Item 1.01 Entry into a Material Definitive Agreement

On May 24, 2016, Franklin Covey Co. (the Company) entered into the Fifth Modification Agreement to its existing amended and restated secured credit agreement (the Restated Credit Agreement) with JPMorgan Chase Bank, N.A. (the Lender). The Lender also provides the majority of the Company's day-to-day banking services.

The primary purposes of the Fifth Modification Agreement are to (i) provide a term loan from the Lender for \$15.0 million (the Term Loan); (ii) increase the maximum principal amount of the revolving line of credit from \$30.0 million to \$40.0 million; (iii) extend the maturity date of the Restated Credit Agreement from March 31, 2018 to March 31, 2019; (iv) permit the Company to convert balances outstanding from time to time under the revolving line of credit to term loans; and (v) adjust the fixed charge coverage ratio from 1.40 to 1.15. The proceeds from the Term Loan may be used for general corporate purposes.

The Term Loan allows the Company to borrow \$15.0 million at an interest rate of LIBOR plus 1.85% per annum. Interest is payable monthly and principal payments of \$937,500 are due and payable on the first day of each January, April, July, and October until May 2019. The remaining \$3.75 million of principal at the Term Loan maturity date may be repaid by the Company or converted into another Term Loan. The Term Loan may also be repaid sooner than May 2019 at the Company's discretion.

The Fifth Modification Agreement preserves existing debt covenants that include (i) a Funded Debt to EBITDAR ratio of less than 3.0 to 1.0; (ii) a Fixed Charge Coverage ratio greater than 1.15 to 1.0 as discussed above; (iii) an annual limit on capital expenditures (excluding capitalized curriculum development) of \$8.0 million; and (iv) outstanding borrowings on the revolving line of credit may not exceed 150 percent of consolidated accounts receivable. The other key terms and conditions of the Fifth Modification Agreement are substantially the same as those defined in the Restated Credit Agreement. The Restated Credit Agreement was described in the Company's Form 8-K filed on March 17, 2011, which information is incorporated by reference herein.

In connection with the Fifth Modification Agreement, the Company and certain of its subsidiaries entered into a new Consent and Agreement of Guarantor and a promissory note for the Term Loan.

The foregoing description of the Fifth Modification to the Restated Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the text of the Fifth Modification Agreement to the Restated Credit Agreement, the Consent and Agreement of Guarantor, and the new Term Loan, which are filed as Exhibits 10.1 through 10.3 attached hereto.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement

On May 24, 2016, the Company and certain of its subsidiaries entered into the Fifth Modification Agreement, a Consent and Agreement of Guarantor, and a \$15.0 million Term Loan with the Lender as described above in Item 1.01. The information in Item 1.01 is incorporated by reference herein.
