On July 20, 2008, IntriCon Corporation (the Company) entered into a Strategic Alliance Agreement (the Agreement) with Dynamic Hearing Pty Ltd (Dynamic) effective as of October 1, 2008. Pursuant to the Agreement, Dynamic granted a license to the Company to use certain of Dynamic's technology, including digital signal processing technology, to develop new products for the hearing health and professional audio markets. The initial term of the Agreement is five years from the date of execution and may be extended upon agreement of the parties within two months of the expiration of the initial term; however, either party may terminate the Agreement after the second year of the term upon three months notice.

Subject to the limitations and exceptions set forth in the Agreement, such license shall be exclusive for hearing aid products.

The Company agreed to pay Dynamic: (i) an annual fee for access to the technology licensed pursuant to the Agreement and (ii) an additional second component fee to maintain exclusive rights granted to the Company with respect to hearing aid products. In addition, the Company agreed to make royalty payments on products that incorporate Dynamic's technology. Dynamic also agreed to provide engineering and other services in connection with the licensed technology. The Company is entitled to a credit against the second component fee for amounts payable to Dynamic arising from royalties and fees for services.
