PROXY STATEMENT

This proxy statement is furnished on behalf of the Board of Directors (the Board) of Homestore.com, Inc., a Delaware corporation (the Company or Homestore), for use at Homestore's annual meeting of stockholders (the Annual Meeting) to be held on May 22, 2002 at 9:30 a.m., local time, and at any postponement or adjournment thereof. The Annual Meeting will be held at the Renaissance Agoura Hills Hotel located at 30100 Agoura Road, Agoura Hills, CA 91301.

These proxy solicitation materials were first mailed on or about April 26, 2002 to all stockholders entitled to vote at the Annual Meeting.

ABOUT THE MEETING

What is the purpose of the Annual Meeting?

At the Annual Meeting, stockholders will vote on the matters outlined in the accompanying Notice of Annual Meeting of Stockholders on the cover page of this proxy statement, including the election of Class III directors and the approval of a change of the Company's name from Homestore.com, Inc. to Homestore, Inc.

Who is entitled to vote?

Only stockholders of record at the close of business on the record date, April 10, 2002 (the Record Date), are entitled to vote at the Annual Meeting or any postponement or adjournment of the meeting.

What are the Board's recommendations on the proposals?

The Board recommends a vote FOR each of the nominees and FOR the change of the Company's name from Homestore.com, Inc. to Homestore, Inc.

How do I vote?

Sign and date each proxy card you receive and return it in the postage-prepaid envelope enclosed with your proxy materials. If you are a registered stockholder and attend the Annual Meeting, you may deliver your completed proxy card in person or you may vote in person at the Annual Meeting.

If your shares are held by your broker or bank, in street name, you will receive a form from your broker or bank seeking instructions as to how your shares should be voted. If you do not instruct your broker or bank how to vote, your broker or bank will vote your shares if it has discretionary power to vote on a particular matter.

Can I change my vote after I return my proxy card?

Yes, you have the right to revoke your proxy at any time before the Annual Meeting by notifying the Secretary of the Company in writing, returning a later-dated proxy card, or voting in person at the Annual Meeting.

Who will count the vote?

Mellon Investor Services will count the votes and act as the inspector of election.

What shares are included on the proxy card(s)?

The shares on your proxy card(s) represent ALL of your shares. If you do not return your proxy card(s), your shares will not be voted.

What does it mean if I get more than one proxy card?

If your shares are registered differently and are in more than one account, you will receive more than one proxy card. Sign and return all proxy cards to ensure that all your shares are voted. We encourage you to have all accounts registered in the same name and address (whenever possible). You can accomplish this by contacting our transfer agent, Mellon Investor Services (800-356-2017), or, if your shares are held in street name, by contacting the broker or bank who holds your shares.

How many shares can vote?

As of the Record Date, 117,717,662 shares of common stock, the only voting securities of the Company, were issued and outstanding. Every stockholder is entitled to one vote for each share of common stock held.

What is a quorum?

The presence at the meeting in person or by proxy of the holders of a majority of the shares of stock entitled to vote at the meeting will constitute a quorum for the transaction of business. Proxies marked as abstaining on any matter to be acted upon by shareholders and broker non-votes will be treated as present for purposes of determining a quorum. A broker non-vote occurs when you fail to provide voting instructions for your shares you hold in street name. Under those circumstances, your broker may be authorized to vote for you on some routine items but is prohibited from voting on other items. Those items for which your broker cannot vote result in broker non-votes.

What is required to approve each proposal?

For the election of the Class III directors, the three nominees for director who receive a plurality of the votes will become Class III directors of the Company.

To amend the Company's Certificate of Incorporation to change the Company's name from Homestore.com, Inc. to Homestore, Inc., the affirmative vote of the holders of a majority of the outstanding shares of stock entitled to vote must be voted in favor of the proposal.

If a broker indicates on its proxy that it does not have discretionary authority to vote on a particular matter, the affected shares will be counted as shares present for the purpose of determining the presence of a quorum. Broker non-votes will be treated as not present and not entitled to vote with respect to the election of directors. For purposes of the proposal to amend Homestore's Certificate of Incorporation, a broker non-vote.

What happens if I abstain?

Proxies marked abstain will be counted as shares present for the purpose of determining the presence of a quorum, but for purposes of determining the outcome of a proposal, shares represented by such proxies will not be treated as affirmative votes. For proposals requiring an affirmative vote of a majority of the shares present, an abstention is equivalent to a no vote.

How will the Company solicit proxies?

Mellon Investor Services was retained by the Company to assist in the distribution of proxy materials. The costs and expenses of preparing and mailing proxy solicitation materials for the Annual Meeting and reimbursements paid to brokerage firms and others for their reasonable out-of-pocket expenses for forwarding proxy solicitation materials to stockholders will be borne by the Company. The Company has not retained a proxy solicitation service to assist in soliciting proxies. If, however, a proxy solicitation service is retained, the costs will be borne by the Company. Proxies may also be solicited in person, by telephone, or by facsimile by directors, officers and employees of the Company without additional compensation being paid to such persons.

Recommendation of the Board

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR ALL THE CLASS III NOMINEES LISTED ABOVE.

Board Meetings and Committees

The Board held a total of ten meetings during the fiscal year ended December 31, 2001. During that period, all incumbent directors attended at least 75% of the total number of meetings of the Board of Directors, or the total number of meetings of all committees of the Board of Directors on which that director served. The Board of Directors has an Audit Committee, a Compensation Committee and an Executive Committee.

The Audit Committee consists of Kenneth K. Klein, Barbara T. Alexander and William E. Kelvie. The Compensation Committee consists of Joe F. Hanauer and L. John Doerr, and the Executive Committee consists of Barbara T. Alexander, L. John Doerr, Joe F. Hanauer, and W. Michael Long.

The Audit Committee reviews the Company's financial statements and accounting practices, makes recommendations to the Board regarding the selection of independent auditors and reviews the results and scope of the audit and other services provided by the Company's independent auditors. Each member of the Audit Committee is an independent director as defined in Rule 4200 of the listing standards of the National Association of Securities Dealers. The Audit Committee held 17 meetings during 2001. The Charter of the Audit Committee, reflecting amendments made to the Charter by the Board of Directors in 2001, is included as Appendix A to this proxy statement.

The Compensation Committee makes recommendations to the Board concerning salaries and incentive compensation for the Company's officers and employees and administers the Company's stock plans and employee benefit plans. The Compensation Committee held 15 meetings during 2001.

Director Compensation

Historically, directors did not generally receive cash compensation for their services as directors, but were reimbursed for their reasonable and necessary expenses in attending Board and committee meetings. However, with respect to the period from mid-November 2001 through December 31, 2001, the Company paid cash compensation to Mr. Hanauer and Ms. Alexander in the amounts of \$89,600 and \$16,000, respectively. This compensation in the case of Mr. Hanauer, represented compensation for serving as Vice-Chairman of the Board of Directors and representing the Board in overseeing certain Company matters from the time that the Audit Committee of the Board began conducting an inquiry of certain of the Company's accounting practices. Such activities involved significant efforts and time commitments. In the case of Ms. Alexander, this represented compensation in connection with representing the Board regarding oversight of the Company's finance department during the period following the departure of the Company's Chief Financial Officer, including oversight and management of the search process for a new CFO. Mr. Hanauer received \$22,400 for such services in 2002, which ended in mid-January 2002. In addition, in recognition of the significant efforts and time commitments of the members of the Audit Committee in connection with the Audit Committee's inquiry into certain accounting matters at the Company, members of the Audit Committee were paid a fee of \$1,200 per meeting from November 14, 2001 through the conclusion of the inquiry, and, as of April 19, 2002, each member of the Audit Committee was granted 12,000 shares of restricted common stock of the Company (which restricted stock will vest one year from the date of grant).

With respect to 2002, each non-employee director (other than any director who is entitled to a Board seat on a contractual basis) has been granted an option to purchase 30,000 shares of the Company's common stock under the Company's 1999 Stock Incentive Plan. In addition, with respect to 2002, Mr. Hanauer, in his capacity as Chairman of the Board, has been granted an option to purchase 65,000 shares of the Company's common stock under this plan. The Board may, in its discretion, grant additional options depending on various factors, including the level of services performed by any particular member of the Board. Each option has an exercise price equal to the fair market value of the Company's common stock on the date of grant and a ten-year term, but will terminate within a specified time, as defined in the 1999 Stock Incentive Plan, following the date the option holder ceases to be a director or employee of, or consultant to, the Company. In addition, as of February 2002, the Company commenced paying Mr. Hanauer \$10,000 per month in cash in his capacity as Chairman of the Board of Directors. As of February 2002, each member of the Board of Directors will receive a cash fee in the amount of \$1,400 per meeting for each Board and committee meeting attended during 2002, except that each member of the Audit Committee was paid a per meeting fee of \$1,200 per meeting for each meeting attended in 2002 in connection with the Audit Committee's inquiry into certain accounting matters at the Company and, commencing as of the conclusion of the Audit Committee's inquiry into certain accounting matters, each member of the Audit Committee will receive a cash fee in the amount of \$2,500 per meeting for each Audit Committee meeting attended.

ITEM 2 CHANGE OF COMPANY S NAME

An amendment to the Company s Certificate of Incorporation to a change in the Company s name from Homestore.com, Inc. to Homestore, Inc. has been declared advisable by the Board, and the Board has directed that the proposed amendment be considered at the Annual Meeting.

Recommendation of the Board

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE PROPOSAL TO AMEND THE COMPANY S CERTIFICATE OF INCORPORATION TO CHANGE THE COMPANY S NAME FROM HOMESTORE.COM, INC. TO HOMESTORE, INC.

Stock Option Grants in 2001

The following table sets forth grants of stock options to the Company's Chief Executive Officer and the Company's four other most highly compensated executive officers in 2001.

All options granted to these executive officers in 2001 are either incentive stock options or nonqualified stock options. Generally, 20% of these options vest and become exercisable one year after the date of grant; then vesting is on a monthly basis over the ensuing 48 months. Subsequent grants generally vest and become exercisable monthly over a 60 month period. Certain of these options are subject to acceleration upon a change of control of Homestore or termination of the optionee's employment. See Employment-Related Agreements. The options expire ten years from the date of grant and were granted at an exercise price equal to the fair market value of the Company's common stock on the date of grant.

Potential realizable values are computed by (a) multiplying the number of shares of common stock subject to a given option by the exercise price per share, (b) assuming that the aggregate stock value derived from that calculation compounds at the annual 5% or 10% rates shown in the table for the entire ten year term of the option, and (c) subtracting from that result the aggregate option exercise price. The 5% and 10% assumed annual rates of stock price appreciation are mandated by the rules of the SEC and do not represent the Company's estimate or projection of future common stock prices.

Name	Number of Securities Underlying Options Granted (#)	Percentage of Total Options Granted to Employees in 2001	Exercise Price (\$/Shr)	Expiration Date	Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term	
					5%	10%

Patrick R. Whelan	75,000	1.07%	\$ 24.00	01/12/11	\$ 1,109,104	\$ 2,832,262

The percentage of total options granted to employees is based on options to purchase a total of 7,011,283 shares of common stock of Homestore granted during 2001.

Aggregated Option Exercises in 2001 and Option Values at December 31, 2001

Also reported are values of in-the-money options, which represent the positive spread between the exercise prices of outstanding stock options and the fair market value of \$3.60 per share, based on the closing price of the Company's common stock on December 21, 2001.

Name	Number of Shares Acquired on Exercise	Value Realized	Number of Securities Underlying Unexercised Options at 12/31/01		Value of Unexercised In-the-Money Options at 12/31/01

Loans to Executive Officers

In August 1998, Dr. Stuart H. Wolff exercised options to acquire shares of the Company's common stock in exchange for a Promissory Note. In April 1999, Dr. Wolff exercised options to acquire shares of the Company's common stock and related expenses in exchange for Promissory Notes due to the Company. On June 9, 2000, the Company entered into a Promissory Note with Patrick Whelan. See the following table for additional information with respect to the outstanding balances of these Promissory Notes:

Name	Shares Acquired Upon the Exercise of Options	Interest Rate (%)	Balance Outstanding at March 31, 2002 (\$)	Largest Aggregate Amount of Indebtness Outstanding During 2001 (\$)
Stuart H. Wolff	2,345,590	5.21	5.49	3,363,327(1)
Patrick R. Whelan		6.43		221,544(2)

- (1) Dr. Wolff's Promissory Note was repaid in full to the Company in February 2002.
(2) Mr. Whelan's Promissory Note and all accrued interest thereon was cancelled and repayment thereon was waived by the Company effective January 21, 2002, in consideration of his entering into his Executive Retention and Severance Agreement with the Company.

Cendant Corporation

In February 2001, pursuant to an Agreement and Plan of Reorganization dated as of October 26, 2000 (the Merger Agreement), the Company acquired Move.com, Inc. (Move.com) and Welcome Wagon International, Inc. (Welcome Wagon), which were subsidiaries of Cendant Corporation (Cendant). Pursuant to the terms of the Merger Agreement, the Company issued approximately 21.4 million shares of common stock to Cendant in exchange for all of the outstanding shares of Move.com and Welcome Wagon and assumed approximately 3.2 million outstanding stock options of Move.com. In connection with the Merger Agreement, the Company entered into a series of agreements with Cendant.

Commercial Agreements. In connection with the Merger Agreement, the Company entered into a Master Operating Agreement with Cendant under which Cendant agreed to provide an exclusive license to the Company for the Company to display on its web sites listing data made available to Cendant by the three real estate brands it controls, Century-21, ERA and Coldwell Banker. Cendant also gave the Company a non-exclusive license to use other related data. The term of this agreement is 40 years, although under certain circumstances exclusivity may terminate after five years. Other commercial agreements included: a web marketing agreement under which the Company agreed to display Cendant advertisements on the Company's web sites over a three year period and a Marketplace Agreement giving the Company the right to act as the exclusive advertising agent for Cendant web sites, the option to include a marketplace on Cendant web sites, an option to host these web sites and the exclusive right to sell some types of advertising on these web sites.

In connection with and contingent upon the closing of the acquisition of the Move.com Group, the Company entered into a series of commercial agreements for the sale of various technology and subscription-based products to Real Estate Technology Trust (RETT), an independent trust established in 1996 to provide technology services and products to Cendant's real estate franchisees that is considered a related party of the Company. Under the commercial agreements, RETT committed to purchase \$75 million in products and services to be delivered to agents, brokers and other Cendant real estate franchisees over the next three years. Subsequent to the closing of the acquisition of the Move.com Group, the Company entered into additional commercial agreements with Cendant and RETT. The total contractual value of all commercial agreements entered into during 2001 is approximately \$95.5 million, resulting in \$82.5 million in future revenue. Revenue of \$38.3 million related to these transactions was recognized in 2001. This revenue was reported separately as revenue from related parties in these financial statements. There were no revenues from Cendant or RETT in

2000 or 1999. It is not practical to separately determine the costs of such revenues. As of December 31, 2001, the Company had received approximately \$83.3 million of cash and had recorded deferred revenue of approximately \$37 million related to these agreements. This deferred revenue will be recognized over the next two years.

The business purpose of these commercial agreements was to extend the Company's product and service offerings to a significant concentration of real estate professionals and to establish access to an effective and efficient distribution channel for current and future product and service offerings. The pricing under these commercial arrangements was negotiated at arm's-length and on a discrete basis for each of the various products and services. Products and services to be provided under these arrangements include personalized multi-page websites for real estate agents, subscription-based products and services targeted at individual real estate brokerage offices, virtual tour technology software, customized real estate professional productivity software, as well as other products and services such as marketing and training. Sales of the subscription-based products are for specified periods of time ranging between one and two years. At the end of the contractual term for each of the subscription-based products, the Company may have to negotiate renewal terms with the individual real estate professionals.

Registration Rights. The Company also entered into a registration rights agreement with Cendant. Under the Merger Agreement and the registration rights agreement, the Company agreed to file a registration statement on Form S-3 and to keep it effective for up to one year in order to register the distribution from Cendant to certain of its security holders of some of the shares that Cendant received in the acquisition transaction (the Distributable Shares). In May 2001, the Company filed a registration statement on Form S-3 to register these shares. In addition, commencing on the third anniversary of the closing date of the acquisition of Move.com and Welcome Wagon (the Closing Date), Cendant can request that the Company file a registration statement on up to three occasions covering the public resale of no more than 10% of the shares it received in the acquisition. The Company is required to effect only one registration statement in any 12 month period, and the Company does not have to keep it effective for more than 120 days. Cendant will also have piggyback registration rights after the first anniversary of the closing of the acquisition. The registration rights agreement terminates on the earlier of ten years or when all shares received in the acquisition may be resold in any 90 day period under Rule 144 of the Securities Act.

Stockholder Agreement. The Company entered into a Stockholder Agreement with Cendant. Cendant has agreed to a ten-year standstill agreement that, in most circumstances, prevents Cendant from acquiring additional Homestore common stock. Cendant is also restricted in certain circumstances from seeking to control the Company's management, Board of Directors or policies during those ten years. Cendant is also subject to various restrictions on the transfer of its shares. The agreement contains voting restrictions lasting at least five years, including the obligation to vote shares in the same manner and proportion as cast by holders other than Cendant or its affiliates, and Cendant will be required to be present in person or by proxy at all meetings of stockholders. Cendant will not be able to exercise dissenter's rights. As part of the agreement, Cendant has the right to designate one person for election as a member of the Company's Board and to designate one non-voting observer, and pursuant to this right, Richard A. Smith was appointed as a director. Mr. Smith resigned from the Board of Directors in March 2002, and as of April 10, 2002, Cendant has not designated his replacement.

REPORT OF THE COMPENSATION COMMITTEE

To The Board of Directors

This Report of the Compensation Committee shall not be deemed to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed soliciting material or filed under such acts.

The Compensation Committee of the Board of Directors (the Committee) makes final decisions regarding compensation and stock option grants to executive officers and employees. The Committee is composed of two non-employee directors, none of whom have any interlocking relationships as defined by the Securities and Exchange Commission.

General Compensation Policy

The Committee acts on behalf of the Board to establish the general compensation policy of the Company. The Committee reviews base salary levels and target bonuses for the Chief Executive Officer (CEO) and other executive officers of the Company each year. The Committee also administers the Company's incentive and equity plans, including the 1999 Stock Incentive Plan and the 1999 Employee Stock Purchase Plan. The Committee believes that in this highly competitive emerging marketplace, equity compensation provides the best incentive to encourage outstanding performance and align management and stockholder interests.

The Committee's philosophy in compensating executive officers and certain other key employees of the Company is to relate compensation to corporate, business unit and individual performance, and increases in shareholder value, while providing a total compensation package that is competitive and enables the Company to attract, motivate, reward and retain key executives and employees. Consistent with this philosophy, annual salary adjustments and the incentive component of executive officer compensation is determined after a review of the Company's and individual's performance for the previous year. The long-term equity incentives for executive officers are stock options granted under the option plan. During 2001, to ensure the compensation program is competitive and appropriate, the Committee retained an independent consulting firm to review the compensation policy for its executives compared to other companies considered comparable to the Company in terms of size, type of business, performance, position and compensation philosophy. The Committee also uses salary surveys obtained annually for reference purposes, but its salaries are not targeted to a specific level of comparable compensation. In preparing the performance graph for this proxy statement, the Company used Media General's Internet and Software Services Index as a business index. Certain companies included in the Media General's Internet and Software Services Index were excluded because they were determined not to be competitive with the Company for executive talent, or because compensation information was not available.

2001 Executive Compensation

Executive compensation for 2001 included base salary, cash bonuses and stock option grants. Base salaries for the Company's executive officers are evaluated annually and are based on the executive's contribution to Company performance, level of responsibility, experience and breadth of knowledge. In the first quarter of 2001, the Committee approved a bonus plan for the Company's executives for 2001 performance based on the following measures: Company revenue, Company earnings, other Company goals, and division performance. The Compensation Committee determined that except for bonuses payable under preexisting contractual obligations, no bonuses would be paid for 2001 performance under the bonus plan.

The Company has in the past relied heavily on long-term equity-based compensation to compensate and incentivize its executive officers. In 2001, stock options were granted to executive officers to aid in retaining

them and to align their interests with those of the stockholders. Stock options typically have been granted to executive officers when the executive first joined the Company, in connection with the significant change in responsibilities and, occasionally, to achieve equity within the executive's peer group and comparable companies. The number of shares granted is within the discretion of the Committee and is based on anticipated future contribution to corporate and/or business unit results, past performance, and work consistency within the executive's peer group. Generally, 20% of these options vest and become exercisable one year after the date of grant; then vesting is on a monthly basis for 48 months. Subsequent grants normally vest and become exercisable monthly over 60 months.

2001 CEO Compensation

Dr. Stuart H. Wolff was hired by the Company pursuant to an employment agreement dated August 1998 with a base salary of \$200,000 and a target bonus of up to 100% of his base salary for that year, and thereafter, at a rate mutually agreed to by the Compensation Committee and which reflects the executive's level of contribution to the Company. No bonus was paid to Dr. Wolff for 2001 performance.

As discussed above in the section entitled Employment-Related Agreements, the Company has entered into an employment agreement with Mr. Long with respect to his services as CEO commencing in January 2002.

Compliance with Section 162(m) of the Internal Revenue Code of 1986

The Company has endeavored to structure its compensation plans to achieve maximum deductibility under Section 162(m) of the Internal Revenue Code of 1986. The 1999 Stock Incentive Plan is in compliance with Section 162(m) by limiting stock awards to named executive officers. The Company did not award any cash compensation for 2001 or grant options in 2001 that would not be deductible by the Company. However, since corporate objectives may not always be consistent with the requirements for full deductibility, it is conceivable that in the future the Company may award compensation to its executive officers that is not fully deductible under Section 162(m).

STOCK PERFORMANCE GRAPH

The stock price performance graph below is required by the Securities and Exchange Commission. It shall not be deemed to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed soliciting material or filed under such acts.

Pursuant to applicable rules under the Securities Exchange Act of 1934 relating to proxy statements, we are required to include in the graph below an index of companies in our industry or line-of-business. In last year's proxy statement, we included the JPMorgan H&Q Technology Index to meet this requirement. In this Proxy Statement, we have included Media General's Internet and Software Services Index to meet this requirement. We have also included the JPMorgan H&Q Technology Index in the graph below because the applicable SEC rules require that we do so in connection with making the change to Media General's Internet and Software Services Index.

The following graph compares, for the period that the Company's common stock has been registered under Section 12 of the Exchange Act (which commenced on August 4, 1999), the cumulative total stockholder return for (i) the Company, (ii) the Composite Index for The Nasdaq National Stock Market (U.S. Companies) (the Nasdaq Index), and (iii) Media General's Internet and Software Services Index.

The results reflected in the graph assume the investment of \$100 on August 5, 1999 (the first trading day) in the Company's common stock, the Nasdaq Index and Media General's Internet and Software Services Index, and further assumes no payment or reinvestment of dividends.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors, executive officers and holders of more than 10% of the Company's common stock (collectively, Reporting Persons) to file with the SEC initial reports of ownership and reports of changes in ownership of the Company's common stock. Reporting Persons are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on its review of the copies of Section 16(a) reports received or written representations from certain Reporting Persons, the Company believes that all reporting requirements under Section 16(a) for the fiscal year ended December 31, 2001 were met in a timely manner by the Reporting Persons.

STOCKHOLDER PROPOSALS FOR THE 2003 ANNUAL MEETING

Proposals of stockholders which are intended to be presented by such stockholders at the Company's 2003 annual meeting must be received by the Company no later than December 17, 2002 in order that they may be included in the proxy statement and form of proxy relating to that meeting.

ADVANCE NOTICE PROCEDURES FOR NEXT YEAR'S ANNUAL MEETING

The Company hereby advises stockholders that, until further notice, notice of a stockholder-sponsored proposal submitted outside of the process of Rule 14a-8 under the Securities Exchange Act of 1934 (i.e., a proposal to be presented at the next annual meeting of stockholders but not submitted for inclusion in the Company's proxy statement) will be considered untimely under the Company's Bylaws unless it is received between February 9, 2003 and March 11, 2003.

OTHER MATTERS

The Company knows of no other matters to be submitted to the stockholders at the Annual Meeting. If any other matters properly come before the stockholders at the Annual Meeting, it is the intention of the persons named on the enclosed proxy card to vote the shares they represent as the Board of Directors may recommend.
