall be elected as a Director if such nominee receives the affirmative vote of a majority of the total number of votes entitled to be cast at the Meeting, provided a quorum is present. Ratification of the appointment of PwC as each Fund's independent auditor for the current fiscal year requires a majority of the votes cast at the Meeting, provided a quorum is present. Approval of the change in EEA's investment objective as set forth in Proposal 3 requires approval of a majority of EEA's outstanding voting securities, which is defined in the Investment Company Act as the lesser of (1) 67% of the Fund's shares present at a meeting of its stockholders if the owners of more than 50% of the shares of the Fund then outstanding are present in person or by proxy or (2) more than 50% of the Fund's outstanding shares. Under Maryland law, abstentions do not

constitute a vote “for” or “against” a matter and will be disregarded in determining the “votes cast” on an issue. A “broker non-vote” occurs when a broker holding shares for a beneficial owner does not vote on a particular matter because the broker does not have discretionary voting power with respect to that matter and has not received instructions from the beneficial owner.

In the event that (i) a quorum is not present at the Meeting; or (ii) a quorum is present but sufficient votes in favor of the position recommended by the Board for a proposal have not been timely received, the chairman of the Meeting may authorize, or the persons named as proxies may propose and vote for, one or more adjournments of the Meeting up to 120 days after the record date, with no other notice than an announcement at the Meeting, in order to permit further solicitation of proxies. Shares represented by proxies indicating a vote contrary to the position recommended by the Board for a proposal will be voted against adjournment of the Meeting.

PROPOSAL 1:

ELECTION OF DIRECTORS

Each Fund's charter (the "Charter") provides that the Board of Directors be divided into three classes of directors ("Directors") serving staggered three-year terms and until their successors are elected and qualify.

For CEE, the term of office for Directors in Class II expires at the 2014 Annual Meeting, Class III at the next succeeding annual meeting and Class I at the following succeeding annual meeting. Three Class II nominees, Ambassador Richard R. Burt, Dr. Friedbert H. Malt, and Mr. Robert H. Wadsworth are proposed in this proxy statement for election. If elected, each of the three Class II nominees will serve a three-year term of office until the Annual Meeting of Stockholders in 2017 and until his respective successor is elected and qualifies.

For EEA, the term of office for Directors in Class III expires at the 2014 Annual Meeting, Class I at the next succeeding annual meeting and Class II at the following succeeding annual meeting. Three Class III nominees, Mr. Richard Karl Goeltz, Dr. Franz Wilhelm Hopp and Mr. Christian H. Strenger are proposed in this proxy statement for election. If elected, each of the three Class III nominees will serve a three-year term of office until the Annual Meeting of Stockholders in 2017 and until his respective successor is elected and qualifies.

For GF, the term of office for Directors in Class II expires at the 2014 Annual Meeting, Class III at the next succeeding annual meeting and Class I at the following succeeding annual meeting. Three Class II nominees, Dr. Wilhelm Bender, Mr. Richard Karl Goeltz and Mr. Joachim Wagner are proposed in this proxy statement for election. If elected, each of the three Class II nominees will serve a three-year term of office until the Annual Meeting of Stockholders in 2017 and until his respective successor is elected and qualifies.

Should any vacancy occur on the Board of Directors, the remaining Directors would be able to fill that vacancy by the affirmative vote of a majority of the remaining Directors in office, even if the remaining Directors do not constitute a quorum. Any Director elected by the Board to fill a vacancy would hold office until the remainder of the full term of the class of Directors in which the vacancy occurred and until a successor is elected and qualifies. If the size of the Board is increased, additional Directors will be apportioned among the three classes to make all classes as nearly equal as possible.

Unless authority is withheld, it is the intention of the persons named in the accompanying Proxy Card(s) to vote the shares represented by each Proxy for the election of the nominees listed above. Each nominee has indicated that he will serve as a Director if elected, but if any nominee should be unable to serve, shares represented by each Proxy will be voted for any other person determined by the persons named in Proxy Card(s) in accordance with their discretion. The Board of Directors has no reason to believe that any of the above nominees will be unable to serve as a Director.

Board of Directors Information

The management of the business and affairs of each Fund is overseen by the Board of Directors. Directors who are not "interested persons" of a Fund as defined in the Investment Company Act, are referred to as "Independent Directors", and Directors who are "interested persons" of a Fund are referred to as "Interested Directors". Certain information concerning the Funds' governance structure and each Director is set forth below.

Experience, Skills, Attributes, and Qualifications of each Fund's Directors. The Nominating and Governance Committee of the Board, which is composed entirely of Independent Directors, reviews the experience, qualifications, attributes and skills of potential candidates for nomination or election by the Board, and conducts a similar review in connection with the proposed nomination of current Directors for re-election by stockholders. When assessing a

candidate for nomination it is the policy of the Nominating and Governance Committee to consider, amongst other criteria, whether the individual's background, skills, and experience will complement the background, skills and experience of other nominees and will contribute to the diversity of the Board. The Nominating and Governance Committee assesses the effectiveness of this policy as part of its annual self assessment. Additional information concerning the Nominating and Governance Committee's consideration of nominees appears in the description of the Committee following the table below.

The Board has concluded, based on each Director's experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Directors, that each Director is qualified and should continue to serve as such. In determining that a particular Director was and continues to be qualified to serve as a Director, the Board has considered a

variety of criteria, none of which, in isolation, was controlling. In addition, the Board has taken into account the actual service and commitment of each Director during his tenure (including the Director's participation in Board and committee meetings, as well as his current and prior leadership of standing and ad hoc committees) in concluding that each should continue to serve. Information about the specific experience, skills, attributes and qualifications of each Director, which in each case led to the Board's conclusion that the Director should serve (or continue to serve) as a director of each Fund, is provided in the table following the "Risk Oversight" section below.

The Board believes that, collectively, the Directors have balanced and diverse experience, qualifications, attributes, and skills, which allow the Board to operate effectively in governing the Funds and protecting the interests of shareholders. Among other attributes common to all Directors are their willingness and ability to commit the necessary time and attention to their duties as Directors, their ability to review critically, evaluate, question and discuss information provided to them (including information requested by the Directors), to interact effectively with each other and with Deutsche Investment Management Americas Inc., the Funds' administrator (the "Administrator"), Deutsche Asset & Wealth Management International GmbH, the Funds' investment adviser (the "Investment Adviser") and other service providers, counsel and the Funds' independent registered public accounting firm, to exercise effective business judgment in the performance of their duties as Directors. References to the qualifications, attributes and skills of Directors are pursuant to requirements of the Securities and Exchange Commission, do not constitute holding out of the Board or any Director as having special expertise or experience and shall not be deemed to impose any greater responsibility or liability on any Director or on the Board by reason thereof.

Board Structure and Oversight Function. The Board is responsible for oversight of the Funds. Each Fund has engaged the Administrator and the Investment Adviser to manage the Fund on a day-to-day basis. The Board is responsible for overseeing the Administrator and the Investment Adviser and each Fund's other service providers in the operations of each Fund in accordance with the Fund's investment objective and policies and otherwise in accordance with the requirements of the Investment Company Act and other applicable Federal, state and other securities and other laws, and the Fund's charter and bylaws. The Board meets in person at regularly scheduled meetings four times throughout the year. In addition, the Directors may meet in person or by telephone at special meetings or on an informal basis at other times. The Directors also regularly meet outside the presence of any representatives of the Administrator and the Investment Adviser. As described below, the Board has established five standing committees — the Audit, Nominating and Governance, Advisory, Valuation and Executive Committees — and may establish ad hoc committees or working groups from time to time, to assist the Board in fulfilling its oversight responsibilities. Each committee other than the Executive Committee is composed exclusively of Independent Directors. Each year the Directors evaluate the performance of the Board and its committees. The responsibilities of each committee, including its oversight responsibilities, are described further below. The Independent Directors have also engaged independent legal counsel, and may from time to time engage consultants and other advisors, to assist them in performing their oversight responsibilities.

The duties of the Chairman of the Board of Directors (the "Chairman") include setting the agenda for each Board meeting in consultation with management, presiding at each Board meeting, meeting with management between Board meetings, and facilitating communication and coordination between the Directors and management. Mr. Christian Strenger, the Chairman of the Board of Directors, is an Interested Director as defined in the Investment Company Act because he is a member of the Supervisory Board of a company that is affiliated with the Administrator and the Investment Adviser and because of his ownership of shares of the ultimate parent of the Administrator and the Investment Adviser. The Directors believe that it is valuable and appropriate for Mr. Strenger to serve as Chairman and that his service benefits shareholders because of his extensive knowledge of the investment management industry, the Deutsche Bank organization and the Funds and because he is a leading corporate governance expert in Germany and internationally. In addition, the Directors note that, although Mr. Strenger is an Interested Director as defined in the Investment Company Act, he is not involved in the management of the Funds and is not an officer or director of the Administrator or the Investment Adviser. The Independent Directors are satisfied that they can act independently

and effectively without having an Independent Director serve as Chairman and note that a key structural component for ensuring that they are in a position to do so is for the Independent Directors to constitute a substantial majority of the Board. Mr. Goeltz, an Independent Director and Chairman of the Audit Committee and the Nominating and Governance Committee, serves as Lead Independent Director for each Fund and as such is available to act as liaison between the Independent Directors and management and to consult with the Chairman to the extent deemed appropriate.

Risk Oversight. Each Fund is subject to a number of risks, including investment, compliance and operational risks. Day-to-day risk management with respect to a Fund resides with the Administrator and the Investment Adviser or other service

providers (depending on the nature of the risk), subject to supervision by the Administrator. The Board has charged the Investment Adviser and its affiliates with (i) identifying events or circumstances the occurrence of which could have demonstrable and material adverse effects on a Fund; (ii) to the extent appropriate, reasonable or practicable, implementing processes and controls reasonably designed to lessen the possibility that such events or circumstances occur or to mitigate the effects of such events or circumstances if they do occur; and (iii) creating and maintaining a system designed to evaluate continuously, and to revise as appropriate, the processes and controls described in (i) and (ii) above.

Risk oversight forms part of the Board's general oversight of each Fund's investment program and operations and is addressed as part of various regular Board and committee activities. Each of the Administrator, the Investment Adviser, and the Funds' other principal service providers has an independent interest in risk management but the policies and the methods by which one or more risk management functions are carried out may differ from a Fund's and each other's in the setting of priorities, the resources available or the effectiveness of relevant controls. Oversight of risk management is provided by the Board and the Audit Committee. The Directors regularly receive reports from, among others, management, the Funds' Chief Compliance Officer, their independent registered public accounting firm, counsel, and internal auditors for the Administrator, as appropriate, regarding risks faced by the Funds and the Administrator's risk management programs.

Not all risks that may affect a Fund can be identified, and, therefore, controls cannot be developed to eliminate or mitigate their occurrence or effects. The processes and controls employed to address certain risks may be limited in their effectiveness. Also, some risks are simply beyond the reasonable control of the Funds or the Administrator, its affiliates or other service providers. Moreover, it is necessary to bear investment-related risks to achieve each Fund's goals.

Information Regarding Directors and Officers

The following table shows certain information about the nominees for election as Directors and about Directors whose terms will continue, including beneficial ownership of Common Stock of each Fund, and about all officers of each Fund. All current Directors own shares of each Fund. Each Fund has elected to be subject to the statutory calculation, notification and publication requirements of the German Investment Tax Act (Investmentsteuergesetz) (the "Act") for the fiscal year ended October 31, 2013 for CEE and ended December 31, 2013 for EEA and GF, and intends to elect to be subject to the Act for its 2014 fiscal year. Absent this election, Directors who are German residents would be subject to adverse German tax consequences if they owned shares of a fund organized outside of Germany, such as the Funds, that is not subject to German regulation or tax reporting. In light of each Fund's election to be subject to the Act, the Board of Directors encourages all Directors of each Fund (including those who are German residents) to invest in the Fund.

(1) Valuation date is March 31, 2014. Each Fund has elected to be subject to the statutory calculation, notification and publication requirements of the German Investment Tax Act (Investmentsteuergesetz) (the “Act”) for the fiscal year ended October 31, 2013 for CEE and December 31, 2013 for EEA and GF and intends to elect to be subject to the Act for the fiscal year ending October 31, 2014 for CEE and December 31, 2014 for EEA and GF. Absent this election, Directors who are German residents would be subject to adverse German tax consequences if they owned shares of a fund organized outside of Germany, such as the Fund, that is not subject to German regulation or tax reporting. In light of the Fund’s election to be subject to the Act, the Board of Directors encourages all Directors of the Fund (including those who are German residents) to invest in the Fund.

(2) The Family of Investment Companies consists of The Central Europe, Russia and Turkey Fund, Inc., The European Equity Fund, Inc. and The New Germany Fund, Inc., which are closed-end funds that share the same investment adviser and administrator and hold themselves out as related companies.

The Board of Directors currently has five standing committees including an audit committee (the “Audit Committee”), an advisory committee (the “Advisory Committee”), an executive committee (the “Executive Committee”), a nominating and governance committee (the “Nominating Committee”) and a valuation committee (the “Valuation Committee”). As none of the Funds has employees, the Board of Directors has not established a compensation committee.

The Audit Committee, currently comprising Messrs. Burt, Goeltz (Chair), Wadsworth and Wagner and Dr. Malt, operates pursuant to a written charter which is available on the Funds’ website, www.dws-investments.com. The Audit Committee’s organization and responsibilities are contained in the Audit Committee Report, which is included in this Proxy Statement, and in its written charter. The members of the Audit Committee are “independent” as required by the independence standards of Rule 10A-3 under the Securities Exchange Act of 1934. The Board of Directors has determined that each member of the Audit Committee is financially literate and has determined that Messrs. Goeltz, Wadsworth and Wagner meet the requirements for an audit committee financial expert under the rules of the Securities and Exchange Commission (“SEC”). Although the Board has determined that all three meet the requirements for an audit committee financial expert, their responsibilities are the same as those of the other audit committee members. Messrs. Goeltz, Wadsworth and Wagner are not auditors or accountants, do not perform “field work” and are not full-time employees. The SEC has determined that an audit committee member who is designated as an audit committee financial expert will not be deemed to be an “expert” for any purpose as a result of being identified as an audit committee financial expert. The Audit Committee met four times during each Fund’s fiscal year ending in 2013.

The Advisory Committee, currently comprising Messrs. Bierbaum, Goeltz and Wadsworth (Chair) and Dr. Malt, makes recommendations to the full Board with respect to the Administration Agreement between each Fund and Deutsche Investment Management Americas Inc., and the Investment Advisory Agreement between each Fund and Deutsche Asset & Wealth Management International GmbH. The Advisory Committee met two times during each Fund’s past fiscal year.

The Executive Committee, currently comprising Messrs. Burt, Goeltz, Strenger and Wadsworth, has the authority to act for the Board on all matters between meetings of the Board subject to any limitations under applicable state law. During each Fund’s past fiscal year the Executive Committee did not meet.

The Valuation Committee, currently comprising Messrs. Wadsworth (Chair) and Wagner and Dr. Malt, reviews each Fund’s valuation procedures and makes recommendations with respect thereto and, to the extent required by such procedures, determines the fair value of the Fund’s securities or other assets. The Valuation Committee met four times during CEE’s past fiscal year, two times during EEA’s past fiscal year and three times during GF’s past fiscal year.

The Nominating and Governance Committee, currently comprising Messrs. Burt (Deputy Chair), Goeltz (Chair), Wadsworth, Wagner and Dr. Malt, operates pursuant to a written charter which is available on the Funds’ website, www.dws-investments.com. The Board has determined that each of the members of the Nominating and Governance Committee is not an “interested person” as the term is defined in Section 2(a)(19) of the Investment Company Act. Generally, the Nominating and Governance Committee identifies, evaluates and selects and nominates, or recommends to the Board of Directors, candidates for the Board or any committee of the Board, and also advises the Board regarding governance matters generally and confirms that the Board and Audit Committee undertake annual self-evaluations. To be eligible for nomination as a Director a person must, at the time of such person’s nomination, have Relevant Experience and Country Knowledge and must not have any Conflict of Interest, as those terms are defined in the Fund’s Bylaws. The relevant portions of each Fund’s Bylaws describing these requirements are included as Annex A. The Nominating and Governance Committee may also take into account additional factors listed in the Nominating and Governance Committee Charter, which generally relate to the nominee’s industry knowledge, business experience, education, ethical reputation, special skills, ability to work well in group settings and the ability to qualify as an “independent director”. When assessing a candidate for nomination, the Nominating and Governance Committee considers whether the individual’s background, skills and experience will complement the background, skills and

experience of other nominees and will contribute to the diversity of the Board.

The Nominating and Governance Committee will consider nominee candidates properly submitted by stockholders in accordance with applicable law, each Fund's Charter or Bylaws, resolutions of the Board and the qualifications and procedures set forth in the Nominating and Governance Committee Charter, which is available on the Funds' website, www.dws-investments.com. A stockholder or group of stockholders seeking to submit a nominee candidate for any Fund (i) must have beneficially owned at least 1% of the Fund's common stock for at least two years, (ii) may submit only one nominee candidate for any particular meeting of stockholders, and (iii) may submit a nominee candidate for only an annual meeting or other meeting of stockholders at which directors will be elected. The stockholder or group of stockholders must provide notice of the proposed nominee pursuant to the requirements found in the relevant Fund's Bylaws. Generally, this notice must be received not less than 90 days nor more than 120 days prior to the first anniversary of the date of mailing of

the notice for the preceding year's annual meeting. Such notice shall include the specific information required by the Fund's Bylaws. The relevant portions describing these requirements also are included as Annex A. The Nominating and Governance Committee will evaluate nominee candidates properly submitted by stockholders on the same basis as it considers and evaluates candidates recommended by other sources. The Nominating and Governance Committee met two times during each Fund's past fiscal year.

In accordance with its charter, the Nominating and Governance Committee reviews each Director's affiliations and relationships for purposes of determining whether or not the Director qualifies as an "independent director". The Nominating and Governance Committee also considers each Director's independence more generally, as well as various governance "best practices", including the suggestion of a non-U.S. corporate governance code that a board of directors should state its reasons if it determines that a director is independent notwithstanding that the director has served for more than nine years from the date of his first election.

The Nominating and Governance Committee has concluded that each Director other than the Chairman of the Board is an "independent director", and that it was satisfied that: (i) those independent Directors who have served for more than nine years continue to be independent in character and judgment; (ii) the experience of such Directors with each Fund permit them to make extremely valuable contributions to the functioning of the Board; and (iii) the views of such Directors are not "entrenched" as a result of the length of service to the Funds. The Nominating and Governance Committee based its conclusion, in part, on its observation that such Directors regularly demonstrate their independence by their questioning and challenging of management at and between Board meetings.

The Nominating and Governance Committee also noted that none of the Directors serves on the board of more than three registered investment companies advised by the investment adviser, and that only one Director serves on the board of a large number of registered investment companies advised by an affiliate of the investment adviser. The Nominating and Governance Committee believes that such service provides the Director with insights that permit him to make valuable contributions to the deliberations of the Board, and noted that his independence from management has been amply and repeatedly demonstrated by his participation in meetings including by his insightful questioning of management's proposals. The Nominating and Governance Committee also believes that the receipt of compensation for service as a Director does not adversely affect the independence of any Director's character and judgment and notes that fund industry "best practices" encourage service on multiple boards.

All members on each of the five committees of the Board are not "interested persons" as the term is defined in the Investment Company Act, with the exception of Mr. Strenger, who is a member of the Executive Committee.

During each Fund's past fiscal year, the Board of Directors had four regular meetings and, for EEA and GF, one special telephonic meeting. Each incumbent Director who served as a Director during the past fiscal year attended at least 75% of the aggregate number of meetings of the Board. Each incumbent Director who served on one or more Board Committees during the past fiscal year attended at least 75% of the aggregate number of meetings of the relevant Committees, with the following exceptions: Mr. Bierbaum attended 50% of the meetings of the Advisory Committee for each of the Funds and Mr. Burt attended 60% of the meetings of the Audit Committees of EEA and GF. The Board has a policy that encourages Directors to attend the Annual Meeting of Stockholders, to the extent that travel to the Annual Meeting of Stockholders is reasonable for that Director. Three Directors attended the 2013 Annual Meeting of Stockholders.

To communicate with the Board of Directors or an individual Director of a Fund, a stockholder must send a written communication to the Fund's Secretary at One Beacon Street, Boston, MA 02108 (c/o the relevant Fund), addressed to (i) the Board of Directors of the Fund or an individual Director, and (ii) the Secretary of the Fund. The Secretary of the Fund will direct the correspondence to the appropriate parties.

Each Fund pays each of its Directors who is not an interested person of the Fund, of the investment adviser or of the administrator an annual fee of \$6,667 plus \$917 for each Board meeting and \$750 for each Committee meeting attended (\$500 for attendance at Advisory Committee meetings for Directors who are not members of the Committee). Each Fund reimburses the Directors (except for those employed by the Deutsche Bank Group) for travel expenses in connection with Board meetings. The Chairman of the Audit Committee receives an additional \$1,000 retainer per Fund. None of the Funds provides compensation in the form of pension or other retirement benefits to any of the Directors. The Funds, together with 104 other open- and closed-end funds advised by wholly owned entities of the Deutsche Bank Group in the United States, represent the entire Fund Complex within the meaning of the applicable rules and regulations of the SEC.

The following table sets forth (a) the aggregate compensation from each Fund for the fiscal year ended October 31, 2013 for CEE and December 31, 2013 for EEA and GF, and (b) the total compensation from the Fund Complex for the 2013 calendar year, (i) for each Director who is not an interested person of the Funds, and (ii) for all such Directors as a group.

No compensation is paid by a Fund to Directors who are interested persons of the Fund or of any entity of the Deutsche Bank Group or to officers.

THE BOARD OF EACH FUND UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 1.

Required Vote. Provided a quorum has been established, for each Fund the affirmative vote of a majority of the votes entitled to be cast at the Meeting is required for the election of each Director. For purposes of the election of Directors, abstentions and broker non-votes will have the same effect as a vote against a Director.

PROPOSAL 2:

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has approved PricewaterhouseCoopers LLP (“PwC”), an independent registered public accounting firm, as independent auditors for CEE for the fiscal year ending October 31, 2014, for EEA for the fiscal year ending December 31, 2014 and for GF for the fiscal year ending December 31, 2014. A majority of members of the Board of Directors, including a majority of the members of the Board of Directors who are not “interested” Directors (as defined in the Investment Company Act) of each Fund, have ratified the appointment of PwC as the Fund’s independent auditors for that fiscal year. PwC, or a predecessor firm, has served as the independent auditors for each Fund since inception.

Neither the Charter nor Bylaws of each Fund require that the stockholders ratify the appointment of PwC as the Funds’ independent auditors. We are doing so because we believe it is a matter of good corporate practice. If the stockholders do not ratify the appointment, the Audit Committee and the Board of Directors will reconsider whether or not to retain PwC, but may retain such independent auditors. Even if the appointment is ratified, the Audit Committee and the

Board of Directors in their discretion may change the appointment at any time during the year if they determine that such change would be in the best interests of each Fund and its stockholders. It is intended that the persons named in the accompanying Proxy Card(s) will vote for PwC. A representative of PwC will be present at the Meeting, will have the opportunity to make a statement and is expected to be available to answer appropriate questions concerning each Fund's financial statements.

THE BOARD OF EACH FUND UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 2.

Required Vote. Provided a quorum has been established, the affirmative vote of a majority of the votes cast at the Meeting is required for the ratification of the appointment by the Audit Committee and the Board of Directors of PwC as independent auditors for each Fund for the 2014 fiscal year. For purposes of Proposal 2, abstentions and broker non-votes will have no effect on the result of the vote.

Information With Respect To The Funds' Independent Auditors

The following tables show fees paid to PwC by each Fund during the Fund's two most recent fiscal years: (i) for audit and non-audit services provided to the Fund, and (ii) for engagements for non-audit services pre-approved by the Audit Committee for the Fund's investment adviser and administrator and certain entities controlling, controlled by, or under common control with the investment adviser and administrator that provide ongoing services to the Fund (collectively, the "Adviser Entities"), which engagements relate directly to the operations and financial reporting of the Fund. The Audit Committee of each board reviews, at least annually, whether PwC's receipt of non-audit fees from each Fund, each Fund's investment adviser, each Fund's administrator and all Adviser Entities is compatible with maintaining PwC's independence.

Audit Committee Report

The purposes of the Audit Committee are: (1) to assist the Board of Directors in its oversight of (i) the integrity of each Fund’s financial statements; (ii) each Fund’s compliance with legal and regulatory requirements; (iii) the independent auditors’ qualifications and independence; and (iv) the performance of the independent auditors; and (2) to prepare this report. The Audit Committee assists the Board of Directors in its oversight of each Fund’s policies and practices with respect to accounting, financial reporting, internal control over financial reporting, independent audits, and risk management. The Audit Committee regularly discusses each Fund’s most significant risk exposures and the steps management has taken to monitor and control such exposures. Each Member of the Audit Committee is “independent,” as required by the independence standards of Rule 10A-3 under the Securities Exchange Act of 1934. The Audit Committee operates pursuant to a written charter. As set forth in the Audit Committee Charter, management of each Fund and applicable service providers are responsible for the preparation, presentation and integrity of the Fund’s financial statements and for the effectiveness of internal control over financial reporting. Management and applicable service providers are responsible for maintaining appropriate accounting and financial reporting principles and policies and internal control over financial reporting and other procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible

for planning and carrying out a proper audit of each Fund's annual financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors of each Fund. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. The Audit Committee has also considered whether the provision of any non-audit services not pre-approved by the Audit Committee provided by the Funds' independent auditors to the Funds' investment adviser, administrator or to any entity controlling, controlled by or under common control with the Funds' investment adviser or administrator that provides ongoing services to the Funds is compatible with maintaining the auditors' independence. During the past fiscal year, no non-audit services that were not pre-approved by the Audit Committee were provided by the Funds' independent auditors. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Public Company Accounting Oversight Board Rule 3526, Communication with Audit Committees Concerning Independence, as currently in effect, and has discussed with the auditors their independence.

The members of the Audit Committee are not full-time employees of the Funds and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct “field work” or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Audit Committee necessarily rely on the information provided to them by management and the independent auditors. Accordingly, the Audit Committee’s considerations and discussions referred to above do not assure that the audit of each Fund’s financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Funds’ auditors are in fact “independent”.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Charter, the Audit Committee recommended to the Board of Directors of each Fund that the audited financial statements of each Fund be included in each Fund’s annual report to stockholders for the fiscal year ended October 31, 2013 for CEE, December 31, 2013 for EEA and December 31, 2013 for GF.

PROPOSAL 3 – EEA ONLY:

APPROVAL OF A CHANGE IN EEA’S FUNDAMENTAL INVESTMENT OBJECTIVE AND CORRESPONDING FUNDAMENTAL INVESTMENT POLICY

The Investment Company Act requires a fund to adopt certain fundamental investment policies with respect to several specific types of activities. A fund’s fundamental investment policy is a policy that cannot be changed without the approval by a Majority Vote, as defined below.

The Board of Directors of the Fund has considered and approved, and recommends for stockholder approval, a change in the fundamental investment objective of the Fund to seeking long-term capital appreciation through investment primarily in equity or equity-linked securities of issuers domiciled in countries that are members of the European Union and a corresponding change to a fundamental investment policy of the Fund.

The Fund’s current fundamental investment objective, and corresponding fundamental investment policy, reference investment in securities of issuers domiciled in countries in Europe that utilize the Euro currency (the “Euro Countries”). Currently, the Euro Countries are: Andorra, Austria, Belgium, Cyprus, Estonia, Finland, France, Germany, Greece, Ireland, Italy, Kosovo, Latvia, Luxembourg, Malta, Monaco, Montenegro, Netherlands, Portugal, San Marino, Slovakia, Slovenia, Spain and Vatican City. The proposed changes to the Fund’s fundamental investment objective and corresponding fundamental investment policy are based upon the determination by the Board of Directors, with advice of the Investment Adviser, that the Fund would benefit from portfolio management’s increased flexibility to invest beyond the current limit of 20% of net assets in securities of issuers domiciled in countries in

Europe that do not utilize the Euro currency (the “Non-Euro Countries”).

Under the current investment objective and investment policy, portfolio management has limited attractive investment options available in times of poor equity markets, when investments in the Non-Euro Countries are likely to offer a larger selection of defensive stocks that allow the Fund to maintain stability. By expanding European markets that the Fund considers its core geographic focus, portfolio management would be able to respond more effectively to changes in market conditions throughout the European continent.

Current Fundamental Investment Objective and Corresponding Fundamental Investment Policy. The Fund's current investment objective is to seek long-term capital appreciation through investment primarily in equity or equity-linked securities of issuers domiciled in countries in Europe that utilize the Euro currency. This objective is a fundamental policy that may not be changed without a Majority Vote of the stockholders of the Fund. As a matter of fundamental policy, under normal circumstances, at least 80% of the Fund's net assets (plus 80% of any assets funded with leverage) must be invested in the securities of issuers domiciled in the Euro Countries. The Fund may also invest up to 20% of the value of its net assets in (1) equity or equity-linked securities of issuers domiciled in the Non-Euro Countries or (2) fixed income securities of European issuers.

Proposed Fundamental Investment Objective and Corresponding Fundamental Policy. The Fund's Investment Adviser recommended, and the Board approved and recommends to stockholders for their approval, that the Fund's current fundamental investment objective and corresponding fundamental policy be changed to the following objective and policy:

"To seek long-term capital appreciation through investment primarily in equity or equity-linked securities of issuers domiciled in countries that are members of the European Union."

"Under normal circumstances, at least 80% of the Fund's net assets (plus any assets funded with leverage) will be invested in equity or equity-linked securities of issuers domiciled in countries that are members of the European Union."

No assurance can be given that the Fund will be able to achieve its objective.

Members of the European Union currently are Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden and the United Kingdom. Countries that are members of the European Union but that are not Euro Countries are: Bulgaria, Croatia, Czech Republic, Denmark, Hungary, Lithuania, Romania, Sweden and the United Kingdom.

The Fund expects that ordinarily substantially all of its assets will be invested in securities of issuers domiciled in Europe. In addition to the European Union countries listed above, the term "Europe," for this purpose, includes Albania, Andorra, Belarus, Bosnia and Herzegovina, Iceland, Kosovo, Liechtenstein, Macedonia, Moldova, Monaco, Montenegro, Norway, San Marino, Serbia, Switzerland, Turkey, Ukraine and Vatican City. Any future country or countries (or other political entity) formed by combination or division of the countries comprising Europe shall also be deemed to be included within the term "Europe."

An issuer is deemed to be "domiciled" in a country or region if: (1) it is organized under the laws of that country, or a country within that region, or maintains its principal place of business in that country or region, (2) it derives 50% or more of its annual revenues or profits from goods produced or sold, investments made or services performed in that country or region, or has 50% or more of its assets in that country or region, in each case as determined in good faith by the Fund's Investment Adviser, or (3) its equity securities are traded principally in that country or region.

Effect of Adoption of Proposal 3. The Fund has not previously been permitted under normal market conditions to invest more than 20% of the value of its net assets in equity or equity-linked securities of issuers domiciled in countries other than the Euro Countries. Upon the adoption of Proposal 3 by the stockholders, the Fund will no longer be subject to a fundamental limit on its investments in the securities of issuers domiciled in the Non-Euro Countries, including, but not limited to, the United Kingdom, Denmark, and Sweden. This potential for additional investment in stable European economies such as those listed here is expected by portfolio management to provide greater flexibility for portfolio management to react to changing market conditions in Europe. In times of weak equity markets, the

Non-Euro Countries (foremost the United Kingdom, Denmark and Sweden) offer a large number of defensive stocks that meet the selection criteria of the Fund's current (and non-fundamental) "Stability" investment strategy. In addition, in times of volatility a significant part of performance can be gained or lost via currency exchange rates. Less concentration in the Euro Countries may be beneficial for diversification purposes and can have a positive impact on the Fund's long-term investment performance. Of course, less concentration in the Euro Countries may also have a negative impact on Fund performance in some periods, and such periods may be prolonged. There can be no assurance that the change will result in improved investment performance by the Fund, and it should be noted that expanding the Fund's investment universe as proposed involves risks as well as benefits, including risks associated with the exchange rate of non-Euro countries, and the risk that some of the Non-Euro Countries that the Fund will be able to invest in as a result of the proposed change are emerging markets that are generally considered to involve significantly greater risks than the Euro Countries, including risks associated

with less developed securities laws and markets and higher levels of political and other risks. If Proposal 3 is approved by stockholders, EEA's benchmark will change from the MSCI EMU Index to the MSCI Europe Index.

THE BOARD OF EEA UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 3.

Required Vote. Provided a quorum has been established, approval of a majority of the Fund's outstanding voting securities (a "Majority Vote"), which is defined in the Investment Company Act as the lesser of (1) 67% of the Fund's shares present at a meeting of its stockholders if the owners of more than 50% of the shares of the Fund then outstanding are present in person or by proxy or (2) more than 50% of the Fund's outstanding shares. Because a Majority Vote requires a proportion of shares present at the meeting or a proportion of shares outstanding, abstentions and broker non-votes will have the effect of votes "against" Proposal 3.

In order for stockholder proposals otherwise satisfying the eligibility requirements of SEC Rule 14a-8 to be considered for inclusion in a Fund's proxy statement for the 2015 Annual Meeting, the proposals must be received by the relevant Fund, c/o Deutsche Investment Management Americas, One Beacon Street, Boston, MA 02108, Attention: Secretary, on or before _____.

In addition, each Fund's Bylaws currently provide that if a stockholder desires to bring business (including director nominations) before the 2015 Annual Meeting that is or is not the subject of a proposal timely submitted for inclusion in the Fund's proxy statement, written notice of such business as prescribed in the Bylaws must be delivered to the Fund's Secretary, at the principal executive offices of the Fund, between _____ and _____. In addition to the use of mails, proxies may be solicited personally by regular employees of a Fund or the administrator or by telephone, telegraph or Internet. If a stockholder wishes to participate in the Meeting, but does not wish to give a proxy by telephone or via the Internet, the stockholder may still submit the Proxy Card(s) originally sent with this Proxy Statement or attend the Meeting in person. Should stockholders require additional information regarding the proxy or replacement Proxy Card(s), they may call AST toll-free at _____. Any proxy given by a stockholder is revocable until voted at the Meeting.

Section 13. Advance Notice of Stockholder Nominees for Director and Other Stockholder Proposals. (a) Annual Meetings of Stockholders. (1) Nominations of persons for election to the Board of Directors and the proposal of business to be considered by the stockholders may be made at an annual meeting of stockholders (i) pursuant to the Corporation's notice of meeting, (ii) by or at the direction of the Board of Directors or (iii) by any stockholder of the Corporation who was a stockholder of record both at the time of giving of notice provided for in this Section 13(a) and at the time of the annual meeting, who is entitled to vote at the meeting and who complied with the notice procedures set forth in this Section 13(a).

(2) For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (iii) of paragraph (a)(1) of this Section 13, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation and such other business must otherwise be a proper matter for action by the stockholders. To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not less than 90 days nor more than 120 days prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting; provided, however, that in the event that the date of mailing of the notice for the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of mailing of the notice for the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not earlier than the 120th day prior to the date of mailing of the notice for such annual meeting and not later than the close of business on the later of the 90th day prior to the date of mailing of the notice for such annual meeting or the tenth day following the day on which disclosure of the date of mailing of the notice for such meeting is first made. In no event shall the public announcement of a postponement or adjournment of an annual meeting commence a new time period for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth (i) as to each person whom the stockholder proposes to nominate for election or reelection as a director, (A) the name, age, business address and residence address of such person, (B) the class and number of shares of stock of the Corporation that are beneficially owned by such person, (C) all other information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the Exchange Act or pursuant to the Investment Company Act and the rules thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), and (D) a statement specifying which of clauses (1)-(7) of the definition of "Relevant Experience and Country Knowledge" in Article III, Section 3 of the Bylaws the person being nominated satisfies, information relating to such person sufficient to support a determination that the person satisfies the specified clause or clauses of the definition and a representation that the person does not have a "Conflict of Interest" as defined in Article III, Section 3 of the Bylaws; (ii) as to any other business that the stockholder proposes to bring before the meeting, a description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder (including any anticipated benefit to the stockholder therefrom) and of each beneficial owner, if any, on whose behalf the proposal is made; and (iii) as to the stockholder giving the notice and each beneficial owner, if any, on whose behalf the nomination or proposal is made, (x) the name and address of such stockholder, as they appear on the Corporation's stock ledgers and a current name and address, if different, and of such beneficial owner, and (y) the class and number of shares of each class of stock of the Corporation which are owned beneficially and of record by such stockholder and owned beneficially by such beneficial owner.

(3) Notwithstanding anything in this subsection (a) of this Section 13 to the contrary, in the event the Board of Directors increases or decreases the maximum or minimum number of directors in accordance with Article III, Section 2 of these Bylaws, and there is no public announcement of such action at least 100 days prior to the first anniversary of the date of mailing of the preceding year's annual meeting, a stockholder's notice required by this Section 13(a) shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the tenth day following the day on which such public announcement is first made by the Corporation.

(b) Special Meetings of Stockholders. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected (i) pursuant to the Corporation's notice of meeting, (ii) by or at the direction of the Board of Directors or (iii) provided that the Board of Directors has determined that directors shall be elected at such special meeting, by any stockholder of the Corporation who is a stockholder of record both at the time of giving of notice provided for in this Section 13 and at the time of the special meeting, who is entitled to vote at the meeting and who complied with the notice procedures set forth in this Section 13. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any such stockholder may nominate a person or persons (as the case may be) for election as a director as specified in the Corporation's notice of meeting, if the stockholder's notice required by paragraph (a)(2) of this Section 13 shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the 120th day prior to such special meeting and not later than the close of business on the later of the 90th day prior to such special meeting or the tenth day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall the public announcement of a postponement or adjournment of a special meeting commence a new time period for the giving of a stockholder's notice as described above.

(c) General. (1) Only such persons who are nominated in accordance with the procedures set forth in this Section 13 and Article III, Section 3 of these Bylaws shall be eligible to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 13. The chairman of the meeting shall have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Section 13 and, if any proposed nomination or business is not in compliance with this Section 13, to declare that such defective nomination or proposal be disregarded.

(2) For purposes of this Section 13, (a) the "date of mailing of the notice" shall mean the date of the proxy statement for the solicitation of proxies for election of directors and (b) "public announcement" shall mean disclosure (i) in a press release reported by the Dow Jones News Service, Associated Press or comparable news service or (ii) in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to the Exchange Act or the Investment Company Act.

(3) Notwithstanding the foregoing provisions of this Section 13, a stockholder shall also comply with all applicable requirements of state law and of the Exchange Act and the Investment Company Act and the rules and regulations thereunder with respect to the matters set forth in this Section 13. Nothing in this Section 13 shall be deemed to affect any right of stockholders to request inclusion of proposals in, nor the right of the Corporation to omit a proposal from, the Corporation's proxy statement pursuant to Rule 14a-8 (or any successor provision) under the Exchange Act.

Article III

To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not less than 90 days nor more than 120 days prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting; provided, however, that in the event that the date of mailing of the notice for the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of mailing of the notice for the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not earlier than the 120th day prior to the date of mailing of the notice for such annual meeting and not later than the close of business on the later of the 90th day prior to the date of mailing of the notice for such annual meeting or the tenth day following the day on which disclosure of the date of mailing of the notice for such meeting is first made. In no event shall the public announcement of a postponement or adjournment of an annual meeting commence a new time period for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth (i) as to each person whom the stockholder proposes to nominate for election or reelection as a director, (A) the name, age, business address and residence address of such person, (B) the class and number of shares of stock of the Corporation that are beneficially owned by such person, (C) all other information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the Exchange Act or pursuant to the Investment Company Act and the rules thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), and (D) a statement specifying which of clauses (1)-(7) of the definition of "Relevant Experience and Country Knowledge" in Article III, Section 3 of the Bylaws the person being nominated satisfies, information relating to such person sufficient to support a determination that the person satisfies the specified clause or clauses of the definition and a representation that the person does not have a "Conflict of Interest" as defined in Article III, Section 3 of the Bylaws; (ii) as to any other business that the stockholder proposes to bring before the meeting, a description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder (including any anticipated benefit to the stockholder therefrom) and of each beneficial owner, if any, on whose behalf the proposal is made; and (iii) as to the stockholder giving the notice and each beneficial owner, if any, on whose behalf the nomination or proposal is made, (x) the name and address of such stockholder, as they appear on the Corporation's stock ledgers and a current name and address, if different, and of such beneficial owner, and (y) the class and number of shares of each class of stock of the Corporation which are owned beneficially and of record by such stockholder and owned beneficially by such beneficial owner.

(3) Notwithstanding anything in this subsection (a) of this Section 13 to the contrary, in the event the Board of Directors increases or decreases the maximum or minimum number of directors in accordance with Article III, Section 2 of these Bylaws, and there is no public announcement of such action at least 100 days prior to the first anniversary of the date of mailing of the preceding year's annual meeting, a stockholder's notice required by this Section 13(a) shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the tenth day following the day on which such public announcement is first made by the Corporation.

(b) Special Meetings of Stockholders. Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected (i) pursuant to the Corporation's notice of meeting, (ii) by or at the direction of the Board of Directors or (iii) provided that the Board of

(1) Nominations of persons for election to the Board of Directors and the proposal of business to be considered by the stockholders may be made at an annual meeting of stockholders (i) pursuant to the Corporation's notice of meeting, (ii) by or at the direction of the Board of Directors or (iii) by any stockholder of the Corporation who was a stockholder of record both at the time of giving of notice provided for in this Section 13(a) and at the time of the annual meeting, who is entitled to vote at the meeting and who complied with the notice procedures set forth in this Section 13(a).

(2) For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (iii) of paragraph (a)(1) of this Section 13, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation and such other business must otherwise be a proper matter for action by the stockholders. To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not less than 90 days nor more than 120 days prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting; provided, however, that in the event that the date of mailing of the notice for the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of mailing of the notice for the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not earlier than the 120th day prior to the date of mailing of the notice for such annual meeting and not later than the close of business on the later of the 90th day prior to the date of mailing of the notice for such annual meeting or the tenth day following the day on which disclosure of the date of mailing of the notice for such meeting is first made. In no event shall the public announcement of a postponement or adjournment of an annual meeting commence a new time period for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth (i) as to each person whom the stockholder proposes to nominate for election or reelection as a director, (A) the name, age, business address and residence address of such person, (B) the class and number of shares of stock of the Corporation that are beneficially owned by such person, (C) all other information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the Exchange Act or pursuant to the Investment Company Act and the rules thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), and (D) a statement specifying which of clauses (1)-(7) of the definition of "Relevant Experience and Country Knowledge" in Article III, Section 3 of the Bylaws the person being nominated satisfies, information relating to such person sufficient to support a determination that the person satisfies the specified clause or clauses of the definition and a representation that the person does not have a "Conflict of Interest" as defined in Article III, Section 3 of the Bylaws; (ii) as to any other business that the stockholder proposes to bring before the meeting, a description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder (including any anticipated benefit to the stockholder therefrom) and of each beneficial owner, if any, on whose behalf the proposal is made; and (iii) as to the stockholder giving the notice and each beneficial owner, if any, on whose behalf the nomination or proposal is made, (x) the name and address of such stockholder, as they appear on the Corporation's stock ledgers and a current name and address, if different, and of such beneficial owner, and (y) the class and number of shares of each class of stock of the Corporation which are owned beneficially and of record by such stockholder and owned beneficially by such beneficial owner.

(3) Notwithstanding anything in this subsection (a) of this Section 13 to the contrary, in the event the Board of Directors increases or decreases the maximum or minimum number of directors in accordance with Article III, Section 2 of these Bylaws, and there is no public announcement of such action at least 100 days prior to the first anniversary of the date of mailing of the preceding year's annual meeting, a stockholder's notice required by this Section 13(a) shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the tenth day following the day on which such public announcement is first made by the Corporation.

(b) Special Meetings of Stockholders. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected (i) pursuant to

the Corporation's notice of meeting, (ii) by or at the direction of the Board of Directors or (iii) provided that the Board of Directors has determined that directors shall be elected at such special meeting, by any stockholder of the Corporation who is a stockholder of record both at the time of giving of notice provided for in this Section 13 and at the time of the special meeting, who is entitled to vote at the meeting and who complied with the notice procedures set forth in this Section 13. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any such stockholder may nominate a person or persons (as the case may be) for election as a director as specified in the Corporation's notice of meeting, if the stockholder's notice required by paragraph (a)(2) of this Section 13 shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the 120th day prior to such special meeting and not later than the close of business on the later of the 90th day prior to such special meeting or the tenth day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall the public announcement of a postponement or adjournment of a special meeting commence a new time period for the giving of a stockholder's notice as described above.

(c) General. (1) Only such persons who are nominated in accordance with the procedures set forth in this Section 13 and Article III, Section 3 of these Bylaws shall be eligible to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 13. The chairman of the meeting shall have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Section 13 and, if any proposed nomination or business is not in compliance with this Section 13, to declare that such defective nomination or proposal be disregarded.

(2) For purposes of this Section 13, (a) the "date of mailing of the notice" shall mean the date of the proxy statement for the solicitation of proxies for election of directors and (b) "public announcement" shall mean disclosure (i) in a press release reported by the Dow Jones News Service, Associated Press or comparable news service or (ii) in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to the Exchange Act or the Investment Company Act.

(3) Notwithstanding the foregoing provisions of this Section 13, a stockholder shall also comply with all applicable requirements of state law and of the Exchange Act and the Investment Company Act and the rules and regulations thereunder with respect to the matters set forth in this Section 13. Nothing in this Section 13 shall be deemed to affect any right of stockholders to request inclusion of proposals in, nor the right of the Corporation to omit a proposal from, the Corporation's proxy statement pursuant to Rule 14a-8 (or any successor provision) under the Exchange Act.
