**Item  
3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule; Transfer of Listing**

As a listed Company on the New York Stock Exchange (NYSE), Franklin Covey Co. (the Company) prepares and files an annual written affirmation and certification by the Chief Executive Officer of the Company as set forth in Section 303A.12(a) of the NYSE Listed Company Manual.

The annual written affirmation and CEO certification made following the annual meeting held January 20, 2006 was made to the NYSE in a timely fashion on March 27, 2006. However, the NYSE requires that the CEO certification and any qualifications be disclosed to shareholders in the subsequent annual report or Form 10-K filing with the Securities and Exchange Commission. The Company inadvertently omitted that disclosure in its annual report and Form 10-K filing for the fiscal year ended August 31, 2006 and was notified by the NYSE about that omission on April 26, 2007.

This 8-K filing notifies shareholders that the Chief Executive Officer did file, without qualification, the required annual written affirmation and certification to the NYSE. This 8-K filing also satisfies the requirement to notify shareholders and properly cures the deficiency notification sent by the NYSE to keep the Company in compliance with the continued listing standards of the NYSE.
