PROXY STATEMENT

This proxy statement and the accompanying proxy are being furnished to shareholders of IntriCon Corporation (the “Corporation”) in conjunction with the solicitation of proxies by the Board of Directors of the Corporation for use at the 2016 Annual Meeting of Shareholders (the “Annual Meeting”) to be held on Thursday, April 28, 2016 at the Hampton Inn North located at 1000 Gramsie Road, Shoreview, Minnesota 55126, at 11:30 a.m., local time, and any adjournment or postponement of the Annual Meeting. This Proxy Statement and accompanying form of proxy are first being made available to shareholders on or about March 18, 2016.

The Board of Directors has fixed the close of business on February 23, 2016 as the record date for determination of the shareholders entitled to notice of and to vote at the Annual Meeting. As of February 23, 2016, there were 5,981,756 shares of common stock of the Corporation outstanding, each of which is entitled to one vote on all matters to be presented at the Annual Meeting.

Proxies in the form provided, if properly executed and received in time for voting, and not revoked, will be voted as directed on the proxies. If no directions to the contrary are indicated, the persons named in the proxy will vote all of your shares of common stock “**for**” the election of two nominees for director, “**for**” the approval of the compensation of our Named Executive Officers as described in this Proxy Statement, “**for**” the approval of the amendment to the Employee Stock Purchase Plan and “**for**” the ratification of the appointment of Baker Tilly Virchow Krause, LLP as the Corporation’s independent registered public accounting firm for fiscal year 2016. With respect to any other matter that properly comes before the meeting, the proxy holders will vote the proxies in their discretion in accordance with their best judgment.

You may vote in one of the following ways:

over the Internet: log on to www.proxyvote.com and follow the web site instructions; once you have cast your vote, be sure to click on “Accept Vote”;

by telephone: you may call toll-free in the U.S. or Canada, 1-800-690-6903 on a touch-tone telephone;

by proxy card: sign and date the accompanying proxy card and return it promptly in the envelope provided for that purpose; or

in person: if you are a shareholder of record as of the close of business on the Record Date, you may vote in person at the Annual Meeting and revoke any previously granted proxy.

If you vote over the Internet or by telephone, you will need your control number (your control number can be found on the Notice of Internet Availability of Proxy Materials and your proxy card). **The deadline to vote over the Internet or by telephone is Wednesday, April 27, 2016, 11:59 p.m., eastern daylight time.** If you vote over the Internet or by telephone, you do not need to return your proxy card.

Any shareholder who submits a proxy may revoke it at any time before the proxy is voted at the Annual Meeting by delivering a later dated proxy or by giving written notice to the Secretary of the Corporation or attending the Annual Meeting in person and so requesting. If you vote over the Internet or by telephone, you may change your vote by following the procedures used to submit your initial vote. The last vote received chronologically will supersede any prior votes. Attendance at the Annual Meeting will not by itself revoke a previously granted proxy.

The presence, in person or represented by proxy, of the holders of a majority of the outstanding shares of common stock will constitute a quorum for the transaction of business at the Annual Meeting. All shares of common stock present in person or represented by proxy (including “broker non-votes” described below) and entitled to vote at the Annual Meeting, no matter how they are voted or whether they abstain from voting, will be counted in determining the presence of a quorum. If the Annual Meeting is adjourned because of the absence of a quorum, those shareholders entitled to vote who attend the adjourned Annual Meeting, although constituting less than a quorum as provided herein, shall nevertheless constitute a quorum for the purpose of electing directors. If the Annual Meeting is adjourned for one or more periods aggregating at least 15 days because of the absence of a quorum, those shareholders entitled to vote who attend the reconvened Annual Meeting, if less than a quorum as determined under applicable law, shall nevertheless constitute a quorum for the purpose of acting upon any other matter set forth in the Notice of Annual Meeting.

Each share of common stock is entitled to one vote on each matter that may be brought before the Annual Meeting. Voting results will be determined as follows:

Proposal 1: the election of the directors will be determined by a plurality vote and the nominees receiving the highest number of “for” votes will be elected.

Proposal 2: approval of the “say-on-pay” proposal will require the affirmative vote of a majority of the shares entitled to vote and present in person or represented by proxy at the Annual Meeting.

Proposal 3: approval of the amendment of the Employee Stock Purchase Plan will require the affirmative vote of a majority of the shares entitled to vote and present in person or represented by proxy at the Annual Meeting.

Proposal 4: the ratification of the appointment of the independent registered public accounting firm for fiscal year 2016 will require the affirmative vote of a majority of the shares entitled to vote and present in person or represented by proxy at the Annual Meeting.

Any other proposal will require the affirmative vote of a majority of the shares entitled to vote and present in person or represented by proxy at the Annual Meeting.

Under our Bylaws and the Pennsylvania Business Corporation Law, an abstention or withholding of authority to vote will have the same legal effect as an “against” vote and will be counted in determining whether the proposal has received the required shareholder vote; however, a broker non-vote will have no effect on whether the proposal has received the required shareholder vote.

If you are a beneficial owner whose shares are held of record by a broker, bank or other nominee, you must instruct the broker, bank or other nominee how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any proposal on which the broker, bank or other nominee does not have discretionary authority to vote. This is called a “broker non-vote.” In these cases, the broker, bank or other nominee can register your shares as being present at the Annual Meeting for purposes of determining the presence of a quorum but will not be able to vote on those matters for which specific authorization is required. Your broker, bank or other nominee does not have discretionary authority to vote on the election of directors, the “say-on-pay” proposal or the amendment of the Employee Stock Purchase Plan without instructions from you, in which case a broker non-vote will occur and your shares will not be voted on these matters. Your broker, bank or other nominee does have discretionary voting authority to vote your shares on the ratification of the independent registered public accounting firm, even if the broker, bank or other nominee does not receive voting instructions from you. **In any event, it is particularly important that you instruct your broker as to how you wish to vote your shares.**

The cost of this solicitation will be borne by the Corporation. In addition to solicitation by mail, proxies may be solicited in person or by telephone, telegraph or teletype by officers, directors or employees of the Corporation, without additional compensation. Upon request, the Corporation will pay the reasonable expenses incurred by record holders of the Corporation’s shares of common stock who are brokers, dealers, banks or voting trustees, or their nominees, for mailing proxy materials to the beneficial owners of the shares they hold of record.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors currently consists of five members divided into three classes.

The Board of Directors, based upon the recommendation of the Nominating and Corporate Governance Committee, has nominated Mark S. Gorder and Michael J. McKenna for election as directors at the Annual Meeting to serve until the 2019 annual meeting of shareholders and until their successor has been duly elected and qualified. Each nominee is a current director of the Corporation and previously has been elected as a director by the Corporation's shareholders. Mr. Gorder and Mr. McKenna each have indicated their willingness to continue serving as a director. The Board of Directors knows of no reason why the nominees would be unable to serve as a director. If any nominee is unable to serve for any reason, then the proxies will be voted for the election of such substitute nominee(s) as the Board of Directors may designate, unless the Board of Directors reduces the number of directors on the Board.

The Board of Directors recommends that the shareholders vote "FOR" the election of each of Mr. Gorder and Mr. McKenna as a director for a three year term.

The Board of Directors seeks to ensure that it is composed of members of high character and integrity and whose particular experience, qualifications, attributes and skills, when taken together, will allow the Board of Directors to satisfy its oversight responsibilities effectively. As discussed below under "—Director Nomination Process," director candidates are nominated by the Board of Directors upon recommendation by the Nominating and Corporate Governance Committee for election at the annual shareholders' meeting each year. In considering whether to recommend a director candidate, the Nominating and Corporate Governance Committee evaluates each individual in the context of the Board as a whole taking into account relevant factors including, among other things:

· whether the director candidate has significant leadership experience and outstanding achievement in such director candidate's career field;

· whether the director candidate has relevant expertise or experience and would be able to offer advice and guidance to management based on that expertise or experience;

whether the director candidate has the financial expertise or other professional, educational or business experience relevant to understanding to the Corporation's business;

· whether the director candidate has sufficient time available to devote to the Corporation;

· whether the director candidate has the ability to make independent, analytical inquiries and challenge management;

whether the director candidate will be committed to represent and advance the long-term interests of the Corporation's shareholders; and

· whether the director candidate meets the independence requirements of Nasdaq.

The Nominating and Corporate Governance Committee does not have a formal policy regarding director diversity. The Nominating and Corporate Governance Committee believes that the directors

should encompass a range of experience, viewpoints, qualifications, attributes and skills in order to provide sound and prudent guidance on the Corporation's operations. The Nominating and Corporate Governance Committee does not assign specific weights to particular criteria and no particular criteria is necessarily applicable to all prospective nominees.

Included in the director nominee's or current director's biography are the particular experiences, qualifications, attributes or skills that led the Board to the conclusion that each director nominee or director should serve as a director of the Corporation. Each director brings a strong and unique background and set of skills to the Board, giving the Board as a whole competence and experience. We believe all of our directors have integrity and honesty and adhere to high ethical standards. They have each demonstrated business acumen and an ability to exercise sound judgment, as well as commitment of service to the Corporation and the Board.

The following table sets forth certain information concerning the nominees and the persons whose terms as directors will continue after the Annual Meeting.

2006 2018

Mr. Seamon provides IntriCon with expertise in financial and accounting matters as well as experience in mergers and acquisitions and business restructuring.

Independence of the Board of Directors

Under our corporate governance guidelines, the Board, with the assistance of legal counsel and the Nominating and Corporate Governance Committee, uses the current standards for “independence”

established by the Nasdaq Stock Market, referred to in the remainder of this proxy statement as “Nasdaq,” to determine director independence. The Board of Directors has determined that the following directors, constituting a majority of the members of the Board, are independent as defined in the corporate governance rules of Nasdaq: Messrs. Giordano, Masucci, McKenna and Seamon.

The independence standards of Nasdaq are composed of objective standards and subjective standards. Under the objective standards, a director will not be deemed independent if he directly or indirectly receives payments for services (other than as a director) in excess of certain thresholds or if certain described relationships exist. Under the subjective independence standard, a director will not be deemed independent if he has a material relationship with the Corporation that, in the view of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Under the Nasdaq rules, an independent director must satisfy both the objective and the subjective standards.

In evaluating the independence of Mr. McKenna, the Board considered that a partner of the law firm retained by the Corporation since 2002 is the son-in-law of Mr. McKenna. See “—Certain Relationships and Related Party Transactions.” The Board determined that Mr. McKenna was independent under the objective Nasdaq standards because: (i) no payments were made to Mr. McKenna or his son-in-law directly in exchange for the services provided to the Corporation by the law firm and (ii) the amounts paid to the law firm did not exceed the thresholds contained in the Nasdaq standards. The Board also determined that Mr. McKenna was independent under the subjective Nasdaq standard for the reasons discussed above and because Mr. McKenna’s son-in-law was not personally involved in the law firm’s legal representation of the Corporation.

Board Leadership Structure and Risk Oversight

We separate the roles of Chief Executive Officer and Chairman of the Board in recognition of the differences between the two roles. The Chief Executive Officer is responsible for setting the strategic direction for the Corporation and the day to day leadership and performance of the Corporation, while the Chairman of the Board provides guidance and sets the agenda for Board meetings and presides over meetings of the full Board. The Board believes that this structure ensures a greater role for the independent directors in the oversight of the Corporation and active participation of the independent directors in setting agendas and establishing priorities and procedures that work for the Board. The Chairman of the Board also acts as a key liaison between the Board and management.

The Board of Directors as a whole is responsible for consideration and oversight of risks facing the Corporation, and is responsible for ensuring that material risks are identified and managed appropriately. Certain risks are overseen by committees of the Board of Directors and these committees make reports to the full Board of Directors, including reports on noteworthy risk-management issues. Financial risks are overseen by the Audit Committee which meets with management to review the Corporation’s major financial risk exposure and the steps management has taken to monitor and control such exposures. Compensation risks are overseen by the Compensation Committee. Members of

the Corporation's senior management team periodically report to the full Board about their areas of responsibility and a component of these reports is risk within the area of responsibility and the steps management has taken to monitor and control such exposures. Additional review or reporting on risks is conducted as needed or as requested by the Board or committee.

Communication with the Board

Shareholders may communicate with the Board of Directors, including any individual director, by sending a letter to the Board of Directors, c/o Corporate Secretary, IntriCon Corporation, 1260 Red Fox

Road, Arden Hills, Minnesota 55112. The Corporate Secretary has the authority to disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications. If deemed an appropriate communication, the Corporate Secretary will submit your correspondence to the Chairman of the Board or to any specific director to whom the correspondence is directed.

Meetings of the Board and Committees

The Corporation's Board of Directors held seven meetings in 2015. During 2015, all directors of the Corporation attended at least 75% of the total number of meetings of the Board of Directors of the Corporation and all committees of which they were members.

Attendance at Annual Meeting of Shareholders

The Board of Directors has adopted a policy that all of the directors should attend the annual meeting of shareholders, absent exceptional cause. All five of the directors attended the 2015 annual meeting of shareholders.

Code of Ethics

The Corporation has adopted a code of ethics that applies to its directors, officers and employees, including its chief executive officer, chief financial officer, controller and persons performing similar functions. Copies of the Corporation's code of ethics are available without charge upon written request directed to Cari Sather, Director of Human Resources, IntriCon Corporation, 1260 Red Fox Road, Arden Hills, MN 55112. A copy of the code of ethics is also available on the Corporation's website: www.intricon.com. The Corporation intends to satisfy the disclosure requirement under Item 5.05 of SEC Form 8-K regarding any future amendments to a provision of its code of ethics by posting such information on the Corporation's website: www.intricon.com.

Director Compensation for 2015

Each non-employee director is entitled to a base annual retainer of \$24,000. For their services in such capacities, the Chairman of the Board is entitled to receive an additional annual retainer of \$25,000, the Chairman of the Audit Committee is entitled to receive an additional annual retainer of \$10,000 and the Chairman of each of the Compensation Committee and the Nominating and Corporate Governance Committee is entitled to receive an

additional annual retainer of \$5,000. All retainers are paid in quarterly installments. Each non-employee director also receives \$1,500 for each Board and committee meeting attended in person and \$500 for each telephonic Board and committee meeting attended; however, no fee is payable for telephonic board and committee meetings that last less than 30 minutes.

Directors are eligible to receive awards under the 2015 Equity Incentive Plan. The Compensation Committee has approved the automatic grant of options to non-employee directors who are re-elected or continue as a non-employee director at each annual meeting of shareholders as follows: Chairman of the Board - options to purchase 12,000 shares of common stock and each other non-employee director - options to purchase 10,000 shares of common stock. Accordingly, following the 2015 annual meeting, Mr. McKenna, in his capacity as Chairman of the Board, was granted an option to purchase 12,000 shares of common stock, while each of Messrs. Giordano, Masucci, and Seamon was granted an option to purchase 10,000 shares of common stock, in each case at an exercise price of \$7.96 per share, the closing price of our common stock on the date of the grant. Assuming that they are re-elected or continue as a director, as the case may be, at the 2016 Annual Meeting, the Chairman of the Board will receive an option to purchase 12,000 shares of common stock, and each of the other non-employee directors will

receive an option to purchase 10,000 shares of common stock, in each case at an exercise price equal to the closing price of our common stock on the date of the 2016 Annual Meeting. All director options vest in three equal, annual installments beginning one year after the date of grant, except that the options will become immediately exercisable upon a “change in control” as defined in the 2015 Equity Incentive Plan or the death, disability or retirement of the recipient, and expire ten years after the date of grant, unless terminated earlier by the terms of the option.

The following table sets forth information concerning the compensation earned during the year ended December 31, 2015 by each of our directors that was not also an employee.

Name	Fees Earned or Paid in Cash (\$)	Stock Awards (1) (\$)	Option Awards (2) (\$)	All Other Compensation (\$)	Total (\$)
Nicholas A. Giordano	55,000	¾	79,600	¾	134,600
Robert N. Masucci	50,000	¾	79,600	¾	129,600
Michael J. McKenna	70,000	¾	95,520	¾	165,520
Philip N. Seamon	50,000	¾	79,600	¾	129,600

We have not granted any stock awards to our directors. Under the Non-Employee Director and Executive Officer (1) Stock Purchase Program, directors may purchase shares of common stock directly from the Corporation at the last reported sale price on the date that the election to purchase is made.

The amounts included in the “Option Awards” column represent the aggregate grant date fair value of stock awards granted during 2015 computed in accordance with Financial Accounting Standards Board’s Accounting Standards Codification Topic 718 (“FASB Codification Topic 718”). For a discussion of valuation assumptions, see Note 13 to our consolidated financial statements included in our annual report on Form 10-K for the fiscal year ended (2) December 31, 2015. Director Share Ownership Requirements

In April 2006, the Nominating and Corporate Governance Committee adopted a policy that all directors must purchase and own shares of common stock with a purchase price equal to at least one-year’s annual director fees. All directors are in compliance with this policy.

Committees of the Board

The Board of Directors of the Corporation has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Audit Committee. The Board of Directors of the Corporation has appointed a standing Audit Committee consisting of Messrs. Giordano (Chairman), Masucci, McKenna and Seamon. The Board of Directors has determined that each member of the Audit Committee is independent, as defined in applicable Nasdaq corporate governance rules and SEC regulations. In addition, the Board of Directors has determined that Mr. Giordano qualifies as an audit committee financial expert, as defined in applicable SEC rules. The Audit Committee held five meetings in 2015.

The Audit Committee is governed by a written charter approved by the Board of Directors, a copy of which is available on our website at www.intricon.com. The principal duties of the Audit Committee are to monitor the integrity of the financial statements of the Corporation, the compliance by the Corporation with legal and regulatory requirements and the independence and performance of the Corporation's independent auditors. The Audit Committee also approves all related party transactions and establishes procedures for (i) the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls or auditing matters, and (ii) the confidential, anonymous submissions by the Corporation's employees of concerns regarding questionable accounting or auditing matters. In addition, the Committee selects the firm to be engaged as the Corporation's independent public accountants, and approves the engagement of the independent public accountants for all non-audit activities permitted under the Sarbanes-Oxley Act of 2002. The report of the Audit Committee appears on page 38.

Compensation Committee. The Board of Directors of the Corporation has appointed a standing Compensation Committee currently consisting of Messrs. Masucci (Chairman), Giordano, McKenna and Seamon. The Board of Directors has determined that each member of the Compensation Committee is independent, as defined in applicable Nasdaq corporate governance rules. The Compensation Committee reviews and makes recommendations to the Board of Directors concerning officer compensation and officer and employee bonus programs and administers the Corporation's equity plans. The Compensation Committee met three times in 2015.

The Compensation Committee is governed by a written charter approved by the Board of Directors, a copy of which is available on our website at www.intricon.com. The principal duties of the Compensation Committee are to formulate, evaluate and approve the compensation of the Corporation's executive officers, oversee all compensation programs involving the issuance of the Corporation's stock and other equity securities of the Corporation, and, if required, review and discuss with the Corporation's management the Compensation Discussion and Analysis and preparing the Committee's report thereon for inclusion in the Corporation's annual proxy statement in accordance with applicable rules and regulations.

A discussion of the Compensation Committee's processes and procedures for the consideration and determination of executive compensation is included in "Executive Compensation — Processes and Procedures for the Determination of Executive Officer and Director Compensation."

Nominating and Corporate Governance Committee. The Board of Directors of the Corporation has appointed a standing Nominating and Corporate Governance Committee currently consisting of Messrs. Seamon (Chairman), Giordano, Masucci and McKenna. The Board of Directors has determined that each member of the Nominating and Corporate Governance Committee is independent, as defined in applicable Nasdaq corporate governance rules. The Nominating and Corporate Governance Committee met two times in 2015.

The Nominating and Corporate Governance Committee is governed by a written charter approved by the Board of Directors, a copy of which is available on our website at www.intricon.com. The principal duties of the Nominating

and Corporate Governance Committee are to identify individuals qualified to become members of the Board consistent with the criteria approved by the Committee, consider nominees made by shareholders in accordance with the Corporation's bylaws, select, or recommend to the Board, the director nominees for each annual shareholders meeting, recommend to the Board the directors to be appointed to each Committee of the Board, recommend to the Board whether to increase or decrease the size of the Board, develop and recommend to the Board corporate governance principles and oversee the evaluations of the Board and senior management.

Director Nomination Process

Consideration of Director Candidates Recommended by Shareholders. The Nominating and Corporate Governance Committee will consider properly submitted shareholder recommendations for director candidates. A shareholder who wishes to recommend a prospective director nominee should send a signed and dated letter to the Chairman of the Nominating and Corporate Governance Committee, c/o Corporate Secretary, IntriCon Corporation, 1260 Red Fox Road, Arden Hills, Minnesota 55112 with the following information:

- the name and address of the shareholder making the recommendation and of each recommended nominee;

- a representation that the shareholder is a holder of record, and/or a beneficial owner, of voting stock of the Corporation entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to vote for the person(s) recommended if nominated;

- a description of all arrangements and understandings between the shareholder and each recommended nominee and any other person(s), naming such person(s), pursuant to which the recommendation was submitted by the shareholder;

- such other information regarding each recommended nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee been nominated by the Nominating and Corporate Governance Committee, including the principal occupation of each recommended nominee; and

- the consent of each recommended nominee to serve as a director if so nominated and elected.

The deadline for submitting the letter recommending a prospective director nominee for the 2017 annual meeting of shareholders is November 18, 2016. All late or non-conforming recommendations will be rejected.

In addition, under the Corporation's bylaws, shareholders are permitted to nominate directors to be elected at a meeting of shareholders by providing notice and the other required information specified in the bylaws. Although shareholders may nominate directors, such nominees will not appear in the Corporation's proxy statement or in the proxy solicited by the Board of Directors. The Corporation's amended and restated bylaws are available, at no cost, at the SEC's website, www.sec.gov, as Exhibit 3.1 to the Corporation's Current Report on Form 8-K filed October 12, 2007 or upon the shareholder's written request directed to the Corporate Secretary at the address given above.

Director Qualifications. The Nominating and Corporate Governance Committee has the sole authority to select, or to recommend to the Board of Directors, the Board of Director nominees to be considered for election as a director. The Nominating and Corporate Governance Committee does not have any specific minimum qualifications that must be met by a nominee other than nominees for director must be at least 21 years old. Nominees for director will be selected on the basis of outstanding achievement in their careers; broad experience; education; independence under applicable Nasdaq and SEC rules; financial expertise; integrity; financial integrity; ability to make independent, analytical inquiries; understanding of the business environment; and willingness to devote adequate time to Board and committee duties. The proposed nominee should have sufficient time to devote their energy and attention to the diligent performance of the director's duties, including attendance at Board and committee meetings and review of the Corporation's financial statements and reports, SEC filings and other

materials. Finally, the proposed nominee should be free of conflicts of interest that could prevent such nominee from acting in the best interest of shareholders.

Additional special criteria apply to directors being considered to serve on a particular committee of the Board. For example, members of the Audit Committee must meet additional standards of independence and have the ability to read and understand the Corporation's financial statements.

Identifying and Evaluating Nominees for Director. The Nominating and Corporate Governance Committee assesses the appropriate size of the Board in accordance with the limits fixed by the Corporation's charter and bylaws, whether any vacancies on the Board are expected and what incumbent directors will stand for re-election at the next meeting of shareholders. If vacancies are anticipated, or otherwise arise, the Nominating and Corporate Governance Committee considers candidates for director suggested by members of the Nominating and Corporate Governance Committee and other Board members as well as management, shareholders and other parties. The Nominating and Corporate Governance Committee also has the sole authority to retain a search firm to identify and evaluate director candidates. Except for incumbent directors standing for re-election as described below, there are no differences in the manner in which the Nominating and Corporate Governance Committee evaluates nominees for director, based on whether the nominee is recommended by a shareholder or any other party.

In the case of an incumbent director whose term of office expires, the Nominating and Corporate Governance Committee reviews such director's service to the Corporation during the past term, including, but not limited to, the number of Board and committee meetings attended, as applicable, quality of participation and whether the candidate continues to meet the general qualifications for a director outlined above, including the director's independence, as well as any special qualifications required for membership on any committees on which such director serves. When a member of the Nominating and Corporate Governance Committee is an incumbent director eligible to stand for re-election, such director will not participate in that portion of the Nominating and Corporate Governance Committee meeting at which such director's potential nomination for election as a director is discussed by the Nominating and Corporate Governance Committee.

In the case of a new director candidate, the Nominating and Corporate Governance Committee will evaluate whether the nominee is independent, as independence is defined under applicable Nasdaq corporate governance rules, and whether the nominee meets the qualifications for director outlined above as well as any special qualifications applicable to membership on any committee on which the nominee may be appointed to serve if elected. In connection with such evaluation, the Nominating and Corporate Governance Committee determines whether the committee should interview the nominee, and if warranted, one or more members of the Nominating and Corporate Governance Committee interviews the nominee in person or by telephone.

Upon completing the evaluation, and the interview in case of a new candidate, the Nominating and Corporate Governance Committee makes a decision as to whether to nominate the director candidate for election at the

shareholders meeting.

EXECUTIVE COMPENSATION

Background

The Compensation Committee of our Board of Directors administers our compensation program for executive officers. The objectives of our compensation program are to attract and retain talented and dedicated executive officers and to align a significant portion of their compensation with our business objectives and performance and the interests of our shareholders.

Elements of Executive Compensation

Our compensation program for executive officers consists of the following elements:

Base Salary. Base salary is designed to reward the performance of our executive officers in their daily fulfillment of their responsibilities to us. The Compensation Committee determines the base salary of each of our executive officers by evaluating their scope of responsibilities and experience, years of service with us, our performance and the performance of each of the executive officers during the past year, the executive's future potential and competitive salary practices. We believe that our base salaries are competitive with other companies of our size.

Annual Cash Incentive Compensation.

The Compensation Committee's philosophy is that a significant portion of the total potential compensation of our executive officers should depend upon the degree of our financial and strategic success in a particular year.

In March 2012, the Compensation Committee adopted the Annual Incentive Plan for Executives and Key Employees. For more information, see "Annual Incentive Plan."

Long-Term Incentive Compensation in the Form of Stock Awards. In 2015, our Board of Directors and shareholders approved the 2015 Equity Incentive Plan, which replaced the 2006 Equity Incentive Plan. The 2015 Equity Incentive Plan is designed to:

· promote the long-term retention of our employees, directors and other persons who are in a position to make significant contributions to our success;

· further reward these employees, directors and other persons for their contributions to our growth and expansion;

· provide additional incentive to these employees, directors and other persons to continue to make similar contributions in the future; and

· further align the interests of these employees, directors and other persons with those of our shareholders.

To achieve these purposes, the 2015 Equity Incentive Plan permits the Compensation Committee to make awards of stock options, stock appreciation rights, restricted stock or unrestricted stock, deferred stock, restricted stock units or performance awards for our shares of common stock. For more information concerning the 2015 Equity Incentive Plan, see “Equity Plans - 2015 Equity Incentive Plan” below.

Stock options are granted at the fair market value of our shares of common stock on the date of grant. Stock options are granted based on various factors, including the executive's ability to contribute to our long-term growth and profitability.

Employee Stock Purchase Plan. All of our fulltime employees, including our executive officers (other than Mr. Gorder), are entitled to participate in our Employee Stock Purchase Plan. Under this Plan, employees may purchase our shares of common stock at a discount of up to 10% through payroll deductions.

Non-Employee Director and Executive Officer Stock Purchase Program. Under the Non-Employee Director and Executive Officer Stock Purchase Program, directors and executive officers may purchase shares of common stock directly from the Corporation at the last reported sale price on the date that the election to purchase is made. During 2015, no shares of common stock were purchased under this program.

Other Benefits. All of our fulltime employees, including our executive officers, are entitled to participate in our health insurance, life insurance and 401(k) plans. We also maintain a disability insurance policy on behalf of certain of the members of our senior management, including our executive officers, that is in addition to the disability benefits that we maintain for our salaried employees.

Additional Benefits Payable to the Chief Executive Officer. Mr. Gorder, our Chief Executive Officer, receives additional benefits under our employment agreement with him. Under the employment agreement, we are required to reimburse Mr. Gorder for his country club membership fees. We are also required to provide Mr. Gorder with an automobile for use in connection with the performance of his duties under the employment agreement and reimburse him for all expenses reasonably incurred by him for the maintenance and operation, including fuel, of the automobile.

Processes and Procedures for the Determination of Executive Officer and Director Compensation

Scope of Authority of the Compensation Committee. The scope of the Compensation Committee's authority and responsibilities is set forth in its charter, a copy of which is available on our website at www.intricon.com. The Compensation Committee's authority includes the authority to:

- determine the following with respect to our executive officers: (i) the annual base salary level, (ii) the annual incentive opportunity level, (iii) the long-term incentive opportunity level, (iv) employment agreements, severance agreements, change in control agreements/provisions and other compensatory arrangements, in each case as, when and if appropriate, and (v) any special or supplemental benefits, in each case subject to the terms of any existing

applicable employment agreement terms; and

determine the compensation payable to directors and members of committees of the board, including the Chairman of the Board and the Chairman of each committee, other than directors who are our salaried employees.

Delegation of Authority. As provided under the Compensation Committee's charter, the Compensation Committee may delegate its authority to special subcommittees of the Compensation Committee as the Compensation Committee deems appropriate, consistent with applicable law and Nasdaq listing standards. Additionally, the 2015 Equity Incentive Plan permits the Compensation Committee, subject to criteria, limitations and instructions as the Compensation Committee determines, to delegate to an appropriate officer of the Corporation the authority to determine the individual participants under that Plan and amount and nature of the award to be issued to such participants; provided, that no

awards may be made pursuant to such delegation to a participant who is subject to Section 16(b) of the Securities Exchange Act of 1934, as amended. To date, the Compensation Committee has not delegated its responsibilities other than delegating from time to time to the Chief Executive Officer and Chief Financial Officer the authority to grant a limited number of stock options under the 2015 Equity Incentive Plan to non-executive employees.

Role of Management in Determining or Recommending Executive Compensation. Traditionally, the Compensation Committee reviews our executive compensation program in December and/or February of each year, although decisions in connection with new hires and promotions are made on an as-needed basis. Mr. Gorder, our President and Chief Executive Officer, makes recommendations concerning the amount of compensation to be awarded to our executive officers, including himself, but does not participate in the Compensation Committee's deliberations or decisions. The Compensation Committee reviews the recommendations together with a "tally sheet" showing all items of executive compensation. After a presentation by Mr. Gorder, the Committee meets in executive session to discuss and consider the recommendations and makes a final determination.

Role of Compensation Consultants in Determining or Recommending Executive Compensation. Under its charter, the Compensation Committee has authority to retain, at the Corporation's expense, such counsel, consultants, experts and other professionals as it deems necessary. In 2015, the Corporation engaged Verisight Compensation Consulting Group to conduct an assessment of whether the compensation of our executive officers was competitive based on published survey data and a peer group analysis. Generally, the Verisight analysis showed that the compensation of our executive officers was less than competitive when compared to published survey data and peer groups.

Say-on-Pay Vote

At the 2015 annual meeting, we held a shareholder advisory vote on the compensation of our named executive officers, commonly referred to as a say-on-pay vote. Our shareholders approved the compensation of our named executive officers at the 2015 annual meeting, with an overwhelming majority of the votes entitled to be cast voting in favor of our say-on-pay resolution. As we evaluated our compensation practices for 2016, we were aware of the strong support our shareholders expressed for our compensation philosophy. As a result, following our annual review of our executive compensation philosophy, the Compensation Committee decided to retain our general approach to executive compensation. We believe our executive compensation program for 2016 advances our goals of attracting and retaining talented and dedicated executive officers and aligning a significant portion of their compensation with our business objectives and performance and the interests of our shareholders.

Determination of Executive Compensation

Base Salary. Typically, the Compensation Committee reviews and adjusts base salaries on an annual basis.

In December 2015, the Compensation Committee increased the 2016 base salary of each of our executive officers from 3% to 7%, which the Committee believed consistent with inflation and overall market trends. The base salaries of Mr. Geraci, Mr. Gonsior and Mr. Gorder were increased 3%, with slightly larger increases awarded to Mr. Longval (7%) and to Mr. Gruenhagen (5%) to more closely position them to their respective peer group salary mid-points.

The following table shows the base salaries of our current executive officers as in effect at January 1, 2016:

Name and Principal Position	2016 Annual Base Salary
Mark S. Gorder President and Chief Executive Officer	\$418,000
Scott Longval Chief Financial Officer and Treasurer	\$249,000
Michael P. Geraci Vice President, Sales and Marketing	\$245,200
Dennis L. Gonsior Vice President, Global Operations	\$229,500
Greg Gruenhagen Vice President, Quality and Regulatory Affairs	\$210,000

Annual Cash Incentive Compensation. In March 2012, the Compensation Committee adopted the Annual Incentive Plan for Executives and Key Employees, referred to as the Annual Incentive Plan. The targets for the Annual Incentive Plan are adopted each by the Compensation Committee.

No cash bonuses were paid under the Annual Incentive Plan for 2013 because the plan target was not reached.

In March 2014, the Compensation Committee established the targets and bonus amounts for 2014 under the Annual Incentive Plan. In February 2015, the Compensation Committee determined that the target for 2014 had been achieved at the 84% level and approved a total payout under the 2014 Annual Incentive Plan of \$357,687, of which a total of \$113,127 was paid to the Named Executive Officers. For more information, see “Summary Compensation Table.”

In February 2015, the Compensation Committee established the targets and bonus amounts for 2015 under the Annual Incentive Plan. In February 2016, the Compensation Committee determined that the target for 2015 had been achieved at the 64% level and approved a total payout under the 2015 Annual Incentive Plan of \$255,000, of which a total of \$77,405 was paid to the Named Executive Officers. For more information, see “Summary Compensation Table.”

In February 2016, the Compensation Committee established the targets and bonus amounts for 2016 under the Annual Incentive Plan. For more information, see “Annual Incentive Plan.”

Long-Term Incentive Compensation in the Form of Stock Option Awards. The Compensation Committee generally makes awards on an annual basis but also makes awards in connection with new hires and promotions.

In January 2015, the Compensation Committee awarded stock options to the Corporation's executive officers under the 2006 Equity Incentive Plan to purchase shares of common stock at an exercise price of \$6.87 per share. Mr. Gorder was awarded options to purchase 20,000 shares of common stock and each of the other Named Executive Officers was awarded options to purchase 12,000 shares of common stock.

In January 2016, the Compensation Committee awarded stock options to the Corporation's executive officers under the 2015 Equity Incentive Plan to purchase shares of common stock at an exercise price of \$7.58 per share. Mr. Gorder was awarded options to purchase 20,000 shares of common stock and each of the other Named Executive Officers was awarded options to purchase 12,000 shares of common stock.

Employment Agreements and Change in Control Arrangements

We have entered into employment agreements with Mark S. Gorder, our President and Chief Executive Officer, and the other Named Executive Officers.

The employment agreement with Mr. Gorder was based on his prior employment agreement and incorporated the provisions of the change in control agreement that was then in effect. The employment agreements with the other executive officers also contain a similar change in control provision. Among other things, each employment agreement provides for a fixed employment term, subject to annual renewals, the executive's base salary and the executive's right to participate in our bonus plans, equity plans and other employee benefits. In addition, in the event that (i) there occurs a "change in control" (as defined in the agreements) or sale of our assets accounting for 90% of more of our sales and (ii) the executive's employment is involuntarily terminated within one year afterwards, the executive will be entitled to payment of his base salary for one year (two years for Mr. Gorder) in a lump sum and continuation of his medical benefits for a period of one year.

The change in control provisions that we use contain a "double trigger" requirement, meaning that for an executive to receive a payment under the change of control provision, there must be both a change of control, as defined in the applicable agreement, and an involuntary termination of the executive's employment. The double trigger requirement was chosen to prevent us from having to pay substantial payments in connection with a change in control where an executive had not suffered any adverse employment consequences. However, all stock options will vest and become immediately exercisable upon a change of control, regardless of whether the executive is involuntarily terminated.

We believe that employment agreements and change in control protections are important to attract and retain talented executive officers and to protect our executive officers from a termination or significant change in responsibilities arising after a change in control. For more information, see "—Employment Agreements" and "—Potential Payments Upon Termination of Employment or Change in Control."

Accounting and Tax Considerations

Under our prior stock options plans, the Compensation Committee was limited to issuing stock options. The Compensation Committee considers making awards using the other types of awards permitted under the 2015 Equity Incentive Plan in light of FASB ASC Topic 718 - Stock Compensation. This accounting standard requires us to record as compensation expense the grant date fair value of a stock option over the life of the option. The Compensation Committee considers the compensation expense of option and other equity grants when making future awards; however, given that, traditionally, the Compensation Committee has not made large grants of option awards to our executive officers and employees, we do not expect that the compensation expense associated with option grants will have a material adverse effect on our reported earnings.

Generally, Section 162(m) of the Internal Revenue Code of 1986, referred to as the “Internal Revenue Code,” and the Internal Revenue Service, referred to as the “IRS,” regulations adopted under that section, which are referred to collectively as “Section 162(m),” deny a deduction to any publicly held corporation, such as the Corporation, for certain compensation exceeding \$1,000,000 paid during each

calendar year to each of the chief executive officer and the three other highest paid executive officers whose compensation must be reported to shareholders in the proxy statement. Section 162(m) does not apply to qualified performance-based compensation. Our policy is to maximize the tax deductibility of compensation paid to our most highly compensated executives under Section 162(m). For example, awards under our 2015 Equity Incentive Plan are intended to satisfy certain of the requirements for an exemption for “qualified performance-based compensation” under Section 162(m). We do not believe that Section 162(m) will have a material adverse effect on us in 2015.

Summary Compensation Table

The following table summarizes compensation earned during 2015, 2014 and 2013 by our chief executive officer, chief financial officer and each of our executive officers. We refer to these individuals throughout this proxy statement as the “Named Executive Officers.”

For a discussion of (2) valuation assumptions, see Note 13 to our consolidated financial statements included in our annual report on Form 10-K for the fiscal year ended December 31, 2015. The amounts shown include the impact of option forfeitures during 2015. No options were forfeited under all plans during 2015.

(3) Represents amounts payable under the Annual Incentive Plan for services rendered in 2015 and 2014. No amounts were payable under the Annual Incentive Plan for 2013 because the plan target was not reached.

Consists of payment of premiums for group term life insurance maintained for such executives and disability (4) policies maintained for certain executives. In the case of Mr. Gorder, such amount also includes payment of country club membership dues and payment for his automobile lease and related expenses.

Employment Agreements

We have entered into employment agreements with Mark S. Gorder, our President and Chief Executive Officer, and our executive officers.

The employment agreements contain the following material terms:

a current employment term expiring on April 30, 2017, subject to automatic renewal for additional one year terms unless either party gives notice of non-renewal at least sixty (60) days prior to the end of the then current employment term; and

a base salary as determined by the Board of Directors or the Compensation Committee, but in no event less than their base salaries in effect at the time of the agreement.

For a discussion of the provisions relating to the termination of the employment of the executive officer under certain circumstances, see “—Potential Payments Upon Termination of Employment or Change in Control.”

Annual Incentive Plan

In March 2012, the Compensation Committee adopted the Annual Incentive Plan for Executives and Key Employees, referred to as the Annual Incentive Plan. Under the Annual Incentive Plan, our executive officers and key employees are eligible to receive incentive compensation based on (i) the Corporation achieving a designated level of financial results, referred to as the “plan target,” for a designated calendar year, referred to as a “plan year,” and (ii) if applicable, achievement of designated strategic objectives. The plan targets and strategic objectives, if any, will be determined each year by the Compensation Committee. A participant will receive incentive compensation only if the minimum plan target is achieved. No cash bonuses were paid under the Annual Incentive Plan for 2013 because the plan target was not reached. In February 2015, the Compensation Committee determined that the target under the Annual Incentive Plan for 2014 had been achieved at the 84% level and approved a total payout under the 2014 Annual Incentive Plan of \$357,687, of which a total of \$113,127 was paid to the Named Executive Officers. In February 2016, the Compensation Committee determined that the target for 2015 had been achieved at the 64% level and approved a total payout under the 2015 Annual Incentive Plan of \$255,000, of which a total of \$77,405 was paid to

the Named Executive Officers.

In February 2016, the Compensation Committee established the targets and bonus amounts for 2016 under the Annual Incentive Plan. For 2016, based on the Corporation achieving a targeted range of net income, Mr. Gorder will be eligible to receive incentive compensation ranging from 5.0% to 40.0% of his plan year base salary and each of the other Named Executive Officers will be eligible to receive incentive compensation ranging from 5.0% to 27.5% of their plan year base salary. Other employees are eligible to receive from 2.5% to 15.0% of their plan year base salaries depending upon their tier level. Between these points, the amount of the incentive compensation available will increase or decrease proportionately based upon the Corporation achieving more or less than the midpoint of the target range; however, no incentive compensation will be paid if the Corporation achieves less than the low end of the target range and the maximum incentive compensation payable is capped at the Corporation achieving the high end of the target range.

The plan target is based on 2016 net income; provided, that the plan target must be achieved after accruing any incentive compensation payable under the Annual Incentive Plan. In addition, the Named Executive Officers will not be entitled to incentive compensation at the minimum plan target level applicable to other participants. The Committee has the discretion to determine whether (and at what level) the plan target and strategic objectives have been satisfied and to adjust the plan target and strategic objectives as circumstances warrant. The Committee has the authority to weight the importance of the strategic objectives and to determine the amount of the awards if less than all of the strategic objectives are achieved.

The following table shows the potential amounts payable to our Named Executive Officers under the Annual Incentive Plan at different levels of the 2016 plan target.

Name	Potential incentive compensation payable under the Annual Incentive Plan at the following levels of the 2016 Plan Target:		
	Minimum ⁽¹⁾	Target	Maximum
Mark S. Gorder	\$20,900	\$41,800	\$ 167,200
Scott Longval	12,450	24,900	68,475
Michael P. Geraci	12,260	24,520	67,430
Dennis L. Gonsior	11,475	22,950	63,113
Greg Gruenhagen	10,500	21,000	57,750

⁽¹⁾ Represents the minimum target level at which the Named Executive Officers will be eligible for an award.

Equity Plans

The following descriptions summarize our equity plans pursuant to which eligible employees, including the Named Executive Officers, and directors receive equity based awards. Our 2015 Equity Incentive Plan replaced our 2006 Equity Incentive Plan (described below). No additional grants may be made under the 2006 Equity Incentive Plan. Outstanding grants under the 2006 Equity Incentive Plan continue to be governed by their terms and the terms of the 2006 Equity Incentive Plan.

In February 2014, the Board approved amendments to the 2006 Equity Incentive Plan and prior plans to permit “cashless” exercises for all stock options issued under such plans, regardless of whether the form of option agreement or

award contains such a provision.

In February 2015, the Board approved amendments to the 2006 Equity Incentive Plan and prior plans to provide that outstanding options under such plans will vest and become fully exercisable, and will be exercisable for the balance of the original term of the option, in the event of the termination of the participant from the Corporation due to death, disability or retirement, regardless of any contrary provision in the form of option agreement.

2015 Equity Incentive Plan

Shareholders approved the 2015 Equity Incentive Plan in April 2015. The 2015 Equity Incentive Plan permits grants of incentive stock options, options not intended to qualify as incentive stock options, stock appreciation rights, restricted and unrestricted stock awards, restricted stock units, deferred stock units, performance awards, supplemental cash awards and combinations of the foregoing.

The 2015 Equity Incentive Plan is administered by the Compensation Committee of the Board of Directors. The Compensation Committee determines the type of awards to be granted under the 2015 Equity Incentive Plan; selects award recipients and determines the extent of their participation; determines the method or formula for establishing the fair market value of the shares of common stock for various purposes under the 2015 Equity Incentive Plan; and establishes all other terms, conditions, restrictions and limitations applicable to awards and the shares of common stock issued pursuant to awards, including, but not limited to, those relating to a participant's retirement, death, disability, leave of absence or termination of employment. The Compensation Committee may accelerate or defer the vesting or payment of awards, cancel or modify outstanding awards, waive any conditions or restrictions imposed with respect to awards or the shares of common stock issued pursuant to awards and make any and all other interpretations and determinations which it deems necessary with respect to the administration of the 2015 Equity Incentive Plan, other than a reduction of the exercise price of an option after the grant date and subject to the provisions of Section 162(m) of the Internal Revenue Code with respect to "covered employees," as defined in Section 162(m) of the Internal Revenue Code, except that the Committee may not, without the consent of the holder of an award or unless specifically authorized by the terms of the plan or an award, take any action with respect to such award if such action would adversely affect the rights of such holder.

The maximum total number of shares for which awards may be granted under the 2015 Equity Incentive Plan is 500,214 shares of common stock, subject to appropriate adjustment in a manner determined by the Board of Directors to reflect changes in the Corporation's capitalization; however, such authorized share reserve will be increased from time to time by a number of shares equal to the number of shares of common stock that are issuable pursuant to grants outstanding under the 2006 Equity Incentive Plan and certain other plans as of April 24, 2015 that, but for the termination and/or suspension of the 2006 Equity Incentive Plan and such other plans, would otherwise have reverted to the share reserve of the 2006 Equity Incentive Plan pursuant to the terms thereof as a result of the expiration, termination, cancellation or forfeiture of such options.

As of February 23, 2016:

· options to purchase 170,000 shares of common stock were outstanding under the 2015 Equity Incentive Plan;

· 362,791 shares of common stock were available for new awards under the 2015 Equity Incentive Plan which includes shares surrendered for cashless exercises under the 2006 Equity Incentive Plan; and

· options to purchase 1,281,197 shares of common stock were outstanding under the 2006 Equity Incentive Plan, which shares will become available for new awards under the 2015 Equity Incentive Plan in the event of the cancellation, expiration, forfeiture or repurchase of such awards.

The maximum number of shares of common stock for which stock options may be granted to any person in any fiscal year and the maximum number shares of common stock subject to SARs granted to any person in any fiscal year each

is 50,000. The maximum number of shares of common stock subject to other Awards granted to any person in any fiscal year is 50,000 shares.

2006 Equity Incentive Plan

Shareholders approved the 2006 Equity Incentive Plan in April 2006 and, in April 2010 and May 2012, approved amendments to the 2006 Equity Incentive Plan to, among other things, increase the

number of shares of common stock authorized for issuance under that plan. The 2006 Equity Incentive Plan was replaced by the 2015 Equity Incentive Plan in April 2015 and no new awards will be made under the 2006 Equity Incentive Plan. The 2006 Equity Incentive Plan permitted the same types of equity awards as are permitted under the 2015 Equity Incentive Plan. Awards outstanding under the 2006 Equity Incentive Plan will continue to be administered by the Compensation Committee of the Board of Directors and governed by the terms of such Plan and the awards. As noted above, as of February 23, 2016, options to purchase 1,281,197 shares of common stock were outstanding under the 2006 Equity Incentive Plan, which shares will become available for new awards under the 2015 Equity Incentive Plan in the event of the cancellation, expiration, forfeiture or repurchase of such awards.

Potential Payments Upon Termination of Employment or Change in Control

Our employment agreements with our Named Executive Officers provide the following material terms in the event of the termination of the employment of the executive under certain circumstances:

in the event of the termination of the executive's employment without cause, we are required to pay the executive's base salary and medical benefits for a severance period equal to one year (two years in the case of Mr. Gorder with respect to salary); provided that for any executive that has less than 12 years of continuous service with us, the severance period will be equal to 30 days for each year of continuous full-time employment, but in no event less than 90 days or more than one year. We are required to pay the present value of the base salary in a lump sum, using a discount rate of 6%;

in the event that (i) there occurs a change in control or sale of our assets accounting for 90% of more of our sales and (ii) the executive's employment is involuntarily terminated within one year afterwards, we are required to pay the executive's base salary for one year (two years for Mr. Gorder) in a lump sum and to continue medical benefits for a period of one year;

in the sole and absolute discretion of the Board of Directors, in the event that the executive is terminated without cause or there occurs a change of control followed by the executive's involuntary termination, we may elect to pay executive a prorated amount of the bonus that executive would have been entitled to receive for the year in which he was terminated;

the immediate vesting of all stock options and equity awards held by the executive in the event of a change in control or in the event that the executive's employment is terminated (i) by us for any reason other than cause or (ii) by the executive under circumstances that constitute an involuntary termination; and

a one year non-competition covenant (or, if longer, for so long as the period with respect to which executive is entitled to receive, or has received, payment of severance following a termination by us without cause or change of control) and covenants concerning confidentiality and inventions.

In the event that we give a notice of non-renewal of the term of the agreement to the executive and, within 12 months after the date of the non-renewal notice, the executive's employment is terminated by us for any reason other than cause or the death or disability of executive, then the executive will be entitled to the severance benefits described above with respect to a termination without cause except that the severance period shall be reduced by the number of days between the date of the non-renewal notice and the termination of executive's employment.

As defined in the employment agreements:

“Asset Sale” means the sale of our assets (including the stock or assets of our subsidiaries) to which 90% or more of our consolidated sales volume is attributable.

“Cause” means the following, provided that, in the case of circumstances described in the fourth through sixth clauses below, we must have first given written notice to executive, and executive must have failed to remedy the circumstances as determined in the sole discretion of the Board of Directors within 30 days after such notice:

fraud or dishonesty in connection with executive’s employment or theft, misappropriation or embezzlement of our funds;

conviction of any felony, crime involving fraud or knowing misrepresentation, or of any other crime (whether or not such felony or crime is connected with his employment) the

effect of which in the judgment of the Board of Directors is likely to adversely affect us or our affiliates;

- material breach of executive's obligations under the employment agreement;

repeated and consistent failure of executive to be present at work during normal business hours unless the absence is because of a disability as defined in the agreement;

willful violation of any express direction or requirement established by the Board of Directors, as determined by a majority of Board of Directors;

insubordination, gross incompetence or misconduct in the performance of, or gross neglect of, executive's duties under the employment agreement, as determined by a majority of the Board of Directors; or

use of alcohol or other drugs which interfere with the performance by executive of his duties, or use of any illegal drugs or narcotics.

“Change of control” of means an “asset sale” or a “change in majority stock ownership.”

“Change in majority stock ownership” means the acquisition by any “person” (as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, referred to as the “Exchange Act”), including any affiliate or associate as defined in Rule 12b-2 under the Exchange Act of such person, or any group of persons acting in concert, other than us, any trustee or other fiduciary holding securities under an employee benefit plan of ours, or any corporation or other entity owned, directly or indirectly, by our shareholders in substantially the same proportion as their ownership of capital stock of us, of “beneficial ownership” (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of 50% or more of the combined voting power of our then outstanding securities.

“Involuntarily terminated” means:

- any termination of the employment of executive by us other than for cause, death or disability; or

- any termination of employment of the executive by executive following:

a material diminution in the executive's base compensation;

a material diminution in the executive's authority, duties, or responsibilities;

a material diminution in the authority, duties, or responsibilities of the supervisor to whom the executive is required to report, including a requirement that an executive report to a corporate officer or employee instead of reporting directly to the board of directors;

a material diminution in the budget over which the executive retains authority;

a material change in the geographic location at which the executive must perform the services; or

any other action or inaction that constitutes a material breach by us under the agreement.

Provided, however, that with respect to any termination by executive pursuant to the foregoing, executive shall have first provided notice to us of the existence of the condition proposed to be relied upon within 90 days of the initial existence of the condition, and shall have given us a period of 30 days during which we may remedy the condition and we shall have failed to do so during such period.

The change in control provisions that we use contain a "double trigger" requirement, meaning that for an executive to receive a payment under the change of control provision, there must be both a

change of control, as defined in the applicable agreement, and an involuntary termination of the executive's employment. The double trigger requirement was chosen to prevent us from having to pay substantial payments in connection with a change in control where an executive had not suffered any adverse employment consequences. However, all stock options will vest and become immediately exercisable upon a change of control, regardless of whether the executive is involuntarily terminated.

Disability Benefits for Certain Named Executive Officers. We provide all of our full-time salaried employees with short-term disability benefits for six months. We also maintain a disability insurance policy on behalf of certain members of our senior management, including our Named Executive Officers, which is in addition to the disability benefits that we maintain for our salaried employees. In the event that any of these executives became disabled, as provided in their respective policies, was unable to return to the performance of their duties after six months and was terminated as an employee effective as of December 31, 2015, they would be paid monthly benefits as follows: Mr. Gorder - \$8,370 per month; Mr. Geraci - \$6,450 per month; Mr. Gonsior - \$5,860 per month; Mr. Gruenhagen - \$6,935 per month; and Mr. Longval \$3,250 per month.

Equity Plans. Our Named Executive Officers hold unvested stock options under our 2006 Equity Incentive Plan and our 2015 Equity Incentive Plan.

Under our 2006 Equity Incentive Plan and 2015 Equity Incentive Plan, all unvested options will automatically accelerate and become vested upon the death, disability, retirement of the holder or upon a change of control of us, as defined in that Plan.

Under the 2006 Equity Incentive Plan and 2015 Equity Incentive Plan, options held by an employee whose employment is terminated for cause, as defined in those plans, will terminate immediately. In addition, under the 2006 Equity Incentive Plan and 2015 Equity Incentive Plan, the voluntary resignation of employment by an employee, other than for retirement as defined, will not result in the acceleration of unvested options.

Certain Relationships and Related Party Transactions

Mr. Gorder, our president, chief executive officer and a director, is a general partner (with a one-third interest) of Arden Partners I, L.L.P., a Minnesota limited liability partnership, referred to as Arden, that owns and leases to us property under a lease entered into in 1991, which we use as a manufacturing facility. In October 2013, the lease was renewed with a term expiring on October 31, 2016. Under the lease, we pay Arden a base monthly rent of approximately \$31,007 plus real estate taxes and other charges. In 2015 and 2014, we paid Arden approximately \$487,000 each year for rent, real estate taxes and other charges. Mr. Gorder's interest in such payments was

approximately \$163,000 in each of 2015 and 2014.

We use the law firm of Blank Rome LLP for legal services. A partner of that firm is the son-in-law of the Chairman of our Board of Directors, Mr. McKenna; however, the legal services are provided by other attorneys at that firm and not by the son-in-law. In 2015 and 2014, we paid that firm approximately \$203,000 and \$156,000, respectively, for legal services and costs. The interest of the son-in-law in such amounts is not determinable.

The foregoing transactions were approved by the disinterested members of the Audit Committee pursuant to its written policy applicable to related party transactions.

PROPOSAL 2

ADVISORY VOTE ON EXECUTIVE COMPENSATION

As described in detail under the heading “Executive Compensation” beginning on page 17 of this Proxy Statement, our executive compensation program is designed to attract and retain talented and dedicated executive officers and to align a significant portion of their compensation with our business objectives and performance and the interests of our shareholders. We believe that our program creates an environment of shared risk between our executive officers and our shareholders by including equity based awards and cash compensation based on financial performance as part of our executive compensation program. We believe that our executive compensation program should focus management’s attention on achieving both annual performance targets and profitable growth over a longer time period. The program is designed to reward management for the achievement of both short and long term strategic objectives as established by the Board of Directors. Additional details about our executive compensation programs, including information about executive compensation for the fiscal year ended December 31, 2015, are described under the section entitled “Executive Compensation” which begins on page 17 of this Proxy Statement.

Securities laws require that we provide our shareholders with the opportunity to vote to approve, on a nonbinding, advisory basis, the compensation of our Named Executive Officers as disclosed in this proxy statement at least once every three years, commonly known as a “say-on-pay” proposal. In accordance with the shareholders’ advisory vote on the frequency of the say-on-pay vote that was held at the 2013 annual meeting of shareholders, the Board of Directors has determined to hold the say-on-pay vote on executive compensation every year until we hold another advisory vote on the frequency of the say-on-pay vote.

We are asking our shareholders to indicate their support for our Named Executive Officer compensation as described in this Proxy Statement. This proposal gives our shareholders the opportunity to express their views on the compensation of our Named Executive Officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, the following resolution is submitted for shareholder vote at the Annual Meeting:

“RESOLVED, that the shareholders of IntriCon Corporation hereby APPROVE, on an advisory basis, the compensation paid to its named executive officers, as disclosed in the Proxy Statement for the 2016 annual meeting of shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and the narrative discussion that accompany the compensation tables.”

This say-on-pay vote is advisory, and therefore not binding on the Corporation, the Compensation Committee or our Board of Directors. Our Board and our Compensation Committee value the opinion of our shareholders and to the extent there is any significant vote against the compensation of Named Executive Officers as disclosed in this Proxy Statement, we will consider our shareholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns. Proxies submitted without direction pursuant to this solicitation will be voted "for" approval of the compensation of our Named Executives Officers as disclosed in this proxy statement.

The Board of Directors recommends a vote "FOR" the approval of the compensation of our Named Executive Officers as disclosed in this proxy statement.

PROPOSAL 3

AMENDMENT OF EMPLOYEE STOCK PURCHASE PLAN

Description of the Proposal

The Employee Stock Purchase Plan (the “Purchase Plan”) was approved by the shareholders in 2007 and authorized the issuance of 100,000 shares of common stock under the Plan. In 2011, the shareholders approved an amendment to the Purchase Plan to increase the number of shares of common stock which may be purchased thereunder by an additional 100,000 shares. As of February 29, 2016, approximately 27,904 Shares of common stock remained available for purchase under the Purchase Plan. If the amendment to the Purchase Plan is not approved by shareholders, the Corporation will exhaust these previously authorized shares in the coming months or years, and thereafter employees will no longer be able to purchase Shares of common stock under the Purchase Plan.

The Corporation is submitting the amendment to the Purchase Plan to shareholders for approval in accordance with the requirements of Section 423(a) of the Internal Revenue Code of 1986, as amended (the “Code”).

Description of the Purchase Plan

The material terms of the Purchase Plan are summarized below. A copy of the full text of the Purchase Plan, as proposed to be amended, is attached as Appendix A to this Proxy Statement. This summary of the Purchase Plan is not intended to be a complete description of the Purchase Plan and is qualified in its entirety by the actual text of the Purchase Plan to which reference is made. Capitalized terms used but not defined herein have the meanings set forth in the Purchase Plan.

General

The purpose of the Purchase Plan is to provide employees with an attractive opportunity to purchase shares of our common stock with the belief that participating employees will, as shareholders, be more likely to think and act like owners. In addition, in order to attract and retain quality employees, we must provide a competitive benefits package. The Purchase Plan has been an attractive addition to our existing employee benefits. The Purchase Plan provides

eligible employees the opportunity to purchase shares of our common stock at a discount of up to 10% through payroll deductions. We designed the Purchase Plan so that participating employees and the Corporation receive favorable tax treatment.

Number of Shares Subject to the Plan

A maximum of 200,000 Shares of common stock may be sold under the Purchase Plan. The Committee may adjust this number in the event of a capital adjustment affecting our Shares of common stock. As of February 29, 2016, 27,904 shares of common stock remained available for purchase. As of March 8, 2016, the closing price of our common stock was \$6.80 per share.

Shares of common stock which may be purchased under the Purchase Plan may be shares acquired in the open market (on an exchange or in negotiated transactions), previously acquired treasury shares, authorized and unissued shares or any combination thereof.

In February 2016, the Board of Directors approved an amendment to the Purchase Plan to increase the number of Shares of common stock which may be purchased under the Purchase Plan by 100,000 shares, subject to shareholder approval. Assuming Proposal 3 is approved by shareholders, a total of 127,904 shares would be available for purchase under the Purchase Plan.

Eligibility

All employees of the Corporation and each of our domestic subsidiaries are eligible to participate in the Purchase Plan once they have been employed by us for twelve months. However, the following persons are not eligible:

Part-time employees (those whose customary employment is for 20 hours or less a week or not more than five months a year); and

Any employee who owns, or would own upon exercising any rights under the Purchase Plan or any other option, shares representing 5% or more of the total combined voting power or value of our shares of common stock or the stock of any of our subsidiaries.

An individual must be employed by us on the first day of a subscription period (as described below) in order to participate in the Purchase Plan for that subscription period. As of March 8, 2016, approximately 216 employees were eligible to participate in the Purchase Plan.

Subscription Periods and Participation Election

The subscription periods under the Purchase Plan are the three-month period beginning on the first day of each January, April, July and October. Prior to the beginning of each subscription period, eligible employees may elect to have up to 20% of their cash compensation (excluding bonuses and employee benefit amounts) deducted and paid into the Purchase Plan throughout the subscription period, subject to the annual limitation described below. After the beginning of a subscription period, an employee may not change the rate of his or her payroll deductions for that subscription period, except to reduce the amount of the payroll deduction to zero by terminating his or her participation in the Plan (see "Termination of Participation" below).

Method of Purchase; Purchase Price

Under the Purchase Plan, a separate bookkeeping account is maintained for each participant, which reflects the accumulated payroll deductions made on behalf of the participant from time to time, reduced for any distributions from such account pursuant to the provisions of the Purchase Plan. On the last day of each subscription period, the amount deducted from an employee's pay is automatically applied toward the purchase of our shares of common stock at a purchase price equal to 90% of the fair market value of a share of common stock on that day (generally, the last updated sales price of a share of common stock as reported on Nasdaq). The Committee has the authority to reduce or

eliminate the discount prior to the beginning of a subscription period. Only whole shares are purchased for a participating employee. Any amounts remaining in a participant's account after the maximum number of whole shares has been purchased is returned to the participant, without interest, as soon as administratively possible except that amounts which represent less than the purchase price of one whole share of common stock are held, without interest, for use in the next subscription period. Dividends, if any, earned on any shares held in a participant's account are reinvested in shares of our shares of common stock and credited to the participant's account. After the close of each subscription period, information is made available to each participant regarding the activity in such participant's account for such subscription period, including the number of shares of common stock purchased and the applicable purchase price.

Maximum Purchase Levels

Under the Purchase Plan, no employee may purchase more than \$25,000 worth of stock in any calendar year (based on the fair market value of our shares of common stock on the first day of the applicable subscription periods), even if that amount is within the 20% deduction limit mentioned above. In addition, no employee may purchase more than 1,250 shares of common stock during any subscription period, subject to adjustment in the event of any capital adjustment affecting our shares of common stock.

Termination of Participation

An employee may voluntarily terminate his or her participation in the Purchase Plan by notifying us in writing at least 15 business days (or such other period designated by the Committee) before the last day of any subscription period.

If an employee voluntarily terminates his or her participation in the Purchase Plan, we will:

- not make further payroll deductions from that employee's compensation;
- use the cash balance of that employee's Purchase Plan account to buy our shares of common stock at the end of the subscription period and pay the employee any cash balance of his or her Purchase Plan account without interest; and
- continue to hold on behalf of that employee any shares of common stock previously purchased in his or her Purchase Plan account or transfer those shares of common stock pursuant to the employee's instructions.

An employee's participation in the Purchase Plan will automatically terminate when his or her employment with us ends or when he or she ceases to be an eligible employee. In either such event, we will:

- not make further payroll deductions from the employee's compensation;
- pay the employee the cash balance of his or her Purchase Plan account without interest; and
- credit, to a book entry account in the participant's name, the number of full shares of common stock purchased under the Purchase Plan and held for his or her benefit, or if the employee so elects, credit those shares to:
 - a brokerage account designated by the participant, or
 - an account with the same entity that acts as our designated agent under the Purchase Plan.

Adjustments

If the Corporation effects any subdivision or consolidation of shares of common stock or other capital readjustment, payment of stock dividend, stock split, combination of shares or recapitalization or other increase or reduction of the number of shares of common stock outstanding without receiving compensation therefor in money, services or property, then, subject to the requirements of Section 423 of the Code, the Committee may make such adjustments as it may deem appropriate, in its discretion to the number of shares of common stock available under the Purchase Plan and the maximum number of shares of common stock that may be purchased by a participant during any subscription period to reflect appropriately such action by the Corporation.

Amendment and Termination

The Corporation, by action of the Board of Directors or the Committee, may amend or terminate the Purchase Plan at any time, except that no amendment may adversely affect the right of any participant with respect to shares of common stock purchased prior to the date the amendment was adopted, and no amendment may be made without shareholder approval to the extent that approval is required to maintain compliance with Section 423 of the Code.

Federal Income Tax Consequences

The following is a brief description of the U.S. federal income tax treatment that will generally apply with respect to purchases under the Purchase Plan by participants who are subject to U.S. income tax. This discussion is based on U.S. federal tax laws and regulations presently in effect, which are subject to change, and the discussion does not purport to be a complete description of the U.S. federal

income tax aspects of the Purchase Plan. Participants may also be subject to foreign, state and/or local taxes in connection with purchases under the Purchase Plan, which could differ significantly from U.S. federal income tax consequences. We suggest that participants consult with their individual tax advisors to determine the applicability of the tax aspects of purchases to their personal circumstances.

The Plan is intended to qualify under Section 423 of the Code. Under this section, a participant will not be required to recognize taxable income at the time shares of common stock are purchased under the Purchase Plan. The participant may, however, become liable for tax upon the disposition of the shares of our shares of common stock acquired, as described below.

In the event that shares of common stock acquired pursuant to the Purchase Plan are not sold or disposed of (including by way of gift) prior to two years after the first day of the subscription period in which they are purchased or one year after the last day of the subscription period, or in the event of an employee's death whenever occurring, the lesser of (a) the excess of the fair market value of the shares of common stock on the date of disposition over the purchase price, or (b) the excess of the fair market value of the shares of common stock on the first day of the subscription period over an amount equal to what the purchase price would have been if it had been computed as of that date, will be treated as ordinary income to the participant. Any further gain on disposition will be treated as long-term capital gain and any loss will be treated as a capital loss. We are not entitled to any tax deduction under this scenario.

In the event a participant sells or disposes of shares acquired pursuant to the Purchase Plan before the expiration of the holding periods described above, the excess of the fair market value of the shares of common stock on the last day of the subscription period, over the purchase price will be treated as ordinary income to the participant. This excess will constitute ordinary income in the year of sale or other disposition even if no gain is realized on the sale or a gratuitous transfer of the shares of common stock is made. The balance of any gain will be treated as a capital gain and will be treated as a long-term capital gain if the shares of common stock have been held for more than one year. If the shares of common stock are sold for less than their fair market value on the last day of the subscription period, the participant may recognize a capital loss equal to the difference between the sales price and the value of the shares of common stock on the last day of the subscription period. We are entitled to a deduction for our taxable year in which such sale or disposition occurs equal to the amount of income includible in the participant's gross income as ordinary income under this scenario.

Accounting Treatment

Under FASB ASC 718 we are required to record as a compensation expense the discount that we provide to our employees from the fair market value of our shares of common stock on the last day of the subscription period. We do not expect that the amount of this compensation expense will have a material effect on our reported earnings.

New Plan Benefits

Participation in the Purchase Plan is voluntary and dependent upon each eligible employee's election to participate, and the benefit of participating will depend on the fair market value of our shares of common stock. Accordingly, future benefits that would be received by our executive officers and eligible employees under the proposed amendment to the Purchase Plan are not determinable at this time. If our shareholders do not approve the amendment to the Purchase Plan, the plan will continue in effect with respect to the shares of common stock currently available for purchase.

The Board of Directors recommends that the shareholders vote for approval of the amendment to the Purchase Plan.

Section 16(a) Beneficial Ownership Reporting Compliance

Based on the Corporation's review of the copies of these reports received by it and written representations, if any, received from reporting persons with respect to the filing of reports of Forms 3, 4 and 5, the Corporation believes that all filings required to be made by the reporting persons for fiscal year 2015 were made on a timely basis, except that one Form 4 report for Mr. Gruenhagen was not timely filed.

Shareholder proposals for the 2017 Annual Meeting of Shareholders must be submitted to the Corporation by November 18, 2016 to receive consideration for inclusion in the Corporation's Proxy Statement relating to the 2017 Annual Meeting of Shareholders. Any such proposal must also comply with SEC proxy rules, including SEC Rule 14a-8, and any applicable requirements set forth in the bylaws.

This means that street name holders who share the same last name and address will receive only one copy of the Corporation’s annual report and proxy statement, unless the Corporation receives contrary instructions from a street name holder at that address. The Corporation will continue to mail a proxy card to each shareholder of record who requests it.

INTRICON CORPORATION

2007 EMPLOYEE STOCK PURCHASE PLAN, AS AMENDED

SECTION 1

GENERAL

1.1. *Purpose.* The IntriCon Corporation 2007 Employee Stock Purchase Plan (the “Plan”) has been established by IntriCon Corporation (the “Company”) to provide eligible employees of the Company and the Related Companies (each of which is referred to herein as an “Employer”) with an opportunity to acquire a proprietary interest in the Company through the purchase of common shares of the Company (“Stock”). The Plan is intended to qualify as an employee stock purchase plan under section 423 of the Code, and the provisions of the Plan are to be construed in a manner consistent with the requirements of that section.

1.2. *Defined Terms.* Capitalized terms in the Plan will be defined as set forth in Section 6 or elsewhere in the Plan.

SECTION 2

METHOD OF PURCHASE

2.1. *Eligibility.* Plan participation will be available to (and will be limited to) each employee of an Employer beginning on the first day of the twelfth month following such employee’s date of hire by his or her Employer, except that the following persons will not be eligible to participate in the Plan:

(a) An employee whose customary employment is 20 hours or less per week.

(b) An employee whose customary employment is for not more than five months in any calendar year.

(c) An employee who owns, or who would own upon the exercise of any rights extended under the Plan and the exercise of any other option held by the employee (whether qualified or non-qualified), shares possessing 5% or more of the total combined voting power or value of all classes of stock of the Company or of any Related Company. For purposes of this section 2.1(c), the rules of section 424(d) of the Code will apply in determining the stock ownership of an employee.

For purposes of the Plan, the term “employee” will not include any individual for any period during which such individual’s services are performed pursuant to the terms of a contract, either with such individual himself or herself or with a leasing organization or agency, that purports to treat the individual as either an independent contractor or an employee of such agency or leasing organization.

In addition to the foregoing provisions of this section 2.1, an individual may participate in the Plan for any Subscription Period (as defined in section 2.2) only if he or she is employed by an Employer on the first day of that period.

2.2. *Participation Election.* A “Subscription Period” for the accumulation of funds necessary for payment of the Purchase Price (as defined in section 2.3) of Stock under the Plan will consist of a three month period, beginning on each January 1, April 1, July 1, and October 1 commencing on or after the Effective Date and prior to the termination of the Plan. For any Subscription Period, an eligible employee will become a Plan “Participant” by filing a payroll deduction authorization (an “Authorization”) with respect to Compensation otherwise payable to the Participant during such Subscription Period. The Authorization will be filed with the Company or a designated agent at the time and in the manner specified by the Committee. Such payroll deductions will be any full percentage of the Compensation of the Participant up to but not more than 20% of his or her Compensation. Such Authorization shall remain in effect until modified by the Participant or the Participant’s participation in

the Plan terminates in accordance with section 2.4. After the beginning of the Subscription Period, and except as otherwise provided in section 2.4, a Participant may not change the rate of his or her payroll deductions for that Subscription Period. A Participant may change the amount of his or her payroll deduction effective as of the first day of any Subscription Period by filing a new Authorization with the Company or a designated agent at the time and in the manner specified by the Committee. Subject to compliance with the applicable rules adopted by the Committee, any Authorization will be effective on the first day of the Subscription Period following the day the Company or its designated agent receives such Authorization.

Subject to the limitations of section 2.3, each eligible employee who has elected to become a Participant in accordance with the foregoing provisions of this section 2.2 will be deemed to have been granted an option on the first day of each Subscription Period to purchase (at the applicable Purchase Price) on the Exercise Date (as defined in section 2.3) shares of Stock in accordance with section 2.3. Exercise of the option will occur as provided in section 2.3, except as provided in section 2.4. The option will expire on the last day of the Subscription Period.

The Committee may at any time amend, suspend, or terminate any participation procedures established pursuant to this section 2.2 without prior notice to any Participant or eligible employee.

2.3. *Purchase of Stock.* On the last day of each Subscription Period (the “Exercise Date”), a Participant will be deemed to have exercised his or her option to purchase that whole number of shares of Stock equal to the quotient of (i) the cash balance in the Participant’s Account (as defined in section 3.4) as of the Exercise Date and (ii) the Purchase Price. Any amounts remaining in a Participant’s Account after deducting the Purchase Price of the option shall be returned to the Participant, without interest, as soon as administratively possible thereafter except that amounts which represent less than the Purchase Price of a whole share of Stock shall be held, without interest, for use on the next Exercise Date

The “Purchase Price” per share will be equal to 90% of the Fair Market Value of a share of Stock on the Exercise Date; provided, however, that the Committee shall have the authority to set the Purchase Price at a price up to 100% of the Fair Market Value from time to time prior to the beginning of a Subscription Period. If such amount results in a fraction of one tenth of one cent, the Purchase Price will be increased to the next higher tenth of one cent. In no event will the Purchase Price be less than the par value of the Stock.

The Company may, at its election, upon the exercise of options (i) issue Stock in the name of the Plan, for the benefit of the Participants or (ii) reflect the issuance of Stock in book entry form with noncertificated Stock. In either event, the Company shall cause to be delivered to each Participant, at least annually, a statement that will reflect the number of shares of Stock purchased from the Participant’s Account and the Purchase Price of such Stock.

No employee will have the right to purchase more than \$25,000 in value of Stock under the Plan (and any other employee stock purchase plan described in Code section 423 and maintained by the Company or any Related Company) in any calendar year, such value being based on the Fair Market Value of a share of Stock as of the date on which the option to purchase the Stock is granted, as determined in accordance with section 2.2 of the Plan. This section 2.3 will be interpreted in accordance with section 423(b)(8) of the Code.

Notwithstanding anything contained herein to the contrary, the number of shares of Stock which may be purchased by any Participant during any Subscription Period will not exceed 1,250, subject to adjustment as provided in section 3.3.

2.4. *Termination of Participation.* A Participant may, at any time and for any reason, voluntarily terminate participation in the Plan by notification of withdrawal from the Plan in the manner specified by the Committee, provided such notification is received by the Company or its designated agent at least 15 business days (or such other period as designated by the Committee) prior to the Exercise

Date of any Subscription Period. If a Participant's employment with the Employers terminates for any reason or a Participant ceases to be an eligible employee, such Participant's participation in the Plan will immediately terminate.

If a Participant who is an eligible employee voluntarily terminates his or her participation in the Plan, (i) no further payroll deductions will be made from his or her Compensation, (ii) the cash balance of the Participant's Account will be used to purchase shares of Stock for the Subscription Period in which such termination occurs (at the time specified in, and in accordance with, section 2.3) and any balance remaining shall be returned to the Participant, without interest, as soon as administratively possible thereafter, and (iii) the number of shares of Stock purchased under the Plan will continue to be held on behalf of the Participant in his or her Account.

If a Participant's employment with the Employers terminates or a Participant ceases to be an eligible employee so that the Participant's participation in the Plan is automatically terminated as provided in this section 2.4, (i) no further payroll deductions will be made from his or her Compensation, (ii) the cash balance of the Participant's Account will be paid to him or her without interest, as soon as administratively possible and (iii) the number of full shares of Stock purchased under the Plan and held for his or her benefit will be credited to a book entry account in the Participant's name maintained by the Company's transfer agent, or, if the Participant so elects, in the time and manner specified by the Committee, to a brokerage account designated by the Participant. Notwithstanding the preceding sentence, in lieu of having the shares of Stock issued to a book entry or brokerage account, such Participant may direct the Company or its designated agent to continue to maintain his or her Account with the same entity that acts as the Company's designated agent under the Plan, subject to any conditions imposed by such entity.

2.5 *No Fractional Shares.* Only whole shares of Stock may be acquired through the exercise of an option. Amounts remaining in a Participant's Account after the maximum number of whole shares have been purchased on any Exercise Date shall be held for use on the next Exercise Date, as provided in Section 2.3 above.

SECTION 3

OPERATION AND ADMINISTRATION

3.1. *Effective Date.* Subject to the approval of the shareholders of the Company within 12 months after the date of its adoption by the Board, the Plan will be effective on the Effective Date.

3.2. *Shares Subject to Plan.* Shares of Stock to be purchased under the Plan will be subject to the following:

(a) The shares of Stock which may be purchased under the Plan will be shares purchased in the open market (on an exchange or in negotiated transactions) or, if the Company's Chief Financial Officer, in his or her discretion, deems it necessary or advisable, shares sold hereunder may be previously acquired treasury shares, authorized and unissued shares, or any combination of shares purchased in the open market or in negotiated transactions, previously acquired treasury shares or authorized and unissued shares.

(b) Subject to the provisions of section 3.3, the number of shares of Stock which may be purchased under the Plan will not exceed 300,000 shares in the aggregate.

(c) If, on an Exercise Date, Participants in the aggregate have outstanding Options to purchase more shares of Stock than are then available for purchase under the Plan, each Participant will be eligible to purchase a reduced number of shares of Stock on a pro rata basis and any excess payroll deductions will be returned to Participants, without interest, all as provided by uniform and nondiscriminatory rules adopted by the Committee.

3.3. *Adjustments to Shares.* If the Company will effect any subdivision or consolidation of

A-3

shares of Stock or other capital readjustment, payment of stock dividend, stock split, combination of shares or recapitalization or other increase or reduction of the number of shares of Stock outstanding without receiving compensation therefor in money, services or property, then, subject to the requirements of Code section 423, the Committee will adjust the number of shares of Stock available under the Plan and the maximum number of shares that may be purchased by a Participant during any Subscription Period to reflect appropriately such action by the Company.

3.4. *Plan Accounts.* The Committee will cause a separate bookkeeping account (an “Account”) to be maintained for each Participant, which Account will reflect the accumulated payroll deductions made on behalf of the Participant from time to time, reduced for any distributions from such Account pursuant to the provisions of the Plan. No interest will accrue at any time for any amount credited to an Account of a Participant. In the event a Participant elects to sell any of the shares of Stock held in his or her Account, the Participant’s Account will be subject to all transaction fees associated with such disposition.

The Stock purchased by each Participant pursuant to the provisions of the Plan will be credited to such Participant’s Account as soon as practicable after, and effective as of the close of business on, the last day of each Subscription Period. Dividends earned on any shares of Stock held in an Account will be automatically reinvested in shares of Stock of the Company and credited to the Participant’s Account.

After the close of each Subscription Period, information will be made available to each Participant regarding the activity in such Participant’s Account for such Subscription Period, including the number of shares of Stock purchased and the applicable Purchase Price. In the event that the maximum number of shares of Stock are purchased by a Participant for a Subscription Period and cash remains credited to the Participant’s Account, such cash will be paid to the Participant without interest, as soon as administratively possible.

3.5. *Limit on Distribution.* Distribution of shares of Stock or other amounts under the Plan will be subject to the following:

(a) Notwithstanding any other provision of the Plan, the Company will have no liability to issue any shares of Stock under the Plan unless such delivery or distribution would comply with all applicable laws and the applicable requirements of any securities exchange or similar entity.

(b) In the case of a Participant who is subject to Section 16(a) and 16(b) of the Securities Exchange Act of 1934, as amended, the Committee may, at any time, add such conditions and limitations with respect to such Participant as the Committee, in its sole discretion, deems necessary or desirable to comply with Section 16(a) or 16(b) and the rules

and regulations thereunder or to obtain any exemption therefrom.

3.6. *Withholding.* All shares of Stock issued hereunder and any payments pursuant to the Plan are subject to withholding of all applicable taxes and the Employers will have the right to withhold from any payment or distribution of shares or to collect as a condition of any payment or distribution under the Plan, as applicable, any taxes required by law to be withheld. To the extent provided by the Committee, a Participant may elect to have any distribution of shares otherwise required to be made pursuant to the Plan withheld, or may surrender to the Employers shares of Stock already owned by the Participant, to fulfill any tax withholding obligation; provided, however, in no event will the Fair Market Value of the number of shares so withheld (or accepted) (as of the date immediately preceding the date withheld or accepted) exceed the amount necessary to meet the minimum Federal, state and local marginal tax rates then in effect that are applicable to the Participant and to the particular transaction.

3.7. *Transferability.* Except as otherwise permitted under Code section 423 and Rule 16b-3, a Participant's Account, the amount of any payroll deductions made with respect to a Participant's Compensation and any Participant's rights to purchase shares of Stock under the Plan may not be pledged, hypothecated, assigned or transferred other than by will and the laws of descent and distribution. During

the lifetime of a Participant, the rights provided to the Participant under the Plan may be exercised only by him or her.

3.8. *Limitation of Implied Rights.*

(a) Neither a Participant nor any other person will, by reason of the Plan, acquire any right in or title to any assets, funds or property of the Employers whatsoever, including, without limitation, any specific funds, assets, or other property which the Employers, in their sole discretion, may set aside in anticipation of a liability under the Plan. A Participant will have only a contractual right to the shares of Stock and amounts, if any, payable under the Plan, unsecured by any assets of the Employers. Nothing contained in the Plan will constitute a guarantee by any of the Employers that the assets of the Employers will be sufficient to pay any benefits to any person.

(b) The Plan does not constitute a contract of employment, and participation in the Plan will not give any employee the right to be retained in the employ of an Employer or any Related Company, nor any right or claim to any benefit under the Plan, unless such right or claim has specifically accrued under the terms of the Plan. Except as otherwise provided in the Plan, no right to purchase shares under the Plan will confer upon the holder thereof any right as a shareholder of the Company prior to the date on which he or she fulfills all service requirements and other conditions for receipt of such rights.

3.9. *Evidence.* Evidence required of anyone under the Plan may be by certificate, affidavit, document or other information which the person acting on it considers pertinent and reliable, and signed, made or presented by the proper party or parties.

3.10. *Action by Employers.* Any action required or permitted to be taken by any Employer will be by resolution of its board of directors, or by action of one or more members of the board (including a committee of the board) who are duly authorized to act for the board, or (except to the extent prohibited by the provisions of Rule 16b-3, applicable local law, the applicable rules of any stock exchange, or any other applicable rules) by a duly authorized officer of the Employer.

3.11. *Gender and Number.* Where the context admits, words in any gender will include any other gender, words in the singular will include the plural and the plural will include the singular.

SECTION 4

COMMITTEE

4.1. *Administration.* The authority to control and manage the operation and administration of the Plan will be vested in the Compensation Committee of the Board or a subcommittee of the Compensation Committee (the “Committee”) in accordance with this section 4. The Committee will consist of such number and type of members as may be required for compliance with Rule 16b-3.

4.2. *Powers of Committee.* The authority to manage and control the operation and administration of the Plan will be vested in the Committee, including, without limitation, the power and authority to:

(a) establish the terms, conditions, restrictions, Purchase Price (subject to Section 2.3) and other provisions applicable to the right to purchase shares of Stock under the Plan; and

(b) interpret the Plan, establish, amend, and rescind any rules and regulations relating to the Plan, determine the terms and provisions of any agreements made pursuant to the Plan, and make all other determinations that may be necessary or advisable for the administration of the Plan.

Any interpretation of the Plan by the Committee and any decision made by it under the Plan is final and binding on all persons.

4.3. *Delegation by Committee.* Except to the extent prohibited by the provisions of Rule 16b-3, applicable law, the applicable rules of any stock exchange, or any other applicable rules, the Committee

may allocate all or any portion of its responsibilities and powers to any one or more of its members, and may delegate all or any part of its responsibilities and powers to any person or persons selected by it or appoint such agents as the Committee will deem appropriate. Any such allocation or delegation may be revoked by the Committee at any time.

4.4. *Information to be Furnished to Committee.* The Employers and Related Companies will furnish the Committee and its designees with such data and information as may be required for them to discharge their duties with respect to the Plan. The records of the Employers and Related Companies as to an employee's or Participant's employment, termination of employment, leave of absence, reemployment and compensation will be conclusive on all persons unless determined to be incorrect. Participants and other persons entitled to benefits under the Plan must furnish the Committee such evidence, data or information as the Committee considers desirable to carry out the terms of the Plan.

4.5. *Liability and Indemnification of Committee.* No member or authorized delegate of the Committee will be liable to any person for any action taken or omitted in connection with the administration of the Plan unless attributable to his or her own fraud or willful misconduct; nor will the Employers be liable to any person for any such action unless attributable to fraud or willful misconduct on the part of a director or employee of the Employers. The Committee, the individual members thereof, and persons acting as the authorized delegates of the Committee under the Plan, will be indemnified by the Employers, to the fullest extent permitted by law, against any and all liabilities, losses, costs and expenses (including legal fees and expenses) of whatsoever kind and nature which may be imposed on, incurred by or asserted against the Committee or its members or authorized delegates by reason of the performance of a Committee function if the Committee or its members or authorized delegates did not act dishonestly or in willful violation of the law or regulation under which such liability, loss, cost or expense arises. This indemnification will not duplicate but may supplement any coverage available under any applicable insurance.

SECTION 5

AMENDMENT AND TERMINATION

The Board or the Committee may, at any time, amend the Plan, provided that, subject to section 3.3 (relating to certain adjustments to shares), no amendment may adversely affect the rights of any Participant or beneficiary with respect to shares that have been purchased prior to the date such amendment is adopted by the Committee. No amendment of the Plan may be made without approval of the Company's shareholders to the extent that such approval is required to maintain compliance with the requirements of Code section 423.

The Company, by action of the Board or the Committee, may at any time terminate the Plan, in which case notice of such termination will be given to all Participants, but any failure to give such notice will not impair the effectiveness

of the termination. Such termination will not adversely affect the rights of any Participant or beneficiary with respect to shares of Stock that have been purchased on or prior to the date of such termination.

In the event of Plan termination pursuant to this section 5, (i) the cash balance of the Participant's Account will be paid to him or her without interest as soon as administratively possible and (ii) the number of full shares of Stock purchased under the Plan and held for his or her benefit will be credited to a book entry account in the Participant's name maintained by the Company's transfer agent, or, if the Participant so elects, in the time and manner specified by the Committee, to a brokerage account designated by the Participant.

A-6
