Item 7.01 Regulation FD Disclosure

On March 30, 2007, CheckFree Corporation (CheckFree), with the concurrence of Corillian Corporation (Corillian), voluntarily withdrew and re-filed its pre-merger notification and report form under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (HSR Act) with the Federal Trade Commission (FTC) and Department of Justice (DOJ) relating to the proposed acquisition of Corillian by CheckFree. The purpose of the withdrawal and re-filing is to provide federal antitrust authorities with additional time to review the proposed acquisition.

The waiting period for the new filing will expire at 11:59 p.m. on April 30, 2007, unless earlier terminated by federal antitrust authorities, or a request for additional information by such authorities is made. In addition to the antitrust regulatory review, the proposed acquisition is subject to approval by Corillian s shareholders and the satisfaction or waiver of other customary closing conditions.

Corillian continues to anticipate the proposed acquisition will close in the second calendar quarter of 2007 shortly following the requisite approval by Corillian s shareholders, the expiration or termination of the antitrust waiting period and the satisfaction or waiver of all other closing conditions. However, the timing of the closing may be affected by formal or informal requests, if any, for additional information from the FTC or DOJ.

Forward-Looking Statements

This communication contains forward-looking statements that are made pursuant to the Safe Harbor Provisions of the Private Securities Litigation Reform Act of 1995, including statements regarding the expiration or termination of the HSR Act waiting period and anticipated closing date of the proposed acquisition. Forward-looking statements relating to expectations about future results or events are based upon information available as of today s date, and there is no assumed obligation to update any of these statements. The forward-looking statements are not guarantees of future performance, and actual results may vary materially from the results and expectations discussed. For instance, although Corillian and CheckFree have signed an agreement for a subsidiary of CheckFree to merge with and into Corillian, there is no assurance that they will complete the proposed merger. The proposed merger may not occur if Corillian does not receive necessary approval of its shareholders, or if it is blocked by a governmental agency, or if either Corillian or CheckFree fail to satisfy other conditions to closing. Other risks and uncertainties to which Corillian is subject are discussed in its reports filed with the Securities and Exchange Commission under the caption Risk Factors and elsewhere, including, without limitation, its Annual Report on Form 10-K for the year ended December 31, 2006 (filed March 16, 2007). One or more of these factors have affected, and could affect Corillian s business and financial results in future periods, and could cause actual results and issues related to the merger transaction to differ materially from plans and projections. Any forward-looking statement is qualified by reference to these risks, uncertainties and factors. Forward-looking statements speak only as of the date of the documents in which they are made. These risks, uncertainties and factors are not exclusive, and Corillian undertakes no obligation to publicly update or review any forward-looking statements to reflect events or circumstances that may arise after the date of this release, except as required by law.
