All of such outstanding shares have been, or upon issuance will be, validly issued, fully paid and nonassessable. As of the date hereof, except as described in this Section 2.1(c) or disclosed in Schedule 2.1(c), (i) no shares of the Company's capital stock are subject to preemptive rights or any other similar rights or any liens or encumbrances suffered or permitted by the Company, (ii) there are no outstanding options, warrants, scrip, rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities or rights convertible into, any shares of capital stock of the Company or any of its Subsidiaries, or contracts, commitments, understandings or arrangements by which the Company or any of its Subsidiaries is or may become bound to issue additional shares of capital stock of the Company or any of its subsidiaries or options, warrants, scrip, rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities or rights convertible into, any shares of capital stock of the Company or any of its Subsidiaries, (iii) there are no agreements or arrangements under which the Company or any of its Subsidiaries is obligated to register the sale of any of their securities under the Securities Act of 1933, as amended ("**Securities Act**" or "**1933 Act**"), (iv) there are no outstanding securities of the Company or any of its Subsidiaries which contain any redemption or similar provisions, and there are no contracts, commitments, understandings or arrangements by which the Company or any of its Subsidiaries is or may become bound to redeem a security of the Company or any of its Subsidiaries, (v) there are no securities or instruments containing anti-dilution or similar provisions that will be triggered by the issuance, conversion or exercise of the Third Note or the Warrants as described in this Agreement and (vi) the Company does not have any stock appreciation rights or "phantom stock" plans or agreements or any similar plan or agreement. The Company has furnished to the Purchaser true and correct copies of the Company's Certificate of Incorporation, as amended and as in effect on the date hereof (the "**Certificate of Incorporation**"), and the Company's By-laws, as in effect on the date hereof (the "**By-laws**"), and the terms of all securities convertible or exchangeable into or exercisable for Common Stock and the material rights of the holders thereof in respect thereto.

Issuance of Shares

. Upon issuance in accordance with this Agreement and the terms of the Third Note and Warrants, the Common Shares and Warrant Shares will be duly authorized, validly issued, fully paid and nonassessable and free from all taxes (other than transfer taxes where the Third Note and Warrants have been transferred and other than any taxes due because of actions by a Purchaser), liens and charges with respect to the issue thereof and the holders of such Conversion Shares or Warrant Shares shall be entitled to all rights and preferences accorded to a holder of Common Stock.

No Conflicts

. Except as disclosed in Schedule 2.1(e), the execution, delivery and performance of the Transaction Documents by the Company and the consummation by the Company of the transactions contemplated hereby and thereby and issuance of the Third Note and Warrants, and the Conversion Shares and Warrant Shares will not (i) result in a violation of the Certificate of Incorporation, any certificate of designations, preferences and rights of any outstanding series of preferred stock of the Company or its By-laws; (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Company or any of its Subsidiaries is a party, except as would not be reasonably expected to have a Material Adverse Effect, or (iii) result in any violation of any law, rule, regulation, order, judgment or decree applicable to the Company or any Subsidiary or by which any property or asset of the Company or any of its Subsidiaries is bound or affected, except as would not reasonably be expected to have a Material Adverse Effect. Except as disclosed in Schedule 2.1(e), neither the Company nor its Subsidiaries is in violation of any term of, or in default under, (x) its certificate of incorporation, any certificate of designations, preferences and rights of any outstanding series of preferred stock or By-laws or their organizational charter or by-laws, respectively, (y) any material contract, agreement, mortgage, indebtedness, indenture, instrument, or (z) any judgment, decree or order or any statute, rule or regulation applicable to the Company or its Subsidiaries, the non-compliance with which (in the case of (x), (y) or (z)) would reasonably be expected to have a Material Adverse Effect. Except as specifically contemplated by this Agreement, the Company is not required to obtain any consent, authorization or order of, or make any filing or registration with, any court, governmental agency or any regulatory or self-regulatory agency in order for it to execute, deliver or perform any of its

obligations under, or contemplated by, the Transaction Documents or the issuance of the Third Note, the Warrants and the Common Shares and Warrant Shares, in accordance with the terms hereof or thereof. Except as disclosed in Schedule 2.1(e), all consents, authorizations, orders, filings and registrations which the Company is required to obtain pursuant to the preceding sentence have been obtained or effected on or prior to the date hereof.

Financial Statements

. The Company has delivered to the Purchaser true and complete copies of its audited and consolidated financial statements for the three years ending December 31, 2004 and its unaudited consolidated financial statements for the nine months ended September 30, 2005 (the "Financial Statements"). The Financial Statements have been prepared in accordance with generally accepted accounting principles, consistently applied ("GAAP"), during the periods involved and fairly present in all material respects the financial position of the Company as of the dates thereof and the results of its operations and cash flows for the periods then ended.

Absence of Certain Changes.

Except as disclosed in Schedule 2.1(g), since December 31, 2004 there has been no adverse change or adverse development in the business, properties, assets, operations, financial condition, prospects, liabilities or results of operations of the Company or its Subsidiaries which has had or, to the knowledge of the Company or its Subsidiaries, is reasonably likely to have a Material Adverse Effect (a "Material Adverse Change"). The Company has not taken any steps, and does not currently expect to take any steps, to seek protection pursuant to any bankruptcy law nor does the Company or its Subsidiaries have any knowledge or reason to believe that its creditors intend to initiate involuntary bankruptcy proceedings.

Absence of Litigation.

To the Company's knowledge, there are no material pending or threatened legal proceedings, other than routine litigation incidental to the Company's business, to which the Company or any of its Subsidiaries is a party or of which any of their property is the subject, except which individually and in the aggregate, respectively, would not be reasonably likely to result in liability to the Company in excess of \$100,000 and \$200,000, respectively.

Acknowledgment Regarding Purchaser's Purchase of Securities

. The Company acknowledges and agrees that the Purchaser is acting solely in the capacity of arm's length purchaser with respect to the Transaction Documents and the transactions contemplated hereby and thereby. The Company further acknowledges that the Purchaser is not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to the Transaction Documents and the transactions contemplated hereby and thereby. The Company further represents to the Purchaser that the Company's decision to enter into the Transaction Documents has been based solely on the independent evaluation by the Company and its representatives.

No Integrated Offering.

buy any security, under circumstances that would cause this offering of the Third Note and Warrants to the Purchaser to be integrated with prior offerings by the Company for purposes of the 1933 Act, nor will the Company or any of its Subsidiaries take any action or steps that would cause the offering of the Third Note or the Warrants to be integrated with any such other offerings.

Employee Relations.

Neither the Company nor any of its Subsidiaries is involved in any labor dispute nor, to the knowledge of the Company or any of its Subsidiaries, is any such dispute threatened, the effect of which would be reasonably likely to result in a Material Adverse Effect. Neither the Company nor any of its Subsidiaries is a party to a collective bargaining agreement. No executive officer (as defined in Rule 501(f) of the 1933 Act) whose departure would be adverse to the Company has notified the Company in writing that such officer intends to leave the Company or otherwise terminate such officer's employment with the Company.

Edgar Filing: EQUUS II INC - Form SC 13D/A

The Company and its Subsidiaries own or possess adequate rights or licenses to use all trademarks, trade names, service marks, service mark registrations, service names, patents, patent rights, copyrights, inventions, licenses, approvals, governmental authorizations, trade secrets and rights necessary to conduct their respective businesses as now conducted, except as would not reasonably expect to have a Material Adverse Effect. Except as set forth on Schedule 2.1(l), none of the Company's trademarks, trade names, service marks, service mark registrations, service names, patents, patent rights, copyrights, inventions, licenses, approvals, government authorizations, trade secrets or other intellectual property rights have expired or terminated, or are expected to expire or terminate within two (2) years from the date of this Agreement, except as would not be reasonably expected to have a Material Adverse Effect. The Company and its Subsidiaries do not have any knowledge of any infringement by the Company or its Subsidiaries of trademarks, trade

name rights, patents, patent rights, copyrights, inventions, licenses, service names, service marks, service mark registrations, trade secret or other similar rights of others, or of any such development of similar or identical trade secrets or technical information by others.

he Company and its Subsidiaries (i) are in compliance with any and all applicable foreign, federal, state and local laws and regulations relating to the protection of human health and safety, the environment or hazardous or toxic substances or wastes, pollutants or contaminants ("Environmental Laws"), (ii) have received all permits, licenses or other approvals required of them under applicable Environmental Laws to conduct their respective businesses and (iii) are in compliance with all terms and conditions of any such permit, license or approval where such noncompliance or failure to receive permits, licenses or approvals referred to in clauses (i), (ii) or (iii) above would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Title

. The Company and its Subsidiaries have good and marketable title in fee simple to all real property and good and marketable title to all personal property owned by them which is material to the business of the Company and its Subsidiaries, in the ordinary course of business as currently conducted, in each case free and clear of all liens, encumbrances and defects except such as are described in Schedule 2.1(n) or such as do not materially interfere with the use of such property by the Company or any of its Subsidiaries in the ordinary course of business as currently conducted. Any material real property and facilities held under lease by the Company or any of its Subsidiaries are held by them under valid, subsisting and enforceable leases with such exceptions as do not materially interfere with the use made of such property and buildings by the Company and its Subsidiaries in the ordinary course of business as currently conducted.

Regulatory Permits.

The Company and its Subsidiaries possess all material certificates, authorizations and permits issued by the appropriate federal, state or foreign regulatory authorities, necessary to conduct their respective businesses, and neither the Company nor any such Subsidiary has received any written notice of proceedings relating to the revocation or modification of any such certificate, authorization or permit except as would reasonably be expected to have a Material Adverse Effect.

Internal Accounting Controls.

The Company and each of its Subsidiaries maintain a system of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management's general or specific authorizations, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain asset accountability, (iii) access to assets is permitted only in accordance with management's general or specific authorization and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

Foreign Corrupt Practices Act.

Except as would not reasonably be expected to have a Material Adverse Effect, neither the Company, nor any director, officer, agent, employee or other person acting on behalf of the Company or any Subsidiary has, in the course of acting for, or on behalf of, the Company, directly or indirectly used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expenses relating to political activity; directly or indirectly made any direct or indirect unlawful payment to any foreign or domestic government official or employee from corporate funds; violated or is in violation of any provision of the U.S. Foreign Corrupt Practices Act of 1977, as amended, or any similar treaties of the United States; or directly or indirectly made any bribe, rebate, payoff, influence payment, kickback or other unlawful payment to any foreign or domestic government or party official or employee.

Tax Status.

Edgar Filing: EQUUS II INC - Form SC 13D/A

The Company and each of its Subsidiaries has made or filed all United States federal and state income and all other tax returns, reports and declarations required by any jurisdiction to which it is subject and (i) has paid all taxes and other governmental assessments and charges, shown or determined to be due on such returns, reports and declarations, except those being contested in good faith and (ii) has set aside on its books provisions reasonably adequate for the payment of all taxes for periods subsequent to the periods to which such returns, reports or declarations apply. There are no unpaid taxes claimed to be due by the taxing authority of any jurisdiction, and the Company is not aware of any basis for any such claim.

Certain Transactions. Except as set forth on Schedule 2.1(s), and except for arm's length transactions pursuant to which the Company makes payments in the ordinary course of business upon terms no less favorable than the Company could obtain from third parties, none of the officers, directors or employees of the Company is presently a party to any transaction with the Company or any of its Subsidiaries (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of the Company, any corporation, partnership, trust or other entity in which any officer, director or any such employee has a substantial interest or is an officer, director, trustee or partner.

Dilutive Effect.

The Company understands and acknowledges that the number of Conversion Shares and Warrant Shares issuable upon conversion of the Third Note or exercise of the Warrants will increase in certain circumstances.

Application of Takeover Protections

. There are no anti-takeover provisions contained in the Company's Certificate of Incorporation or otherwise which will or would reasonably be expected to be triggered as a result of the transactions contemplated by this Agreement, including, without limitation, the Company's issuance of the Conversion Shares and the Purchaser's ownership of the Conversion Shares.

Rights Plan.

Neither the Company nor any of its Subsidiaries has adopted a shareholder rights plan or similar arrangement relating to accumulations of beneficial ownership of Common Stock or a change in control of the Company.

Obligations.

Except to the extent (if any) specifically set forth in the Transaction Documents, the Company's obligations thereunder are not subject to any right of set off, counterclaim, delay or reduction.

Indebtedness.

Except as disclosed in Schedule 2.1(x) or in the Financial Statements, neither the Company nor any of its Subsidiaries has any outstanding Indebtedness (as defined below). For purposes of this Agreement: (i) "Indebtedness" of any Person means, without duplication (A) all indebtedness for borrowed money, (B) all obligations issued, undertaken or assumed as the deferred purchase price of property or services, (C) all reimbursement or payment obligations with respect to letters of credit, surety bonds and other similar instruments, (D) all obligations evidenced by notes, bonds, debentures or similar instruments, including obligations so evidenced incurred in connection with the acquisition of property, assets or businesses, (E) all indebtedness created or arising under any conditional sale or other title retention agreement, or incurred as financing, in either case with respect to any property or assets acquired with the proceeds of such indebtedness (even though the rights and remedies of the seller or bank under such agreement in the event of default are limited to repossession or sale of such property), (F) all monetary obligations under any leasing or similar arrangement which, in accordance with GAAP, is classified as a capital lease, (G) all indebtedness referred to in clauses (A) through (F) above secured by (or for which the holder of such Indebtedness has an existing right, contingent or otherwise, to be secured by) any lien upon or in any property or assets (including accounts and contract rights) owned by any Person, even though the Person which owns such assets or property has not assumed or become liable for the payment of such indebtedness, and (H) all Contingent Obligations in respect of indebtedness or obligations of others of the kinds referred to in clauses (A) through (G) above; and (ii) "Contingent Obligation" means, as to any Person, any direct or indirect liability, contingent or otherwise, of that Person with respect to any indebtedness, lease, dividend or other obligation of another Person if the primary purpose or intent of the Person incurring such liability, or the primary effect thereof, is to provide assurance to the obligee of such liability that such liability will be paid or discharged, or that any agreements relating thereto will be complied with, or that the holders of such liability will be protected (in whole or in part) against loss with respect thereto.

Investment Company Status.

The Company is not, and immediately after receipt of payment for the Third Note under this Agreement will not be, an "investment company" or an entity "controlled" by an "investment company" within the meaning of the Investment Company Act of 1940, as amended (the "Investment Company Act"), and shall conduct its business in a manner so that it will not become subject to the Investment Company Act.

Representations and Warranties of the Purchaser. The Purchaser hereby makes the following representations and warranties to the Company as of the date hereof and the Closing Date:

Accredited Investor Status; Sophisticated Purchaser. The Purchaser is an "accredited investor" as that term is defined in Rule 501(a) of Regulation D under the 1933 Act and is able to bear the risk of its investment in the Third Note, Warrants, Conversion Shares and Warrant Shares. The Purchaser has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of the purchase of the Third Note, the Warrants, Conversion Shares and Warrant Shares.

Information

. The Purchaser and its advisors, if any, have been furnished with all materials relating to the business, finances and operations of the Company which have been requested and materials relating to the offer and sale of the Third Note, the Warrants, Warrant Shares and Conversion Shares which have been requested by the Purchaser. The Purchaser and its advisors, if any, have been afforded the opportunity to ask questions of the Company. Neither such inquiries nor any other due diligence investigations conducted by the Purchaser or its advisors, if any, or its representatives shall modify, amend or affect the Purchaser's right to rely on the Company's representations and warranties contained in Section 2.1 above. The Purchaser understands that its purchase of the Third Note and Conversion Shares involves a high degree of risk. The Purchaser has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to its acquisition of the Third Note and Conversion Shares.

No Governmental Review.

The Purchaser understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement of the Third Note and Conversion Shares or the fairness or suitability of the investment in the Third Note, Warrants, Warrant Shares and Conversion Shares nor have such authorities passed upon or endorsed the merits thereof.

Authorization; Enforcement

. Each of this Agreement and the Security Agreements have been duly and validly authorized, executed and delivered on behalf of the Purchaser and is a valid and binding agreement of the Purchaser enforceable against the Purchaser in accordance with their terms, subject as to enforceability to general principles of equity and to applicable bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies. The Purchaser has the requisite corporate power and authority to enter into and perform its obligations under this Agreement and the Security Agreements and each other agreement entered into by the parties hereto in connection with the transactions contemplated by this Agreement.

Residency

. The Purchaser is organized under the laws of the State of New York and is based in New York City.

No Conflicts.

The execution, delivery and performance of this Agreement and the Security Agreements by the Purchaser and the consummation by the Purchaser of the transactions contemplated hereby and thereby will not (i) result in a violation of the certificate of incorporation, by-laws or other documents of organization of the Purchaser, (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Purchaser is bound, or (iii) result in a violation of any law, rule, regulation or decree applicable to the Purchaser.

Purchase Representation.

The Purchaser is purchasing the Third Note and (if issued) the Warrants for its own account and not with a view to distribution in violation of any securities laws. The Purchaser has been advised and understands that none of the Third Note, the Warrants or the Conversion Shares issuable upon conversion or exercise thereof have been registered under the 1933 Act or under the "blue sky" laws of any jurisdiction and may be resold only if registered pursuant to the provisions of the 1933 Act or if an exemption from registration is available, except under circumstances where neither such registration nor such an exemption is required by law. The Purchaser has been advised and understands that the Company, in issuing the Third Note, is relying upon, among other things, the representations and warranties of the Purchaser contained in this Section 2.2 in concluding that such issuance is a "private offering" and is exempt from the registration provisions of the 1933 Act.

No Public Trading.

The Purchaser understands that there is currently no public trading market for the Third Note or Warrants, that none is expected to develop, and that the Third Note and Warrants must be held indefinitely unless and until such Third Note or Warrants are converted into or exchanged for shares that are registered for public resale under the 1933 Act or other applicable laws (or an exemption from registration is available).

Brokers

Edgar Filing: EQUUS II INC - Form SC 13D/A

. The Purchaser has taken no action which would give rise to any claim by any person for brokerage commissions, finder's fees or similar payments by the Company or the Purchaser relating to this Agreement or the transactions contemplated hereby.

Reliance by the Company. The Purchaser understands that the Third Note and Warrants are being offered and sold in reliance on a transactional exemption from the registration requirements of federal and state securities laws and that the Company is relying upon the truth and accuracy of the representations, warranties, agreements, acknowledgments and understandings of the Purchaser set forth herein in order to determine the applicability of such exemptions and the suitability of the Purchaser to acquire the Third Note and Warrants and the Conversion Shares and Warrant Shares issuable upon conversion or exercise thereof.

ITEM 3.

COVENANTS

(a)

Notices. The Company agrees to provide the holder(s) of the Third Note and Warrants with copies of all notices and information, including without limitation notices and proxy statements in connection with any meetings, that are provided generally to the holders of shares of Common Stock, contemporaneously with the delivery of such notices or information to such Common Stock holders.

(b)

Use of Proceeds. The Company agrees that the net proceeds received by the Company from the sale of the Third Note shall be used only for the acquisition of 666,763 shares of Equus II Inc. at a price of \$9.90 per share (it being agreed that up to \$99,100 of the gross proceeds may be used for related expenses and working capital).

(c)

Reservation of Shares: Stock Issuable Upon Conversion. The Company shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the Third Note and (if issued) exercise of the Warrants, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of the outstanding portion of the Third Note and the exercise of all Warrants, and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all the outstanding portion of the Third Note and exercise of the then outstanding Warrants, the Company will take such corporate action as may be necessary to expeditiously increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purpose, including without limitation engaging in best efforts to obtain the requisite shareholder approval. Without in any way limiting the foregoing, the Company agrees to reserve and at all times keep available solely for purposes of conversion of the Third Note and exercise of the Warrants, such number of authorized but unissued shares of Common Stock that is at least equal to 150% of the number of Conversion Shares issuable upon conversion of the Third Note and 100% of the number of Warrant Shares issuable upon exercise of all the Warrants, computed independently of the Existing Notes and as if the Third Note were convertible at the Conversion Price (as defined in the Third Note) and as if all Warrants were exercisable at the Conversion Price, without regard to any limitations on beneficial ownership contained therein.

(d)

Best Efforts. The parties shall use their best efforts to satisfy timely each of the conditions described in Article IV of this Agreement.

(e)

Blue Sky Laws. The Company shall take such actions as it reasonably determines are required to comply with all "blue sky" laws applicable to the sale of the Third Note and Warrants hereunder; provided, however, that the Company shall not be required in connection therewith to register or qualify as a foreign corporation in any jurisdiction where it is not so qualified or to take any action that would subject it to service of process in suits or taxation, in each case, in any jurisdiction where it is not so subject.

(f)

Edgar Filing: EQUUS II INC - Form SC 13D/A

Shareholder Rights Plan. None of the acquisitions of the Third Note or Warrants or Conversion Shares or Warrant Shares nor the deemed beneficial ownership of shares of Common Stock prior to, or the acquisition of such shares pursuant to, the conversion of the Third Note will in any event under any circumstances trigger the "poison pill" provisions of any stockholders' rights or similar agreements, or a substantially similar occurrence under any successor or similar plan.

(g)

Edgar Filing: EQUUS II INC - Form SC 13D/A

Reports: Financial Information. The Company agrees to send the following to the Purchaser for so long as the Third Note or Warrants are outstanding: (i) annual audited financial statements within 90 days after the end of each fiscal year, and unaudited quarterly financial statements within 45 days after each fiscal quarter-end, which shall be prepared in accordance with GAAP; (ii) copies of any notices and other information made available or given to the shareholders of the Company generally, contemporaneously with the making available or giving thereof to the shareholders; and (iii) within 5 days, written notice of any Event of Default under the Third Note of which the Company becomes aware (or any event which with notice or the passage of time would become such an Event of Default).

(h) Transactions With Affiliates. The Company agrees that any transaction or arrangement (i) between it and any of its Subsidiaries, (ii) between any of its Subsidiaries, and (iii) between it or any of its Subsidiaries and any affiliate or employee of the Company shall be effected on an arms' length basis in accordance with customary commercial practice and, except with respect to grants of options and stock to service providers, including employees, shall be approved by a majority of the Company's outside directors.

(i)
