PROXY STATEMENT

We are furnishing this proxy statement in connection with the solicitation of proxies by our Board of Directors for use at the 2017 annual meeting of shareholders of Industrial Services of America, Inc. ("ISA" or the "Company"), which we are holding at Building No. 1, 7100 Grade Lane, Louisville, KY 40213 at 10:00 A.M. (Eastern Daylight Time) on Tuesday, August 8, 2017, and at any and all adjournments thereof, for the purposes set forth in the accompanying notice of the meeting.

We will vote shares represented by duly executed proxies in the accompanying form received before the meeting and not revoked at the meeting or at any adjournments thereof in accordance with the choices specified on the ballot. If you do not specify a choice, it is the intention of the persons named as proxies in the accompanying form of proxy to vote for (i) the nominees for election as directors and (ii) the ratification of the independent registered public accounting firm for the 2017 fiscal year. The person executing the proxy may revoke it at any time before the proxy holder exercises the authority thereby granted by giving timely written notice to our Secretary, by delivery of a duly executed proxy bearing a later date or by voting in person at the meeting. Attendance at the meeting will not have the effect of revoking a proxy unless the shareholder notifies the Secretary of the meeting in writing before voting of the proxy.

We will bear the expenses of soliciting proxies for the annual meeting, including the cost of preparing, assembling and mailing this proxy statement and the accompanying form of proxy. Such expenses, however, do not include any salaries and wages of our officers and employees who participated in the preparation, assembling and mailing of the proxy statement. In addition to the solicitation of proxies by mail, certain of our officers and regular employees, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies. We will also request persons, firms and corporations holding shares in their names, or in the names of their nominees, which shares are beneficially owned by others, to send this proxy material to and obtain proxies from such beneficial owners, and will reimburse such holders for their reasonable expenses in so doing.

The presence in person or by proxy of shareholders holding a majority of the issued and outstanding shares of our common stock entitled to vote will constitute a quorum for the transaction of all business at the annual meeting. A shareholder voting for the election of directors may withhold authority to vote for all nominees for director or may withhold authority to vote for certain nominees for director. A shareholder may also vote for, vote against or abstain from voting on the proposals to ratify the selection of the independent registered public accounting firm for the 2017 fiscal year. We will treat votes withheld from the election of any nominee for director and abstentions from any other proposal as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but we will not count in the number of votes cast on any matter any withheld votes or abstentions. If a broker does not receive

voting instructions from the beneficial owner of shares on a particular matter and indicates on the proxy that it does not have discretionary authority to vote on that matter, we will not consider those shares as present and entitled to vote with respect to that matter.

This proxy statement, notice of annual meeting and form of proxy are first being mailed or made available to shareholders on or about June 26, 2017.

On June 13, 2014, in connection with a Securities Purchase Agreement, the Company and Recycling Capital Partners, LLC (the "Investor") entered into a Director Designation Agreement (the "Director Designation Agreement") pursuant to which the Investor has the right to designate, and require the Company's Board to appoint, up to two directors (each, a "Designated Director"). As of the date of this proxy statement, the Investor had the right, which has not been exercised, to designate one director. A Designated Director will hold office until (i) his or her term expires and such Designated Director's successor designated by the Investor has been appointed or (ii) such Designated Director's earlier death, disability, disqualification, resignation or removal, and the Investor has the right to appoint any successor to such Designated Director. The Investor's designation rights terminate at such time that the Investor and its affiliates collectively hold less than 5% of the Company's outstanding common stock. Pursuant to the Director Designation Agreement, the Company and the Investor agreed that the designation and appointment of the Designated Director nominees will not violate applicable law and will not cause the Company to become delisted from any securities exchange or other trading market.

ITEM I. ELECTION OF DIRECTORS

The nominees for election as directors are Orson Oliver, Albert Cozzi, Vince Tyra and William Yarmuth.

Shareholders voting at the annual meeting may not vote for more than the number of nominees listed in this proxy statement. A plurality of the total votes cast at the annual meeting will elect the directors. That is, the four nominees receiving the greatest number of votes for directors will be deemed elected directors. Votes “withheld” with respect to the election of directors will have no effect on the outcome of the vote. It is the intention of the persons named as proxies in the accompanying form of proxy (unless authority to vote therefore is specifically withheld) to vote for the election of the four nominees for directors. If any of the nominees becomes unavailable (which we do not now anticipate), the persons named as proxies have discretionary authority to vote for a substitute nominee designated by the present Board. The Board has no reason to believe that any nominee will be unwilling or unable to serve if elected.

The following table contains certain information regarding each nominee for election as director at this year's annual meeting. The Board of Directors has determined that all current directors have met the independence standards of Rule 5605(a)(2) of the NASDAQ listing standards with the exception of Mr. Oliver due to his position as interim CEO. Each individual has furnished the respective information shown.

Name and Principal Occupation with Company	Age	Year First Became Director
Orson Oliver Chairman of the Board and interim Chief Executive Officer	74	2005
Albert Cozzi Director	71	2006
Vince Tyra Director	51	2014
William Yarmuth Director	65	2014

Nominees for Directors

ORSON OLIVER has been our director since 2005, our Chairman of the Board since 2012 and our interim Chief Executive Officer since 2013. He currently holds an officer position as General Counsel with Al J. Schneider Company. He has over thirty-five years of experience in banking and financial consulting. Mr. Oliver began his career in 1968 as an attorney with the U.S. Treasury Department in Washington, D.C. In 1975, he joined the Bank of Louisville as general counsel. In 1985, he became president of the Bank of Louisville. When Branch Banking and Trust Company acquired the Bank of Louisville in 2003, the Bank of Louisville had assets of \$1.6 billion and was the largest, locally managed bank in Louisville, Kentucky. Since his retirement from banking in February 2004, Mr. Oliver worked as an independent general business consultant for the Al J. Schneider Company, a corporation with a number of large hotels and real estate holdings in the Louisville, Kentucky area; he became that company's General Counsel in 2015. From May 2004 through December 2011, Mr. Oliver also worked as an independent general business consultant for PNC Bank, which is headquartered in Pittsburgh, Pennsylvania. Mr. Oliver was been a member of the Board of Directors of the Al J. Schneider Company since February 2004 through June 2016. Beginning in 2013, Mr. Oliver also serves as a director of the Bankers' Bank of Kentucky.

ALBERT A. COZZI has been our director since 2006. Since February 2006, Mr. Cozzi has been a partner with Cozzi Consulting Group, a start-up consulting business, marking the re-entry of Mr. Cozzi into the scrap industry following a two-year non-compete agreement he had with his former employers at Metal Management, Inc. From July 1999 to January 2004, Mr. Cozzi served as the chief executive officer of Metal Management, Inc. headquartered in Chicago, Illinois, and one of the largest full service metals recyclers in the United States. From December 1997 to June 1999, Mr. Cozzi served as the president and chief operating officer of Metal Management, Inc. From 1963 to 1997, Mr. Cozzi held various positions with Cozzi Iron & Metal, originally located in Chicago, Illinois, before its merger with Metal Management, Inc., including president from 1990 to 1997. Mr. Cozzi received an M.B.A. from the University of Chicago.

VINCE TYRA has been our director since 2014. Mr. Tyra has been President of ISCO Industries, a global, customized piping solutions provider based in Louisville, Kentucky, through 2016. Before his position at ISCO, Mr. Tyra was a Managing Partner at Southfield Capital, a private investment firm based in Greenwich, Connecticut, where he joined in 2007. Mr. Tyra continues to be an Operating Partner with Southfield Capital, serves on the firm's investment committee and is a board member of various Southfield Capital portfolio companies. Prior to Southfield Capital, Mr. Tyra was CEO of Broder Bros., Co., a wholesale distributor of imprintable activewear. Prior to joining Broder, Mr. Tyra served as President of Retail and Activewear at Fruit of the Loom. Previous to Fruit of the Loom, Mr. Tyra was a principal investor and Executive Vice President of TSM, a Louisville, Kentucky based wholesale distributor of activewear.

WILLIAM YARMUTH has been our director since 2014. Mr. Yarmuth has been the Chairman and Chief Executive Officer at Almost Family Inc., a Louisville, Kentucky-based provider of a range of Medicare-certified home health nursing services to patients in need of recuperative and other care, since 1992. Mr. Yarmuth has been a director of Almost Family since 1991, when the company acquired National Health Industries, where Mr. Yarmuth was

Chairman, President and Chief Executive Officer.

Except as disclosed above, none of the directors holds another directorship in a company with a class of securities registered pursuant to Section 12 of the Exchange Act or subject to the requirements of Section 15(d) of the Exchange Act or in a company registered as an investment company under the Investment Company Act of 1940, as amended. None of our directors has any family relationship with any of our other directors or executive officers.

Director Qualifications

When considering whether the nominees have the experience, qualifications and skills to enable the Board to satisfy its oversight responsibilities effectively and provide the Board with experience in a wide variety of areas, the nominating committee focused primarily on the information discussed in each director's individual biographies set forth above. The following are the conclusions reached by the nominating committee with regard to each nominee.

With regard to Mr. Oliver, the nominating committee considered his past experience as an attorney with the U.S. Treasury Department in Washington D.C., his past presidency of the Bank of Louisville and his work as an independent general business consultant for PNC Bank. With regard to Mr. Cozzi, the nominating committee considered his extensive experience in the metallic scrap industry, and his direct operational experience in the industry. These experiences bring a unique perspective to our Board. With regard to Mr. Tyra, the nominating committee considered his experience in growth management and his experience in an investment firm. With regard to Mr. Yarmuth, the nominating committee considered his experience as Chairman and Chief Executive Officer at Almost Family, Inc.

Governance

A majority of our directors are independent. We combined the roles of Chairman of the Board and Chief Executive Officer in 2013. The Board appointed Mr. Oliver as Chairman of the Board in May 2012 due to his legal and financial background as well as his previous work on the Board and as Audit Committee Chairman. On June 14, 2013, the Board appointed Mr. Oliver as interim President and interim Chief Executive Officer, for which he continues to be our interim Chief Executive Officer. Mr. Oliver's legal and financial background as well as his knowledge and experience with the Company make Mr. Oliver capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. Mr. Oliver does not receive any salary from the Company; he receives fees as a director of the Company. We recognize that different Board leadership structures may be appropriate for companies in different situations and believe that no one structure is suitable for all companies at all times. We believe our current Board leadership structure is optimal given its current composition.

The Board has not appointed a lead independent director. Currently, the Board membership consists of four directors, three of whom are independent. All of the independent directors are able to meet regularly in executive sessions without management to discuss the development and strategy of our Company. These executive sessions allow the independent directors to review key decisions and discuss matters in a manner that is independent of our interim Chief Executive Officer. Therefore, the Board has determined that a lead independent director is not necessary at this time. As the composition of the Board changes or grows in the future, the Board of Directors may reevaluate the need for a lead independent director.

Our executive officers, especially the President, have the primary responsibility for risk management within our Company. Our Board of Directors oversees risk management to ensure the processes designed and implemented by our executives are adapted to and integrated with the Company's strategy and are functioning as directed. The primary means by which the Board oversees our risk management structures and policies is through its regular communications with management. We believe that our leadership structure is conducive to comprehensive risk management practices and that the Board's involvement is appropriate to ensure effective oversight.

Board Meetings

During 2016, the Board held eight duly called board meetings. In 2016, all directors attended at least 75% of the aggregate number of meetings of the Board and the committees of which they were members. Additionally, the Board held three conference calls during 2016 to discuss various company matters.

Compensation Committee

The members of the Compensation Committee are Messrs. Cozzi and Yarmuth. The Compensation Committee is responsible for making recommendations to the Board regarding salaries and bonuses that we pay to our executive officers. This committee held one duly called meeting in 2016. This committee does not have a chairperson. All functions of the Compensation Committee are performed by the committee as a whole. However, the Compensation Committee confers with our interim Chief Executive Officer and President to obtain additional input for the committee's decision-making process and recording our processes and procedures for determination of executive and director compensation, including the scope of authority of the Compensation Committee, the extent to which the Compensation Committee may delegate any authority, and any role of executive officers in determining or recommending the amount or form of executive and director compensation. The Compensation Committee has delegated to our President decisions regarding non-executive employee compensation. None of our executive officers served as a member of the Compensation Committee of another entity. Our Compensation Committee has a written charter, which is available on our website at www.isa-inc.com under Investors.

Audit Committee

The Audit Committee confers with our independent registered public accounting firm regarding the scope and adequacy of annual audits; reviews reports from the independent accountants; and meets with the independent accountants to review the adequacy of our accounting principles, financial controls and policies. The Audit Committee met four times in 2016. The members of the Audit Committee are Messrs. Tyra, Cozzi, and Yarmuth. Mr. Tyra is the chairperson of this committee. All current members of the Audit Committee are independent as defined in Rule 5605(a)(2) of the NASDAQ listing standards and the Audit Committee Qualifications of Rule 5605(c)(2). The Board of Directors has determined that Mr. Tyra is qualified as an "audit committee financial expert" based on a review of his education and financial experience. Our Audit Committee has a written charter, which is available on our website at www.isa-inc.com under Investors.

Nominating Committee

The Nominating Committee has the power to recommend to the Board nominees for election as directors and persons to fill directors' vacancies and newly created directorships; recruit potential director candidates; recommend changes to the Board concerning the responsibilities and composition of the Board and committees; and review written proxy comments and shareholder proposals (including director nominees) received from shareholders at our principal executive offices for inclusion in the proxy statement for the following year's annual shareholder meeting. The Nominating Committee's charter directs the Nominating Committee to investigate and assess the background and skills of potential candidates and to maintain an active file of suitable candidates for directors. The Nominating Committee has the authority to engage a third party search firm to assist in identification of candidates, but did not do so with respect to the current nominees.

Upon identifying a candidate for initial consideration, one or more members of the Nominating Committee would interview the candidate. If a candidate merited further consideration, the candidate would subsequently interview with all other Nominating Committee members (individually or as a group), meet our interim Chief Executive Officer and other executive officers and ultimately meet many of the other directors. The Nominating Committee would elicit feedback from all persons who met the candidate and then determine whether or not to nominate the candidate.

The Nominating Committee utilizes a subjective analysis to identify and analyze candidates that it proposes for nomination as directors, including but not limited to, highest personal and professional ethics and integrity, general business knowledge, interest in our business, and willingness to serve. However, there are currently no minimum qualifications or standards that we require. While there is no formal policy with regard to consideration of diversity in identifying director nominees, the Nominating Committee considers diversity in business experience, professional expertise, gender and ethnic background, along with various other factors when evaluating director nominees.

The Nominating Committee considers recommendations for Board of Directors candidates submitted by shareholders, provided that the recommendations are made in accordance with the procedure for director candidates nominated by shareholders required under our by-laws and described in this proxy statement under the heading "Shareholder Proposals and Nominations of Board Members for the 2018 Annual Meeting." The Nominating Committee will use the same criteria it applies to recommendations from its committee, directors or members of management. Shareholders may submit recommendations by writing to the Nominating Committee as follows: Nominating Committee, c/o Secretary, Industrial Services of America, Inc., 7100 Grade Lane, Louisville, Kentucky 40213.

The members of the Nominating Committee are Messrs. Cozzi and Tyra. This committee does not have a chairperson. The Nominating Committee met one time in 2016. Our Nominating Committee has a written charter, which is available on our website at www.isa-inc.com under Investors.

Neither the Board nor the Nominating Committee has implemented a formal policy regarding director attendance at the annual meeting of shareholders. Typically, the Board holds its annual organizational meeting immediately following the annual meeting of shareholders, which results in most directors being able to attend the annual meeting of shareholders. In 2016, all of the Company's directors attended the annual meeting of shareholders.

Executive Committee

In accordance with the Company's bylaws, the Board of Directors may direct or delegate all or part of the duties and powers of the Board of Directors to an executive committee, subject to any restrictions under the laws of the State of Florida. When so designated, the Executive Committee would have the authority to act in the place and stead of the Board of Directors. The Board did not appoint an executive committee in 2016.

Special Committee

During 2016, the Board of Directors formed a Special Committee of independent directors to evaluate and make a recommendation to the Board of Directors with respect to any business combination transaction with Algar. The members of the Special Committee were Messrs. Tyra, Cozzi and Yarmuth. Mr. Tyra served as the Chair of the Special Committee. During the first quarter of 2017, the Special Committee concluded its work and reported to the Board. The Board accepted the special committee's recommendation to focus on returning our core recycling business to profitability.

Code of Ethics

The Board of Directors has adopted our Code of Ethics for the Chief Executive Officer and Financial Executives, which is available on our website at www.isa-inc.com under Investors. The Company will post any waivers to the Code of Ethics to our website. Shareholders may communicate directly with the Board of Directors in writing by sending a letter to the Board at: Industrial Services of America, Inc., 7100 Grade Lane Louisville, KY 40213 or by a secure e-mail via our website at www.isa-inc.com.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, certain officers and persons who own more than ten percent (10%) of our outstanding common stock to file with the Securities and Exchange Commission reports of changes in ownership of our common stock held by such persons. Officers, directors and greater than 10% shareholders must furnish us with copies of all forms they file under this regulation. To our knowledge, based solely on a review of the copies of such reports furnished to us and representations from reporting persons that no other reports including Forms 5 were required, all Section 16(a) filing requirements applicable to all of our officers, directors and greater than 10% shareholders were timely complied with during 2016. We have informed each reporting person of their filing obligations.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF ALL DIRECTOR NOMINEES.

ITEM II. RATIFICATION OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Mountjoy Chilton Medley LLP as the independent registered public accountants of our accounts for the fiscal year ending December 31, 2017. This selection will be presented to shareholders for ratification at the annual meeting. If the shareholders fail to ratify this selection, the Audit Committee will reconsider the matter of the selection of the independent registered public accountants. One or more representatives of Mountjoy Chilton Medley LLP are expected to be present at the annual meeting, will have an opportunity to make a statement if they desire to do so, and will be available to answer appropriate questions. We will deem the selection of Mountjoy Chilton Medley LLP ratified if the votes cast in favor of the proposal exceed the votes cast against the proposal. We will not count abstentions and broker non-votes as votes cast either for or against the proposal, so they will have no effect on the outcome of the proposal.

The Board will present the following resolution to the meeting:

Compensation Risk Assessment

We have assessed the incentive compensation policies and practices for our employees and concluded that they do not create risks that are reasonably likely to have a material adverse effect on the Company. The Company's compensation policies and practices are evaluated to ensure that they do not foster risk-taking above the level of risk associated with the Company's business model.

Interim Chief Executive Officer

Orson Oliver does not receive any compensation in connection with his service as our interim Chief Executive Officer.

Management Services Agreement

On December 2, 2013, the Company and Algar entered into a Management Services Agreement (the "Management Agreement"). The term of the Management Agreement was effective December 1, 2013 with a contractual term expiring on December 31, 2016, subject to earlier termination upon mutual agreement or upon circumstances set forth in the agreement. On September 30, 2016 (the "Termination Effective Date"), the Company and Algar mutually agreed to terminate the Management Agreement pursuant to the Termination Agreement.

Effective September 30, 2016, pursuant to the Termination Agreement, Mr. Garber resigned from all positions with the Company, including as President. Other than as required by the Management Agreement, Mr. Garber did not receive any compensation in connection with his service as our President.

Under the Management Agreement, we were required to pay Algar a bonus in an amount equal to 10.0% of any year-over-year increase in the Company's adjusted pre-tax income (as defined) during the term. During 2016 through the Termination Effective Date, Algar earned and the Company accrued a bonus of \$180.0 thousand.

Compensation Committee Consultant

In January 2011 the Compensation Committee retained Bostonian Group, a Marsh & McLennan Agency Company, to undertake a market assessment and provide trend information on incentive compensation plans. Bostonian Group used Towers Watson Top Management Report (Services: \$100M - \$449M), Mercer Executive Compensation Survey (General Industry Less Than \$500M), and Salary.com Companalyst Survey (General Industry \$200M - \$500M) as well as a peer group of companies (listed below) to determine the benchmark range of competitive salaries and incentives from which to determine the appropriate salaries and incentives for the Company's executives and senior managers. The market composite was calculated from the 25th, 50th and 75th percentiles of the aggregate peer group data and the three published surveys, with each weighted 25%. Bostonian Group also provided a summary of the peer group prevalent compensation practices, including merit increases, promotions, market adjustments, and target cash and equity incentives. Bostonian Group identified the group of public companies as the peer group that was similar to the Company (Avalon Holdings Corp, Casella Waste Systems Inc, Ceco Environmental Corp, Davey Tree Expert Co, Heritage-Crystal Clean Inc, Homeland Security Capital CP, Metalico Inc, Perma-Fix Environmental Svcs, Schnitzer Steel Inds, Team Inc, TRC Cos Inc, Unvl Stainless & Alloy Prods, US Ecology Inc, Versar Inc, Waste Connections Inc, Waste Management Inc, Waste Services Inc, WCA Waste Corp) in one or more of the following ways:

- Operate in the scrap metal, waste management, recycling or related environmental services industries;
- Reported revenue ranging from \$36 million to \$562 million in their most recent fiscal year; and
- Employ executives in positions similar to those of the Company's senior management.

The Compensation Committee subsequently retained a second consultant, RS Finance & Consulting, LLC, to supplement Bostonian Group's data by identifying additional public companies with gross margins and number of employees that were similar to those of the Company, and analyzing the compensation practices of those companies. At the request of our President, RS Finance & Consulting updated its data in connection with the negotiation of our CFO's employment agreement in 2014. Since this update, the Compensation Committee has not consulted any third parties on compensation matters.

Executive Employment Agreement and Stock Option Agreements with Chief Financial Officer

On December 31, 2014, in connection with the hiring of a new Chief Financial Officer, our then President, Sean Garber, negotiated and we entered into an Executive Employment Agreement with Mr. Phillips having successive one-year terms, which are automatically extended unless earlier terminated by either party in accordance with the agreement.

Mr. Phillips' annual base salary increased from an annual rate of \$200,000 to an annual rate of \$220,000 on July 1, 2015. Mr. Phillips is eligible to receive an annual bonus with a target of 50% of his then-current annual base salary. The Company's Compensation Committee may determine, in its sole discretion, whether Mr. Phillips will receive an annual bonus.

At the time of entry into his employment agreement, we entered into two Stock Option Agreements with our CFO, dated December 31, 2014 and January 2, 2015, respectively. Under these agreements, our CFO received a grant of an aggregate of 170,000 non-incentive stock options which vest over a three-year period, with 1/3 vesting on the first anniversary of the grant date and 1/6 vesting every six months thereafter until the three-year anniversary of the grant date. The stock option agreement dated December 31, 2014 granted our CFO 150,000 stock options at an exercise price per share of \$5.97. The stock option agreement dated January 2, 2015 granted our CFO 20,000 stock options at an exercise price per share of \$5.71. The exercise price per share of the options is equal to the fair market value of the Company's common stock on the grant date. These options were cancelled on June 15, 2016.

On June 15, 2016, at the Company's annual meeting, the Company's shareholders approved a one-time stock option exchange for the CFO as an alternative to a direct repricing of options previously granted to the CFO. The stock option exchange allowed the Company to cancel 170,000 stock options, including 20,000 granted in January 2015, previously granted to the CFO in exchange for the grant of 90,000 Restricted Stock Units ("RSUs") to the CFO. The RSUs vest as follows if and to the extent that the CFO remains employed by the Company through each of the following dates: (i) on July 1, 2016, 50.00% (45,000) of the RSUs vested and became nonforfeitable (ii) on December 31, 2016, 12.50% (11,250) of the RSUs vested and became nonforfeitable (iii) on June 30, 2017, 12.50% (11,250) of the RSUs vest and become nonforfeitable (iv) on December 31, 2017, 12.50% (11,250) of the RSUs vest and become nonforfeitable and (v) on June 15, 2018, 12.50% (11,250) of the RSUs vest and become nonforfeitable. Each RSU represents the right to receive one share of the Company's common stock upon the vesting of the RSU, subject to the terms and conditions set forth in the RSU Agreement and the Plan. The CFO has continued his employment by the Company through December 31, 2016 and the related 56,250 RSUs have vested and become nonforfeitable.

The stock options and one-time stock option exchange were granted pursuant to the Company's 2009 Long Term Incentive Plan.

Base Salary

When determining base salary levels for senior management, we evaluate base salary levels of similar positions in the group of our selected peer companies. Base salaries reflect an executive's roles and responsibilities and recognize and reward individual skills, experience and sustained job performance.

Under Mr. Phillips's executive employment agreement, his base salary was \$200,000 per year until June 30, 2015, at which time his salary increased to \$220,000 per year.

Annual Incentive Bonuses

The Company's annual incentive compensation plan is a cash-based, pay-for-performance incentive plan. The plan covers executives and certain other personnel as determined by the Compensation Committee and the Company's President. The incentive compensation plan rewards the achievement of certain corporate operating and financial targets set by the Compensation Committee at the beginning of each year.

The Compensation Committee may also establish individual performance goals for executives and other employees in connection with annual incentive compensation. The Compensation Committee awarded Mr. Phillips a discretionary bonus earned during 2016 and to be paid in 2017 of \$110,000.

Long Term Incentive Plan

Long-term incentive compensation opportunities may be performance-based. Long-term incentives provided by the Company may consist of equity awards based on achievement of certain corporate targets. The Company may award long-term incentives in the form of restricted stock, stock options and other forms of equity incentives as more fully

described in the Company's 2009 Long-Term Incentive Plan. Equity-based performance awards provide an adequate incentive to management to perform well for shareholders. In addition, equity awards have been an effective means of attracting and retaining management talent.

Long-term incentive plans are designed to ensure that incentive compensation reflects the growth and profitability of the Company. Each of the equity-based awards offered by the Company is intended to reward specified results. These awards promote a long-term view, reward long-term positive performance of the Company, and are intended to align management's interests with shareholders' interests.

Stock Options and Restricted Stock Units ("RSU")

The Company awards stock options and RSUs because it believes they serve a valuable purpose in aligning management's interests with shareholders' interests. Because stock options and RSUs generally vest over time, they serve not only as an incentive for superior performance, but also as a retention device. The Company generally receives an income tax deduction when an executive exercises a stock option or when the RSUs vest.

Perquisites

The Company provides certain members of management various perquisites that are provided by similar companies throughout the industry and include health, dental, vision, life and disability insurance and in the case of some Named Executive Officers, car allowances. We furnish these benefits to provide an additional incentive for our management and to remain competitive in the general marketplace for managerial talent.

Retirement and Other Benefits

The Compensation Committee reviews the overall cost to the Company of the various programs generally when changes are proposed. The Compensation Committee believes the benefits provided by these programs are important factors in attracting and retaining executive officers, including the Named Executive Officers.

401(k) Savings Plans

Our CFO is eligible to participate in our defined contribution retirement plan under Section 401(k) of the Internal Revenue Code on the same basis as all other eligible employees. Eligible employees may contribute 100.0% of their annual salary to meet the IRS limit of \$18,000. In an effort to decrease expenses, we suspended the employee match under the plan for an undetermined period of time effective March 1, 2014.

Health and Welfare Plan

We share or pay for the cost of medical, dental, vision, basic life insurance and disability benefits with all eligible full-time regular employees. Our CFO is eligible to participate in these benefits on the same basis as all other employees, unless otherwise specified in an individual employment contract.

Compensation Recovery

We expect to implement a clawback policy in accordance with the requirements of the Dodd-Frank Act and the regulations that the SEC is expected to issue under that Act. We have elected to wait until the SEC issues guidance about the proper form of a clawback policy before formulating our policy.

Termination and Change of Control Agreements

CFO Employment Agreement and Retention Agreement

If our CFO's employment is terminated by the Company without "Cause" or due to his resignation for "Good Reason", he will be entitled to the continued payment of his base salary and COBRA premiums for twelve months following such termination. Our CFO's receipt of the payments and benefits described in this paragraph is contingent on his execution

and non-revocation of a release of claims in favor of the Company.

15

Following the termination of our CFO's employment with the Company, he is subject to non-competition and non-solicitation covenants, which extend for 12 months following termination of employment.

Under a Retention Agreement with our CFO dated as of March 25, 2016, under which we would pay our CFO bonuses of \$100.0 thousand and \$125.0 thousand on each of December 31, 2016 and December 31, 2017, respectively, as long as he remains employed with the Company on those dates, if our CFO's employment is terminated without Cause or for Good Reason (as defined) (i) during 2017, we are required to pay him an amount equal to \$125.0 thousand times the quotient of the number of full months employed in 2017 divided by 12.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies and Procedures for Related Person Transactions

Our Board of Directors has adopted written policies and procedures for the review of any transaction, arrangement, or relationship in which we are a participant, the amount involved exceeds \$120,000, and one of our executive officers, directors, director nominees or 5% shareholders (or any of their immediate family members), each of whom we refer to as a “related person,” has a direct or indirect material interest.

If a related person proposes to enter into such a transaction, arrangement or relationship, which we refer to as a “related person transaction,” the related person must report the proposed related person transaction to our Board. The policy calls for the proposed related person transaction to be reviewed and, if deemed appropriate, approved by our Audit Committee. Whenever practicable, the reporting, review and approval will occur prior to entry into the transaction. If advance review and approval is not practicable, the Audit Committee will review, and in its discretion may ratify the related person transaction. The policy also permits the chairman of the Audit Committee to review and, if deemed appropriate, approve proposed related person transactions that arise between Audit Committee meetings, subject to ratification by the Audit Committee at its next meeting. Any related person transactions that are ongoing in nature will be reviewed annually. If the related person at issue is a director of the Company, or a family member of a director, then that director would recuse himself and abstain from voting on the approval of the related person transaction, but may, if so requested by the chair of the Audit Committee, participate in some or all of the committee's discussions of the related person transaction.

A related person transaction reviewed under the policy will be considered approved or ratified if it is authorized by the Audit Committee after full disclosure of the related person's interest in the transaction.

As appropriate for the circumstances of the related person transaction, the Audit Committee will review and consider the following:

- The related person's interest in the related person transaction;
- The approximate dollar value of the amount involved in the related person transaction;
- The approximate dollar value of the amount of the related person's interest in the transaction without regard to the amount of any profit or loss;
- Whether the transaction will be undertaken in the ordinary course of our business;
- Whether the terms of the transaction are no less favorable to us than terms that could have been reached with an unrelated third party;
- The purpose, and the potential benefits to us, of the transaction; and
- Any other information regarding the related person transaction or the related person in the context of the proposed transaction that would be material to investors in light of the circumstances of the particular transaction.

The Audit Committee may approve or ratify the transaction only if it determines that, under all of the circumstances, the transaction is in, and not inconsistent with, our best interests. The Audit Committee may impose any conditions on the related person transaction that it deems appropriate.

K&R, LLC ("K&R") and 7100 Grade Lane, LLC ("7100 LLC"):

The Company was involved in various transactions with K&R, which is wholly-owned by Kletter Holdings LLC, the sole member of which was Harry Kletter, our founder and former Chief Executive Officer. After Mr. Kletter's passing in January 2014, our Chairman of the Board and interim Chief Executive Officer, Orson Oliver, assumed the roles of executor of Mr. Kletter's estate and President of Kletter Holdings LLC. As of December 31, 2016, Mr. Kletter's estate, K&R and the Harry Kletter Family Limited Partnership, collectively, beneficially own in excess of 20% of the Company's issued and outstanding shares.

The Company leases a portion of our Louisville, Kentucky facility from 7100 LLC (previously from K&R) under an operating lease, (the "7100 Lease"), expiring December 2017. Additionally, the Company leased equipment from K&R under operating leases that expired November 2015 and May 2016. During 2016 and 2015, the Company deferred a portion of these lease payments.

On September 13, 2013, K&R made a \$500.0 thousand refundable, non-interest bearing deposit with the Company related to K&R's potential purchase of the Company's real property located at 2016 East 4th Street in Seymour, Indiana. The Company was permitted and used the deposited funds for general corporate purposes. K&R did not acquire the property. Under the Company's lending arrangements, a refund of the deposit to K&R must be approved by the Company's lenders. This amount was converted into a term note during 2016 as described below.

As of December 31, 2016 and 2015, the Company had balances related to K&R and 7100 LLC pertaining to refundable lease and property deposits due to and from the Company, rents payable from the Company, notes payable due from the Company, accrued interest due from the Company, interest expense, and rent expense. See balances listed in the table below.

On February 29, 2016, K&R assigned its interest in the 7100 Lease to another entity, 7100 LLC, also controlled by Mr. Kletter's estate. At that time, the total amount due to the estate's various entities, which amounted to approximately \$1.5 million and is inclusive of the \$500.0 thousand noted above, became a subordinated, unsecured debt (the "Kletter Notes") owed by the Company. A portion of the amount, approximately \$620.3 thousand, is owed to K&R, with the remaining amount, approximating \$883.8 thousand, is owed to 7100 LLC. Interest will accrue monthly at a per annum rate of five percent (5.00%). Interest accrued until April 30, 2017 at which time the interest is paid monthly. Until maturity on December 31, 2020, the Kletter Notes are subject to intercreditor agreements between the respective Note holder and MidCap Business Credit, LLC. This amount of \$1.5 million represents all net amounts due to Kletter estate entities as of February 29, 2016 with the exception of a \$32.0 thousand deposit owed by K&R to the Company. If the Company sells property it owns at 7110 Grade Lane in Louisville, Kentucky, the Company shall make a principal payment to K&R of \$500.0 thousand. Otherwise, all remaining principal is due at maturity.

Balances related to K&R as of and for the quarter ended March 31, 2017 and as of and for the years ended December 31, 2016 and 2015 are as follows, in thousands:

Algar, Inc. ("Algar"):

Management Services Agreement with Algar:

On December 2, 2013, the Company and Algar entered into a Management Services Agreement (the "Management Agreement"). On September 30, 2016 (the "Termination Effective Date"), the Company and Algar mutually agreed to terminate the Management Agreement pursuant to the Agreement to Terminate Management Services Agreement among the Company, Algar and Sean Garber dated as of September 30, 2016 (the "Termination Agreement"). See the details below.

Under the Management Agreement, Algar provided the Company with day-to-day senior executive level operating management services. Algar also provided business, financial, and organizational strategy and consulting services, as the Company's board of directors reasonably requested from time to time.

In connection with the Management Agreement, the Company's board of directors appointed Sean Garber as President and as a member of the board of directors.

Under the Management Agreement, the Company reimbursed Algar for the portion of Mr. Garber's salary that was attributable to Algar's services under the Management Agreement in an amount not exceeding \$20.8 thousand per month, or \$250.0 thousand per year plus other expenses. Also, under the Management Agreement, Algar was to be paid a bonus in an amount equal to 10.0% of any year-over-year increase in the Company's adjusted pre-tax income during the term. The term of the Management Agreement was effective December 1, 2013 and originally expired on December 31, 2016, subject to earlier termination upon mutual agreement or upon circumstances set forth in the agreement. On September 30, 2016, the Company and Algar mutually agreed to terminate the Management Agreement.

For the year ended December 31, 2014, Algar earned a bonus of \$428.0 thousand that was accrued by ISA. This amount was reduced by \$50.0 thousand related to the real estate sale to SG&D described below. The bonus payable was further reduced on August 5, 2015, in 2015 when the Company entered into a Stock Purchase Agreement with Algar, whereby the Company issued 50.7 thousand shares of its common stock to Algar for aggregate consideration equal to \$189.0 thousand based on the fair value of the Company's common stock. The consideration was payable in the form of a reduction of the Company's \$378.0 thousand accrued but unpaid bonus compensation due to Algar as of August 5, 2015.
