Forward Looking Statement Information

This presentation contains forward-looking information about Allergan and the combined company after completion of the transactions described herein. Forward-looking statements are statements that are not historical facts. The use of future tense and words such as expect, believe, will, may, anticipate and similar expressions are intended to identify forward looking statements. These statements include, among other things, the following:

financial projections and estimates and their underlying assumptions;

statements regarding anticipated financial or operating performance and cash flows, including expected growth in revenues, earnings and EPS, revenue mix and the additional cash available for incremental R&D investment;

statements regarding plans, objectives and expectations with respect to future operations and products, including anticipated market growth and product mix;

statements regarding expected revenue and cost synergies from the proposed combination of the two companies;

the expected timing of the proposed transaction; and

other statements regarding strategies, objectives, goals and targets.

Such statements are subject to certain risks and uncertainties, many of which are difficult to predict and are generally beyond the control of Allergan, that could cause actual results to differ materially from those expressed in, or implied or projected by, the forward-looking information and statements. These risks and uncertainties include, among other things:

the possibility that approvals or clearances required to be obtained by Allergan from regulatory and other agencies and bodies will not be obtained in a timely manner;

the possibility that divestitures may not be completed in a timely manner;

the possibility that the anticipated synergies and other benefits from the acquisition cannot be fully realized;

the possibility that assumptions regarding Inamed's assets and liabilities are incorrect;

the possibility that the costs or difficulties related to the integration of Inamed's operations with Allergan will be greater than expected;

the possible delay in the completion of the steps required to complete the eventual combination of the two companies;

business and economic conditions in the principal markets for the companies' products, and other risk factors relating to their industry as detailed from time to time in Allergan's or Inamed's reports filed with the SEC. Additional risks and information concerning these and other factors can be found under the heading "Certain Factors and Trends Affecting Allergan and its Businesses" in Allergan's 2004 Form 10-K and its Form 10-Q for the quarter ended September 30, 2005.

The forward-looking statements included in this presentation represent Allergan's expectations as of the date hereof, and such statements are based upon, among other things, the currently existing industry conditions, market conditions and prices, the economy in general and Allergan's assumptions. Allergan may change its expectations, at any time and without notice, based upon any changes in such factors, in Allergan's assumptions or otherwise. The cautionary statements contained in this presentation should be considered in connection with any subsequent written or oral forward-looking statements that Allergan or persons acting on its behalf might issue. This presentation includes estimates and other information prepared by third parties for which Allergan assumes no responsibility.

These forward-looking statements should not be relied upon as representing Allergan's views as of any date subsequent to the date hereof. Allergan undertakes no obligation to release publicly any revisions to any forward-looking statements and other statements to reflect events or circumstances after the date hereof, including unanticipated events.

Additional Information

Allergan intends to file a Registration Statement on Form S-4 and may file other documents with the SEC in connection with the proposed acquisition of Inamed. Inamed stockholders should read those filings, and any other filings made by Allergan with the SEC in connection with the proposed acquisition, as they will contain important information. These SEC filings, as well as Allergan's other public SEC filings, can be obtained without charge at the SEC's website at www.sec.gov, and at Allergan's website at www.Allergan.com.
