Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
 - ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- Represents Restricted Share Units received under an Employee Share Matching Program ("Matching RSUs") in connection with the
- (1) officer's purchase of Company common stock under a 10b5-1 trading plan. Each Matching RSU represents a contingent right to receive one share of common stock, no par value, of Valeant Pharmaceuticals International, Inc.
- (2)

Edgar Filing: Valeant Pharmaceuticals International, Inc. - Form 4

1/3 of the Matching RSUs will vest each on the first, second and third anniversary of the date of grant subject to continued employment and retention of the corresponding purchased shares.

- (3) This number represents common shares withheld to satisfy the tax withholding obligations due upon vesting of Matching Restricted Share Units.

This represents the number of units vested on the performance-based RSUs ("PSUs") that were previously reported on the original Form 4. The initial grant was reported to vest based on total shareholder return (TSR) between a price of \$63.86 starting on February 1, 2013

- (4) and the average stock price for the 20 trading days starting on each measurement dates: 25% on November 1, 2015, 50% on February 1, 2016 and 25% on May 1, 2016. Unit vesting is contingent on TSR performance between 10% and 30% into between one and three shares of common stock, respectively, with early vesting possible at higher TSR levels. The PSU award may still payout grant value.

- (5) This number represents common shares withheld to satisfy the tax withholding obligations due upon vesting of Performance Share Units.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
