PROXY STATEMENT FOR THE ANNUAL MEETING OF  
STOCKHOLDERS TO BE HELD JUNE 3, 2019

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors ("the Board") of The Buckle, Inc. ("the Company") for use at the Annual Meeting of Stockholders of the Company (the "Meeting") to be held June 3, 2019, or at any adjournments of said meeting. The enclosed form of proxy, if executed, may nevertheless be revoked at any time insofar as it has not been exercised. When such proxy is properly executed and returned, the shares it represents will be voted at the Meeting in accordance with any directions given; or if no direction is indicated, it will be voted in favor of the proposals set forth in the notice attached hereto.

The Company will bear the cost of solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation materials to beneficial owners of stock. In addition to the use of mail, proxies may be solicited by personal interview, by internet, or by telephone. Copies of the proxy statement and proxy form will be first provided to stockholders on April 24, 2019.

VOTING INFORMATION

As of March 29, 2019, the Company had outstanding 49,240,345 shares of Common Stock. Each share of Common Stock is entitled to one vote. Only stockholders of record on March 29, 2019 will be entitled to vote at the Meeting. A holder of Common Stock is entitled to cumulate his or her votes in the election of Directors and may give one or more candidates as many votes as the number of Directors to be elected multiplied by the total number of shares owned by such stockholder. Under Nebraska law, there are no conditions precedent to the exercise of cumulative voting rights. On all other matters which may come before the Meeting, each holder of Common Stock will be entitled to one vote for each share owned.

Votes cast by proxy or in person at the Meeting will be tabulated by the election inspector appointed for the Meeting and will determine whether or not a quorum is present. The election inspector will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter.

Proposal 1

ELECTION OF DIRECTORS

Directors will be elected at the June 3, 2019 Meeting to serve until the next Meeting and until their successors are elected and qualified. The Board recommends the election of the eleven nominees listed below. In the absence of instructions to the contrary, shares represented by the proxy will be voted for the election of all such nominees to the Board. The Board has no reason to believe that any of these nominees will be unable to serve. However, if any nominee should for any reason be unavailable to serve, the proxies will be voted for the election of such other person to the office of Director as the Board may recommend in place of such nominee. Set forth below is certain information concerning the nominees, which is based on data furnished by them.

Daniel J. Hirschfeld, age 77. Mr. Hirschfeld is Chairman of the Board of the Company. He has served as Chairman since April 19, 1991. Prior to that time, Mr. Hirschfeld served as President and Chief Executive Officer. Mr. Hirschfeld has been involved in all aspects of the Company's business, including the development of the Company's management information systems. The Board believes that Mr. Hirschfeld's knowledge of Company operations, based upon his longstanding experience with the Company as its founder, allows him to provide strategic guidance and unique insights into the Company's challenges and opportunities.

Dennis H. Nelson, age 69. Mr. Nelson is President and Chief Executive Officer and a Director of the Company. He has served as President and a Director since April 19, 1991. Mr. Nelson was elected as Chief Executive Officer by the Board on March 17, 1997. Mr. Nelson began his career with the Company in 1970 as a part-time salesperson while he was attending Kearney State College (now the University of Nebraska-Kearney). While attending college, he became involved in merchandising and sales supervision for the Company. Upon graduation from college in 1973, Mr. Nelson became a full-time employee of the Company and he has worked in all phases of the Company's operations since that date. Prior to his election as President and Chief Operating Officer on April 19, 1991, Mr. Nelson performed all of the functions normally associated with those positions. The Board believes that Mr. Nelson's experience with the Company for over forty-five years and his day-to-day leadership of the Company as Chief Executive Officer allows him to provide valuable guidance from his intimate knowledge of the Company's operations and the markets in which the Company operates.

Thomas B. Heacock, age 41. Mr. Heacock is Senior Vice President of Finance, Treasurer, Chief Financial Officer, and a Director of the Company. He was elected a Director on December 4, 2017. Mr. Heacock was appointed Senior Vice President of Finance, Treasurer, and Chief Financial Officer effective February 4, 2018, after having served as Vice President of Finance, Treasurer, and Chief Financial Officer upon his appointment as Chief Financial Officer on July 20, 2017. Prior to joining the Company, he was employed by Ernst & Young, LLP. Mr. Heacock is the son-in-law of Dennis H. Nelson, who serves as President and Chief Executive Officer and a Director of the Company. The Board believes that Ms. Smith's longstanding experience and her

leadership of the Company's store teams and teammates provide the Board with valuable insights into current trends impacting the Company.

Hank M. Bounds, age 52. Mr. Bounds has been a Director of the Company since September 17, 2018. He currently serves as President of the University of Nebraska, a position he has held since April 13, 2015. Mr. Bounds began his career as a high school teacher, then rose to principal, superintendent and state superintendent before becoming Mississippi's commissioner of higher education in 2009, a position he held until his appointment as the seventh President of the University of Nebraska in 2015. The Board believes that Mr. Bounds's leadership role for a university that enrolls nearly 53,000 students, employs over 14,000 faculty and staff, and operates with an annual budget in excess of \$2.6 billion provides him with valuable insight into many aspects of the Company's financial and administrative operations.

Bill L. Fairfield, age 72. Mr. Fairfield has served as a Director of the Company since May 30, 1996. Mr. Fairfield was the Chief Executive Officer of infoGROUP Inc. The Board believes that Mr. Hoberman's experience with a music retail chain and his experience and involvement with Proxibid allows him to provide insight in retail, technology, and financial matters.

From his years of experience in accounting and law, he has knowledge and understanding of generally accepted accounting principles and auditing standards and how they should be applied to financial reporting systems. Karen B. Rhoads, age 60. Ms. Rhoads has been a Director of the Company since April 19, 1991 and previously served as Senior Vice President of Finance and Chief Financial Officer of the Company. Ms. Rhoads practiced as a CPA for 6 1/2 years, during which time she began working on tax and accounting matters for the Company as a client, before returning to work full-time for the Company in November 1987. The Board believes that Ms. Rhoads's

experience in public accounting, coupled with her longstanding experience with the Company, allows her to provide valuable insight into the Company's financial operations.

James E. Shada, age 63. Mr. Shada has been a Director of the Company since March 11, 2002. Mr. Shada previously served as Vice President of Sales and Executive Vice President of Sales since April 19, 1991. Effective March 27, 2009, Mr. Shada retired from the Company, after stepping down from his executive position on June 30, 2008. Mr. Shada began his career with the Company in November 1978 as a part-time salesperson while attending Kearney State College (now the University of Nebraska-Kearney). He later served as a store manager for the Company before returning to the corporate office in 1985 as the Company's sales manager. He was also involved in site selection and the development and education of personnel as store managers and as area and district managers. The Board believes that Mr. Shada's prior experience with the Company as Executive Vice President of Sales allows him to provide special insights on the Company's sales operations.

In addition to the Director nominees described above, Robert E. Campbell was a duly elected and qualified Director for the entirety of fiscal 2018. As previously disclosed on the Form 8-K filed March 26, 2019, Mr. Campbell notified the Company that he would not stand for re-election and that his retirement from the Board would be effective at the conclusion of the Meeting.

Directors will be elected under this proposal when they receive a plurality of affirmative votes cast by holders of the outstanding shares of Common Stock voting together as a single class at the Meeting. This means the eleven nominees receiving the highest number of votes at the Meeting, after taking into account any cumulative voting, will be elected. Therefore, an abstention will not have the effect of a vote for or against the proposal and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

## CORPORATE GOVERNANCE

The Board has developed corporate governance practices to help it fulfill its responsibility to stockholders to oversee the work of management in the conduct of the Company's business and to seek to serve the long-term interests of stockholders. The Company's corporate governance practices are documented in the Corporate Governance Guidelines and in the charters of the Audit Committee, Compensation Committee, and Corporate Governance and Nominating Committee of the Board. These materials are periodically reviewed and updated as necessary to reflect changes in regulatory requirements and changes in oversight practices.

### Chairman and Chief Executive Officer

The Company does not have a formal policy regarding the separation of its Chairman and Chief Executive Officer positions. The role of Chairman and that of Chief Executive Officer currently are held separately. Daniel J. Hirschfeld serves as Chairman while Dennis H. Nelson serves as President and Chief Executive Officer. The Board believes that the Company's current leadership structure is appropriate and achieves important objectives for the Company. Mr. Nelson is positioned to fully focus his energies on implementing the Company's business strategy and administering its day-to-day affairs. Mr. Hirschfeld is positioned to draw on his relationships with existing Board members and his experience as a past President and Chief Executive Officer of the Company to effectively discharge the duties of Chairman, while also serving as a resource to Mr. Nelson. Further, Mr. Hirschfeld remains the Company's largest stockholder and, as Chairman, is in a position to promote the interests of all stockholders.

### Risk Oversight

The Company's Board oversees risk management with a focus on the Company's primary areas of risk: risk related to the Company's business strategy, financial risk, legal/compliance risk, and operational risk. The President and Chief Executive Officer and each of the Company's other executive officers are responsible for managing risk in their respective areas of authority and expertise, identifying key risks to the Board, and explaining to the Board how those risks are being addressed.

The Board regularly receives reports from Company executives with respect to their areas of managerial responsibility. These reports include information concerning risks and risk mitigation strategies. For example, the Board receives quarterly reports from certain members of management regarding areas of operational risk. In addition, the Board evaluates risk related to business strategies and transactions.

The standing committees of the Board also have responsibility for risk oversight. The Audit Committee focuses on financial risk, including fraud risk and risks relating to internal controls over financial reporting. It receives an annual risk assessment report from the Company's internal auditors, as well as financial risk assessment information in connection with particular events or transactions. In addition, the Audit Committee regularly receives reports

regarding information reported through the Company's "whistleblower hotline." The Corporate Governance and Nominating Committee assists the Board in fulfilling its oversight responsibility with respect to regulatory compliance and receives regular reports from the Company's General Counsel. As discussed below, the Compensation Committee addresses risks relating to the Company's executive compensation strategies. The Board receives regular reports from the chairs of the committees and receives reports and other meeting materials provided to each of the committees.

## Compensation Risk Assessment

In setting executive compensation, the Compensation Committee considers the risks to the Company's stockholders and to the achievement of Company goals that may be inherent in the compensation program. Although a significant portion of compensation for the Company's executives is performance based and "at-risk," the Compensation Committee believes the Company's executive compensation plans are appropriately structured and do not pose a material risk to the Company. Specifically, performance based compensation for management is tied to Pre-Bonus Net Income as the key performance metric, with higher levels of Pre-Bonus Net Income resulting in higher performance based compensation. Since higher levels of Pre-Bonus Net Income ultimately contribute to higher net income and earnings per share, the Committee believes that the Company's executive compensation plans align management's focus with that of the Company's stockholders without creating incentives that are reasonably likely to have a material adverse effect on the Company. Incentive compensation for non-executive employees, including store managers and other members of the store leadership team, is similarly tied to measures that align the employees' focus with that of the Company's stockholders.

## Board Committee Charters

The Board has four standing committees: the Executive Committee, the Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee. Except for the Executive Committee, whose members are all executive officers of the Company, all committee members meet the independence requirements of the United States Securities and Exchange Commission ("SEC") and the New York Stock Exchange ("NYSE"). ## Independence

The Company's Corporate Governance Guidelines require that a majority of the Board consist of Directors who qualify as independent under NYSE Listing Standards. The Board has determined that all non-employee Directors (a Director of the Company who is not an officer or employee of the Company) of the Company except for Karen B. Rhoads, currently comprising seven of the twelve members of the Board, are independent under NYSE Standards. In addition, all committee members, other than the Executive Committee members, meet the applicable independence requirements of the NYSE Listing Standards. The names of the independent Directors are: Hank M. Bounds, Robert E. Campbell, Bill L. Fairfield, Bruce L. Hoberman, Michael E. Huss, John P. Peetz, III, and James E. Shada.

## Executive Sessions of Non-Management Directors

The Company's non-employee Directors meet separately in executive session without employee Directors or representatives of management at each regularly scheduled quarterly meeting of the Board. The Chair of these executive sessions is rotated among the non-employee Directors alphabetically.

## Stockholder Communication with the Board of Directors

Stockholders or other interested parties may contact an individual Director, the Board as a group, or the non-employee Directors as a group, by writing to: Board of Directors or Directors, c/o Corporate Secretary, The Buckle, Inc., P.O. The Board has instructed the Corporate Secretary to review all communications to the Board and to only distribute if appropriate to the duties and responsibilities of the Board. The Board has instructed the Corporate Secretary to not forward communications determined to be primarily commercial in nature, that relate to an improper or irrelevant topic, or that request general information about the Company. Communications regarding accounting, internal accounting controls, or auditing matters may also be reported to the Company's Board using the above address or through The Buckle Ethics Hotline. Information about how to contact The Buckle Ethics Hotline is available on the Company's website at [www.buckle.com](http://www.buckle.com) and in the Company's Code of Ethics.

## Company Website

Information on the Company's website is not incorporated by reference into this proxy statement.

## Meetings and Committees of the Board

During fiscal 2018, four meetings of the Board, more than twelve meetings of the Executive Committee, five meetings of the Compensation Committee, four meetings of the Corporate Governance and Nominating Committee, and seven meetings of the Audit Committee were held. No Director was absent from more than twenty-five percent of the aggregate of: (i) the total number of meetings of the Board and (ii) the total number of meetings held by all committees on which he or she served. The Company has the following standing committees:

**Executive Committee.** The Executive Committee has the power and authority of the Board to manage the affairs of the Company between meetings of the Board. The Executive Committee establishes compensation for all non-officer employees of the Company. The Executive Committee also regularly reviews significant corporate matters and recommends action as appropriate to the Board. Members of the Executive Committee presently are Daniel J. Hirschfeld, Dennis H. Nelson, Thomas B. Heacock, and Kari G. Smith.

Audit Committee. The Audit Committee meets with the Company's Chief Financial Officer, internal auditors, and independent accountants to review the scope of auditing procedures, policies relating to internal controls, and the Company's public financial statements. The Board has determined that the Company has at least one Audit Committee member that meets the requirements of a financial expert. For fiscal 2018, Michael E. Huss, who served on the Audit Committee and fulfilled the Audit Committee financial expert role, was independent with respect to the Company and its management.
