PROXY STATEMENT

This Proxy Statement is furnished to the stockholders of Monarch Casino & Resort, Inc. (the "Company") in connection with the annual meeting of stockholders of the Company to be held at the Atlantis Casino Resort, 3800 South Virginia Street, Reno, Nevada 89502, on Thursday, May 26, 2005, at 10:00 a.m. local time, and any adjournment thereof, for the purposes indicated in the Notice of Annual Meeting of Stockholders.

The accompanying proxy is solicited by the Board of Directors of the Company (the "Board"). This Proxy Statement and the accompanying form of proxy are being mailed to stockholders on or about April 21, 2005. Any stockholder giving a proxy has the power to revoke it prospectively by giving written notice to the Company, addressed to Ben Farahi, Secretary, at the Company's principal address at 1175 W. Moana Lane, Suite 200, Reno, Nevada 89509 before the annual meeting, by delivering to the Company a duly executed proxy bearing a later date, by notifying the Company at the annual meeting prior to the commencement of the annual meeting. The shares represented by the enclosed proxy will be voted if the proxy is properly executed and received by the Company prior to the commencement of the annual meeting, or any adjournment thereof.

None of the proposals to be voted on at the annual meeting creates a right of appraisal under Nevada law. A vote "FOR" or "AGAINST" any of the proposals set forth herein will only affect the outcome of the proposal.

The expenses of making the solicitation will consist of the costs of preparing, printing, and mailing the proxies and proxy statements and the charges and expenses of brokerage firms, custodians, nominees or fiduciaries for forwarding such documents to security owners. These are the only contemplated expenses of solicitation, and they will be paid by the Company.

VOTING SECURITIES

The close of business on April 8, 2005 has been fixed by the Board as the record date for determination of stockholders entitled to vote at the annual meeting. The securities entitled to vote at the annual meeting consist of shares of common stock, par value \$.01 ("Common Stock"), of the Company, with each share entitling its owner to one vote. Common Stock is the only outstanding class of voting securities authorized by the Company's Articles of Incorporation. The Company's Articles of Incorporation authorize the Company to issue 10,000,000 shares of preferred stock, par value \$.01 ("Preferred Stock"). None of the Preferred Stock is issued or outstanding, and the Company has no present plans to issue shares of Preferred Stock.

The Board is empowered to issue one or more series of Preferred Stock with such rights, preferences, restrictions, and privileges as may be fixed by the Board, without further action by the Company's stockholders. The issuance of the Preferred Stock could adversely affect the rights, including voting rights, of the holders of the Common Stock and could impede an attempted takeover of the Company. The Preferred Stock does not presently possess general voting rights.

Following a 2 for 1 split of our common stock effective March 31, 2005, the number of outstanding shares of Common Stock at the close of business on March 31, 2005, was 18,819,116. The number of shares outstanding may change between such date and April 8, 2005, if any currently exercisable options to purchase Common Stock are exercised, if the Company elects to repurchase and

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

cancel any shares in open market or privately negotiated transactions, or if the Company otherwise authorizes the issuance of any shares. The stockholders do not possess the right to cumulate their votes for the election of directors.

PROPOSAL 1: ELECTION OF DIRECTORS

The Board is comprised of six persons. The Bylaws of the Company provide for a board of directors consisting of three to twelve persons who are elected generally for a term of two years. Directors are to serve until their successors are elected and have qualified.

If the enclosed proxy is duly executed and received in time for the annual meeting and if no contrary specification is made as provided therein, the proxy will be voted in favor of electing the nominees Bob Farahi, Ben Farahi and Ronald R. Zideck for terms of office expiring in 2007. If any such nominee shall decline or be unable to serve, the proxy will be voted for such person as shall be designated by the Board to replace any such nominee. The Board presently has no knowledge or reason to believe that any of the nominees will refuse or be unable to serve.

Any vacancies on the Board which occur during the year will be filled, if at all, by the Board through an appointment of an individual to serve only until the next annual meeting of stockholders.

The Company, through a wholly owned subsidiary, Golden Road Motor Inn, Inc. ("Golden Road"), owns and operates the Atlantis Casino Resort (the "Atlantis") in Reno, Nevada. Accordingly, the Company, each director who has been required by the Nevada Gaming Authorities (as defined below) to be found suitable, each executive officer, and each controlling person have been "found suitable" by the Nevada State Gaming Control Board and Nevada Gaming Commission (collectively, the "Nevada Gaming Authorities"). Future new members of the Board, if any, may be required to be found suitable in the discretion of the Nevada Gaming Authorities. Should any such new director not be found suitable or should any director later be found not to be suitable by the Nevada Gaming Authorities, that person will not be eligible to continue serving on the Board and a majority of the remaining directors may appoint a qualified replacement to serve as a director until the next annual meeting of stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF THE ELECTION OF MESSRS. BOB FARAH, BEN FARAH AND RONALD R. ZIDECK TO THE BOARD OF DIRECTORS.

The following information is furnished with respect to each member of the Board or nominee thereto. Similar information is provided for the Company's

executive officers and certain significant employees who are not directors.

Committees of the Board

The Board has certain standing committees including the Audit Committee, the Compensation Committee, the 1993 Executive Long-Term Incentive Plan Committee (the "Incentive Plan Committee"), the 1993 Directors' Stock Option Plan Committee (the "Directors' Plan Committee") and the Operations Committee.

Because the Company is considered a "Controlled Company" under Nasdaq rules, the Company believes that it is exempt from Nasdaq requirements to have a majority of independent directors and to have director nominees selected by either a majority of independent directors or by a nominating committee consisting solely of independent directors. The Company believes that it is a "Controlled Company" because more than fifty percent (50%) of the Company's voting power is held by the Farahi family, including John Farahi, Bob Farahi, Ben Farahi and the Jila Farahi Trust.

The Audit Committee, comprised of Craig F. Sullivan and Charles W. Scharer, and chaired by Ronald R. Zideck, met 10 times during the fiscal year ended December 31, 2004. The Audit Committee is comprised exclusively of directors who are not salaried employees and a majority of whom are, in the opinion of the Board, free from any relationship that would interfere with the exercise of independent judgment as a committee member. The Audit Committee's function is to review reports of the auditors to the Company; to review Company financial practices, internal controls and policies with officers and

key employees; to review such matters with the Company's auditors to determine scope of compliance and any deficiencies; to consider selection of independent public accountants; to review and approve certain related party transactions; and to make periodic reports on such matters to the Board. The Audit Committee adopted an Audit Committee Charter on June 14, 2000, and subsequently amended it effective June 7, 2001 and April 9, 2004.

All members of the Audit Committee are "independent" directors, as such term is defined in Rule 4200(a)(15) of the National Association of Securities

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

Dealers' Listings Standard.

The Company believes that each member of the Audit Committee is a financial expert, as defined by the SEC rules applied pursuant to the Sarbanes-Oxley Act of 2002, and as defined in Regulation S-K, Item 401(h)(2). The relevant experience of such directors is summarized under "Election of Directors - Directors and Nominees" above.

The Compensation Committee, comprised of Ronald R. Zideck and Charles W. Scharer, and chaired by Craig F. Sullivan, met 2 times during the fiscal year ended December 31, 2004. The Compensation Committee's function is to review and make recommendations to the Board with respect to the salaries and bonuses of the Company's executive officers and to administer the 1993 Employee Stock Option Plan (the "Employee Plan").

The Incentive Plan Committee, comprised of Craig F. Sullivan, Ronald R. Zideck and Charles W. Scharer, met once during the fiscal year ended December 31, 2004. The Incentive Plan Committee's function is to administer the 1993 Executive Long-Term Incentive Plan (the "Incentive Plan"), including determining such matters as the persons to whom awards shall be granted, the number of shares to be awarded, when the awards shall be granted, when the awards shall vest, and the terms and provisions of the instruments evidencing the awards, interpreting the Incentive Plan and notifying the Board of all decisions concerning awards granted to Incentive Plan participants.

The Directors' Plan Committee, comprised of John Farahi and Bob Farahi, met once during the fiscal year ended December 31, 2004. Neither John Farahi nor Bob Farahi is eligible to participate in the Directors' Plan. The Directors' Plan Committee consists of not less than 2 directors of the Company selected by, and serving at the pleasure of, the Board and its function is to administer the 1993 Directors' Stock Option Plan (the "Directors' Plan"). The Directors' Plan Committee has the authority to interpret the Directors' Plan and make all determinations necessary or advisable for its administration. All decisions of the Directors' Plan Committee are subject to approval by the Board.

The Operations Committee, comprised of John Farahi, Darlyne Sullivan and Richard Cooley, and chaired by Charles W. Scharer, met once during the fiscal year ended December 31, 2004. The purpose of the Operations Committee is to provide a formal communication link between Golden Road management and the Monarch Board and to facilitate examination of, and feedback regarding, various operational issues.

The Company does not have a standing Nominating Committee, nor has the Board of Directors adopted a charter addressing the director nomination process. The Board of Directors believes that it is appropriate for the Company not to have a nominating committee because the entire Board of Directors can adequately serve the function of considering potential director nominees from time to time as needed.

The requirements for nomination by a security holder of a person to the Company's Board of Directors are set forth in Article II, Section 16 of the Company's Bylaws and the qualifications for a person to be a director of the Company are set forth in Article II, Section 14 of the Bylaws. Both sections of the Bylaws are set forth below.

14. Eligibility of Directors. No Director is eligible to continue to serve as a Director of the Corporation who is required under Nevada gaming laws to be found suitable to serve as a director and who is not found suitable or whose finding of suitability is suspended or revoked by

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

Nevada gaming authorities. Such eligibility shall cease immediately following whatever act or event terminates the director's eligibility under the laws and gaming regulations of the State of Nevada.

16. Nomination of Directors. Only persons who are nominated in accordance with the procedures set forth in this Section 16 of Article II shall be eligible for election as Directors. Nominations of persons for election to the Board of Directors of the Corporation at the Annual Meeting may be made at a meeting of stockholders by or at the direction of the Board of Directors by any nominating committee or person appointed by the Board or by any stockholder of the Corporation entitled to vote for the election of Directors at the meeting who complies with the Notice procedures set forth in this Section 16 of Article II. Such nominations, other than those made by or at the direction of the Board, shall be made pursuant to timely notice in writing to the secretary of the Corporation. To be timely, unless waived by the Board of Directors, no person not already a Director shall be eligible to be elected or to serve as a Director unless such person's notice of nomination shall be received at the principal executive offices of the Corporation at least seventy five (75) days before initiation of solicitation to the stockholders for election in the event of an election other than at an Annual Meeting and seventy five (75) days before the corresponding date that had been the record date for the previous year's Annual Meeting or seventy five (75) days before the date of the next Annual Meeting of shareholders announced in the previous year's proxy materials in the event of an election at an Annual Meeting. To be timely, no stockholder's notice shall be received at the principal executive offices of the Corporation more than ninety (90) days before the meeting; provided, however, that in the event that less than ninety (90) days' notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholder to be timely must be received not later than the close of business on the 15th day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made, whichever first occurs. The stockholder's notice to the Secretary shall set forth (a) as to each person whom the stockholder proposes to nominate for election or reelection as a Director, (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class and number of shares of stocks of the Corporation which are beneficially owned by the person, (iv) a description of all arrangements or understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder, and (b) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of Directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (vi) the consent of such nominee to serve as Director of the Corporation, if he is so elected; and

(c) as to the stockholder giving the notice, (i) the name and record address of stockholder, and (ii) the class and number of shares of stock of the Corporation which are beneficially owned by the stockholder. The Corporation may require any proposed nominee to furnish such other information as may reasonably be required by the Corporation to determine the eligibility of such proposed nominee to serve as Director of the Corporation. No person shall be eligible for election as a Director of the Corporation unless nominated in accordance with the procedures set forth in this Article II, Section 16. The Chairman of the meeting shall, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the foregoing procedure, and if he should so determine, he shall so declare to the meeting and the

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

defective nomination shall be disregarded.

The Company did not receive the names of any proposed director candidates submitted by any stockholder by December 31, 2004 for inclusion in this Proxy Statement.

Board Meetings

The Board held 8 meetings in the fiscal year ended December 31, 2004. All directors attended at least 75% of the Board of Directors meetings and all committee members attended at least 75% of the meetings for the committees on which they serve during the fiscal year ended December 31, 2004.

Annual Meetings

The Board of Directors has a policy that requires all directors to attend each Annual Meeting of Stockholders absent exigent circumstances. All six directors attended the 2004 Annual Meeting of Stockholders.

Communication with Directors

The Company's stockholders may contact directors by going to the Company's web site, www.monarchcasinos.com, selecting "Company Info" and then selecting "Board of Directors/Executive Officers." Each director's and executive officer's email address is set forth and provides a means to contact such person directly.

Compensation of Non-Employee Directors

From March 2002 until March 2004, annual fees of \$30,000 were paid to directors who were not employees of the Company and, as of March 2004, annual fees of \$40,000 are paid to directors who are not employees of the Company. Each non-employee director serving as the chairman of a committee of the Board received an additional annual fee of \$10,000 for each committee chaired in 2004. Each director may be reimbursed for certain expenses incurred in connection with attendance at Board and committee meetings. Certain non-employee directors have been granted options to purchase Common Stock under the Directors' Plan.

Existing 1993 Directors' Stock Option Plan. The Directors' Plan is designed to encourage non-employee directors to take a long-term view of the affairs of the Company, to attract and retain superior non-employee directors and to aid in compensating non-employee directors for their services to the Company. The Company's non-employee directors for the year ended December 31, 2004 were Craig F. Sullivan, Ronald R. Zideck and Charles W. Scharer.

An eligible director, upon becoming a member of the Board of Directors, will receive an initial grant to purchase 4,800 shares of Common Stock ("Initial Director Grant"), plus an additional grant to purchase 1,300 shares of Common Stock for each committee chaired. Thereafter, immediately following the close of the annual stockholders' meeting, each eligible director will receive an annual option grant to purchase 4,800 shares of Common Stock ("Annual Director Grant") plus an additional grant to purchase 1,300 shares of Common Stock for each committee chaired for the first five years following election to the Board. The Directors' Plan Committee may also recommend discretionary grants of options on terms deemed appropriate by the Directors' Plan Committee, subject to the approval of the Board.

The exercise price of all director option grants is 100% of the fair market value of the Common Stock on the date of grant. Initial Director

Grants and Annual Director Grants may not be exercised until six months and one day after the date of the grant. All options granted under the Directors' Plan are non-qualified options, the tax treatment of which is determined under Section 422 of the Internal Revenue Code of 1986, as amended. In 2003, the Company's stockholders approved the extension of grants previously granted under the Directors' Plan from five years to ten years.

In 2004, Craig F. Sullivan, Ronald R. Zideck and Charles W. Scharer each received an Annual Director Grant of options to purchase 6,100 shares of Common Stock, post stock split, in accordance with the Directors' Plan.

PROPOSAL 2: APPROVAL OF AN AMENDMENT TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK ISSUABLE UNDER THE COMPANY'S EMPLOYEE PLAN

General

At the annual meeting, the stockholders will be asked to approve an amendment to the Monarch Casino & Resort, Inc. Employee Plan (the "Employee Plan") to increase the number of shares of Common Stock reserved for issuance under the Employee Plan from 300,000 shares to 1,000,000 shares.

The purpose of the amendment is to ensure that we will continue to have a sufficient reserve of common stock available under the Employee Plan to provide eligible employees of the Company with the opportunity to purchase shares of our Common Stock. The increased number of shares proposed has been adjusted to reflect the March 31, 2005, 2 for 1 stock split.

The following is a summary of the principal features of the Employee Plan as modified by the proposed amendment. The summary, however, does not purport to be a complete description of all the provisions of the Employee Plan. Unless the context clearly indicates to the contrary, the term of "Employee Option" used herein shall mean a non-statutory stock option and the term "Employee Optionee" shall mean any person holding an Employee Option granted under the Employee Plan. Any stockholder who wishes to obtain a copy of the actual plan documents may do so upon written request to our Corporate Secretary at our principal executive offices at 1175 West Moana Lane, Suite 200, Reno, Nevada 89502.

The Company granted options for 422,000 shares of common stock, adjusted for 2 for 1 stock split, under the Employee Plan during the fiscal year ended December 31, 2004.

Administration and Eligibility

The Employee Plan is administered by the Company's Compensation Committee, consisting of not less than two members of the Board who are not eligible to participate in the Employee Plan and who have not, within one year prior to their appointment to the Compensation Committee, participated in the Employee Plan. The Compensation Committee administers and interprets the Employee Plan and adopts such rules, regulations, agreements, guidelines and instruments of the administration of the Employee Plan as the Compensation Committee deems necessary or advisable. In this regard, the Compensation Committee's powers include the authority to determine the employees to be granted Employee Options under the Employee Plan, the power to determine the size and applicable terms and conditions of grants to be made to such employees, and to authorize grants to eligible employees.

Employees which are eligible to participate in the Employee Plan are (a) full-time, salaried or hourly, union-represented or unrepresented employees regularly scheduled for and working at least 30 hours per week; (b) part-time,

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

salaries or hourly, union-represented or unrepresented employees regularly scheduled for and less than 30 hours per week and at least two weeks per month; and (c) all other employees of the Company as determined from time to time by the Compensation Committee. However, no person then eligible to be granted an option under the Incentive Plan (defined below), 1993 Directors' Employee Plan ("Directors' Plan") or any other Company-sponsored Employee Plan may be granted an Employee Option.

Option Price

Stock options granted under the Employee Plan have an option price equal to the last reported sale price of the Common Stock on the Nasdaq National Market, or such other stock exchange on which the Common Stock may be listed from time to time, on the date of grant, or, if no sale of Common Stock is reported on such date, then on the next preceding day on which there was such a sale.

Employee Options may be exercised by payment of the option price in full in cash, money order or certified check or, if the Compensation Committee in its discretion agrees to accept, in shares of Common Stock.

Option Exercise and Term

An Employee Option may be exercised one year after the date of grant unless a longer period is provided in such grant. An Employee Option may not be transferred or assigned other than by will or the laws of descent and distribution. During the lifetime of the Employee Optionee, the Employee Option may only be exercised by that Employee Optionee.

Except in special circumstances, each Employee Option will expire on the tenth anniversary of the date of grant.

Termination of Employee Option

If the employment of an Employee Optionee terminates, for whatever reason, prior to the date upon which an Employee Option becomes exercisable, that Employee Option will terminate and lapse upon the date employment is terminated.

If an Employee Optionee ceases to be employed by the Company for a reason other than for cause, or by reason of retirement, disability or death, the Employee Optionee must exercise an Employee Option within the earlier of either the tenth anniversary after the date of grant or the first anniversary of the date employment was terminated. However, such Employee Options, to the extent unexercised, will expire on the date that an Employee Optionee (i) uses for profit or discloses to unauthorized persons, confidential information or trade secrets of the Company; (ii) breaches any contract with or violates any fiduciary obligation to the Company; (iii) engages in unlawful trading in the Company's securities or the securities of another company based on information gained as a result of that Employee Optionee's employment with the Company; or (iv) violates, as determined by the Compensation Committee, any covenant not to compete in effect between the Company and the Employee Optionee. In the event that an Employee Optionee is terminated for cause, including activities discussed in the preceding sentence, the Employee Optionee forfeits all rights to any unexercised Employee Options granted under the Employee Plan and any outstanding Employee Options then held by the Employee Optionee will automatically terminate and lapse, unless otherwise determined by the Compensation Committee.

Term and Amendment of Plan

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

The Employee Plan will terminate on June 13, 2013, except as to Employee Options outstanding on such date. The Compensation Committee may alter, amend, or suspend the Employee Plan or any Employee Option, or may at any time terminate the Employee Plan, except that the Employee Plan may not be modified to increase eligibility to include directors and/or executive officers, who are otherwise eligible to participate in the Incentive Plan and Directors' Plan without the approval of the holders of the majority of the outstanding common stock. Moreover, the Compensation Committee may not, either with or without the approval of the stockholders of the Company, take action which may materially and adversely affect any outstanding Employee Option without the consent of the holder of that option.

If The Company is acquired by a merger or a sale of all or substantially all of its assets or securities possessing more than 50% of the total combined voting power of its outstanding securities, then the successor entity (or its parent corporation) may assume the Company's obligations under the Employee Plan and the outstanding purchase rights. In the event of such assumption, each purchase right will be appropriately adjusted to preclude any dilution or enlargement of benefits thereunder, and the accumulated payroll deductions will automatically be applied to the purchase of shares of common stock (or such other securities as may then be subject to the purchase rights) on the next scheduled purchase date.

Accounting Treatment

Under current accounting principles applicable to employee stock option plans qualified under Section 423 of the Internal Revenue Code, the issuance of common stock under the Employee Plan will not result in a compensation expense chargeable against our reported earnings. However, we must disclose, in pro-forma statements to our financial statements, the impact the stock option grants under the Employee Plan would have upon our reported earnings were the value of those purchase rights treated as compensation expense.

On March 31, 2004, the Financial Accounting Standards Board ("FASB") issued an exposure draft of its Proposed Statement of Financial Accounting Standards for Share-Based Payments (the "Exposure Draft") which, if approved

by FASB without change, will substantially change the accounting treatment for the Employee Plan beginning in calendar year 2005. Pursuant to the Exposure Draft, the fair value of each stock option which is granted or vests under the Employee Plan on or after January 1, 2005 will be charged as a direct compensation expense to our reported earnings over the offering period to which that purchase right pertains. The fair value of each stock option will be determined as of its grant date.

Vote Required and Recommendation of the Company Board of Directors

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote this proposal is required for approval of the amendment to the Employee Plan. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum. Broker non-votes will have no effect on the outcome of this vote.

The approval of this proposal is not a condition to the approval of any other proposals submitted to the stockholders. Should stockholder approval not be obtained, then the proposed increase of 700,000 shares to the number of shares reserved for issuance under the Employee Plan will not be implemented, no stock options will be granted on the basis of such increase. However, the

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

Employee Plan as in effect prior to the share increase which is the subject of this proposal will continue to remain in effect, and stock purchases will continue to be made pursuant to the provisions of the Employee Plan until the Employee Plan terminates or the available reserve of 300,000 shares is exhausted.

The Board believes that it is in our best interests to continue providing our employees with the opportunity to acquire an ownership interest in us through their participation in the Employee Plan and thereby encourage them to remain in our employ and more closely align their interests with those of our stockholders. Therefore, the Board unanimously recommends a vote "FOR" approval of the amendment to the Employee Plan.

PROPOSAL 3: APPROVAL OF AN AMENDMENT TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK ISSUABLE UNDER THE COMPANY'S EXECUTIVE LONG-TERM INCENTIVE PLAN

General

At the annual meeting, the stockholders will be asked to approve an amendment to the Monarch Casino & Resort, Inc. Executive Long-Term Incentive Plan (the "Incentive Plan") to increase the number of shares of common stock reserved for issuance under the Incentive Plan from 350,000 shares to 1,000,000 shares.

The purpose of the amendment is to ensure that we will continue to have a sufficient reserve of Common Stock available under the Incentive Plan to provide eligible employees of the Company with the opportunity to purchase shares of our Common Stock. The increased number of shares proposed has been adjusted to reflect the March 31, 2005, 2 for 1 stock split.

The following is a summary of the principal features of the Incentive Plan as modified by the proposed amendment. The summary, however, does not purport to be a complete description of all the provisions of the Incentive Plan. Unless the context clearly indicates to the contrary, the term of "Option" used herein shall mean either an incentive stock option ("ISO") or non-qualified stock option, and the term "Optionee" shall mean any person

holding an Option granted under the Incentive Plan. Any stockholder who wishes to obtain a copy of the actual plan documents may do so upon written request to our Corporate Secretary at our principal executive offices at 1175 West Moana Lane, Suite 200, Reno, Nevada 89503.

Administration and Eligibility

The Incentive Plan is administered by the Company's Incentive Plan Committee, consisting of not less than two nonemployee directors of the Company selected by, and serving at, the pleasure of the Company's Board. Directors who are also employees of the Company or any of its subsidiaries, or who have been such employees within one year, may not serve on the Incentive Plan Committee. Based upon the recommendations from the Company and its operating subsidiaries, the Incentive Plan Committee recommends to the Board the persons to whom awards shall be granted ("Participants"), the number of shares to be awarded, when the awards shall be granted, when the awards shall vest, and the terms and provisions of the instruments evidencing the awards. The Incentive Plan Committee also interprets the Incentive Plan and makes recommendations for its administration. Only employees who serve in the positions of Chief Executive Officer, Chief Financial Officer, Corporate President, Corporate Secretary and Corporate Treasurer are eligible for selection as Participants in the Incentive Plan. An ISO may not be issued to a person who, at the time of grant, is not an employee of the Company.

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

The Company granted options for 400,000 shares of Common Stock, adjusted for 2 for 1 stock split, under the Incentive Plan during the fiscal year ended December 31, 2004.

Option Price

Stock options granted under the Incentive Plan have an option price equal to the last reported sale price of the Common Stock on the date of grant on the Nasdaq National Market, or such other stock exchange on which the Common Stock may be listed from time to time. The option price per share for ISOs shall be an amount equal to the price of the Common Stock under option, as determined above, unless the proposed option recipient, at the time of grant, owns (within the meaning of Section 422(b)(6) of the Internal Revenue Code) stock possessing more than 10% of the total combined voting power of all classes of stock of Monarch or any subsidiary of Monarch. In such case, the purchase price of the shares covered by such ISO shall not be less than 110% of the fair market value per share of the Common Stock on the ISO is granted.

Options may be exercised by payment of the option price in full (i) in cash, (ii) in Common Stock, including Common Stock underlying the Option being exercised, having a fair market value equal to such Option price, or (iii) a combination of cash and Common Stock, including the Common Stock underlying the Option being exercised.

Option Term

An Option may not be transferred or assigned other than by will or the laws of descent and distribution. During the lifetime of the Optionee, the Option may only be exercised by that Optionee. Except in special circumstances, each Option shall expire on the tenth anniversary of the date of its grant and shall be exercisable according to a vesting schedule to be determined by the Incentive Plan Committee. The Incentive Plan Committee may include in any Option instrument, initially or by amendment at any time, a

provision making any installment exercisable at such earlier date, if the Incentive Plan Committee deems such provision to be in the interest of the Company or its subsidiaries, or necessary to realize the reasonable expectation of the Optionee.

Restricted Share Awards

Under the Incentive Plan, the Incentive Plan Committee may also award Participants restricted shares of Common Stock. Under the Incentive Plan, all restricted shares will be forfeited to the Company or the applicable operating subsidiary if a Participant fails to be continuously employed with the Company or any of its subsidiaries during the restriction.

Term and Amendment of Plan

The Incentive Plan shall expire on June 13, 2013, except with respect to Options and restricted shares outstanding on that date. The Board may terminate or amend the Incentive Plan in any respect, at any time; provided, however, without the approval of the holders of a majority of the outstanding Common Stock the total number of shares that may be sold, issued, or transferred under the Incentive Plan may not be increased (except for proportional adjustment for stock dividend or split, recapitalization, merger, consolidation, spin-off, or other similar corporate changes); the eligibility requirements for participation may not be modified; the exercise price of an Option cannot be reduced; and the termination date of the Incentive Plan may not be extended.

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

Under current accounting principles applicable to employee stock option plans qualified under Section 423 of the Internal Revenue Code, the issuance of common stock under the Incentive Plan will not result in a compensation expense chargeable against our reported earnings. Broker non-votes will have no effect on the outcome of this vote.

The approval of this proposal is not a condition to the approval of any other proposals submitted to the stockholders. Should stockholder approval not be obtained, then the proposed increase of 650,000 shares to the number of shares reserved for issuance under the Incentive Plan will not be implemented, no stock options will be granted on the basis of such increase. However, the Incentive Plan as in effect prior to the share increase which is the subject of this Proposal will continue to remain in effect, and stock purchases will continue to be made pursuant to the provisions of the Incentive Plan until the Incentive Plan terminates or the available reserve of 350,000 shares is exhausted.

The Board believes that it is in our best interests to continue providing our employees with the opportunity to acquire an ownership interest in us through their participation in the Incentive Plan and thereby encourage them to remain in our employ and more closely align their interests with those of our stockholders. Committee Reports

Notwithstanding any statement to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Compensation Committee Report on Executive Compensation and the Stock Performance Chart presented shall not be incorporated by reference into any such filings.

Compensation Committee Report on Executive Compensation

April 9, 2005

The Compensation Committee (the "Committee"), which is composed entirely of directors who have never served as executive officers of the Company, determines and administers the compensation of the Company's executive officers.

Compensation Philosophy. The Committee seeks to compensate the Company's executive officers in such a fashion that will attract and retain individuals who are responsible for the management, growth, and success of the Company. The Committee believes that executive compensation should be designed to reward those individuals for their services to the Company and encourage them to continue in its employ. The Committee's actions related to compensation of

the Company's executive officers are submitted to the full Board of Directors for ratification and approval.

The Committee believes that the Company's overall financial performance is an important factor in the compensation of the Company's executive officers and, therefore, applies a quantitative formula in making compensation decisions related to some bonus plans. The Committee also recognizes qualitative factors such as successful supervision of the Company's operations, development of corporate projects, promotion of the Company's corporate image, and participation in industry and community activities.

The Committee also evaluates the total compensation of the Company's executive officers in light of the compensation practices and relative corporate financial performance of other companies in the gaming industry similar to the Company in terms of asset size and target market. The Committee's goal is that the base salaries for the Chief Executive Officer and other executive officers should be established at levels considered

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

appropriate in light of the duties and scope of responsibilities of each officer's position. Salaries are reviewed annually and are warranted to reflect sustained individual officer performance. The Chief Executive Officer and other executive officers are also eligible to receive incentive compensation in the form of stock options under the Incentive Plan (see "Option Grants in 2004" table above).

Chief Executive Officer Compensation. Following the recommendation of the Compensation Committee, the Board established the Chief Executive Officer's salary at \$400,000 for 2004. In determining the Chief Executive Officer's salary, the Compensation Committee considered (a) the Chief Executive Officer's record of leadership and service to the Company over the past three years, (b) the growth of the Company during the same period, (c) the Chief Executive Officer's pivotal role in overseeing the day-to-day operations of the Company, (d) the Company's performance over the same period in relation to its competitors in a very competitive environment, and (e) the Chief Executive Officer's civic leadership in the Reno area.

Guarantee Fees

The Company's Compensation Committee approved the payment of a guarantee fee of two percent of the average outstanding guaranteed debt as compensation for bank debt personal guarantees granted for the benefit of the Company by John Farahi, Bob Farahi and Ben Farahi. These guarantee fees were no longer required following the refinancing of the Company's reducing revolving credit facility in February 2004. For the year ended December 31, 2004, the Company paid approximately \$136,000 in guarantee fees to these persons.

Other Relationships

The three principal stockholders of the Company, through their affiliates, directly or indirectly control the ownership and management of a shopping center directly adjacent to the Atlantis (the "Shopping Center"). The shopping center occupies 18.7 acres and consists of 213,000 square feet of retail space. The Company currently rents approximately 7,700 square feet in the shopping center and pays rent of approximately \$67,200 per year plus common area expenses.

In 2004, the Shopping Center constructed of a new driveway that is being shared between the Atlantis and the Shopping Center. As part of this project, the Company has leased a 37,368 square-foot corner section of the Shopping Center for a minimum lease term of 15 years at a monthly rent of \$25,000, subject to increase every 60 months based on the Consumer Price Index. The Company also uses part of the common area of the Shopping Center and pays its proportional share of the common area expense of the Shopping Center. The Company has the option to renew the lease for 3 five-year terms, and at the end of the extension period, the Company has the option to purchase the leased section of the Shopping Center at a price to be determined based on an MAI Appraisal. The leased space is being used by the Company for pedestrian and vehicle access to the Atlantis, and the Company has use of a portion of the parking spaces at the Shopping Center. The total cost of the project was \$2.0 million; we were responsible for two thirds of the total cost, or \$1.35 million. The project was completed, the driveway was put into use and we began paying rent on September 30, 2004.

In 2003, the Company entered into an option agreement with an affiliate of its controlling stockholders to purchase property in South Reno for development of a new hotel casino. Commencement of any development of the property will require completion of property due diligence and receipt of numerous approvals, including master plan changes and zone changes, neither of which can be assured. Through the current property owner, the Company has filed an application with the City of Reno for master plan change and zone change for 13 acres of the property. On January 20, 2005, the City of Reno Planning Commission approved our application for zoning change on the property. The Reno City Council and regional governing authorities must next approve the application.

The Company is currently leasing billboard advertising space from affiliates of its controlling stockholders for a total annual cost of \$53,000 in 2004 and \$54,000 in 2003. There were no billboard advertising costs in 2002.

The Company is currently renting office and storage space from a company affiliated with Monarch's controlling stockholders and paid annual rent of

approximately \$27,900 for these spaces for each of the years 2004, 2003 and 2002.

Indemnification of Directors and Officers

Section 78.751 of Chapter 78 of the Nevada Revised Statutes ("NRS"), Article IX of the Company's Articles of Incorporation, and Article VII of the Company's Bylaws contain provisions for indemnification of officers and directors of the Company. The Articles of Incorporation require the Company to indemnify such persons to the full extent permitted by Nevada law. Each person will be indemnified in any proceeding provided that such person's acts or omissions did not involve intentional misconduct, fraud or knowing violation of law, or the payment of dividends in violation of NRS 78.300. Indemnification would cover expenses, including attorneys' fees, judgments, fines, and amounts paid in settlement.

The Company's Articles of Incorporation also provide that the Board may cause the Company to purchase and maintain insurance on behalf of any present or past director or officer insuring against any liability asserted against such person incurred in the capacity of director or officer or arising out of such status, whether or not the corporation would have the power to indemnify such person.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, or persons controlling the Company pursuant to the foregoing provisions, the Company has been informed that in the opinion of the Securities and Exchange Commission (the "SEC") such indemnification is against public policy as expressed in the Securities Act of 1933 and is therefore unenforceable.

The Audit Committee has not yet formally engaged an independent registered public accounting firm to audit the Company's financial statements for the fiscal year ending December 31, 2005. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than ten percent of a registered class of the Company's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Officers, directors, and stockholders holding more than 10% of the class of stock are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during 2004 all reports as required under Section 16(a) filing requirements were filed as required.

CODE OF ETHICS

The Company adopted a Business Ethics Policy and Code of Conduct (Code of Ethics), a copy of which may be reviewed on the Company's website, www.monarchcasino.com.

VOTING PROCEDURES

A majority of a quorum of stockholders present in person or represented by proxy voting "FOR" the election of the nominees to the Board is sufficient to approve the election of the nominees to the Board. A quorum of stockholders exists when a majority of the stock issued and outstanding and entitled to vote at a meeting is present, in person, or represented by proxy, at the meeting. Abstentions are effectively treated as votes "AGAINST" a

matter presented. Neither the Company's Articles of Incorporation, Bylaws, or Nevada corporate statutes address the treatment and effect of abstentions and broker non-votes.

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

The Company will appoint three inspectors of election to: determine the number of shares outstanding and the voting power of each, the shares represented at the meeting, the existence of a quorum, and the authenticity, validity, and effect of a proxy; receive votes, ballots, or consents; hear and determine all challenges and questions in any way arising in connection with the right to vote; count and tabulate all votes or consents; determine when the polls shall close; determine the results; and do any other acts which may be proper to conduct the election or vote with fairness to all stockholders.

2006 ANNUAL MEETING OF STOCKHOLDERS

The next annual meeting of stockholders will be held on or about June 7, 2006. Stockholders desiring to present proper proposals at that meeting and to have their proposals included in the Company's proxy statement and form of proxy for that meeting must meet the eligibility and other criteria under Rule 14a-8 of the Securities Exchange Act of 1934 and must submit the proposal to the Company. Such proposal must be received no later than December 21, 2005. Unless a stockholder proposal for the Company's 2006 Annual Meeting of Stockholders is submitted to the Company prior to March 10, 2006, management may use its discretionary voting authority to vote management proxies on the stockholder proposal without any discussion of the matter in the proxy statement.

OTHER BUSINESS

The Board does not know of any other business which will be presented for action by the stockholders at this annual meeting. However, if any business other than that set forth in the Notice of Annual Meeting of Stockholders should be presented at the annual meeting, the proxy committee named in the enclosed proxy intends to take such action as will be in harmony with the policies of the Board and will use their discretion and vote all proxies in accordance with their judgment.

The Company's 2004 Annual Report to Stockholders, including financial statements for the year ended December 31, 2004, accompanies these proxy materials, which are being mailed on or about April 21, 2005, to all stockholders of record of the Company as of April 8, 2005.
