Item 2.01. Completion of Acquisition or Disposition of Assets.

On June 30, 2007, pursuant to a Packaged Gas Business Equity Purchase Agreement, dated March 29, 2007 (the Agreement), by and among Airgas, Inc. (the Company), Linde Gas Inc., a Delaware corporation (the Seller), and Linde Aktiengesellschaft, a German corporation (the Guarantor), the Company completed the acquisition of Linde Gas USA LLC and with it most of the U.S. Packaged gas business of the Guarantor. Airgas paid cash consideration of approximately \$310 million. The amount and type of consideration was determined on the basis of arm's length negotiations between the Company and the Guarantor and is subject to a working capital adjustment. The acquisition was financed through borrowings under the Company's Twelfth Amended and Restated Credit Agreement dated July 25, 2006, which was previously filed with the Securities and Exchange Commission as Exhibit 4 to the Company's Form 10-Q for the quarter ended September 30, 2006.

The closing of the acquisition was conditioned upon regulatory approval and other customary closing conditions. The business, which generated \$346 million in revenue for the year ended December 31, 2006, includes 130 locations in 18 states with more than 1,400 employees. The acquired operations include branches, warehouses, packaged gas fill plants, and other operations involved in distributing packaged industrial and specialty gases and related equipment. Most of the acquired operations and personnel will be integrated with seven existing Airgas regional companies, entirely in the eastern U.S.

The transaction excludes Linde's LifeGas medical gas business, its Spectra Gas rare and specialty gas business, and its Caribbean and Canadian gases business. Also, Linde will retain certain acetylene production and packaged gas fill plants supporting the distributor customer business it will keep. The transaction also would not affect Linde's ongoing merchant liquid, tonnage, pipeline and on-site business in North America and its packaged gas businesses in other parts of the world.

The Agreement was filed as Exhibit 10.14 to the Company's Form 10-K for the year ended March 31, 2007 and is incorporated herein by reference.

The Company's press release dated July 2, 2007 announcing the closing of the acquisition is filed as Exhibit 99.1 to this report and is incorporated herein by reference.

Item 8.01. Other Events

In a separate transaction, the Company plans to transfer 17 of the acquired packaged gas facilities in the Carolinas, southern Virginia, and eastern Georgia to its joint venture partner, National Welders Supply Company, Inc. (National Welders). As separately announced, National Welders will soon transition from a joint venture to a wholly owned subsidiary of the Company. The transferred business employs about 185 people and had more than \$50 million in revenues in 2006.

Item 9.01. Financial Statements and Exhibits.

In accordance with Item 9.01(a)(4), the financial statements required by Item 9.01(a) of Form 8-K will be filed by amendment to this Form 8-K no later than September 13, 2007, the last business day within 71 calendar days after the required filing date for this Current Report.
