Item 2.02 Results of Operations and Financial Condition

On October 24, 2007, Airgas, Inc. (the Company) reported its earnings for its second quarter and six months ended September 30, 2007, as described in the press release attached as Exhibit 99.1 and incorporated herein by reference. The information contained in this Form 8-K report shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934 or incorporated by reference in any filing under the Securities Exchange Act of 1933, as amended, except as expressly set forth by specific reference in such a filing.

Non-GAAP Measures:

The press release attached as Exhibit 99.1 contains a Return on Capital financial measure that is not defined under generally accepted accounting principles (GAAP). Return on Capital is a non-GAAP measure that helps investors assess how effectively the Company uses the capital invested in its operations. The Company believes that its non-GAAP earnings guidance provides financial statement users with meaningful insight into operating trends. Company management also uses Return on Capital as a metric for determining employee compensation. The Company s intent is to provide non-GAAP financial information to enhance investors understanding of the Company s consolidated financial statements and should be considered by the reader in addition to, but not instead of, the financial statements prepared in accordance with GAAP. In addition, it should be noted that the Company s non-GAAP information may be different from the non-GAAP information provided by other companies. Item 9.01 Financial Statements and Exhibits
