Dear Shareholder:

You are cordially invited to attend the 2014 Annual Meeting of Shareholders of Horizon Bancorp to be held at the Clarion Inn, 5820 South Franklin Street, Michigan City, Indiana on Thursday, May 8, 2014, at 10:00 a.m. (local time; registration will begin at 9:30 a.m.). To ensure that a quorum will be represented at the meeting, we encourage you to vote promptly using one of the methods described in the Proxy Statement. Voting early will not limit your right to attend the meeting and vote in person.

As in recent years, we are taking advantage of the Securities and Exchange Commission rules that allow us to furnish proxy materials to our shareholders by posting the materials on the Internet, and which allow us to provide our shareholders with the information they need, while lowering the cost of delivery and reducing the environmental impact of our Annual Meeting. Our proxy materials are posted at <http://www.cfpproxy.com/5257>. On March 21, 2014, we mailed a notice to our shareholders containing instructions on how to access our proxy materials online and on how to vote.

The Notice of Annual Meeting and the Proxy Statement cover the business to come before the meeting, which will be the election of directors, an advisory (non-binding) vote to approve executive compensation and the ratification of the independent auditors. We urge you to read these materials carefully.

The Annual Report for the year ending December 31, 2013 is posted on the Internet, and if you request printed versions of the proxy materials, a copy of the Annual Report will be enclosed with the Notice of Annual Meeting and Proxy Statement.

I look forward to meeting our shareholders, and welcome the opportunity to discuss the business of your company with you.

General Information

Information About Proxy Materials

Why am I receiving these proxy materials?

The Board of Directors of Horizon Bancorp, an Indiana corporation, is soliciting proxies to be voted at the Annual Meeting of Shareholders to be held on Thursday, May 8, 2014, at 10:00 a.m. (local time). The meeting will be held at the Clarion Inn, 5820 South Franklin Street, Michigan City, Indiana. Our Board of Directors has made these materials available to you on the Internet, or, upon your request, has delivered printed versions of these materials to you by mail. We mailed our Notice of Internet Availability of Proxy Materials to our shareholders on March 21, 2014.

What is included in these materials?

These materials include:

- Our Proxy Statement for the Annual Meeting; and
- Our 2013 Annual Report, which includes our audited consolidated financial statements.

If you requested a paper copy of these materials by mail, a proxy card also was included.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission (the "SEC"), we have elected to provide access to our proxy materials over the Internet. Accordingly, we sent our shareholders a Notice of Internet Availability of Proxy Materials. All shareholders receiving the notice have the ability to access the proxy materials over the Internet and to request a paper copy of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a paper copy may be found in the notice. In addition, the notice contains instructions on how shareholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis.

How can I get electronic access to the proxy materials?

The notice provides you with instructions regarding how to view our proxy materials for the Annual Meeting on the Internet.

You also may choose to receive your future proxy materials by email by following the instructions in the Notice of Internet Availability of Proxy Materials that was sent to you. Receiving materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our annual shareholders' meetings on the environment. If you elect to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

Items of Business

What will the shareholders vote on at the Annual Meeting?

Shareholders will vote on the following three proposals:

- The election of four directors to serve three-year terms;
- The approval of the 2013 Omnibus Equity Incentive Plan;
- An advisory proposal on the compensation of Horizon's executive officers described in this Proxy Statement; and
 - The ratification of the appointment of BKD, LLP, as independent auditors for 2014.

Will there be any other items of business on which to vote?

Management is not aware of any other matters to be presented at the meeting other than those mentioned above and has not received notice from any shareholders requesting that other matters be considered.

Voting Information

Who can vote at the Annual Meeting?

Shareholders of record of Horizon Common Shares as of the close of business on March 3, 2014, the record date, may vote at the Annual Meeting. On the record date, 8,706,971 Horizon Common Shares were outstanding, and, in addition, 12,500 shares of Series B Senior Non-Cumulative Perpetual Preferred Stock were outstanding. Each Common Share is entitled to one vote on each matter to be voted on at the Annual Meeting.

How do I vote my shares?

There are three ways to vote by proxy prior to the Annual Meeting:

- By Telephone: Shareholders located in the United States can vote by telephone by calling 1-855-574-1380 and following the instructions in the notice;
- By Internet: You can vote over the Internet at www.rtcoproxy.com/hbnc by following the instructions in the notice; or
- By Mail: You can vote by signing, dating and mailing the proxy card sent to you by mail.

We encourage you to vote over the Internet, by telephone or by mailing the proxy card even if you plan to attend the meeting.

All proxies properly submitted in time to be counted at the Annual Meeting will be voted in accordance with the instructions contained in the proxy. If you submit a proxy without voting instructions, the proxies named in the proxy will vote on your behalf for each matter described below in accordance with the recommendations of the Board of Directors on Proposals 1, 2, 3 and 4 as set forth in this Proxy Statement and on any other matters in accordance with their best judgment.

If you have shares held by a broker or other nominee, you may instruct the broker or other nominee to vote your shares by following the instructions the broker or other nominee provides to you.

Proxies solicited by this Proxy Statement may be exercised only at the Annual Meeting and any adjournment and will not be used for any other meeting.

Can I vote my shares in person at the meeting?

If you are a shareholder of record as of March 3, 2014, you may vote your shares in person at the meeting.

If your shares are held by a broker or other nominee, you must obtain a proxy from the broker or nominee giving you the right to vote the shares at the meeting.

Can I change my vote after I have voted by telephone, online or mailed my proxy card?

You may change your vote at any time prior to the vote at the Annual Meeting. If you are the shareholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to Horizon's Secretary (James D. Neff, 515 Franklin Square, Michigan City, Indiana 46360), or by voting in person at the Annual Meeting.

What constitutes a quorum?

A majority of the outstanding Common Shares, present or represented by proxy, constitutes a quorum for the Annual Meeting. As of March 3, 2014, the record date, 8,706,971 Common Shares were issued and outstanding.

How many votes are required for the election of directors and the other proposals?

The following votes will be required to approve the proposals:

- Directors will be elected by a plurality of the votes cast (Proposal 1).
- The affirmative vote of the holders of a majority of the votes cast at the meeting is required to approve the 2013 Omnibus Equity Incentive Plan (the "2013 Omnibus Plan") (Proposal 2).
- The advisory vote to approve executive compensation (Proposal 3) and the ratification of the independent auditors (Proposal 4) require for approval that more votes be cast in favor of the proposal than against the proposal.

Abstentions and "broker non-votes" (described below) are counted for purposes of determining the presence or absence of a quorum but are not considered votes cast. Instructions to withhold authority will result in a nominee for director in Proposal 1 (Election of Directors) receiving fewer votes but will not count as votes "against" the nominee. Abstentions with respect to the approval of the 2013 Omnibus Equity Incentive Plan (Proposal 2) will not affect the outcome, because abstentions are not considered "votes cast." Broker non-votes will not affect the vote on Proposals 1 and 2, since broker non-votes also are not considered to be "votes cast." Neither abstentions nor broker non-votes will affect whether more votes have been cast for than against Proposal 3 (Advisory Vote to Approve Executive Compensation) and Proposal 4 (Ratification of Independent Auditors).

What is a "broker non-vote"?

A "broker non-vote" occurs when a broker submits a proxy that does not indicate a vote on a proposal because the broker has not received instructions from the beneficial owners on how to vote on such proposal and the broker does not have discretionary authority to vote in the absence of instructions. Brokers generally have the authority to vote,

even though they have not received instructions, on matters that are considered “routine,” such as the ratification of auditors. To avoid a broker non-vote of your shares on the election of directors, approval of the 2013 Omnibus Plan and the advisory vote on executive compensation, all of which are non-routine matters, you must provide voting instructions to your broker or other nominee.

Who pays the cost of this proxy solicitation?

Horizon pays the cost of soliciting proxies. Upon request, Horizon will reimburse brokers, dealers, banks, trustees and other fiduciaries for the reasonable expenses they incur in forwarding proxy materials to beneficial owners of the Common Shares. In addition to sending the Notice of Internet Availability of Proxy Materials and requested proxy materials by mail, proxies may be solicited personally or by telephone or facsimile or electronic mail, by certain directors, officers and employees of Horizon, Horizon Bank, N.A., and their subsidiaries, who will not be specially compensated for such solicitation.

Proposal 1

Election of Directors

The first matter to be acted upon at the Annual Meeting is the election of directors. Robert C. Dabagia retired as Chairman of the Board of Directors and as a Board member on June 30, 2013, and as a result, Horizon's Board of Directors currently consists of ten members. At the Annual Meeting, in addition to the three nominees who currently serve on the Horizon Board, shareholders will vote on the election of one new nominee, and if that nominee is elected, the Board will consist of eleven members. As required by Horizon's Amended and Restated Articles of Incorporation, the Board is divided into three classes of equal or near-equal size and the members of one class of directors are elected to serve three-year terms at each Annual Meeting.

Director Qualifications and Diversity

Horizon is a community bank that operates in a heavily regulated industry and relies on its Board of Directors for local knowledge and business acumen. Horizon believes our Board should be composed of individuals with business or academic experience that have made a positive impact on our business and the local community. In addition, Horizon's directors are expected to meet the standards outlined below. We believe that all of our current Board members possess the professional and personal qualifications necessary for effective board service, and we have highlighted particularly noteworthy attributes for each Board member in the individual biographies below. In addition, several of our Board members have numerous years of service on our Board and have served through multiple economic cycles. We believe this experience has provided them with significant and valuable understanding of our business, the regulatory requirements and the industry in which we compete.

Horizon's directors have considerable professional and business acumen, are well educated and are engaged in the local communities served by Horizon. Five members of Horizon's Board of Directors qualify as "audit committee financial experts," which is a considerable number for a company of our size.

Horizon's directors actively participate in continuing education, with each director completing 100% of their 2013 and 2012 assigned educational programs. In addition, several directors attended outside training programs in the areas of audit, compensation, lending, fraud and regulatory compliance.

Horizon's Board of Directors believes that the Board, as a whole, should have a diverse range of characteristics and skills to function at an optimal level in exercising its oversight. The Board's Nominating Committee is authorized by Horizon's Bylaws to select Horizon's nominees to serve as directors. The Nominating Committee Charter requires the Committee, before it selects a nominee for election or re-election or recommends a director to fill a vacancy, to review and evaluate:

- the nominee's qualifications, including judgment, skill, capability, ability to serve, conflicts of interest, business experience, the interplay of the candidate's experience with that of the other Board members, the extent to which a candidate would be a desirable addition to the Board and any committee of the Board;

- if applicable to the nominee, whether the nominee would be deemed “independent” under marketplace rules of the NASDAQ Stock Market and SEC regulations;
- whether the nominee is qualified and likely to remain qualified to serve under Horizon’s Bylaws; and
 - such other factors the Committee deems relevant.

The Nominating Committee Charter also provides that in determining whether to select incumbent directors for re-election to the Board, the Committee must consider the director’s past participation and contribution to the Board.

The Nominating Committee applies a broad concept of diversity, which includes all of the criteria listed in the Nominating Committee Charter together with other factors such as the nominee’s age, leadership abilities, continuous learning and the location of the nominee’s residence and place of business. Although Horizon does not have a diversity policy, when the Nominating Committee seeks new director candidates to add to the Board or to replace directors who have resigned or recommends the re-election of incumbent directors, the Nominating Committee selects director nominees on the basis of all of these criteria with the goal of finding the best qualified person to meet Horizon’s needs.

With respect to geographic diversity, the Nominating Committee considers whether current directors and nominees reside and/or have a place of business in the cities and counties in which Horizon Bank, N.A. (the “Bank”), Horizon’s wholly owned subsidiary, has branches and in which the Bank is considering to locate future branches. Each of Horizon’s current directors lives and works (unless retired) in the markets served by Horizon. With respect to skill set diversity, the Nominating Committee seeks to have directors and nominees with not only experience and expertise related to banking but also in a broad range of other professions. The Board currently consists of members with expertise in manufacturing, academia, accounting, law, finance, collections, receivable management, real estate sales, real estate development, construction management and architecture.

The Nominating Committee also considers the age of director nominees and current directors. Horizon’s Bylaws provide that a nominee who is not currently serving on the Board must not have reached his or her sixtieth birthday as of the date of the shareholder meeting at which the nomination will be considered or as of the date the nominee is elected to fill a board vacancy. The Bylaws also specify that directors may continue to serve until the end of the year in which they reach their seventy-fifth birthday.

Nominees

The terms of Craig M. Dwight, James B. Dworkin and Daniel F. Hopp will end at the Annual Meeting. The Board of Directors has nominated each of them to serve additional three-year terms as members of the Class of 2017, and the Board also has nominated Steven W. Reed, who currently serves as a director of the Bank, as a member of the Class of 2017. Information on the nominees and the other members of the Board of Directors is provided below.

The Board of Directors unanimously recommends that the shareholders
vote “FOR” the election of the four nominees

Corporate Governance

Director Independence

Annually Horizon's Board of Directors considers the independence of each of the directors under the listing standards of the NASDAQ Stock Exchange. In determining independence, the Board considers, among other things, current or previous employment relationships as well as material transactions and relationships between Horizon or the Bank and the directors, members of their immediate family and entities in which the directors have a significant interest. The purpose of this review is to determine whether any relationships or transactions exist or have occurred that are inconsistent with a determination that the director is independent.

The Board of Directors has determined that nine of the ten current members of the Board qualify as independent directors under SEC rules and the NASDAQ Listing Standards. The independent directors on the Board are Susan D. Aaron, Lawrence E. Burnell, James B. Dworkin, Charley E. Gillispie, Daniel F. Hopp, Larry N. Middleton, Peter L. Pairitz, Robert E. Swinehart and Spero W. Valavanis. If elected, Mr. Reed also will qualify as an independent director. Mr. Dwight, who serves as Horizon's Chairman and Chief Executive Officer, does not qualify as an independent director because of the positions he holds with Horizon and the Bank.

Members of the Audit, Compensation and Nominating Committee must meet all applicable independence tests of The NASDAQ Stock Exchange and the SEC.

Board Leadership Structure

Horizon's Board of Directors believes that each business is unique, and therefore, Board leadership structure should vary depending upon each company's circumstances and needs as they evolve over time. The positions of Chief Executive Officer and Chairman of the Board currently are held by Craig M. Dwight.

On April 16, 2013, the Horizon Board of Directors amended Horizon's Bylaws to provide that if the offices of Chairman of the Board and Chief Executive Officer are held by the same person, then the independent members of the Board are required to appoint one of the incumbent, independent directors to serve as the Lead Director. The selection process, term, qualifications, authority and responsibilities and other provisions governing the role of the Lead Director are set forth in the Charter of the Lead Independent Director, which the Board adopted on April 16, 2013.

Robert Dabagia, who had served as the Chairman of Horizon since 1998 and also had served as Horizon's Chief Executive Officer until 2001, retired on June 30, 2013. Effective July 1, 2013, the Board appointed Mr. Dwight as Chairman, in addition to his role as Chief Executive Officer. Also on that date and pursuant to the Bylaws, the Board appointed Daniel Hopp as the Lead Director.

In accordance with Horizon's Lead Director Charter, the Lead Director calls and presides at executive sessions of the independent directors; coordinates the activities and communications among independent directors; presides at all meetings of the Board at which the Chairman is not present or if circumstances arise in which the role of the Chairman is, or may be perceived to be, in conflict; approves the meeting schedules for independent directors and sets and reviews the agendas for executive sessions of the independent directors and may attend committee meetings of any committee of the Board of Directors. The Lead Director serves as the principal liaison between the independent directors and the CEO and other members of senior management on matters of Corporation policy, strategy, executive management performance and other matters, such as by:

- Consulting with the Chief Executive Officer regarding any concerns of the directors about Horizon or its performance, the Chief Executive Officer's performance, and the performance of other executive management.
- Providing input to the Chairman and Chief Executive Officer and the Corporate Secretary on the preparation of agendas for Board and committee meetings.
- Advising the Chairman on the quality, quantity, usefulness and timeliness of information provided to directors to support the work of the Board of Directors and committees.

In addition, at the direction of the full Board of Directors, the Lead Director may authorize the retention by Horizon of outside advisors and consultants to report directly to the Board of Directors.

The positions of Chairman of the Board and Chief Executive Officer are held by the same person. The Board has determined that it is in the best interests of Horizon to consolidate these positions due to Mr. Dwight's unique experiences and Horizon's corporate governance practice of having an independent lead director when these two positions are consolidated.

Mr. Dwight's extensive banking background experience in the States of Indiana and Michigan; his demonstrated ability to lead complex organizations; his proven leadership during varying economic cycles; his forward and strategic

thinking; his personal integrity; his demonstrated ability to hold the interests of the company above his own personal interests; his ability to recruit and retain an outstanding executive leadership team with similar values and beliefs; and his willingness to seek and receive outside counsel provides him with the unique ability to hold both offices of Chairman and Chief Executive Officer.

All of the directors on the Board, other than Mr. Dwight, qualify as independent under the NASDAQ rules. The key standing committees – the Audit Committee, the Compensation Committee and the Nominating Committee – are comprised entirely of independent directors and provide independent oversight of management. In addition, the Board and the Board’s key standing committees meet in executive session without the presence of Mr. Dwight.

Communications with Directors

Shareholders may communicate directly with the Board of Directors or individual members of the Board of Directors in writing by sending a letter to the Board at: Horizon Bancorp Board of Directors, 515 Franklin Square, Michigan City, Indiana 46360. All communications directed to the Board of Directors will be transmitted to the Chairman of the Board of Directors or other director identified in the communication without any editing or screening.

Shareholders also may communicate concerns, suggestions or questions to any member of the Board of Directors or member of senior management by logging onto the www.ethicspoint.com website from any computer at any time or by calling the toll-free hotline number, 866-294-4694. Ethicspoint is a worldwide, confidential and anonymous web and telephone reporting system that allows shareholders, customers, vendors and employees the ability to report concerns, as well as pose questions and suggestions confidentially and anonymously. Ethicspoint is fully compliant with reporting requirements such as those mandated by the Sarbanes-Oxley Act, Section 301. All communications received through Ethicspoint, either by web or telephone, are transmitted directly to the Chairperson of the Board’s Audit Committee and designated members of senior management, without editing or screening.

Code of Ethics

Horizon’s Code of Ethics for Executive Officers and Directors supplements the Horizon Bancorp and Horizon Bank, N.A. Advisor Code of Conduct and Ethics applicable to all employees, including officers. Horizon’s Code of Ethics for Executive Officers and Directors is available on our website at www.accesshorizon.com in the section headed “Investor Relations” under the caption “Corporate Governance.”

Director Nomination Procedures

Horizon’s Bylaws provide that any of the following may nominate director candidates: the Board of Directors, a nominating committee of the Board, any person appointed and authorized by the Board to make nominations, or any shareholder entitled to vote for the election of directors who has complied with the notice procedures specified in the Bylaws.

Horizon’s Bylaws provide that nominations by shareholders must be made in writing and must be received at Horizon’s principal executive office not fewer than 120 days in advance of the date the Proxy Statement was released to shareholders in connection with the previous year’s Annual Meeting. Shareholder nominations must include the detailed information about the nominee required by the Bylaws and also must comply with the other requirements set forth in the Bylaws. The Nominating Committee does not have a separate policy for considering director candidates recommended by shareholders because the director nomination procedures are set forth in Horizon’s Bylaws.

Horizon’s Bylaws provide that the chair of the Annual Meeting may, in his or her discretion, disregard nominations that are not made in accordance with the Bylaws and may instruct the tellers to disregard all votes cast for any such nominee. A complete copy of the applicable provisions of Horizon’s Bylaws is available to shareholders without charge upon request to the Secretary.

Meetings of the Board of Directors and Committees

Horizon's Board of Directors held sixteen meetings during 2013, and each director attended 75% or more of the total number of meetings of the Board and the committees upon which he or she served. Horizon and its subsidiaries have joint standing committees. These committees include the Audit Committee, the Compensation Committee and the Nominating Committee. Executive sessions of the independent directors are held at least four times a year.

Although Horizon does not have a policy regarding the attendance of directors at the Annual Meeting of Shareholders, Horizon encourages directors to attend the Annual Meeting. Seven of the then-current eleven members of the Board of Directors attended the 2013 Annual Meeting.

Nominating Committee

The members of the Nominating Committee are appointed by the Board of Directors in May of each year. The members of the Nominating Committee for 2012/13 and 2013/14 are Mr. Hopp, who serves as Chairperson, and Mr. Pairitz and Mr. Swinehart. In addition, Ms. Aaron serves as an alternate member of the Nominating Committee to provide additional expertise and support as needed. All of the members of the Nominating Committee qualify as independent directors under the rules applicable to NASDAQ-listed companies. The Nominating Committee met four times during 2013. The responsibilities of the Nominating Committee of the Board of Directors include selecting the individuals to be nominated for membership on the Board of Directors and overseeing the annual self-evaluations by the Board and its committees.

The Nominating Committee selects a slate of nominees and then recommends those nominees to the Board of Directors. The entire Board of Directors determines who the nominees will be. The Nominating Committee and the Board select nominees who meet the qualifications set forth in Horizon's Bylaws and the applicable independence requirements under the SEC and NASDAQ rules. The Nominating Committee Charter is posted on our website at www.accesshorizon.com in the section headed "Investor Relations" under the caption "Corporate Governance."

Audit Committee

Audit Committee members serve one-year terms and are appointed at the Annual Meeting of Directors in May of each year. The Audit Committee members for 2012/13 and 2013/14 are Mr. Gillispie, who serves as Chairperson, Mr. Dworkin, Mr. Middleton and Mr. Swinehart. The Audit Committee met four times in 2013. The purpose of the Audit Committee is to assist the Boards of Directors of Horizon and the Bank in fulfilling their statutory and fiduciary responsibilities with respect to examinations of Horizon, the Bank and their affiliates and the monitoring of accounting, auditing and financial reporting practices. The Audit Committee reviews the internal audit procedures of Horizon and the Bank and recommends to the Boards of Directors the engagement of outside and internal auditing firms.

Horizon's Board of Directors has determined that directors Charley E. Gillispie and Robert E. Swinehart qualify as "audit committee financial experts" as defined by the SEC rules. Mr. Gillispie has a Bachelor of Business Administration degree and an M.B.A. in accounting, and is a registered certified public accountant and has seventeen years of public accounting experience. Mr. Swinehart has an M.B.A. and his experience includes serving with companies in the positions of controller, president and chief operating officer and having responsibility for financial reporting and analysis.

All of the members of the Audit Committee, including Mr. Gillispie, qualify as independent directors as defined by the SEC rules and NASDAQ listing standards.

The Board of Directors adopted a written charter for the Audit Committee in 2001. The charter was most recently revised on November 19, 2013, and is posted on our website at www.accesshorizon.com in the section headed "Investor Relations" under the caption "Corporate Governance."

Compensation Committee

Compensation Committee members serve one-year terms and are appointed at the Annual Meeting of Directors in May of each year. The members of the Compensation Committee for 2012/2013 and 2013/14 are Mr. Hopp, who serves as Chairperson, and Mr. Pairitz and Mr. Swinehart. Ms. Aaron serves as an alternate to the Committee to provide additional expertise and support as needed. All of the members of the Compensation Committee qualify as independent directors under the NASDAQ rules. The Compensation Committee met ten times in 2013. The Committee reviews salary and employee benefit issues relating to employees and directors of Horizon, the Bank and their affiliates. The Compensation Committee has adopted a charter, which was amended on January 15, 2013, and which is posted on our website at www.accesshorizon.com in the section headed "Investor Relations" under the caption "Corporate Governance."

Compensation Committee Interlocks and Insider Participation

All of the members of the Compensation Committee are independent and no member of the Compensation Committee has served as an officer or employee of Horizon, the Bank or any of our other subsidiaries. None of the members of the Compensation Committee serves as an executive officer of another entity at which one of our executive officers serves as a member of the Board of Directors. No member of the Compensation Committee has had any relationship with Horizon requiring disclosure under Item 404 of SEC Regulation S-K, which requires the disclosure of certain related person transactions.

Compensation Consultants

The Compensation Committee has the authority under its charter to retain outside consultants to provide assistance. At least every three years, the Compensation Committee engages a compensation consultant to conduct a review of executive compensation. A primary function of the consultant is to provide market data to the Committee concerning compensation of comparable companies in order to assist the Committee in determining whether Horizon's compensation system in effect is a reasonable and appropriate means for achieving Horizon's business objectives.

In accordance with the Compensation Committee's authority, the Compensation Committee has engaged Frederic W. Cook & Co., Inc. ("Cook & Co.") on a number of occasions since 2002. In December 2012, Cook & Co. reported to the Compensation Committee on the findings from its analysis of the competitiveness of Horizon's named executive officer compensation and its recommendations for a redesigned long-term incentive program. In 2013, the Compensation Committee engaged Cook & Co. to conduct a review of executive compensation as it previously had in 2011, 2010, 2009, 2007, 2005, 2003 and 2002. To evaluate the reasonableness of Horizon's executive compensation, the Compensation Committee annually obtains surveys from accounting firms and other sources and augments that data with the Cook & Co. reviews, which are more extensive and include peer comparison of cash, short-term compensation and long-term compensation. Cook & Co.'s 2013, 2012, 2011, 2010 and 2009 reports provided the Compensation Committee with an updated competitive survey and the Compensation Committee relied primarily on these surveys in reaching its decisions in recent years on compensation and to compare the reasonableness of total compensation for the named executive officers. In addition, Cook & Co.'s 2013, 2012, 2011, 2010 and 2009 reports reviewed long-term equity compensation awards to the named executive officers in comparison with peer data and acceptable banking practices. Cook & Co. provides no other services to Horizon.

Performance Reviews

The Compensation Committee conducts an annual review of the performance of Mr. Dwight, who serves as Horizon's President and Chief Executive Officer and as Chairman of the Board of Directors. In

addition, the Compensation Committee, with input from the Chief Executive Officer, reviews the performance of Horizon's other executive officers.

In conducting its review, the Compensation Committee considers a variety of performance factors in analyzing the compensation of each of these executive officers. These factors generally include traditional financial results, positioning Horizon for future success and enterprise risk management.

The financial services business is complex and is undergoing changes that generate uncertainties about future events. The Chief Executive Officer must provide guidance and leadership in nearly all aspects of this dynamic enterprise. In the process, however, he is not expected to work alone. The performance evaluation recognizes that programs initiated at the top level of an organization are not, and should not be expected to be, "quick fixes." These programs are generally long-term in nature, bringing benefits to Horizon over many years. For those reasons, the Compensation Committee also focuses on the following issues in determining performance levels for the Chief Executive Officer:

- **Strategic Leadership:** Strategic leadership entails development of appropriate strategies for Horizon and the ability to gain support for those strategies.
- **Enterprise Guardianship:** Enterprise guardianship requires the Chief Executive Officer to set the tone in such matters as Horizon's reputation, ethics, legal compliance, customer relations, employee relations and ensuring results.
- **Risk Management:** Risk management requires the Chief Executive Officer to maintain a strong risk management culture, to provide oversight of key risks including financial reporting, reputation, asset quality, compliance with all banking rules and regulations and to assure proper maintenance of good internal controls and processes.
- **Board Relationship:** Board relationship requires the Chief Executive Officer to work collaboratively with Board members and committees, communicate information in a timely manner to ensure full and informed consent about matters of corporate governance and provide complete transparency to the Board.
- **Financial Results:** Financial results focus on the overall financial health of Horizon and ability to achieve financial goals.
- **Talent, Retention & Training:** The Chief Executive Officer is required to recruit, attract and retain an exceptional leadership team in order to effectively run the organization today and in the future. In addition, continuous organizational learning is a key focal point for the Chief Executive Officer and ongoing training is vital to Horizon's continued success.

In conducting the Chief Executive Officer's performance review for 2013, the Compensation Committee obtained input from all members of the Board. A significant portion of management compensation, including that of the Chief Executive Officer and the other executive officers, is performance related.

Risk Management and Compensation Policies and Practices

Horizon monitors its incentive and commission based compensation plans through an incentive compensation and commission plan matrix that provides a schedule of all plans, associated risks and how the risks are mitigated. This matrix is reviewed by the Compensation Committee in a private session with Horizon's Senior Auditor. Horizon's incentive compensation plans minimize undue risk taking through plan design, incentive compensation caps and Compensation Committee oversight. Plan design provides the Compensation Committee with the ability to change,

modify or cancel any incentive compensation plan at the Committee's sole discretion. In addition, all material incentive compensation payouts, excluding commissions paid to mortgage loan originators, are subject to Horizon's achievement of minimum cash flow coverage to cover dividends and fixed costs at the holding company, and individual employee performance that is satisfactory to Horizon.

The SEC's compensation risk rules provide that if a public company's compensation policies and practices create risks that are reasonably likely to have a material adverse effect on the company, then the company must provide disclosures addressing the compensation policies and practices as they relate to risk management and risk-taking incentives with respect to all employees and to disclose in their proxy statements whether a company's compensation policies and practices create risks that are reasonably likely to have a material adverse effect on the company. Horizon reviewed its compensation policies and practices for all employees on March 19, 2013, including executive officers, and has determined that those policies and practices are reasonable and unlikely to have a material adverse effect on Horizon. Horizon believes that the design and oversight of its compensation plans help ensure that the plans do not encourage excessive risk taking.

Enterprise Risk Management

In conjunction with Horizon's Enterprise Risk Management Policy, the Senior Auditor, who serves as Horizon's senior risk officer, and other members of senior management meet annually with all business units to discuss risks related to their areas and how risks are mitigated. The risks are then classified as follows:

- High – potential material threat to the enterprise
- Moderate – not a material threat to the enterprise, however could impact current year's performance
- Low – minimal threat to the enterprise

High level risks have established metrics and are reviewed quarterly with Horizon's Board or Board committees as discussed below.

As part of its oversight function, the Board and its committees monitor how management operates Horizon and maintains internal controls and processes. When granting authority to management, approving strategies and receiving management reports, the Board considers, among other things, the risks and vulnerabilities faced by Horizon. The Audit Committee considers risks associated with Horizon's overall financial reporting, the disclosure process, compliance with all rules and regulations and risk control policies and procedures. At its regularly scheduled quarterly meetings, the Audit Committee meets in executive session with Plante & Moran, PLLC, which serves as Horizon's internal auditor (the "Internal Auditor"), the Senior Auditor and Horizon's independent registered public accounting firm. High-level risks are reviewed with the Audit Committee at each meeting.

The Board committees review high-level risks associated in the area of their responsibilities. The Asset Liability Committee reviews risks related to liquidity, interest rates, quality of the investment portfolio, operations, facilities and information security. The Loan Committee reviews risks related to credit, loan concentrations, community reinvestment and compliance with lending rules and regulations. In 2013, the Compensation Committee met one time in executive session with the Senior Auditor to review Horizon's incentive compensation plans to be certain that employees are not incentivized to take undue risks, and the Compensation Committee anticipates that it will meet one time during 2014 to conduct a similar review. All identified high-level risks have established metrics that are reviewed by Horizon's Board or its committees.

The matrices for the Executive Officer Bonus Plan have included "Enterprise Risk Management" as a category since 2009. For information about the Executive Officer Bonus Plan and matrices, see the discussion under the caption "Annual, Performance-Based Incentive Compensation" in the "Compensation Discussion and Analysis" below.

Stock Ownership Guidelines

Horizon Ownership Guidelines (the “Guidelines”) require that members of the Boards of Directors of the Company and the Bank and the Company’s executive and senior officers attain and maintain a level of ownership of the Company’s common stock having a value at least equal to the following ownership thresholds specified in the Guidelines:

Participant	Ownership Thresholds
Director	3 times amount of annual retainer
Chief Executive Officer	3 times base salary
Named Executive Officers (other than Chief Executive Officer)	2 times base salary
Senior Officers	1 time base salary

Until a participant meets the Ownership Threshold, or, if after meeting the Ownership Threshold, a participant’s stock ownership falls below the Ownership Threshold due to stock price fluctuations, then the participant must retain, when acquiring additional shares of the Company’s common stock, that number of shares having a value equal to the following:

Participant	Percentage of After-Tax Profit Associated with the Acquired Shares
Director and Chief Executive Officer	75%
Named Executive Officers (other than the Chief Executive Officer) and Senior Officers	50%

Shares are considered to be owned by a participant for the purposes of the Guidelines if those shares would be deemed to be beneficially owned according to the Securities and Exchange Commission’s beneficial ownership rules applicable to determining ownership for the beneficial ownership table included annually in Horizon’s proxy statement for its shareholders’ meeting. Shares of restricted stock for which the restrictions have not yet lapsed, and vested and non-vested unexercised stock options, are not considered to be shares owned for the purposes of the Guidelines. Any exceptions or waivers to the Guidelines must be approved by the Compensation Committee.

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis included below. Based on that review and discussion, the Compensation Committee has recommended to Horizon’s Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and incorporated by reference into Horizon’s 2013 Annual Report on Form 10-K.

This Report is respectfully submitted by the Compensation Committee of Horizon’s Board of Directors:

Compensation Discussion and Analysis

Executive Summary

The Compensation Discussion and Analysis describes and analyzes the compensation of Horizon's named executive officers. Our compensation program is designed to align executive officer compensation with Horizon's annual and long-term performance and with the interests of our shareholders. The development of compensation programs and benefit plans for senior executives, along with specific compensation decisions for the named executive officers, is the responsibility of the Compensation Committee of the Board. The Compensation Committee is assisted from time to time by an independent compensation consultant, whose duties are detailed in this Proxy Statement. The Compensation Committee utilizes benchmark data obtained from industry publications and the compensation consultant to assist in determining the reasonableness of Horizon's pay programs, the direction of Horizon's total compensation as compared with Horizon's performance and in making compensation decisions on named executive officers.

The Compensation Committee, with input from the Board of Directors, annually evaluates the Chief Executive Officer's performance in comparison to corporate goals and objectives and determines and approves the Chief Executive Officer's compensation based on achievement of those goals and objectives. The Chief Executive Officer evaluates the performance of the other named executive officers in comparison to goals and recommends to the Compensation Committee a base salary change for each named executive officer based on achievement of their goals and objectives. The Compensation Committee makes the final decision on the other named executive officers' compensation.

Cook & Co. Compensation Reports

At least once every three years, the Compensation Committee requests Cook & Co. to prepare a report for purposes of evaluating executive compensation for Horizon's named executive officers. The most recent Cook & Co. report was in 2013 and compared overall executive compensation against 21 companies of comparable size. The following are highlights from the 2013 Cook & Co. report:

- On average over the prior three years, Horizon ranks in the median range in terms of company size, and above the median range in financial and market performance
- Total annual compensation for the last two fiscal years for four of Horizon's named executive officers is directionally aligned with company size and performance for that year.
- Total compensation paid for the last completed fiscal year for four of Horizon's named executive officers is directionally aligned with 3-year company performance.
- On average, total direct compensation opportunities for Horizon's named executive officers, excluding Mr. Neff, are positioned in the median range of the competitive consensus. Mr. Neff's position is above market, which can be explained by individual circumstances.
- Total direct compensation mix is representative of median competitive practice for the CEO and for all proxy officers.
- Horizon's long-term incentive compensation mix of fifty percent performance shares and fifty percent stock options is more performance-oriented than median competitive practices, where restricted stock is granted by about half the

comparison companies with an overall weighting of about fifty to sixty percent of total long-term incentive compensation mix.

In December 2012, at the Compensation Committee's direction, Cook & Co. presented the Compensation Committee with a report prepared for the purpose of the Compensation Committee's evaluation of potential changes to Horizon's current incentive compensation plan. Based on that report and other input, the 2013 Omnibus Plan was prepared and subsequently adopted and approved by the Compensation

Committee and the Board of Directors, subject to shareholder approval at this Annual Meeting. In Proposal 2, shareholders are being asked to approve the 2013 Omnibus Plan.

The Compensation Committee has considered the independence of Cook & Co. in light of SEC rules and NASDAQ listing standards. In connection with this process, the Committee has reviewed, among other items, a letter from Cook & Co. dated February 21, 2013, that addresses the independence of Cook & Co. and the members of the consulting team serving the Compensation Committee, including the following factors: (i) other services provided to us by Cook & Co., (ii) fees paid by us as a percentage of Cook & Co.'s total revenue, (iii) policies or procedures of Cook & Co. that are designed to prevent conflicts of interest, (iv) any business or personal relationships between the senior advisor of the consulting team with a member of the Committee, (v) any Company stock owned by the senior advisor or any immediate family member, and (vi) any business or personal relationships between our executive officers and the senior advisor. The Committee discussed these considerations and concluded that the work performed by Cook & Co. and its senior advisor involved in the engagement did not raise any conflicts of interest.

Overview of Compensation Program

The Compensation Committee sets the compensation of all named executive officers of Horizon, including that of the Chief Executive Officer. Compensation is composed of several segments, including base salary, short-term incentives and long-term incentives. The Compensation Committee compares all executive compensation, including that of the Chief Executive Officer, to the compensation paid to persons holding the same position in similar financial institutions.

In determining the 2013 compensation for the Chief Executive Officer, Chief Financial Officer and other top officers, the Compensation Committee placed its greatest reliance on the Cook & Co. 2012 report. The Compensation Committee also relied on the report to compare the reasonableness of the 2013 compensation of Horizon's Chief Executive Officer and the other named executive officers. The Compensation Committee's review included a study of base pay, bonus and long-term compensation. The 2012 Cook & Co. report made comparisons against the group of 21 Midwestern regional banks indicated in the list below with assets in the range of \$1.052 billion to \$2.769 billion. The peer group was selected by Cook & Co. and approved by the Compensation Committee.

The following list includes all peer group companies included in Cook & Co.'s 2011, 2012 and 2013 reports and indicates next to each company's name the years in which that company was included in the reports:

- West Bancorporation (West Des Moines, IA) (2011, 2012 & 2013)

The Compensation Committee intends to continue to employ an independent, third-party consultant to review executive compensation, including long-term benefits, at least every three years.

The following discussion of compensation focuses on the compensation of the five executive officers who are named in the Summary Compensation Table below because of their positions and levels of compensation. The named executive officers and their positions with Horizon and the Bank are as follows:

Name	Position
Craig M. Dwight	Chief Executive Officer, President and Chairman of Horizon; Chairman and Chief Executive Officer of the Bank
Mark E. Secor	Executive Vice President and Chief Financial Officer of Horizon
Thomas H. Edwards	Executive Vice President of Horizon; President and Chief Credit Officer of the Bank
James D. Neff	Secretary of Horizon; Executive Vice President – Mortgage Banking of the Bank
David G. Rose	Executive Vice President of Horizon and Senior Retail Banking Officer of the Bank

Annual Advisory Vote on Executive Compensation

At the 2013 Annual Meeting, Horizon provided shareholders with a separate, advisory shareholder “say-on-pay” vote to approve the compensation of the named executive officers. At that meeting, 97% of the Common Shares that were voted on the proposal were voted in favor of Horizon’s compensation of those executive officers as disclosed in the proxy statement. Following that vote, the Board of Directors considered whether any changes should be implemented in connection with our compensation policies and decisions. The Board believes that the high percentage of shares voting in support of the 2012 say-on-pay proposal indicated that shareholders approve the work of Horizon’s

Compensation Committee and that shareholders consider Horizon's executive compensation programs to be aligned with shareholders' interests. Given the significant shareholder support, the Board and Compensation Committee concluded that Horizon's executive compensation is aligned with shareholders' interests and, therefore, no additional action was taken in response to the outcome of 2013 advisory vote on executive compensation. At the 2014 Annual Meeting, shareholders again will have the opportunity to vote, in an advisory capacity, on Horizon's named executive officer compensation (see Proposal 3 below).

At the 2012 Annual Meeting, shareholders voted in an advisory vote to recommend the frequency at which Horizon should present shareholders with the opportunity to participate in an advisory say-on-pay vote on Horizon's executive compensation. Horizon's Board of Directors recommended an annual vote. Shareholders voted on whether the say-on-pay votes should be held every one, two or three years. Of the Common Shares voted last year on that frequency proposal, 95.6% of those Common Shares were voted in favor of holding future say-on-pay votes on an annual basis. In light of that result and other factors that the Board has considered, Horizon holds say-on-pay votes on an annual basis. The next advisory vote on the frequency of say-on-pay votes is required to occur no later than at Horizon's 2018 Annual Meeting of Shareholders.

Compensation Risk

As discussed above under the caption "Risk Management and Compensation Policies and Practices" in the "Corporate Governance" section of this Proxy Statement, Horizon's Senior Auditor, who serves as the senior risk officer, meets with the Board of Directors and the Audit and Compensation Committees to review Horizon's compensation and other risks and to address how to mitigate and monitor such risks.

Our long-term business objectives require that we increase revenues year-over-year, maintain profitability in each year, increase market share and demonstrate sound enterprise risk management. We believe that if we are successful in achieving these objectives, the results will inure to the financial benefit of our shareholders. Accordingly, we have designed our executive compensation program to reward our executives for achieving annual and long-term financial and business results that meet these objectives. Specifically, the amount of incentive compensation received by our executive officers is directly related to Horizon's and to an individual executive's performance results. We recognize that the pursuit of these objectives may lead to behaviors that focus executives on their individual enrichment rather than Horizon's long-term welfare and if this were to occur, it could weaken the link between pay and performance and result in less of a correlation between the compensation delivered to our executives and the return realized by our shareholders. Accordingly, we have designed our executive compensation program to limit and mitigate these possibilities and ensure that our compensation practices and decisions are consistent with Horizon's risk profile.

The Compensation Committee has had in place since 2003 certain rules that provide it with considerable latitude in determining whether or not bonuses should be paid. The Compensation Committee believes these rules protect the shareholders and help mitigate the possibility that executive officers will take any undue risks. The rules are as follows:

- (a) The Compensation Committee may unilaterally amend, modify or cancel the plans at any time at its sole discretion.
- (b) Named executive officer bonuses will only be paid if Horizon achieves a minimum net income level that is more than sufficient to cover fixed costs and dividends at the holding company level. This minimum net income level supports the concept that the shareholders are paid first and ahead of executive officer bonuses.
- (c) Executive officers will be paid bonuses only if they are in good standing with Horizon and are not under a performance warning, suspension or individual regulatory sanction.
- (d) The Compensation Committee or its designee is to review and approve all executive officer bonuses prior to payment.
- (e) Bonuses are subject to receipt of an unqualified opinion by Horizon's independent accountants on its most current year-end financial statements.

(f) The Bank has a policy that allows it to “claw back” incentive compensation as discussed below under the heading “Recovery of Incentive Compensation under the Dodd-Frank Act.”

Overview of Compensation Elements and Mix

Horizon's compensation plan for the Chief Executive Officer and other named executive officers includes the following elements:

- Salary
- Annual performance-based incentive compensation
- Long-term equity and/or cash incentive compensation
- Stock awards
- Retirement and other benefits
- Perquisites and other personal benefits

To encourage appropriate decision-making and facilitate the alignment of the interests of our executives with those of Horizon and its shareholders, our executive compensation program includes "at risk" compensation, as discussed below in the "Detailed Discussion of Compensation Elements." We believe that the allocation of at risk compensation for annual cash incentives is reasonable for Horizon given our business objectives and is comparable to that of our peer group.

When setting the total compensation for each named executive officer, the Compensation Committee reviews tally sheets indicating the historical amounts paid for each of the elements listed above. Although the Compensation Committee reviewed tally sheets, it did not take any specific action based on that review.

Base Salary

Base salary is the only fixed element of compensation that we provide to our executives and, as described below, is designed to provide a reasonable level of predictable income commensurate with a named executive officer's responsibilities, experience and demonstrated performance and competitive with the levels of compensation paid by our peers. Our incentive compensation arrangements are intended to reward performance if, and only to the extent that, Horizon and our shareholders also benefit financially from the officers' stewardship. Based on Cook & Co.'s 2012 report, Horizon's 2013 base compensation for Mr. Neff, Mr. Edwards and Mr. Secor were \$261,384, \$274,938, \$225,213, and base compensation for Mr. Dwight was \$414,000.

Annual Incentive Compensation

The annual incentive component of our executive compensation program involves cash-based plan awards that are payable if, and only to the extent that, pre-established corporate financial and individual performance objectives are achieved. We believe that the design of our Executive Officer Bonus Plan furthers our long-term business plan and ensures that the interests of our executives have been aligned with the interests of our shareholders:

- Bonus payouts are not based solely on corporate performance, but also require achievement of one or more individual performance objectives;

- The corporate financial performance objectives are consistent with the corporate financial performance objectives required under Horizon's long-term incentive compensation plan;
 - Bonus payouts are based on short-term and long-term corporate and individual performance metrics;
- Actual performance results for the corporate financial and individual performance objectives, while separately evaluated, are aggregated for purposes of determining the amount of bonus payouts;

- Amounts payable are subject to recovery by Horizon in the event that they were paid based on financial statements or other criteria that are later proven to be materially inaccurate; and
- Horizon's Executive Officer Bonus Plan provides additional shareholder protection by providing that bonuses are paid only if Horizon achieves a certain minimum earnings threshold, and the executive officer is in good standing with Horizon and is not under any individual regulatory sanction.

In addition, the Compensation Committee has not paid discretionary bonuses to the named executive officers at any time during the past five years and does not presently intend to pay discretionary bonuses in the event that the actual performance results for the corporate financial and individual performance objectives do not meet or exceed the threshold level for payout under the Executive Officer Bonus Plan.

Long-Term Incentive Compensation

As discussed in detail below, the long-term incentive component of our executive compensation program has consisted of grants of stock options and restricted stock and other awards pursuant to the 2003 Omnibus Equity Incentive Plan (the "2003 Omnibus Plan"), and will consist of awards under the 2013 Omnibus Plan if it is approved by shareholders at the Annual Meeting. Grants of stock options and restricted stock are subject to vesting requirements. We set the amount of these awards relative to the overall value of our long-term compensation program that we believe is appropriate for accomplishing these purposes, while still providing our executives with the incentive to focus their efforts on earning their long-term incentive awards. Allocating a significant portion of each executive's long-term equity compensation to restricted stock rather than stock options helps to reduce the likelihood that the options will create an incentive for the executives to engage in risky behavior that would drive up the price of our Common Shares and maximize exercise proceeds. We believe that the attributes of these awards and our compensation plans further our long-term business plan and ensure that the interests of our executives have been aligned with the interests of our shareholders.

Detailed Discussion of Compensation Elements

Base Salary

Salaries of all executive officers, including the Chief Executive Officer, are governed by Horizon's formal salary administration program, which is updated each year. The salary administration program involves consideration of an executive officer's position and responsibility and performance as determined in the detailed annual performance reviews discussed above.

Horizon and the Bank entered into employment agreements with Mr. Dwight on December 1, 2006, with Mr. Edwards on July 16, 2007, and with Mr. Neff on December 14, 2011. The agreements provide that Messrs. Dwight, Edwards and Neff will continue to receive an annual base salary equal to the amount being paid to each of them on the date of their agreements, subject to adjustment based on the annual review of Horizon's Board of Directors or the Compensation Committee of the Board of Directors. However, the employment agreements provide that the adjusted base salary amount may not be less than each of the executive's base salary on the date of the agreement, which base salary amount was \$280,000 for Mr. Dwight, \$179,220 for Mr. Edwards and \$245,193 for Mr. Neff. The agreements replaced the change-of-control agreements that the Bank had entered into with Messrs. Dwight and Edwards on October 7, 1999 and with Mr. Neff on October 18, 1999. Other provisions of the agreements are discussed below following the Summary Compensation Table and in the discussion of Potential Payments Upon Termination or Change in Control.

The Compensation Committee compares the salary of each executive officer to those salaries being paid to executive officers in similar positions in organizations of comparable size in the Midwest. Salary ranges are then computed from that data for each Horizon executive officer position. Salary increases are

calculated based on individual performance rating, where the executive officer's base salary falls within his respective salary range, benchmark data, total compensation in comparison to peer, compensation mix and Horizon's salary matrix. According to the 2013 and 2012 Cook Reports, which are the most recent reports that have been prepared:

- Horizon's base salaries were generally competitive and not subject to performance risk;
- Horizon's incentive plans were appropriately weighted between short-term and long-term performance and cash and equity compensation;
 - There was a strong linkage between Horizon's executive pay and Horizon's performance;
 - Horizon's compensation peer group and benchmarking methodology were appropriate;
 - There was no significant pay disparity among top executives, except with respect to Mr. Neff;
 - Horizon's severance and/or change-in-control provisions were reasonable; and
 - Horizon's special benefits and perquisites were minimal.

Cook & Co.'s 2013 and 2012 reports reported that the average and highest base cash compensation for a Chief Executive Officer were \$1,415,000 and \$935,000, respectively. For Mr. Dwight's services as Chief Executive Officer and President, he was paid a base salary in 2013 of \$414,000, which represented a 3.5% increase over his 2012 salary of \$400,000.

The salary increases for 2013 for the other named executive officers ranged from 3.8% to 4.8%. Mr. Secor's salary was increased to \$225,213 from \$215,000 (4.8%); Mr. Edwards' salary was increased to \$274,938 from \$265,000 (3.8%); Mr. Neff's salary was increased to \$261,384 from \$251,936 (3.8%); and Mr. Rose's salary was increased to \$191,938 from \$185,000 (3.8%). The salary increases followed Horizon's standard salary administration program as outlined above, pursuant to which the Compensation Committee takes into consideration the individual performance rating, where the executive officer's base salary falls within their respective salary range, benchmark data, total compensation in comparison to peer, compensation mix and Horizon's salary matrix. The salary matrix takes into account both the performance review rating and the employee's current salary, with respect to the salary range, in determining the percentage increase.

Annual, Performance-Based Incentive Compensation

After consultations with compensation consultant Cook & Co. in 2003, the Compensation Committee of the Board of Directors of Horizon adopted an Executive Officer Bonus Plan. The Bonus Plan permits executive officers to earn, as a cash bonus, a percentage of their salary based on the achievement of corporate and individual goals in the relevant year. Four of the named executive officers, Messrs. Dwight, Edwards, Secor and Rose, currently participate in the Bonus Plan. Participants in the Bonus Plan are not eligible to participate in any other short-term cash incentive plan offered by Horizon.

To receive a bonus under the Bonus Plan, the executive officer must be employed by Horizon or one of its subsidiaries on the date the annual bonus payment is made and must be in good standing with Horizon. The Compensation Committee may adjust or amend the Bonus Plan at any time in its sole discretion. All executive officers' bonuses are subject to final approval by the Compensation Committee or its designee, and bonus payments are subject to Horizon's receipt from its independent accountants of an unqualified audit opinion on Horizon's most current year-end financial

statements. Mr. Dwight's, Mr. Edwards' and Mr. Neff's bonuses are paid in accordance with their employment agreements, which provide that they may participate in all incentive compensation plans and programs generally available to executive officers.

As approved by the Compensation Committee, Horizon's bonus matrices for executive officers are divided into short-term and long-term metrics with total bonus opportunities weighted fifty percent each.

Short-term metrics place heavier weight on financial outcome in order to align bonus payouts with shareholders' interests for the given year. Long-term metrics place heavier weight on positioning Horizon for future success and enterprise risk management to align with shareholders' long-term interests. Bonus calculations for financial outcomes are based on quantifiable targets and, for non-financial targets, on observations by Horizon's Chief Executive Officer, the Compensation Committee and the Board of Directors in comparison to Horizon's strategic plan.

The weightings for Horizon's 2013 bonus matrix for each individual participant are as follows:

Named Executive Officer & Category	Short-Term Metric Weighting	Long-Term Metric Weighting
Chief Executive Officer		
Financial Outcome of Horizon (Net Income & Efficiency)	70%	
Positioning Horizon for Future Success		70%
Enterprise Risk Management	30%	30%

Executive Vice President, Mortgage Banking		
Financial Outcome of Horizon	0%	0%
Financial Outcomes for Areas of Direct Responsibility	70%	0%

Financial Outcomes of Horizon (Net Income, Efficiency, Regional Income Core Deposits, Before Tax, Asset Quality)	20%	
Financial Outcomes for Areas of Direct Responsibility	65%	
Enterprise Risk Management	15%	60%
Position Company for Long Term Success		40%

Horizon's 2014 bonus matrices for each named executive officer will follow substantially the same categories and metric weightings as above, subject to approval by the Compensation Committee and Board of Directors.

The Compensation Committee established a minimum earnings target for Horizon to achieve before any bonuses would be paid out under the Bonus Plan for 2013. The minimum earnings target is tied to earnings available to pay dividends and fixed costs at the holding company. In 2013 the minimum earnings threshold was \$7.205 million. If Horizon's net income for 2013 was below \$7.025 million, no bonuses would be paid to any executive officer. The Compensation Committee also approved a target bonus matrix for each executive officer to be used to calculate the

executive officer's bonus (if any) for the year (assuming that the minimum earnings target has been met). The matrix for each executive officer specified the performance measures applicable to the executive officer, the targets for each performance

measure and the weight to be assigned to each performance measure in calculating the bonus if the specified target levels are achieved.

The Compensation Committee sets the target awards to be challenging, but reasonably attainable. The maximum earnings goal was approximately \$2.00 million above the targets of \$18.50 million for 2013 and \$13.2 million for 2012, and the maximum efficiency ratio was approximately 500 basis points better than the target of 65% for each year. In 2013, the minimum earnings amount for payout was achieved, and all the participants were in good standing with Horizon. Any participant not in good standing with Horizon would not be eligible for incentive compensation.

The other non-financial measurements include the following: enterprise risk management, compliance with rules, regulations and good internal controls; positioning Horizon for long-term growth; organizational development, retention and attraction of good talent; and project management. The weightings for each measurement vary dependent upon the overall responsibilities and primary goals of each executive officer. Non-financial results are compared with Horizon's strategic plan and scored based on the observations of the Chief Executive Officer, Compensation Committee and the Board of Directors. Scores range from meets, exceeds, or far exceeds expectations.

For 2013, the named executive officers who participated in the Bonus Plan could have earned as a maximum bonus the following percentages of their base salaries: Mr. Dwight, 54%; Mr. Secor, 50%; Mr. Edwards, 55%; and Mr. Rose, 50%. Each named executive officer had as a short-term performance goal the achievement of a specified level of financial outcomes for the year, with the weighting of such goals for 2013 being 70% for Mr. Dwight; 60% for Mr. Secor; 80% for Mr. Edwards; and 85% for Mr. Rose. The financial outcome targets focused primarily on Horizon's earnings, efficiency improvements or business unit outcomes. The short-term performance goals for each executive officer also included one non-financial metric for enterprise risk management. Long-term performance goals for each executive officer were for enterprise risk management, positioning Horizon for long-term success or project management.

In order to earn a bonus award, the Bonus Plan's participants were required to achieve an aggregate weighted score of 80% or higher in 2013. If the participant achieves the goals for all categories, his aggregate weighted score would be 100%. In 2013, Mr. Dwight, Mr. Secor, Mr. Edwards and Mr. Rose all exceeded 80% in weighted average scores for both short- and long-term goals and earned a bonus award.

In considering Mr. Dwight's bonus, the Compensation Committee used established short- and long-term goals for 2013 and compared actual results with goals. The goals compared Horizon's net income compared to plan, Horizon's efficiency ratio compared to plan, enterprise risk management, compliance with all rules, laws, regulations, audit standards, reputation of Horizon, positioning Horizon for future growth and expansion, and organizational development including retention and attraction of good talent, efficiency improvement and continuous learning.

The amounts of the bonuses actually paid each year under the Bonus Plan are reported in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table included below in this Proxy Statement. The payouts that Messrs. Dwight, Secor, Edwards and Rose had an opportunity to earn under the Bonus Plan for 2013 are presented below in the Grants of Plan-Based Awards table.

The Compensation Committee has reviewed the Bonus Plan for 2013, and based on that review, the Compensation Committee has concluded that the plans, as designed for 2013, aligned the interests of the senior executive officers with those of the shareholders and that the plan designs provided several features to mitigate the senior executive officers from taking undue risk that may threaten the enterprise.

Mr. Neff does not participate in the Bonus Plan. The Compensation Committee, however, has a formula pursuant to which it has awarded Mr. Neff an incentive bonus equal to a percentage of his salary if the Mortgage Warehousing

Division of the Bank meets or exceeds certain Return on Equity (ROE) goals for

25

the year. The ROE goals and bonus percentage amounts are as follows: 12% ROE: 25%; 15% ROE: 40%; and 20% ROE or above: 50%. If the Mortgage Warehousing Division ROE exceeds the 20% ROE target for a year, Mr. Neff receives an additional bonus equal to 15% of the dollar amount of the net income that exceeds the amount necessary to reach the 20% ROE target. In addition, Mr. Neff's bonus award takes into consideration results under a performance score card for retail mortgage loan income before tax, asset quality as measured in net charge-offs and losses incurred on mortgage loan repurchases for loans under his supervision, and overall enterprise risk management. Mr. Neff's weighted average score for his score card was 80%, which equated to an 80% payout against his earned warehouse bonus amount. The amount of the bonus Mr. Neff received for 2013 is reported in the Summary Compensation Table.

Long-Term Incentive Program

In 2002, Horizon engaged compensation consultant Cook & Co. to review Horizon's compensation of its top officers and outside directors. Cook & Co. recommended that Horizon adopt an omnibus stock plan for the purpose of attracting and retaining key employees. Horizon's Board of Directors considered the recommendation and unanimously adopted the 2003 Omnibus Plan on January 21, 2003. The shareholders approved the 2003 Omnibus Plan at the Annual Meeting held on May 8, 2003. At the 2010 Annual Meeting, shareholders approved amendments to the Omnibus Plan, including an increase in the number of Common Shares available for awards. The 2003 Omnibus Plan expired on January 31, 2013. At the 2014 Annual Meeting, shareholders are being asked to approve the 2013 Omnibus Plan, which is discussed in Proposal 2 below, which includes a description of the 2013 Omnibus Plan.

The 2003 Omnibus Plan was designed to satisfy the requirements of Section 162(m) of the Internal Revenue Code of 1986, which generally denies a corporate-level income tax deduction for annual compensation in excess of \$1,000,000 paid to the chief executive officer and the four other most highly compensated officers of a public company. Certain types of compensation, including "performance-based compensation," which meet the requirements of Internal Revenue Code Section 162(m), are generally excluded from this deduction limit.

The Compensation Committee administers the Omnibus Plan and may grant the following types of awards:

- Incentive stock options
- Nonqualified stock options
- Stock appreciation rights
 - Restricted stock
 - Performance units
 - Performance shares
- Any combination of the above

Horizon's long-term incentive program has been based on the grant of stock options and restricted stock. Stock options and restricted stock are granted to encourage and facilitate personal stock ownership by executive officers and thus strengthen their personal commitment to Horizon and to provide them with a longer-term perspective in their managerial responsibilities. This component of an executive officer's compensation directly aligns the officer's interests with those of Horizon's shareholders. Horizon also recognizes that stock options are a necessary element of a competitive compensation program. The program utilizes vesting periods to encourage key employees to continue in

the employ of Horizon and thereby acts as a retention device for key employees.

With respect to stock ownership, as discussed above, all of the named executive officers must comply with the Guidelines adopted by the Board of Directors. The Chief Executive Officer must maintain ownership of Common Shares having a value equal to at least three times his base salary, and each of the

other named executive officers must maintain ownership of Common Shares having a value equal to at least twice his base salary. For additional details about the Guidelines, see above the “Stock Guidelines” section under “Corporate Governance.”

In determining a reasonable level of long-term compensation to be granted executive officers, the Compensation Committee considers data it deems relevant, including the data in the independent reports prepared by Cook & Co., and other peer data.

The stock options that were granted to executive officers are service based and vest in equal annual installments over a three- or five-year period, and awards of restricted stock vest on the fourth or fifth anniversary of the date of grant if the executive officer remains employed by Horizon, the Bank or any of their affiliates.

Qualified Retirement Plans

Horizon maintains two tax-qualified retirement plans, an Employee Stock Ownership Plan (the “ESOP”) and an Employees’ Thrift Plan (the “Thrift Plan”). Nearly all Horizon employees are eligible to participate in the ESOP. Horizon’s Board of Directors, in its discretion, determines Horizon’s contributions to the ESOP. The contributions may be made in the form of cash or shares of common stock. Shares are allocated among participants each December 31 on the basis of each participant’s eligible compensation to total eligible compensation (a maximum of \$255,000 per participant). Dividends on shares held by the plan, at the discretion of each participant, are either distributed to the participant or retained in the plan for the purchase of additional shares.

The Thrift Plan is a 401(k) plan in which all employees with the requisite hours of service are eligible to participate. The Thrift Plan permits voluntary employee contributions, and Horizon may make discretionary matching and profit sharing contributions. Each eligible employee is vested according to a schedule based upon years of service. Voluntary employee contributions are vested at all times, and Horizon’s discretionary contributions vest over a six-year period. Participants are eligible to receive matching contributions once they have attained age 21 and completed one year of service. Horizon, at its discretion, provides for matching contributions as follows: 100% for the first 2% of a participant’s deferral contribution and 50% for each additional percentage deferred up to a total deferral of 6% (a maximum of 4% matching contribution).

Post-Termination Compensation and Benefits

The employment agreements with Messrs. Dwight, Edwards and Neff provide for the payment of compensation upon a change in control. Mr. Secor is a party to a change-in-control agreement with the Bank. Mr. Neff also was a party to a separate change-in-control agreement with the Bank until December 14, 2011, when he entered into an employment agreement with Horizon and the Bank. Mr. Rose is not a party to either an employment or a change-in-control agreement. The agreements with the named executive officers are discussed in more detail below following the Summary Compensation Table and in the discussion of Potential Payments Upon Termination or Change in Control.

The Horizon Bancorp Supplemental Executive Retirement Plan (the “Frozen SERP”), a nonqualified deferred compensation plan, was originally effective January 1, 1993, and was frozen effective December 31, 2004. The Frozen SERP provides certain management or highly compensated employees of Horizon and its affiliates with supplemental retirement benefits to help recompense those employees for benefits reduced under the Thrift Plan due to benefit limits imposed by the Internal Revenue Code and to permit the deferral of additional compensation. The Frozen SERP is an unfunded arrangement designed and administered to comply with Title I of the Employee Retirement Income Security Act of 1974 and to be exempt from the requirements of Internal Revenue Code Section

409A. The Frozen SERP is administered by the Compensation Committee. Prior to January 1, 2005, a participant in the Frozen SERP could elect each year to defer a percentage of the participant's total cash compensation. Each year, the Compensation

Committee, in its discretion, could elect to have Horizon match the amounts deferred by each participant under the Frozen SERP up to a maximum match of \$25,000. The Compensation Committee could also make supplemental contributions in any amount determined by the Compensation Committee in its discretion.

Interest is credited on a participant's deferred account balance in the Frozen SERP at the five-year U.S. Treasury Bond rate published in the Wall Street Journal and in effect as of the first business day of each calendar month, plus 200 basis points, but not to exceed 120% of the Applicable Federal Long-Term Rate for monthly compounding. Amounts deferred by participants vest immediately. The Compensation Committee can require forfeiture of matching and supplemental contributions if the participant has not completed the number of years of service specified by the Compensation Committee, except when the participant dies while still employed, is determined to be disabled or retires after reaching age sixty-five. Participants or their designated beneficiaries will begin to receive payments under the Frozen SERP within thirty days after the participant's separation from service. Participants may elect lump sum or installment payments, or a combination of the two, subject to the provisions of the Frozen SERP. No additional amounts, except earnings, accrued to the named executive officers under the Frozen SERP for 2013.

Horizon adopted the Horizon Bancorp 2005 Supplemental Executive Retirement Plan (the "2005 SERP") to replace the Frozen SERP effective January 1, 2005. As with its predecessor, the 2005 SERP provides certain management or highly compensated employees of Horizon Bancorp and its affiliates with supplemental retirement benefits to help recompense those employees for benefits reduced under the Thrift Plan due to benefit limits imposed by the Internal Revenue Code and to permit the deferral of additional compensation. The 2005 SERP is also an unfunded arrangement designed and administered to comply with Title I of the Employee Retirement Income Security Act of 1974 and Internal Revenue Code Section 409A, and the 2005 SERP is administered by the Compensation Committee. A participant in the 2005 SERP may elect to defer a percentage of the participant's total cash compensation each year. The 2005 SERP maximum deferral percentage is limited to 25%.

Each year, the Compensation Committee, in its discretion, may elect to have Horizon match the amounts deferred by each participant under the 2005 SERP up to a maximum match of \$25,000. The Compensation Committee may change the match limit prior to the beginning of any year. The Compensation Committee may also make supplemental contributions in any amount it determines in its discretion.

Interest is credited on a participant's deferred account balance in the 2005 SERP at the five-year U.S. Treasury Bond rate published in the Wall Street Journal and in effect as of the first business day of each calendar month, plus 200 basis points, but not to exceed 120% of the Applicable Federal Long-Term Rate for monthly compounding. Amounts deferred by participants vest immediately. The Compensation Committee may require forfeiture of matching and supplemental contributions if the participant has not completed the number of years of service specified by the Compensation Committee, except when the participant dies while still employed, is determined to be disabled or retires after reaching age sixty-five. Participants may specify the date or event upon which they or their designated beneficiaries will begin to receive payment under the 2005 SERP and may elect lump sum or installment payments, or a combination of the two, subject to the provisions of the 2005 SERP.

In December 2009, the Board of Directors approved a second SERP investment alternative in the form of Horizon Common Shares. SERP Participants may change their investment election option once a year.

Horizon's contributions allocated to the named executive officers under the 2005 SERP are included in the All Other Compensation column of the Summary Compensation Table appearing below.

Perquisites and Other Personal Benefits

Horizon provides minimal perquisites and other personal benefits to its executive officers. Messrs. Dwight, Edwards and Rose are provided with country club memberships, and Messrs. Edwards and Rose are provided with cellular telephone service. The cost of the memberships and/or telephone service is less than \$10,000 per executive officer. No other perquisites or personal benefits are provided to executive officers.

Recovery of Incentive Compensation under the Dodd-Frank Act

Under the Dodd-Frank Act, companies listed on a national securities exchange must adopt a policy providing for the recovery of incentive-based compensation in the event of an accounting restatement based on erroneous data. Under such a policy, compensation would be recovered, or “clawed back,” from any current or former executive officer of the company who received the incentive-based compensation during the three years preceding the date on which the company is required to prepare the restatement. The amount to be recovered would be the excess of the amount that would have been paid to the executive officer under the restatement. Horizon Bank, N.A. adopted a “claw back” policy in 2009, which covers each exempt employee with the title of Vice President or above or who is a commissioned-based employee. This policy will be revised as necessary and appropriate in the future if and when the SEC and NASDAQ adopt compensation claw back rules to implement the Dodd-Frank Act requirements.

1. Includes salary amounts paid and salary amounts deferred by the individual named pursuant to Horizon's Thrift Plan and Supplemental Executive Retirement Plan ("SERP").

2. The amount reflects the dollar amount paid under Horizon's holiday bonus plan, which is available to all employees with the exception of specified executive officers, including Messrs. Dwight, Secor, Edwards, Neff and Rose. Messrs. Dwight, Edwards, Secor and Rose are eligible to receive annual bonuses under the Executive Officer Bonus Plan, and if such bonuses are received for a given year, the SEC rules provide that they are to be reported in the Non-Equity Incentive Plan Compensation column of this table.
3. The amounts in this column reflect the aggregate grant date fair value of option awards during the last three fiscal years in accordance with FASB ASC Topic 718. For a discussion on the assumptions used in the calculation of the option awards reported in this column, please see note 19 of the Notes to Consolidated Financial Statements in Horizon's 2013 Annual Report on Form 10-K filed with the Securities and Exchange Commission. For information on the awards made under the 2013 Omnibus Plan, subject to shareholder approval, see the "New Plan Benefits" table in Proposal 2 below.
4. Messrs. Dwight, Edwards, Secor and Rose received payments under Horizon's Executive Officer Bonus Plan. The bonus amount for Mr. Neff represents a bonus he receives based on the net profit of the Mortgage Warehouse division. As discussed above in the Compensation Discussion and Analysis, Horizon and the Bank have entered into employment agreements with Mr. Dwight, Mr. Edwards and Mr. Neff. The agreements provide that Mr. Dwight will continue to serve as Horizon's President and Chief Executive Officer and the Bank's Chairman and Chief Executive Officer for a term of three years, that Mr. Edwards will continue to serve as Horizon's Executive Vice President and the Bank's President and Chief Operating Officer for a term of three years, and that Mr. Neff will continue to serve as Horizon's Executive Vice President of the Bank and Secretary of the Holding Company for a term of three years. The terms of each of the agreements will be extended for an additional one-year period beyond the then-effective

expiration date on each annual anniversary of the date of the agreement until the year in which the executive officer reaches the age of sixty-three, unless Horizon delivers notice to the executive officer within sixty days prior to the expiration of any one-year period that the term will not be extended.

Each employment agreement also provides that Messrs. Dwight, Edwards and Neff will continue to receive an annual base salary equal to the amount being paid to them on the date of the agreement, subject to adjustment. Horizon may terminate Mr. Dwight's, Mr. Edwards' or Mr. Neff's employment immediately for "cause" and also may terminate their employment without cause upon not less than thirty days' prior notice. Messrs. Dwight, Edwards and Neff may terminate their employment for "good reason"

or upon not less than thirty days' prior notice without good reason. (The definitions of "cause," "good reason" and "change in control" specified in the agreements are summarized below under "Potential Payments Upon Termination or Change in Control.")

If Horizon terminates Mr. Dwight's employment without cause, if Mr. Dwight terminates his employment with good reason, or if Mr. Dwight's employment is terminated upon a change in control of Horizon, his agreement provides for Horizon to pay Mr. Dwight an amount equal to two times his then-current annual base salary plus his bonus for the previous two calendar years and for Mr. Dwight to receive health and certain other benefits for a two-year period. If Horizon terminates Mr. Edwards' or Mr. Neff's employment without cause, or if either of Mr. Edwards or Mr. Neff terminates his employment for good reason, their agreement provides for Horizon to pay them an amount equal to their then-current annual base salary plus an amount equal to the average of their bonuses for the previous two calendar years. If Mr. Edwards' or Mr. Neff' employment is terminated upon a change in control, the agreement provides for Horizon to pay them an amount equal to twice their then-current salary plus an amount equal to the average of their bonuses for the previous two calendar years. Mr. Edwards' and Mr. Neff's agreements also provide for them to receive health and certain benefits for a one-year period following their termination without cause, for good reason, or upon a change in control.

Messrs. Dwight's, Edwards' and Neff's agreements also include provisions that limit the aggregate amount of the payment to an amount that is otherwise deductible by Horizon for federal income tax purposes after application of Internal Revenue Code Section 280G and that protect Horizon's and the Bank's confidential business information and prohibit competition for specified periods. Mr. Dwight's agreement prohibits him from competing against Horizon for a two-year period following the date of his termination, and Mr. Edwards' and Mr. Neff's agreements prohibit them from competing against Horizon for a one-year period.

Grants of Plan-Based Awards

Four of the named executive officers had the opportunity to earn cash bonuses under the Executive Officer Bonus Plan if Horizon met the earnings targets the Compensation Committee had established for 2013. Mr. Neff had the opportunity to earn a cash bonus under a separate plan. A detailed description of the Executive Officer Bonus Plan and Mr. Neff's plan is provided above in the Compensation Discussion and Analysis.

The following table presents the possible payouts the named executive officers had the opportunity to receive for 2013.

Potential Payments Upon Termination or Change in Control

Horizon and the Bank have agreements with the named executive officers and plans in which the named executive officers participate that provide for benefits upon the resignation, severance, retirement or other termination of the named executive officers.

Employment and Change-in-Control Agreements

The employment agreement with Mr. Dwight discussed above provides that if Horizon terminates Mr. Dwight’s employment without cause, if Mr. Dwight terminates his employment with good reason, or if Mr. Dwight’s employment is terminated upon a change in control of Horizon, Horizon will pay Mr. Dwight an amount equal to two times his then-current annual base salary plus his bonus for the previous two calendar years and for Mr. Dwight to receive health and life insurance benefits for a two-year period, as well as reimbursement of up to \$30,000 for expenses in searching for a new position.

The employment agreements with Mr. Edwards and Mr. Neff discussed above provide that if Horizon terminates Mr. Edwards’ or Mr. Neff’s employment without cause, or if Mr. Edwards or Mr. Neff terminates his employment with good reason, Horizon will pay each an amount equal to his then-current annual base salary, plus an amount equal to the average of his bonus for the prior two years. If Mr. Edwards’ or Mr. Neff’s employment is terminated upon a change of control, Horizon will pay each an amount equal to twice his then-current annual base salary, plus an amount equal to the average of his bonus for the past two years. If Mr. Edwards’ or Mr. Neff’s employment were terminated for any of the preceding reasons, each would also be entitled to receive health and life insurance benefits for a one-year period as well as reimbursement of up to \$20,000 for expenses in searching for a new position, subject to certain restrictions.

The definitions of the terms “cause,” “good reason” and “change in control” are central to an understanding of the potential payments to the executive officers pursuant to their agreements. The definitions in the agreements are summarized in the following paragraphs.

Under Messrs. Dwight's, Edwards' and Neff's employment agreements, Horizon has "cause" to terminate the executive officer if he breaches any provision of the agreement, is prohibited from participating in the conduct of the Bank's affairs pursuant to an order issued under specified provisions of the Federal Deposit Insurance Act, or if he has engaged in any of the specific activities listed in the agreement, including the following:

- an intentional act of fraud, embezzlement, theft or personal dishonesty;
 - willful misconduct;
- breach of fiduciary duty involving personal profit in the course of the executive's employment;
- intentional wrongful damage to Horizon's business or property, causing material harm to Horizon; or
- gross negligence or insubordination in the performance of the executive's duties, or the executive's refusal or repeated failure to carry out lawful directives of the Board.

A termination by the executive officer is for "good reason" if Horizon takes any of the following actions without the executive's prior written consent:

- require the executive to move his office to a location more than 30 miles from his principal residence;
- reduce the executive's then-current annual base salary by 10% or more, unless the reduction is part of an institution-wide reduction and proportionate to the reduction in the base salaries of all other Horizon executive officers;
- remove the executive from participation in any incentive compensation or performance-based compensation plans, unless we terminate the participation of all of Horizon's other executive officers in the plans;
- reduce any material benefit plan or program or deprive the executive of any such benefit enjoyed by him, unless part of an institution-wide reduction and applied similarly to all of Horizon's other executive officers;
- assignment to the executive of duties and responsibilities materially different from those normally associated with his position as described in the agreement;
- materially reduce the executive's responsibilities or authority (including reporting responsibilities) in connection with his employment;
 - materially reduce the executive's secretarial or administrative support; or
 - breach any provision of the agreement.

A "change in control" would include any of the following events:

- A merger, consolidation or similar transaction involving Horizon or the Bank that results in the shareholders immediately prior to the transaction owning shares of the surviving or combined entity possessing voting rights equal to or less than 50 percent of the voting rights of all shareholders of such entity, determined on a fully diluted basis;
- A sale, lease, exchange, transfer or other disposition of all or any substantial part of the consolidated assets of Horizon or the Bank;
- A tender, exchange, sale or other disposition (other than a disposition of the stock in connection with bankruptcy, insolvency, foreclosure, receivership or other similar transactions) or purchase (other than by Horizon, an employee benefit plan of Horizon or the Bank, or members of Horizon's or the Bank's board of directors) of shares representing

more than 25 percent of the voting power of Horizon or the Bank; or

- During any period of two consecutive years, the individuals who constituted the Board of Directors as of the date of the executive's agreement cease for any reason to constitute at least a majority of the Board's members, unless the election of each director at the beginning of the period has been approved by directors representing at least a majority of the directors then in office.

A Change in Control will not occur, however, if Horizon issues stock in a public offering; in connection with a transaction approved by a majority of shareholders or in which a majority of the shareholders (other than shareholders subject to Exchange Act Section 16(b)) have tendered their shares; or due to stock ownership by any Horizon employee benefit plan.

If Mr. Dwight's, Mr. Edwards' or Mr. Neff's employment had been terminated in connection with a change in control as of December 31, 2013, each would have been entitled to a severance amount and other benefits under his employment agreement in the following amounts: Mr. Dwight \$1,225,624; Mr. Edwards \$661,359; and Mr. Neff \$742,675. If Mr. Dwight's, Mr. Edwards' or Mr. Neff's employment had been terminated by Horizon without cause, or by the executive with good reason as of December 31, 2013, each would have been entitled to a severance amount and other benefits under his employment agreement in the following amounts: Mr. Dwight \$ 1,225,624; Mr. Edwards \$379,366; and Mr. Neff \$471,384. If Mr. Dwight's, Mr. Edwards' or Mr. Neff's employment is terminated by Horizon with cause, by the executive without good reason or due to the executive's death or disability, each executive, or his estate in the event of death, would be entitled to the payment of vested or accrued amounts under incentive compensation and employee benefits plans and life insurance proceeds. None of Messrs. Dwight, Edwards or Neff held any vested options or other plan awards or was entitled of any benefits other than pursuant to life insurance policies as of December 31, 2013. Therefore, if Messrs. Dwight's, Edwards' or Neff's employment had terminated on December 31, 2013, the only amounts payable would have been life insurance and salary continuation proceeds in the amount of \$800,000 for Mr. Dwight, \$774,938 for Mr. Edwards and \$761,384 for Mr. Neff to each of their estates.

One of the other named executive officers, Mr. Secor, is a party to a change of control agreement with the Bank. Mr. Secor's agreement was amended effective as of January 1, 2009, to reflect the change in his title and responsibilities as of that date. In Mr. Secor's agreement, the definition of "change in control" is the same as the definition described above in connection with the discussion of the employment agreements of Messrs. Dwight, Edwards and Neff.

Mr. Secor's agreement provides that upon a change of control, a new term of employment will commence for the executive officer at the same base salary that the executive officer was receiving at the time of the change of control and such salary may not be reduced for a period of one year following the change of control. If the employment of Mr. Secor had terminated in connection with a change in control as of December 31, 2013, the amount he would have been paid under their agreements would have been \$225,213. This amount excludes stock options that vest upon a change in control, which are discussed below.

In the event of death, Mr. Secor's estate would have been entitled to life insurance and salary continuation proceeds in the amount of \$675,639.

If any of Messrs. Dwight, Edwards, Neff, Rose or Secor qualifies as a "key employee" under Internal Revenue Code Section 409A at the time of their separation from service, Horizon may not make certain payments of nonqualified deferred compensation to them earlier than six months following the date of their separation from service (or, if earlier, the date of their death). Each of Messrs. Dwight, Edwards, Neff, Rose and Secor currently is considered to be a "key employee."

Other Benefits Upon Termination or Change in Control

In the event of a change in control of Horizon, the recipient of stock options and shares of restricted stock granted to executive officers under the Omnibus Plan that are then outstanding and that either are not then exercisable or are subject to any restrictions will become immediately exercisable, and all restrictions will be removed, as of the first date that the change in control has been deemed to have occurred. In addition, stock options granted to executive officers will be vested and fully exercisable as of the date of death, disability or retirement of the executive officer.

The Omnibus Plan provides that a “change in control” will be deemed to have occurred if any of the following conditions or events occurs: (1) any merger, consolidation or similar transaction which involves Horizon and in which persons who are the shareholders of Horizon immediately prior to the transaction own, immediately after the transaction, shares of the surviving or combined entity which possess voting rights equal to or less than 50% of the voting rights of all shareholders of such entity, determined on a fully diluted basis; (2) any sale, lease, exchange, transfer or other disposition of all or any substantial part of the consolidated assets of Horizon; (3) any tender, exchange, sale or other disposition (other than disposition of the stock of Horizon or the Bank in connection with bankruptcy, insolvency, foreclosure, receivership or other similar transactions) or purchase (other than purchases by Horizon or any Horizon sponsored employee benefit plan, or purchases by members of the Board of Directors of Horizon or any subsidiary) of shares which represent more than 25% of the voting power of Horizon or the Bank; or (4) during any period of two consecutive years individuals who at the date of the adoption of the Omnibus Plan constitute the Board cease for any reason to constitute at least a majority of the Board, unless the election of each director at the beginning of the period has been approved by directors representing at least a majority of the directors then in office.

The Omnibus Plan provides, however, that a change in control will not be deemed to have occurred (1) as a result of the issuance of stock by Horizon in connection with any public offering of its stock; (2) with respect to any transaction unless such transaction has been approved or shares have been tendered by a majority of the shareholders who are not persons subject to liability under Section 16(b) of the Exchange Act; or (3) due to stock ownership by the Horizon Bancorp Employees’ Stock Ownership Plan Trust, which forms a part of the Horizon Bancorp Employees’ Stock Ownership Plan or any other employee benefit plan.

If a change in control had occurred as of December 31, 2013, the stock options granted to executive officers that were not previously vested would have become fully vested as of that date. Mr. Secor is the only executive officer to whom options have been granted that have not vested, and if a change in control had occurred, or if Mr. Secor had terminated his employment due to death, disability or retirement as of December 31, 2013, he would not have realized any value upon the exercise of stock options. The outstanding stock options for the executive officers are discussed in more detail in the discussion of Outstanding Equity Awards at Fiscal Year-End for 2012. The Omnibus Plan is discussed in more detail above in the Compensation Discussion and Analysis.

Section 162(m)

Pursuant to Section 162(m) of the Internal Revenue Code, in certain circumstances, the deductibility of compensation paid to any individual executive officer of a public company, including stock-based compensation, is limited to \$1,000,000. Although Horizon retains the discretion to award compensation that exceeds the limits in Section 162(m) of the Internal Revenue Code, Horizon expects that the remuneration of its senior executive officers will remain under the applicable \$1,000,000 limit.

Compensation of Directors

The following table presents information about our compensation of members of the Board of Directors. Information on the compensation received by Mr. Dwight, who is a named executive officer, is included in the Summary Compensation Table above. Mr. Dwight does not receive any additional compensation for service on the Board of Directors.

Horizon paid each of its non-employee directors a cash retainer of \$20,003 and a bonus in Common Shares equal in value to \$12,997 for their services in 2013. Active employees of Horizon and/or the Bank receive no separate compensation for their services as directors. The Chairpersons of the Compensation Committee and Loan Committee receive an additional cash amount of \$4,000, the Chairperson of the Audit Committee receives an additional \$6,000 and the Chairpersons of the Asset Liability Committee, Long Range Planning Committee and Trust Committee receive an additional \$2,000. Directors do not receive additional compensation for attending meetings of committees of the Board or for special assignments or meetings.

In April 2012, the Board adopted Guidelines that require each independent director to maintain ownership of Common Shares having a value equal to least three times their annual retainer. The Guidelines are discussed above in the "Stock Ownership Guidelines" section under "Corporate Governance." All of the members of the Horizon Board of Directors also serve as directors of the Bank, which is a national bank. Federal banking law requires that a national bank director maintain shares of a bank's stock, or of the company that controls the bank, having a minimum aggregate fair market value of \$1,000. All of the directors satisfy this requirement.

Horizon sponsors a Directors' Deferred Compensation Plan, which allows non-employee directors of Horizon and the Bank to elect to defer the receipt of fees for their services. Earnings on fees deferred under the plan are based on the five-year Treasury rate plus 200 basis points but not to exceed 120% of the Applicable Federal Long-Term Rate for monthly compounding. Payments of deferred fees are made to participants or their beneficiaries in a lump sum or annual installments upon death or disability of the participants or as designated by participants. Participants have no rights to amounts deferred other than rights as general creditors of Horizon.

Report of the Audit Committee

This report is being provided to inform shareholders of the Audit Committee's oversight with respect to Horizon's financial reporting.

Review with Management and Independent Auditors

The Audit Committee has reviewed and discussed with management the audited financial statements for the year ended December 31, 2013. In addition, the Audit Committee has discussed with BKD, LLP all communications required by generally accepted auditing standards, including the matters required to be discussed by the Statement of Auditing Standards No. 16, "Communications with Audit Committees" issued by the Public Company Accounting Oversight Board.

The Audit Committee has received the written disclosures and the letter from BKD, LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding BKD, LLP's communications with the Audit Committee concerning independence, and has discussed with BKD, LLP their independence.

Conclusion

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2013, to be filed with the Securities and Exchange Commission.

Certain Business Relationships and Transactions

In accordance with our Audit Committee Charter and NASDAQ requirements, the Audit Committee is responsible for reviewing and approving the terms and conditions of all related person transactions. Horizon's Amended and Restated Articles of Incorporation provided the procedures for the Board to follow in approving or ratifying transactions with Horizon in which a director has a direct or indirect interest. The Articles provide that such transactions will be approved or ratified upon the affirmative vote of a majority of the directors on the Board or a Board committee who do not have a direct or indirect interest in the transaction or by a vote of the shareholders. Horizon's Code of Ethics for Executive Officers and Directors and the Advisor Code of Conduct for Horizon and the Bank provide the policies and procedures for the review and approval or ratification of conflict of interest transactions. Any situations involving potential conflicts of interest involving an executive officer, director or member of his or her family, if material, are to be reported and discussed with the Code of Ethics contact person. For executive officers, the contact person is the Chief Executive Officer, or if the executive officer believes it more appropriate, the Chairman of the Audit Committee. For directors, the contact person is the Chairman of the Audit Committee.

Directors and executive officers of Horizon and their associates were customers of, and had transactions with, the Bank in the ordinary course of business during 2013. The Bank expects that comparable transactions will occur in the future. These transactions were made in the ordinary course of business on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with unrelated third parties. In the opinion of Horizon's management, these transactions did not involve more than normal risk of collectability or present other unfavorable features. Loans made to directors and executive officers are in compliance with federal banking regulations and are thereby exempt from insider loan prohibitions included in the Sarbanes-Oxley Act of 2002.

Proposal 2

Approval of the Horizon Bancorp 2013 Omnibus Equity Incentive Plan

On June 18, 2013, Horizon's Board of Directors unanimously adopted, subject to the approval of the shareholders at this Annual Meeting, the Horizon Bancorp 2013 Omnibus Equity Incentive Plan (the "2013 Omnibus Plan"). The Board adopted the 2013 Omnibus Plan with the expectation that, before it would be submitted to shareholders, additional revision might be made based on the recommendations of Cook & Co., which would review the 2013 Omnibus Plan for best practices. The Compensation Committee considered the recommendations of Cook & Co. and, on November 19, 2013, the Compensation Committee approved certain of those recommendations for incorporation into the 2013 Omnibus Plan. On December 17, 2013, the Board approved the 2013 Omnibus Plan with the incorporated revisions. In the following discussion, "2013 Omnibus Plan" refers to the plan as approved by the Board of Directors on December 17, 2013. The 2013 Omnibus Plan replaces Horizon Bancorp's 2003 Equity Incentive Plan (the "2003 Omnibus Plan"), which expired on January 31, 2013. No additional shares may be granted under the 2003 Omnibus Plan

The 2013 Omnibus Plan has been designed to satisfy the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), which generally denies a corporate-level income tax deduction for annual compensation in excess of \$1,000,000 paid to the chief executive officer and the four other most highly compensated officers of a public company ("Covered Employees"). Certain types of compensation, including "performance-based compensation," which meet the requirements of Code Section 162(m), are generally excluded from this deduction limit. It is contemplated that awards made under the 2013 Omnibus Plan to a Covered Employee will constitute "performance-based compensation" under Code Section 162(m). A detailed summary of the 2013 Omnibus Plan, as amended, is provided below.

Shareholder Approval and Board Recommendation

The proposal to approve the Horizon Bancorp 2013 Omnibus Equity Incentive Plan requires that a majority of the votes cast be in favor of the proposal.

The Board of Directors unanimously recommends that shareholders vote “For” the approval of Horizon Bancorp 2013 Omnibus Equity Incentive Plan (Item 2 on the Proxy Card)

Summary of the 2013 Omnibus Plan

The following is a summary of the material features of the 2013 Omnibus Plan. The summary does not purport to be a complete description of all the provisions of the 2013 Omnibus Plan and is qualified in its entirety by the terms of the 2013 Omnibus Plan, a copy of which is included in this Proxy Statement as Appendix A.

Purpose

The primary purpose of the 2013 Omnibus Plan is to promote the growth and financial success of Horizon by providing incentives to employees and non-employee directors so as to align their interests, through ownership of Common Shares and other awards, with the interests of Horizon’s shareholders. The 2013 Omnibus Plan is designed to provide an incentive for excellence in individual performance and teamwork. The 2013 Omnibus Plan also is designed to provide flexibility to Horizon with regard to its ability to motivate, attract and retain the services of employees and non-employee directors who make significant contributions to Horizon’s success and to allow such employees and non-employee directors to share in that success.

Term

The 2013 Omnibus Plan is effective for a ten-year term that commenced on February 1, 2013.

Administration

The 2013 Omnibus Plan is administered by the Compensation Committee of the Board of Directors (the “Committee”). The Committee will be composed of no fewer than three directors, each of whom will qualify as a “non-employee director” under Rule 16b-3 under the Securities Exchange Act of 1934 (the “Exchange Act”), as an “outside director” within the meaning of Section 162(m) of the Internal Revenue Code (the “Code”), and as “independent” under the director independence requirements of the NASDAQ Stock Market.

The Committee has the sole authority, subject to the terms of the 2013 Omnibus Plan, to:

- Select participants
- Determine the sizes and types of awards
- Determine the terms and conditions of awards
- Construe and interpret the 2013 Omnibus Plan

- Establish, amend and waive the rules and regulations for administering the 2013 Omnibus Plan
- Amend the terms and conditions of outstanding awards and the applicable award agreements

All decisions made by the Committee will be final and binding.

Eligibility

All employees and non-employee directors of Horizon and any of its subsidiaries or affiliates (the term “Horizon” is used in this summary of the 2013 Omnibus Plan to include any subsidiaries or affiliates) are eligible to receive awards as participants under the 2013 Omnibus Plan. Currently, there are approximately 304 employees and non-employee directors who are eligible for grants under the 2013 Omnibus Plan. The Committee will select the participants based on their functions and responsibilities, the value of the services they provide to Horizon or such other factors as the Committee, in its sole discretion, deems relevant.

Shares Subject to the 2013 Omnibus Plan

The 2013 Omnibus Plan authorizes the issuance of up to 691,700 Common Shares, which represents 200,00 new Common Shares and 491,700 Common Shares rolled over from the unused shares under the expired 2003 Omnibus Plan, plus that number of (i) Common Shares under the 2003 Omnibus Plan that are forfeited, cancelled or expire unexercised; (ii) Common Shares that are tendered to or withheld by Horizon in connection with the exercise of options; (iii) Common Shares that Horizon purchases with the cash proceeds received upon option exercises; (iv) Common Shares settled in cash; and (v) Common Shares equal to the value, as determined by the Committee, of the income tax deductions recognized by Horizon in connection with the exercise of nonqualified stock options and disqualifying dispositions of Common Shares acquired. The 2013 Omnibus Plan limits the number of Common Shares available to 100,000 for incentive stock options and to 400,000 for the grant of non-option awards. The 2013 Omnibus Plan also provides that no participant will be granted an award for more than 100,000 Common Shares during any fiscal year and no participant will receive performance units or performance shares having an initial value greater than \$1,000,000. Subject to the foregoing limits, the Common Shares available for issuance under the 2013 Omnibus Plan may be divided among the various types of awards and among the participants as the Committee determines.

The Common Shares issued pursuant to awards may be authorized but unissued Common Shares or Common Shares that Horizon has reacquired, including Common Shares Horizon has purchased in the open market. The number of Common Shares subject to the 2013 Omnibus Plan and subject to awards that are outstanding under the 2013 Omnibus Plan will be adjusted by the Committee to reflect stock dividends or splits, recapitalizations, reclassifications, mergers, consolidations, combinations or exchanges of shares and similar corporate capital structure changes.

Types of Awards

The Committee is authorized to grant any type of award to a participant that is consistent with the provisions of the 2013 Omnibus Plan. Awards may consist of the following:

- Incentive stock options
- Nonqualified stock options
- Stock appreciation rights
- Restricted stock
- Performance units

- Performance shares
- Any combination of the above

Subject to the terms of the 2013 Omnibus Plan, the Committee determines the provisions, terms and conditions of each award. The Committee has the discretion to grant awards subject to vesting schedules or restrictions and contingencies, except that any awards of performance-based restricted stock,

performance units or performance shares must be subject to a requirement that the awards be held for at least one year before they can be earned.

Awards may be accelerated so as to become fully vested, exercisable and released from any restrictions or contingencies, however, only upon the participant's death, disability or retirement; the occurrence of a change in control; or to the extent such actions involve an aggregate number of shares not in excess of five percent of the number of shares available for awards. The 2013 Omnibus Plan defines "change in control" to include the following: the consummation of any merger, consolidation or similar transaction involving Horizon in which the persons who are shareholders of Horizon immediately prior to the transaction own, after the transaction, 50 percent or less of the voting rights of all voting rights of the surviving entity; any sale, lease, exchange, transfer or other disposition of all or substantially all of Horizon's assets; and any tender, exchange or purchase (other than by Horizon or any Horizon-sponsored employee benefit plan or members of the Board of Directors) of shares of stock that represent more than 25 percent of the voting power of Horizon; a change in a majority membership of the Board over a two-year period unless the election of each director at the beginning of the period was approved by at least a majority of the directors then in office. Outstanding awards may be accelerated in connection with a change in control if the awards are not continued, assumed or replaced, or if the awards are continued, assumed or replaced but within two years after the change in control the participant's employment or other service is involuntarily terminated for reasons other than for "cause." The Committee may provide that stock-based awards earn dividends or dividend equivalents, which may be paid in cash, Common Shares or credited to an account designated in the name of the participants.

Performance Goals

Awards may be granted subject to the satisfaction of performance goals. The goals will require a targeted level or levels of financial achievement with respect to one or more of the following business criteria: (a) return on assets; (b) earnings before interest, taxes, depreciation and amortization; (c) net income; (d) total shareholder return; (e) return on equity; (f) affiliate or division operating income; (g) pre- or after-tax income; (h) cash flow; (i) cash flow per share; (j) earnings per share (basic or diluted); (k) return on invested capital; (l) economic value added (or an equivalent metric); (m) share price performance; (n) improvement in, or attainment of, expense levels; and (o) improvement in or attainment of working capital levels. The performance goals for a participant who is the chief executive officer or another executive officer who is among the four highest compensated officers will be based on one or more of the following: (i) return on equity; (ii) return on common equity; (iii) net income; (iv) compounded annual growth of assets; or (v) return on assets.

Stock Options

The Committee may designate options awarded under the 2013 Omnibus Plan as incentive stock options, a type of option authorized under the Code. The Code limits the grant of incentive stock options to employees and imposes other conditions that options must satisfy to qualify as incentive stock options. Options not designated as incentive stock options are referred to as "nonqualified" options. The principal difference between incentive stock options and nonqualified options is their tax treatment for Horizon and optionees. See "Federal Income Tax Consequences" below.

Each option granted under the 2013 Omnibus Plan must be evidenced by a written agreement that specifies the type of option, the number of Common Shares covered, the exercise price, when and under what circumstances the option becomes exercisable, any restriction on transferability of shares received on the exercise, the duration of the option and such other terms and conditions as the Committee determines, within the limits prescribed by the 2013 Omnibus Plan.

The Committee will determine the per share exercise price of all options, but the exercise price may not be less than 100 percent of the fair market value of the shares covered by the option on the date of grant.

No option may be exercised more than 10 years after its date of grant. Payment of the exercise price may be made with cash, with previously owned Common Shares, by the delivery of cash by a broker-dealer in a cashless exercise or by a combination of these methods.

Stock Appreciation Rights

Three types of stock appreciation rights (“SARs”) may be granted under the 2013 Omnibus Plan:

- Affiliated SARs
- Tandem SARs
- Freestanding SARs

An “Affiliated SAR” is an SAR that is granted in connection with a related option and is automatically deemed to be exercised at the same time as the related option is exercised. A “Tandem SAR” is an SAR that is granted in connection with a related option and may be exercised for all or part of the shares subject to the related option upon the surrender of the right to exercise the equivalent portion of the related option. The exercise of a Tandem SAR, unlike the exercise of an Affiliated SAR, reduces the number of shares subject to the related option. A “Freestanding SAR” is an SAR that is granted independently of any stock option. Freestanding SARs are exercisable at such time as the Committee determines.

The exercise price of each Freestanding SAR must be not less than 100 percent of the fair market value of a Common Share on the date of grant and the exercise price of an Affiliated SAR or a Tandem SAR must be equal to the exercise price of the option to which such SAR relates. A holder of an SAR is entitled on exercise to receive a number of Common Shares, cash or a combination thereof, as determined by the Committee, that is equal in value to the amount by which the fair market value of one Common Share on the exercise date exceeds the exercise price multiplied by the number of Common Shares with respect to which the SAR is exercised.

Restricted Stock

The 2013 Omnibus Plan also authorizes the Committee to grant shares of “Restricted Stock” to participants. Restricted Stock grants will be subject to the vesting period and other restrictions imposed by the Committee, such as the achievement of specific Horizon or individual performance goals, but any performance-based awards of restricted stock must be held for at least one year before they can be earned. The performance goals will be selected from among those listed above under “Performance Goals.”

Each grant of Restricted Stock will be evidenced by a restricted stock agreement that specifies the period of restriction, the number of shares of Restricted Stock granted and such other provisions as the Committee determines. Generally, all rights with respect to the Restricted Stock will be exercisable only during the participant’s lifetime and only by the participant. Restricted Stock may not be sold, assigned, transferred, pledged or otherwise encumbered. During the period of restriction, participants holding Restricted Stock may exercise full voting rights with respect to the shares. Upon the lapse of the applicable period of restriction, the shares of Restricted Stock will become transferable.

Performance Units and Performance Shares

The 2013 Omnibus Plan also authorizes the Committee to grant “Performance Units” and “Performance Shares.” Performance Units or Performance Shares provide that if the specified performance goals set by the Committee at the time of grant are achieved over the period of time specified by the Committee (the “Performance Period”), the participant will receive the value of the Performance Units or Performance Shares. Payments may be made in Common Shares, cash or a combination thereof, as determined by the

Committee. The Committee will select performance goals from those listed above under “Performance Goals.”

Limits on Transferability and Exercisability

No award may be sold, transferred, assigned, pledged or hypothecated, other than by will or the laws of descent and distribution. During a participant’s lifetime, all rights to an award will be exercisable only by the participant. Options and SARs will be exercisable at such times as the Committee determines and specifies in the applicable award agreement. In the discretion of the Committee, however, nonqualified options may be transferred to immediate family members, to trusts for the benefit of immediate family members or partnerships or limited liability companies in which the participant and/or the immediate family members are the only equity owners.

Amendment and Discontinuance

The Board of Directors may amend, alter or discontinue the 2013 Omnibus Plan, subject to certain restrictions. Generally, the Board may not make any amendment, alteration or discontinuance that would adversely affect any outstanding award unless the participant consents in writing. The Committee may modify or adjust an award, however, if necessary to avoid a material charge or expense to Horizon, to cause the 2013 Omnibus Plan to comply with applicable law or to permit Horizon to claim a tax deduction. Shareholder approval is required for any supplement, amendment or alteration to the 2013 Omnibus Plan or to an award agreement that would increase the number of Common Shares subject to the 2013 Omnibus Plan or increase the maximum number of options, SARs, shares of Restricted Stock, Performance Units or Performance Shares that may be awarded to an individual participant. (Shareholder approval is not required for adjustments authorized in the 2013 Omnibus Plan to reflect stock dividends and splits, recapitalizations and similar changes.)

Certain Federal Income Tax Consequences

The following is a brief summary of the federal income tax provisions currently applicable to stock options, SARs, Restricted Stock, Performance Units and Performance Shares granted under the 2013 Omnibus Plan. The laws that govern the tax aspects of awards under the 2013 Omnibus Plan are highly technical and are subject to change.

Nonqualified Stock Options and SARs

On the exercise of a nonqualified stock option, the participant will recognize ordinary income equal to the excess of the fair market value of the Common Shares acquired on the exercise of the nonqualified stock option over the purchase price (the “spread”). A participant who is subject to the six-month short-swing profit recovery provisions of Section 16(b) of the Exchange Act (generally executive officers), however, will not recognize ordinary income at the time of exercise of the stock option but rather upon the expiration of the six-month period under Section 83(c)(3) of the Code. An employee participant shall be subject to withholding of income and payroll taxes by Horizon on the spread as required by federal and state law. A participant will not recognize any taxable income upon the grant of a nonqualified stock option (with or without a Tandem or Affiliated SAR). On the exercise of a SAR, the participant will recognize ordinary income equal to amount received upon the exercise of the SAR. An employee participant shall be subject to withholding of income and payroll taxes by Horizon on the income from the exercise of a SAR as required by federal and state law. Horizon generally will be entitled to a federal income tax deduction in an amount equal to the compensation income recognized by the participant.

Incentive Stock Options

A participant will not recognize taxable income on the grant or exercise of an incentive stock option. The spread at the time of exercise, however, will constitute a tax preference item in determining whether the participant is liable for the alternative minimum tax. Such alternative minimum tax may be payable even though the participant does not receive any cash upon the exercise of the incentive stock option with which to pay such tax. Upon the sale of shares acquired pursuant to the exercise of an incentive stock option after the later of (i) two years from the date of grant of the incentive stock option, or (ii) one year after the date of exercise (the "ISO Holding Period"), the participant will recognize capital gain or loss, as the case may be, measured by the difference between the net sales proceeds received on the sale and the exercise price. However, the participant will recognize ordinary income on such amount if the amount is realized by a sale of such shares prior to the ISO Holding Period. Horizon is not entitled to any tax deduction by reason of the grant or exercise of an incentive stock option, or by reason of a disposition of stock received upon exercise of an incentive stock option, if the ISO Holding Period is satisfied. Horizon does receive a deduction if the participant disposes of the shares before the expiration of the ISO Holding Period. If the options exercisable for the first time by a participant during any calendar year have a fair market value in excess of \$100,000, those options will be treated as nonqualified stock options and will be subject to the same tax treatment as nonqualified stock options, as discussed above.

Restricted Stock

A participant who receives an award of Restricted Stock may make an election under Section 83(b) of the Code to have the award taxed as compensation income at the date of receipt, with the result that any future appreciation (or depreciation) in the value of the shares granted will be taxed as capital gain (or loss) on the later sale of the shares. Any such election (a "Section 83(b) election") must be made and filed with the Internal Revenue Service within 30 days after receipt in accordance with the Income Tax Regulations under Section 83(b). The amount of income subject to tax upon a Section 83(b) election is the difference between the fair market value of the stock at grant and the amount paid for the grant. If the participant does not make a Section 83(b) election, the grant will be taxed as compensation income at the full fair market value on the date that the restrictions imposed on the shares lapse ("vesting"). The amount of income subject to tax upon vesting is the difference between the fair market value of the stock at vesting and the amount paid for the grant. Any dividends paid on Restricted Stock where a Section 83(b) election has not been made are compensation income to the participant. Horizon is generally entitled to a tax deduction for any compensation income taxed to the participant, subject to the provisions of Section 162(m) of the Code.

Performance Units and Performance Shares

A participant who receives an award of Performance Shares or Performance Units also may make a Section 83(b) election to have the award taxed as compensation income at the date of receipt with the same result as described above under "Restricted Stock." If the participant does not make the Section 83(b) election, he or she will not recognize taxable income until the Performance Units or Performance Shares vest and the participant receives stock and/or cash distributed in payment of the award. At that time, the participant must recognize income, which is taxed as compensation in an amount equal to the fair market value of the shares delivered and/or the amount of cash paid. Horizon generally will be allowed a corresponding tax deduction equal to the compensation taxable to the participant, subject to the provisions of Code Section 162(m).

Internal Revenue Code Section 162(m)

In 1993, Congress enacted Section 162(m) of the Code, which disallows corporate deductibility for “compensation” paid in excess of \$1,000,000 to the chief executive officer and the other three highest paid employees, unless the compensation is payable solely on achievement of an pre-established,

objective performance goal. The 2013 Omnibus Plan has been structured to give the Compensation Committee the discretion to award compensation which satisfies the requirements of Section 162(m). Consequently, the Compensation Committee intends, to the extent practical and consistent with the best interests of Horizon its shareholders, to use compensation policies and programs that preserve the tax deductibility of compensation expenses.

Internal Revenue Code Section 409A

The above discussion does not address the federal income tax consequences of awards under Section 409A of the Code. Section 409A was added to the Code by the American Jobs Creation Act of 2004 and generally affects amounts deferred under a covered non-qualified deferred compensation plan after December 31, 2004, and such prior deferrals under a plan that has been materially modified after October 3, 2004. Section 409A provides that covered amounts deferred under a non-qualified deferred compensation plan are includable in the participant's gross income and subject to 20 percentage points of additional tax plus, in certain cases, an interest charge, to the extent not subject to a substantial risk of forfeiture and not previously included in income, unless certain requirements are met, including limitations on the timing of deferral elections and events that may trigger the distribution of deferred amounts. Certain types of awards under the 2013 Omnibus Plan (other than incentive stock options and nonqualified stock options that meet the rules to be exempt from Section 409A) may be subject to Section 409A. It is the intent of the Board that awards under the 2013 Omnibus Plan be structured so that they are not subject to Section 409A. If subject to Section 409A, however, the 2013 Omnibus Plan and the award agreements are intended to comply with Section 409A requirements.

New Plan Benefits

Since future awards under the 2013 Omnibus Plan are discretionary and the Compensation Committee has not yet determined to whom future awards will be made, it is not possible to determine the amount or terms of any future awards that may be made to executive officers, directors or non-executive employees. The following table summarizes those awards made to the listed individuals or groups of individuals under the 2013 Omnibus Plan from the date it was adopted by Horizon's Board of Directors, June 18, 2013, through March 1, 2014:

Proposal 3

Advisory Vote to Approve Executive Compensation

Background of the Proposal

This proposal provides Horizon's shareholders with the opportunity to cast an advisory vote to approve Horizon's executive compensation. As in recent years, we are providing you with an opportunity to vote, in an advisory capacity, on Horizon's executive compensation. This proposal is included in compliance with Section 14A of the Securities Exchange Act.

Executive Compensation

Horizon believes that its compensation is focused on principles that are strongly aligned with the long-term interests of its shareholders. We believe that both Horizon and our shareholders benefit from our

compensation policies and practices. The proposal described below, commonly known as a “say-on-pay” proposal, gives you, as a shareholder, the opportunity to endorse or not endorse our executive compensation program for named executive officers described in this Proxy Statement. At the 2013 Annual Meeting, shareholders approved the compensation of Horizon’s named executive officers, with 97% of the shares voted on the proposal being voted in favor of the compensation arrangements.

As described above in the Compensation Discussion and Analysis section of this Proxy Statement, a main objective of our executive compensation program is to align a significant portion of each executive officer’s total compensation with Horizon’s annual and long-term performance and with the interests of our shareholders. A second, related objective of the executive compensation program is to attract and retain experienced, highly qualified executives so as to enhance Horizon’s long-term success and shareholder value. The Board of Directors believes that Horizon’s compensation policies and procedures achieve these objectives.

The following chart compares the change in market price of Horizon’s stock to that of other publicly traded banks in Indiana and Michigan over the past five years.

During 2013, Horizon's Compensation Committee met with Horizon's Senior Auditor to review Horizon's executive officer incentive compensation program for any features that may incentivize undue risk taking. The participants in this meeting concluded that Horizon's incentive compensation plans have several features that help mitigate the possibility that executive officers will take undue risks. These features include the following:

- The Compensation Committee may unilaterally amend, modify or cancel the plans at any time at their sole discretion.
- Named executive officer bonuses will only be paid if Horizon achieves a minimum net income level that is more than sufficient to cover fixed costs and dividends at the holding company. This minimum net income level supports the concept that the shareholders are paid first and ahead of executive officer bonuses.
- Executive officers will only be paid bonuses if they are in good standing with Horizon and not under a performance warning, suspension or individual regulatory sanction.
 - The Committee or its designee is to review and approve all executive officer bonuses prior to payment.
- Bonuses are subject to receipt of an unqualified opinion by Horizon's independent accountants on its most current year-end financial statements.
- Incentive compensation may be "clawed back" pursuant to a Bank policy as discussed above under the heading "Recovery of Incentive Compensation under the Dodd-Frank Act."

In addition, based on information from Cook & Co., Horizon's compensation consultants, and other sources, we believe our compensation levels for our executive officers are within acceptable ranges based on our performance in the top quartile of our peer group.

Shareholders are encouraged to carefully review the "Compensation Discussion and Analysis" and "Executive Compensation Tables" sections of this Proxy Statement for a detailed discussion of Horizon's executive compensation program.

This Proposal 3 gives our shareholders the opportunity to endorse or not endorse Horizon's overall executive compensation program and policies as reflected in the Compensation Discussion and Analysis, the disclosures regarding named executive officer compensation provided in the various tables included in this Proxy Statement, the accompanying narrative disclosures and the other compensation information provided in this Proxy Statement. The vote is advisory, which means that the vote is not binding on Horizon, our Board of Directors or the Compensation Committee of the Board of Directors. However, the Board of Directors and the Compensation Committee value the opinion of our shareholders and will consider the outcome of this vote when considering executive compensation arrangements.

At the 2012 Annual Meeting, Horizon provided shareholders with the opportunity to vote on the frequency of future say-on-pay advisory votes. The Board of Directors recommended that the advisory say-on-pay vote be held on an annual basis, and over 95% of the shares that were voted on the matter being cast in favor of an annual vote. Therefore, the Board of Directors has directed that this say-on-pay vote be included for the 2014 Annual Meeting and has determined that the next advisory say-on-pay vote will be at the 2015 Annual Meeting.

Accordingly, we ask our shareholders to vote on the following resolution at the Annual Meeting:

“RESOLVED, that the shareholders of Horizon Bancorp approve, on an advisory basis, the compensation of the named executive officers, as disclosed in Horizon Bancorp’s Proxy Statement for the 2014 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission,

including the Compensation Discussion and Analysis, the 2013 Summary Compensation Table and the other related tables and disclosure.”

Vote Required and Effect

Approval of this Proposal 3 requires that the number of votes cast in favor of the proposal exceed the number of votes cast against the proposal. Because this shareholder vote is advisory, it will not be binding upon the Board of Directors.

The Board of Directors unanimously recommends a vote “For” approval of the compensation of our named executive officers as disclosed in this Proxy Statement.

Proposal 4

Ratification of Appointment of Independent Auditors

BKD, LLP served as Horizon’s independent auditors for 2013. Upon the recommendation of the Audit Committee, the Board of Directors has selected BKD, LLP as Horizon’s independent auditors for 2014. BKD, LLP has served as Horizon’s independent auditors since 1998. Shareholder ratification of the appointment of the independent auditors is not required by law, but the Audit Committee has proposed and recommended the submission of the appointment of BKD, LLP to the shareholders to give the shareholders input into the designation of the auditors.

Ratification of the appointment of Horizon’s independent auditor requires that more shares be voted in favor of the proposal than against the proposal. If the shareholders do not ratify the selection of BKD, LLP, the Audit Committee may reconsider its selection of BKD, LLP as independent auditors. Even if this proposal to ratify the auditors is approved, the Audit Committee, in its discretion, may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of Horizon or its shareholders.

Representatives of BKD, LLP are expected to be present at the Annual Meeting to respond to appropriate questions and to make such statements as they may desire.

The Audit Committee of the Board of Directors recommends that shareholders vote “For” the ratification of the appointment of BKD, LLP as Horizon’s independent auditors for 2013.
(Item 4 on the Proxy Card)

Auditor Fees and Services

BKD, LLP served as Horizon’s independent auditors for 2013 and 2012. The services performed by BKD, LLP in this capacity included conducting an examination in accordance with generally accepted auditing standards of, and expressing an opinion on, Horizon’s consolidated financial statements. The Board of Directors has selected BKD, LLP as the independent public accountants for 2013 and is seeking shareholder ratification at the Annual Meeting.

Audit Fees

BKD, LLP's fees for professional services rendered in connection with the audit and review of Forms 10-Q and all other SEC regulatory filings were \$182,600 for 2013 and \$229,229 for 2012.

Audit-Related Fees

BKD, LLP's audit-related fees were \$3,500 for 2013 and \$5,413 for 2012. These fees related to accounting consultations and consent procedures performed in conjunction with the filing of various registration statements.

Tax Fees

BKD, LLP's fees for tax services were \$35,150 for 2013 and \$19,100 for 2012.

All Other Fees

No other fees were paid to BKD, LLP for 2013 or 2012.

Board of Directors Pre-Approval

Horizon's Audit Committee formally adopted resolutions pre-approving the engagement of BKD LLP to act as our independent auditor for the two fiscal years ended December 31, 2013. The Audit Committee has not adopted pre-approval policies and procedures in accordance with paragraph (c)(7)(i) of Rule 2-01 of Regulation S-X, because it anticipates that, in the future, the engagement of BKD LLP will be pre-approved by the Audit Committee. All audit-related fees and fees for tax services for 2013 and 2012 were pre-approved by the Audit Committee. Horizon's independent auditors performed all work described above with their respective full-time, permanent employees.

Section 16(a) Beneficial Ownership Reporting Compliance

Executive officers and directors of Horizon and owners of more than 10% of the Common Shares are required to file reports of their ownership and changes in their ownership of Common Shares with the SEC. Copies of these reports also must be furnished to Horizon. Based solely upon a review of copies furnished to Horizon through the date of this Proxy Statement or written representations that no reports were required, Horizon believes that its executive officers, directors and 10% shareholders complied with the 2013 filing requirements.

Shareholder Proposals for 2015 Annual Meeting

Any shareholder who wishes to have a proposal considered for inclusion in Horizon's Proxy Statement for the 2015 Annual Meeting of Shareholders must submit the proposal in writing so that Horizon receives it by November 22, 2014. Proposals should be addressed to Horizon's Secretary, 515 Franklin Square, Michigan City, Indiana 46360.

Horizon's Amended and Restated Bylaws also provide that a shareholder wishing to nominate a candidate for election as a director or to have any other matter considered by the shareholders at the Annual Meeting must give Horizon written notice of the nomination not fewer than 120 days in advance of the date that Horizon's Proxy Statement was released to shareholders in connection with the previous year's Annual Meeting, which release date for the 2014 Annual Meeting is expected to be on or about March 21, 2014. Shareholder nominations must include the detailed information about the nominee required by the Bylaws and also must comply with the other requirements set forth in the Bylaws. Proposals to bring other matters before the shareholders must include a brief description of the proposal and the other information required by the Bylaws.

Shareholders who wish to nominate candidates or to bring other proposals before the Annual Meeting must submit the proposals in writing to Horizon's Secretary no later than November 22, 2014. Copies of the Bylaws are available to shareholders from Horizon's Secretary free of charge upon request.

Other Matters

Management knows of no matters, other than those reported above, that are to be brought before the Annual Meeting. The enclosed proxy confers discretionary authority on the proxies to vote on any other business that may properly come before the Annual Meeting. It is the intention of the persons named in the proxy to vote in their discretion on any such matter.

To the extent information in this Proxy Statement rests peculiarly within the knowledge of persons other than Horizon, Horizon has relied upon information furnished by others for the accuracy and completeness of the information.

We urge you to complete, date and sign the proxy and return it promptly in enclosed envelope.

HORIZON BANCORP

2013 OMNIBUS EQUITY INCENTIVE PLAN

SECTION 1

PURPOSE AND DURATION

1.1. Establishment of the Plan. Horizon Bancorp, an Indiana corporation, hereby establishes an equity-based incentive compensation plan to be known as the Horizon Bancorp 2013 Omnibus Equity Incentive Plan, set forth in this document. This Plan permits the grant of Nonqualified Stock Options, Incentive Stock Options, Stock Appreciation Rights, Restricted Stock, Performance Units and Performance Shares. This Plan and the grant of Awards hereunder are expressly conditioned upon the Plan's approval by the shareholders of the Company. The Plan is adopted effective as of February 1, 2013; however, no Options may be exercised, and no other Award may be exercised or otherwise paid until the Plan has been approved by a majority of the Shares of the Company represented at the shareholder's meeting at which approval of the Plan is considered, as specified in Section 9.2.

1.2. Purposes of the Plan. The purposes of this Plan are to further the growth and financial success of the Company and its Affiliates by aligning the interests of the Participants, through the ownership of Shares and through other incentives, with the interests of the Company's shareholders; to provide Participants with an incentive for excellence in individual performance; and to promote teamwork among Participants. The Plan is further intended to provide flexibility to the Company in its ability to motivate, attract and retain the services of officers and employees who make significant contributions to the Company's success and to allow Participants to share in the success of the Company.

1.3. Definitions. For purposes of this Plan, the following words and phrases will have the following meanings when capitalized in the Plan, including any Supplements, unless a different meaning is plainly required by the context:

1.3.1. "1934 Act" means the Securities Exchange Act of 1934, as amended. Reference to a specific section of the 1934 Act or regulation thereunder includes such section or regulation, any valid regulation promulgated under such section and any comparable provision of any future legislation or regulation amending, supplementing or superseding such section or regulation.

1.3.2. "Affiliate" means any corporation or any other entity (including, but not limited to, partnerships, limited liability companies, joint ventures and Subsidiaries) controlling, controlled by or under common control with the Company.

1.3.3. "Affiliated SAR" means a SAR that is granted in connection with a related Option, and that automatically will be deemed to be exercised at the same time that the related Option is exercised.

1.3.4. "Award" means, individually or collectively, a grant under this Plan of Nonqualified Stock Options, Incentive Stock Options, SARs, Restricted Stock, Performance Units or Performance Shares.

1.3.5. "Award Agreement" means the written agreement which sets forth the terms and provisions applicable to each Award granted under this Plan.

1.3.6. “Beneficiary” means the person or persons designated by a Participant to receive the benefits under this Plan, if any, which become payable as a result of the Participant’s death.

1.3.7. “Board” or “Board of Directors” means the Board of Directors of the Company serving at the time that this Plan is approved by the shareholders of the Company or thereafter.

1.3.8. “Cashless Exercise” means, if there is a public market for the Shares, the payment of the Exercise Price of Options (a) through a “same day sale” commitment from the Participant and an NASD Dealer whereby the Participant irrevocably elects to exercise the Option and to sell a portion of the Shares so purchased in order to pay the Exercise Price, and whereby the NASD Dealer irrevocably commits upon receipt of such stock to forward the Exercise Price directly to the Company, or (b) through a “margin” commitment from the Participant and an NASD Dealer whereby the Participant irrevocably elects to exercise the Option and to pledge the Shares so purchased to the NASD Dealer in a margin account as security for a loan from the NASD Dealer in the amount of the Exercise Price and whereby the NASD Dealer irrevocably commits upon receipt of such Shares to forward the Exercise Price directly to the Company.

1.3.9. “Cause” means, for purposes of determining whether and when a Participant has incurred a Termination of Service for Cause, any act or failure to act which: (a) results in removal or permanent prohibition of the Participant from participating in the conduct of Company’s or a /subsidiary’s affairs by an order issued under section 8(e)(4) or 8(g)(1) of the Federal Deposit Insurance Act, 12 USC 1818(e)(4) and (g)(1); or (b) permits the Company to terminate the written agreement or arrangement between the Participant and the Company or an Affiliate for “cause” as defined in such agreement or arrangement. In the event there is no such agreement or arrangement or the agreement or arrangement does not define the term “cause,” then “Cause” for purposes of this Plan will mean (i) the willful and continued failure of a Participant to perform his required duties as an Employee or Non-employee Director of the Company or any Subsidiary; (ii) any action by a Participant which involves willful misfeasance or gross negligence; (iii) the requirement of or direction by a federal or state regulatory agency which has jurisdiction over the Company or any Subsidiary to terminate the employment of a Participant; (iv) the conviction of a Participant of the commission of any criminal offense which involves dishonesty or breach of trust; (v) any intentional breach by a Participant of a material term, condition or covenant of any agreement between the Participant and the Company or any Subsidiary or (v) removal or permanent prohibition of the Participant from participating in the conduct of Company’s or a /subsidiary’s affairs by an order issued under section 8(e)(4) or 8(g)(1) of the Federal Deposit Insurance Act, 12 USC 1818(e)(4) and (g)(1).

1.3.13. “Company” means Horizon Bancorp, an Indiana corporation and any successor thereto. With respect to the definition of Performance Goals, the Committee, in its sole discretion, may determine whether “Company” means Horizon Bancorp and its Subsidiaries on a consolidated basis.

1.3.14. “Covered Employee” means an Employee who, on the last day of the taxable year, is (i) the chief executive officer of the Company or is acting in such a capacity, or (ii) among the four highest compensated officers (other than the chief executive officer) for the taxable year.

1.3.15. “Director” means any individual who is a member of the Board.

1.3.16. “Disability” means a disability as determined for purposes of the Federal Social Security Act which qualifies the Participant for permanent disability insurance payments in accordance with such Act. 1.3.17. “Effective Date” means February 1, 2013.

As determined by the Committee in its sole discretion, the Performance Goals applicable to each Award granted under the Plan to a Participant who is not a Covered Employee, will provide for a targeted level or levels of financial achievement with respect to one or more of the following business criteria: (a) return on assets; (b) earnings before interest, taxes, depreciation and amortization (EBITDA); (c) net income; (d) total shareholder return; (e) return on equity; (f) Affiliate or division operating income; (g) pre- or after-tax income; (h) cash flow; (i) cash flow per share; (j) earnings per share (basic or diluted); (k) return on invested capital; (l) economic value added (or an equivalent metric); (m) share price performance; (n) improvement in or attainment of expense levels; and (o) improvement in or attainment of working capital levels. - 1.3.36. “Plan” means the Horizon Bancorp 2013 Omnibus Equity Incentive Plan, as set forth in this document and as hereafter amended from time to time.

- 1.3.37. “Restricted Stock” means an Award granted to a Participant pursuant to Section 7.
- 1.3.38. “Retirement” means, in the case of an Employee, the termination of employment by a Participant on or after attaining age 65 for reasons other than Cause, death or Disability.
- 1.3.39. “Rule 16b-3” means Rule 16b-3 promulgated under the 1934 Act, and any future rule or regulation amending, supplementing or superseding such rule.

- 1.3.41. “Shares” means the whole shares of issued and outstanding regular voting common stock, no par value, of the Company, whether presently or hereafter issued and outstanding, and any other stock or securities resulting from adjustment thereof as provided in Section 4.6, or the stock of any successor to the Company which is so designated for the purposes of the Plan.
- 1.3.42. “Stock Appreciation Right” or “SAR” means an Award, granted alone or in tandem with a related Option, that is designated as a “SAR” pursuant to Section 6.
- 1.3.43. “Subsidiary” means a corporation, partnership or limited liability company, a majority of the outstanding voting stock, general partnership interests or membership interests, as the case may be, of which is owned or controlled, directly or indirectly, by the Company or by one or more other Subsidiaries of the Company. For the purposes of this definition, “voting stock” means stock having voting power for the election of directors, or trustees, as the case may be, whether at all times or only so long as no senior class of stock has such voting power by reason of any contingency. A Subsidiary includes any Subsidiary of the Company as of the Effective Date and each entity that becomes a Subsidiary of the Company after the Effective Date.
- 1.3.44. “Tandem SAR” means a SAR that is granted in tandem with a related Option, the exercise of which will require forfeiture of the right to exercise such Option and to purchase an equal number of Shares under the related Option; and, when a Share is purchased pursuant to the exercise of such Option, the SAR will be forfeited to the same extent.
- 1.3.45. “Termination of Service” in the case of an Employee, means the occurrence of any act or event or any failure to act, whether pursuant to an employment agreement or otherwise, that actually or effectively causes or results in a Participant ceasing, for whatever reason, to be an Employee of the Company or an Affiliate, including, but not limited to, death, Disability, Retirement, termination by the Company or an Affiliate of the Participant’s employment with the Company or an Affiliate (whether with or without Cause) and voluntary resignation or termination by the Participant of his or her employment with the Company or an Affiliate. A Termination of Service will also occur with respect to an Employee who is employed by an Affiliate if the Affiliate ceases to be an Affiliate of the Company and the Participant does not immediately thereafter become an Employee of the Company or another Affiliate. For purposes of this Plan, transfers or changes of employment of a Participant between the Company and an Affiliate (or between Affiliates) will not be deemed a Termination of Service.

“Termination of Service” in the case of a Non-employee Director means the failure to be reelected to the Board or resignation or removal from the Board.

SECTION 2

ADMINISTRATION

2.1. The Committee. This Plan will be administered by the Committee. The decision or action of a majority of the actual number of members of the Committee will constitute the decision or action of the Committee. The Committee will consist of not less than three Directors. The members of the Committee will be appointed from time to time by, and will serve at the pleasure of, the Board. The Committee will be comprised solely of Directors who are (a) “nonemployee directors” under Rule 16b-3, and (b) “outside directors” as described in Treasury Regulation Section 1.162-27(e)(3), and (c) “independent” under the director independence requirements of the NASDAQ Stock Market or, if it changes, the principal securities exchange or market on which the share are then traded or listed. Failure of the Committee to be so comprised will not result in the cancellation, termination, expiration or lapse of any Award.

2.2. Authority of the Committee. Except as limited by law or by the Articles of Incorporation or By-Laws of the Company, and subject to the provisions of this Plan, the Committee will have full power and discretion to: (a) select Employees and Non-employee Directors who will participate in the Plan; (b) determine the sizes and types of Awards; (c) determine the terms and conditions of Awards in a manner consistent with this Plan; (d) construe and interpret this Plan, all Award Agreements and any other agreements or instruments entered into under this Plan; (e) establish, amend or waive rules and regulations for the Plan’s administration; and (f) amend the terms and conditions of any outstanding Award and applicable Award Agreement to the extent such terms and conditions are within the discretion of the Committee as provided in this Plan; provided however, the Committee may only accelerate the exercisability or vesting of an Award in connection with a Participant’s death, Disability, Retirement, or in connection with a Change in Control. The Committee may also accelerate the exercisability or vesting of an Award to the extent such actions involve an aggregate number of Shares not in excess of five percent of the number of Shares initially available for Awards.

2.3. Delegation by the Committee. The Committee, in its sole discretion and on such terms and conditions as it may provide, may delegate all or any part of its authority and powers under this Plan to one or more Directors or officers of the Company; provided, however, that the Committee may not delegate its authority and powers (a) with respect to grants to Section 16 Persons, (b) in any way which would jeopardize this Plan’s qualification under Code Section 162(m) or Rule 16b-3 or (c) adversely impact Awards under Rule 16b-3.

2.4. Decisions Binding. All determinations and decisions made by the Committee, the Board and any delegate of the Committee pursuant to Section 2.3 will be final, conclusive and binding on all persons, including the Company and Participants. No such determinations will be subject to de novo review if challenged in court.

2.5. Considerations in Establishing Performance Goals. In determining appropriate Performance Goals and the relative weight accorded each Performance Goal, the Committee must:

2.5.1. Balance risk and financial results in a manner that does not encourage Participants to expose the Company and its Subsidiaries to imprudent risks; and

2.5.2. Monitor the success of the Performance Goals and weighting established in prior years, alone and in combination with other incentive compensation awarded to the same

Participants, and make appropriate adjustments in future calendar years as needed so that payments appropriately incentivize Participants and appropriately reflect risk.

SECTION 3

SHARES SUBJECT TO THIS PLAN

3.1. Number of Shares.

3.1.1. **Maximum Number.** Subject to adjustment as provided in Section 3.6, the maximum number of Shares cumulatively available for issuance under this Plan pursuant to the: (a) exercise of Options; (b) grant of Affiliated, Freestanding and Tandem SARs; (c) grant of Shares of Restricted Stock; and (d) payment of Performance Units and Performance Shares, will not exceed Six Hundred Ninety-One Thousand Seven Hundred (691,700) Shares (consisting of Two Hundred Thousand (200,000) new Shares plus Four Hundred Ninety-One Thousand Seven Hundred (491,700) Shares rolled over and unused from the expired Horizon Bancorp 2003 Omnibus Equity Incentive Plan); plus (i) shares under Horizon Bancorp 2003 Omnibus Equity Incentive Plan that are forfeited, cancelled or expire unexercised; (ii) Shares tendered (actually or by attestation) to the Company in connection with the exercise of Options; (iii) Shares purchased by the Company in the open market or otherwise using the cash proceeds upon the exercise of Options; (iv) Shares settled hereunder in cash; (v) Shares withheld pursuant to Section 10; and (vi) the number of Shares equal to the value, as determined by the Committee in its sole discretion, of the income tax deductions recognized by the Company in connection with the exercise of Non-Qualified Stock Options and disqualifying dispositions of Shares acquired on the exercise of Incentive Stock Options, determined as of the date on which the Company's federal income tax return is filed less the total number of Shares previously issued under this Plan, and less the total number of Shares then subject to outstanding Options or other Awards. The foregoing share reserve will be supplemented by an additional number of Shares that remain in acquired company plans that are assumed by the Company.

3.1.2. **Limits Based on Award Type.** In calculating the number of Shares available for issuance under this Plan, (a) no more than One Hundred Thousand (100,000) Shares will be cumulatively available for the grant of Incentive Stock Options under this Plan, (b) no more than Four Hundred Thousand (400,000) Shares will be available for the grant of non-Option Awards, (c) during any Fiscal Year, no Participant will be granted an Award for more than One Hundred Thousand (100,000) Shares, and (d) no Participant will receive Performance Units or Performance Shares under Section 8 having an initial value greater than One Million Dollars (\$1,000,000). Shares issued under this Plan may be either authorized but unissued Shares, treasury Shares or reacquired Shares (including Shares purchased in the open market), or any combination thereof, as the Committee may from time to time determine in its sole discretion.

3.1.3. **Forfeited and Unpurchased Shares.** Shares covered by an Award that are forfeited or that remain unpurchased or undistributed upon termination or expiration of the Award may be made the subject of further Awards to the same or other Participants. If the exercise price of any Option is satisfied by tendering Shares (by either actual delivery or attestation), only the number of Shares actually issued, net of the Shares tendered, will be deemed issued for purposes of determining the number of Shares available for Awards under this Plan. Additionally, if Shares are withheld pursuant to Section 10.2, only the number of Shares actually issued, net of the Shares withheld, will be deemed issued for purposes of determining the number of Shares available for Awards under this Plan.

3.2. Release of Shares. Subject to the limitations set forth in this Plan, the Committee will have full authority to determine the number of Shares available for Awards and, in its sole discretion, may include (without limitation) as available for distribution (a) any Shares that have ceased to be subject to an Award; (b) any Shares subject to an Award that have been previously forfeited; (c) any Shares under an Award that otherwise terminates without the issuance of Shares being made to a Participant; (d) any Shares that are received by the Company in connection with the exercise of an Award, including the satisfaction of any tax liability or tax withholding obligation; or (e) any Shares repurchased by the Company in the open market or otherwise, having an aggregate repurchase price no greater than the amount of cash proceeds received by the Company from the exercise of Options granted under this Plan. Any Shares that are available immediately prior to the termination of the Plan, or any Shares returned to the Company for any reason subsequent to the termination of the Plan, may be transferred to a successor plan.

3.3. Restrictions on Shares. Shares issued upon exercise of an Award will be subject to the terms and conditions specified herein and to such other terms, conditions and restrictions as the Committee in its sole discretion may determine and provide in the Award Agreement. The Company will not be required to issue or deliver any certificates for Shares, cash or other property prior to the (a) listing of such Shares on any stock exchange (or other public market) on which the Shares may then be listed (or regularly traded), and (b) completion of any registration or qualification of such shares under federal, state, local or other law, or any ruling or regulation of any government body which the Committee determines to be necessary or advisable. The Company may cause any certificate for any Shares to be delivered hereunder to be properly marked with a legend or other notation reflecting the limitations on transfer of such Shares as provided in this Plan or as the Committee may otherwise require. Participants, or any other persons entitled to benefits under this Plan, must furnish to the Committee such documents, evidence, data or other information as the Committee considers necessary or desirable for the purpose of administering this Plan. The benefits under this Plan for each Participant, and each other person who is entitled to benefits hereunder, are to be provided on the condition that he furnish full, true and complete data, evidence or other information, and that he promptly signs any document reasonably related to the administration of this Plan requested by the Committee. No fractional Shares will be issued under this Plan; rather, fractional shares will be aggregated and then rounded to the next lower whole Share.

3.4. Shareholder Rights. Except with respect to Restricted Stock as provided in Section 7 and dividend rights as provided in Section 3.5, no person will have any rights of a shareholder (including, but not limited to, voting rights) as to Shares subject to an Award until, after proper exercise or vesting of the Award or other action as may be required by the Committee in its sole discretion, such Shares have been recorded on the Company's official shareholder records (or the records of its transfer agents or registrars) as having been issued and transferred to the Participant. Upon exercise of the Award or any portion thereof, the Company will have a reasonable period in which to issue and transfer the Shares to the Participant, and the Participant will not be treated as a shareholder for any purpose whatsoever prior to such issuance and transfer. No payment or adjustment will be made for rights for which the record date is prior to the date such Shares are recorded as issued and transferred in the Company's official shareholder records (or the records of its transfer agents or registrars), except as otherwise provided herein or in an Award Agreement.

3.5. Dividends and Dividend Equivalents. The Committee may provide that Awards denominated in Shares earn dividends or dividend equivalents. Such dividends and dividend equivalents may be paid currently in cash or Shares or may be credited to an account established by the Committee in the Participant's name. In addition, dividends or dividend equivalents paid on outstanding Awards or issued Shares may be credited to such account rather than paid currently. Any crediting of dividends or dividend equivalents may be subject to such restrictions and conditions as the Committee may establish, including reinvestment in additional Shares or Share equivalents. Notwithstanding the foregoing, dividends or dividend equivalents on unvested portions of Awards whose vesting is subject to the

achievement of specified Performance Goals may, as set forth in an Award Agreement, be subject to the same restrictions as the underlying Shares or units to which such dividends or dividend equivalents relate.

3.6. Changes in Stock.

3.6.1. Substitution of Stock and Assumption of Plan. In the event of any change in the Shares by virtue of any stock dividends, stock splits, recapitalizations or reclassifications or any acquisition, merger, consolidation, share exchange, tender offer or other combination involving the Company that does not constitute a Change in Control but that results in the acquisition of a Subsidiary by the Company, or in the event that other stock is substituted for the Shares as the result of any merger, consolidation, share exchange or reorganization or any similar transaction which constitutes a Change in Control of the Company, the Committee will correspondingly adjust the (a) number, kind and class of Shares which may be delivered under this Plan, (b) number, kind, class and price of Shares subject to outstanding Awards (except for mergers or other combinations in which the Company is the surviving entity), and (c) numerical limits of Sections 3.1, 5.1, 6.1, 7.1 and 8.1, all in such manner as the Committee in its sole discretion determines to be advisable or appropriate to prevent the dilution or diminution of such Awards; provided, however, in no event will the One Hundred Thousand Dollar (\$100,000) limit on Incentive Stock Options contained in Section 5.1 be affected by an adjustment under this Section 3.6.1. The Committee's determinations under this Section 3.6.1 will be final and conclusive.

3.6.2. Conversion of Shares. In the event of a Change in Control of the Company pursuant to which another person or entity acquires control of the Company (such other person or entity being the "Successor"), the kind of shares of stock which are subject to this Plan and to each outstanding Award will, automatically by virtue of such Change in Control, be converted into and replaced by securities of the Successor, having full voting, dividend, distribution, preference and liquidation rights, and the number of shares subject to an Award, the calculation of an Award's value and the purchase price per share upon exercise of the Award will be correspondingly adjusted so that, by virtue of such Change in Control of the Company, each Participant will (a) in the case of Options, have the right to purchase (i) that number of shares of stock of the Successor which have a Fair Market Value, as of the date of such Change in Control of the Company, equal to the Fair Market Value, as of the date of such Change in Control of the Company, of the Shares of the Company theretofore subject to each Option, and (ii) for a purchase price per share which, when multiplied by the number of shares of stock of the Successor subject to each Option, will equal the aggregate exercise price at which the Participant could have acquired all of the Shares previously optioned to the Participant; and (b) in the case of Awards other than Options, Performance Shares and Performance Units, have the right to receive that number of shares of stock of the Successor which have a Fair Market Value, as of the date of such Change in Control of the Company, equal to the Fair Market Value, as of the date of the Change in Control of the Company, of the Shares of the Company to which each Award relates. The Committee, in its sole discretion, will determine the method by which Awards of Performance Shares and Performance Units will be adjusted due to a Change in Control of the Company. Shares issued in connection with the Awards that are assumed, converted or substituted under this Section 3.6.2 will not reduce the number of Shares reserved for issuance under Section 3.1.

3.7. Book-Entry Securities. The Company shall have the right to maintain all Awards in book-entry form in the name of the Participant until such time as such Awards shall have been vested and the requirements of Section 2.3 have been met.

SECTION 4

ELIGIBILITY

4.1. Eligibility. Except as herein provided, the individuals who are eligible to participate in this Plan and be granted Awards are those individuals who are Employees of the Company or any Affiliate and Non-employee Directors of the Company. The Committee may, from time to time and in its sole discretion, select Employees and Non-employee Directors of the Company to be granted Awards and will determine the terms and conditions with respect thereto. In making any such selection and in determining the form of the Award, the Committee may give consideration to the functions and responsibilities of the Employees or Non-employee Director to the Company or its Affiliates, the value of the Employee or Non-employee Director's services (past, present and future) to the Company or its Affiliates and such other factors deemed relevant by the Committee in its sole discretion. An Employee or Non-employee Director will become a Participant in this Plan as of the date specified by the Committee. A Participant can be removed as an active Participant by the Committee effective as of any date; provided, however, that no such removal will adversely affect any Award previously granted to the Participant.

4.2. No Contract of Employment. Neither this Plan nor any Award Agreement executed hereunder will constitute a contract of employment between an Employee and the Company or an Affiliate, and participation in this Plan will not give an Employee the right to be rehired by or retained in the employment of the Company or an Affiliate.

4.3. No Right to Be Retained on Board. Neither this Plan nor any Award Agreement executed hereunder will give any Director the right to be retained, nominated or re-elected as a Director.

SECTION 5

STOCK OPTIONS

5.1. Grant of Options. Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may grant Options to any Employee or Non-employee Director in such amounts as the Committee, in its sole discretion, may determine. The Committee may grant Incentive Stock Options, Nonqualified Stock Options or any combination thereof; provided, however, Non-employee Directors may not be granted Incentive Stock Options. Subject to the terms and provisions of this Plan, the Committee, in its sole discretion, will determine the number of Shares subject to each Option; provided, however, no Participant may be granted Incentive Stock Options under this Plan which would result in Shares with an aggregate Fair Market Value (measured on the Grant Date(s)) of more than One Hundred Thousand Dollars (\$100,000) first becoming exercisable in any one calendar year.

5.2. Option Award Agreement. Each Award of an Option will be evidenced by an Award Agreement that will specify the Exercise Price, the number of Shares to which the Option pertains, the Option Period, any conditions to exercise of the Option and such other terms and conditions as the Committee, in its sole discretion, determines. The Award Agreement will also specify whether the Option is intended to be an Incentive Stock Option or a Nonqualified Stock Option. All grants of Options intended to constitute Incentive Stock Options will be made in accordance, and all Award Agreements pursuant to which Incentive Stock Options are granted will comply, with the requirements of Code Section 422.

5.3. Exercise Price. The Exercise Price for each Option will be determined by the Committee under this Section 5.3; provided, however, except in connection with a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash

A-10

dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, or exchange of shares), the terms of outstanding Awards may not be amended to reduce the exercise price of outstanding Options or cancel outstanding Options in exchange for cash, other Awards or Options with an exercise price that is less than the exercise price of the original Options without shareholder approval.

5.3.1. Nonqualified Stock Options. In the case of a Nonqualified Stock Option, the Exercise Price per Share will be determined by the Committee; provided, however, in no event will the Exercise Price be less than 100 percent of the Fair Market Value of the Shares to which the Nonqualified Stock Option relates, determined as of the Grant Date.

5.3.2. Incentive Stock Options. In the case of an Incentive Stock Option, the Exercise Price will be not less than 100 percent of the Fair Market Value of the Shares to which the Incentive Stock Option relates determined as of the Grant Date; provided, however, that if, on the Grant Date, the Participant (together with persons whose stock ownership is attributed to the Participant pursuant to Code Section 424(d)) owns securities possessing more than 10 percent of the total combined voting power of all classes of stock of the Company or any of its Subsidiaries, the Exercise Price will be not less than 110 percent of the Fair Market Value of the Shares to which the Incentive Stock Option relates, determined as of the Grant Date.

5.3.3. Substitute Options. Notwithstanding the provisions of Sections 5.3.1 and 5.3.2, in the event that the Company or an Affiliate consummates a transaction described in Code Section 424(a) (e.g., the acquisition of property or stock from an unrelated corporation), individuals who become Employees on account of such transaction may be granted Options in substitution for options granted by such former employer. If such substitute Options are granted, the Committee, in its sole discretion and consistent with Code Section 424(a), shall determine the Exercise Price of such substitute Options. In carrying out the provisions of this Section 5.3.3, the Committee will apply the principles contained in Section 3.6.

5.4. Duration of Options. Subject to the terms and provisions of Sections 9 and 11, the Option Period with respect to each Option will commence and expire at such times as the Committee provides in the Award Agreement, provided that:

(a) Incentive and Nonqualified Stock Options will not be exercisable later than the tenth anniversary of their respective Grant Dates;

(b) Incentive Stock Options granted to an Employee who possesses more than 10 percent of the total combined voting power of all classes of Shares of the Company, taking into account the attribution rules of Code Section 422(d), will not be exercisable later than the fifth anniversary of their Grant Date(s); and

(c) Subject to the limits of this Section 5, the Committee may, in its sole discretion, after an Option is granted, extend the maximum term of the Option to a date not later than the earlier of (i) the end of the Option Period of the Options or (ii) the tenth anniversary of the Grant Date. Any such extension of an Option pursuant to this subsection will comply with the requirements of Code Section 409A, if applicable.

5.5. Exercisability of Options. Subject to the provisions of Section 11 and this Section 5, all Options granted under this Plan will be exercisable at such times, under such terms and subject to such restrictions and conditions as the Committee determines in its sole discretion and as specified in the Award Agreements to which the Options relate. After an Option is granted, the Committee, in its sole discretion, may accelerate the exercisability of the Option.

5.6. Method of Exercise. Subject to the provisions of this Section 5 and the applicable Award Agreement, a Participant may exercise an Option, in whole or in part, at any time during the

A-11

Option Period to which the Option relates by giving written notice to the Company of exercise on a form provided by the Committee (if available). Such notice will specify the number of Shares subject to the Option to be purchased and will be accompanied by payment in full of the total Exercise Price by cash or check or such other form of payment as the Company may accept. If permitted by the applicable Award Agreement, payment in full or in part may also be made by:

- (a) Delivering Shares already owned by the Participant that have a total Fair Market Value on the date of such delivery equal to the total Exercise Price;
- (b) The delivery of cash by a broker-dealer as a Cashless Exercise, if permitted by the Committee and the applicable Award Agreement;
- (c) Reducing the number of Shares issued upon the exercise by the largest number of whole Shares that has a Fair Market Value that does not exceed the aggregate exercise price for the Shares exercised under this method. Shares will no longer be outstanding under an Option (and will therefore not thereafter be exercisable) following the exercise of such Option to the extent of (i) Shares used to pay the exercise price of an Option under the “net exercise” method discussed in this Section 5.6(c), (ii) Shares actually delivered to the Participant as a result of such exercise and (iii) any Shares withheld for purposes of tax withholding; or
- (d) Any combination of the foregoing.

If payment of the Exercise Price of an Option is made in whole or in part in the form of Restricted Stock, a number of the Shares to be received upon such exercise equal to the number of shares of Restricted Stock used for payment of the Exercise Price will be subject to the same forfeiture restrictions or deferral limitations to which the Restricted Stock was subject, unless otherwise determined by the Committee in its sole discretion.

No Shares will be issued until full payment therefor has been made. Subject to any forfeiture restrictions or deferral limitations that may apply if an Option is exercised using Restricted Stock, a Participant will have all of the rights of a shareholder of the Company holding the class of Shares subject to the Option (including, if applicable, the right to vote the Shares) when the Participant has given written notice of exercise, has paid the total Exercise Price, and such Shares have been recorded on the Company’s official shareholder records (or the records of its transfer agents or registrars) as having been issued and transferred to the Participant.

5.7. Restrictions on Share Transferability. In addition to the restrictions imposed by Section 13.7, the Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option as it may deem advisable or appropriate in its sole discretion, including, but not limited to, restrictions related to applicable Federal and state securities laws and the requirements of the NASDAQ Stock Market or any other national securities exchange or market on which Shares are then listed or traded.

5.8. Termination by Reason of Death, Disability or Retirement. Unless otherwise provided in the Award Agreement or determined by the Committee in its sole discretion, if a Participant incurs a Termination of Service due to death, Disability or Retirement, any unexpired and unexercised Options held by such Participant will thereafter be fully exercisable until the expiration of the Option Period.

5.9. Other Termination. Unless otherwise provided in the Award Agreement or determined by the Committee in its sole discretion, if a Participant incurs a Termination of Service that is involuntary on the part of the Participant (but is not due to death or Disability and is not with Cause) or is voluntary on the part of the Participant (but is not due to Retirement), any Options held by such Participant will terminate on the Termination of Service, except that such Options, to the extent exercisable at the time of Termination of Service, may be exercised until the expiration of the

shorter of the following two periods:

A-12

(a) the 30 consecutive-day period commencing on the date of Termination of Service, or (b) the date on which the Option Period expires. If a Participant incurs a Termination of Service which is with Cause, all of his Options, whether or not exercisable, will terminate immediately as of the date of such Termination of Service.

5.10. Special Provision for Incentive Stock Options. Notwithstanding any other provision of this Plan to the contrary, an Incentive Stock Option will not be exercisable more than (a) three months after the Participant's Termination of Service for any reason other than Disability, or (b) one year after the Participant's Termination of Service by reason of Disability.

SECTION 6

STOCK APPRECIATION RIGHTS

6.1. Grant of SARs. Subject to the terms and conditions of this Plan, the Committee, at any time and from time to time, may grant SARs to any Employee or Non-employee Director in such amounts as the Committee, in its sole discretion, determines. The Committee, in its sole discretion, may grant Affiliated SARs, Freestanding SARs, Tandem SARs or any combination thereof.

6.1.1. Number of Shares. Subject to the limitations of Section 3, the Committee will have complete discretion to determine the number of SARs granted to any Participant.

6.1.2. Exercise Price and Other Terms. The Committee, subject to the provisions of this Plan, will have complete discretion to determine the terms and conditions of SARs granted under this Plan; provided, however, the Exercise Price of a Freestanding SAR will be not less than 100 percent of the Fair Market Value of a Share on the Grant Date and the Exercise Price of Tandem or Affiliated SARs will be equal to the Exercise Price of the Option to which such SAR relates.

6.2. Exercise of Tandem SARs. Tandem SARs may be exercised with respect to all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares to which its related Option is then exercisable. With respect to a Tandem SAR granted in connection with an Incentive Stock Option, the following requirements will apply: (a) the Tandem SAR will expire not later than the date on which the underlying Incentive Stock Option expires; (b) the value of the payout with respect to the Tandem SAR will be no more than 100 percent of the difference between the Exercise Price of the underlying Incentive Stock Option and 100 percent of the Fair Market Value of the Shares subject to the underlying Incentive Stock Option at the time the Tandem SAR is exercised; and (c) the Tandem SAR will be exercisable only when the Fair Market Value of the Shares subject to the Incentive Stock Option to which the Tandem SAR relates exceeds the Exercise Price of the Incentive Stock Option.

6.3. Exercise of Affiliated SARs. An Affiliated SAR will be deemed to be exercised upon the exercise of the Option to which the Affiliated SAR relates. The deemed exercise of an Affiliated SAR will not reduce the number of Shares subject to the related Option.

6.4. Exercise of Freestanding SARs. Freestanding SARs will be exercisable on such terms and conditions as the Committee, in its sole discretion, specifies in the applicable Award Agreement.

6.5. SAR Award Agreement. Each SAR will be evidenced by an Award Agreement that specifies the exercise price, the expiration date of the SAR, the number of SARs, any conditions on the exercise of the SAR and such other terms and conditions as the Committee, in its sole discretion, determines. The Award Agreement will also specify whether

the SAR is an Affiliated SAR, Freestanding SAR, Tandem SAR or a combination thereof.

A-13

6.6. Expiration of SARs. Each SAR granted under this Plan will expire upon the date determined by the Committee, in its sole discretion, as set forth in the applicable Award Agreement; provided, however, that no SAR will be exercisable later than the tenth anniversary of its Grant Date. Notwithstanding the foregoing, the terms and provisions of Section 5.4 will also apply to Affiliated and Tandem SARs.

6.7. Payment of SAR Amount. Upon exercise of a SAR, a Participant will be entitled to receive payment from the Company in an amount determined by multiplying:

- (a) The positive difference between the Fair Market Value of a Share on the date of exercise and the exercise price; by
- (b) The number of Shares with respect to which the SAR is exercised.

At the sole discretion of the Committee, the payment may be in cash, in Shares which have a Fair Market Value equal to the cash payment calculated under this Section 6.7, or in a combination of cash and Shares.

6.8. Termination of SAR. An Affiliated or Tandem SAR will terminate at such time as the Option to which such SAR relates terminates. A Freestanding SAR will terminate at the time provided in the applicable Award Agreement.

SECTION 7

RESTRICTED STOCK

7.1. Grant of Restricted Stock. Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock to any Employee or Non-employee Director in such amounts as the Committee, in its sole discretion, determines. Subject to the limitations of Section 3, the Committee, in its sole discretion, will determine the number of Shares of Restricted Stock to be granted to each Participant.

7.2. Restricted Stock Award Agreement. Each Award of Restricted Stock will be evidenced by an Award Agreement that specifies the Period of Restriction, the number of Shares granted and such other terms and conditions as the Committee, in its sole discretion, determines. Unless the Committee in its sole discretion determines otherwise, Shares of Restricted Stock will be held by the Company, and will not be delivered to any Participant until the end of the applicable Period of Restriction.

7.3. Transferability. Except as provided in Section 5.6, Section 13.7, and this Section 7, Shares of Restricted Stock may not be sold, transferred, assigned, margined, encumbered, gifted, bequeathed, alienated, hypothecated, pledged or otherwise disposed of, whether by operation of law, whether voluntarily or involuntarily or otherwise, until the end of the applicable Period of Restriction.

7.4. Other Restrictions. The Committee, in its sole discretion, may impose such other restrictions on Shares of Restricted Stock as it may deem advisable or appropriate in accordance with this Section 7.

7.4.1. General Restrictions. The Committee may impose restrictions on Restricted Stock based upon any of the following criteria: (a) the achievement of specific Company-wide, Affiliate-based, Subsidiary-based, divisional, individual Participant or other Performance Goals, (b) applicable Federal or state securities laws, or (c) any other basis determined by the Committee in its sole discretion; provided, however, except for (i) Awards of deferred Shares received in lieu of other Awards, (ii) Awards made to Employees to replace their awards from a prior employer that were forfeited upon the acquisition of the prior employer by the Company, and (iii) the

A-14

Participant's death, Retirement or Disability, the required period of service for full vesting will be not less than three years. Notwithstanding the foregoing, any performance-based Awards of Restricted Stock must be held for at least one-year before they can be earned.

7.4.2. Section 162(m) Performance Restrictions. Notwithstanding any other provision of this Section 7.4.2 to the contrary, for purposes of qualifying grants of Restricted Stock as "performance-based compensation" to Covered Employees under Code Section 162(m), the Committee will establish restrictions based upon the achievement of Performance Goals. The specific targets under the Performance Goals that must be satisfied for the Period of Restriction to lapse or terminate will be set by the Committee on or before the latest date permissible to enable the Restricted Stock to qualify as "performance-based compensation" under Code Section 162(m). The Performance Goals for a Covered Employee under this Section 7.4.2 will be one or more of the business criteria listed under Section 1.3.31. In granting Restricted Stock that is intended to qualify as "performance-based compensation" under Code Section 162(m), the Committee will follow any procedures determined by it in its sole discretion from time to time to be necessary, advisable or appropriate to ensure qualification of the Restricted Stock as "performance-based compensation" under Code Section 162(m).

7.4.3. Legend on Certificates. The Committee, in its sole discretion, may require the placement of a legend on certificates representing Shares of Restricted Stock to give appropriate notice of such restrictions. For example, the Committee may determine that some or all certificates representing Shares of Restricted Stock will bear the following legend:

"THE SALE, PLEDGE OR OTHER TRANSFER OF THE SHARES OF STOCK REPRESENTED BY THIS CERTIFICATE, WHETHER VOLUNTARY, INVOLUNTARY OR BY OPERATION OF LAW, IS SUBJECT TO CERTAIN RESTRICTIONS ON TRANSFER UNDER FEDERAL AND STATE SECURITIES LAWS AND UNDER THE HORIZON BANCORP 2013 OMNIBUS EQUITY INCENTIVE PLAN, AS SET FORTH IN AN AWARD AGREEMENT EXECUTED THEREUNDER. A COPY OF SUCH PLAN AND SUCH AWARD AGREEMENT MAY BE OBTAINED FROM THE CORPORATE SECRETARY OF HORIZON BANCORP."

7.5. Removal of Restrictions. Except as otherwise provided in this Section 7, Shares of Restricted Stock covered by each Restricted Stock grant made under this Plan will be released to a Participant as soon as practicable after the end of the applicable Period of Restriction. Except in the case of grants of Restricted Stock to Covered Employees which are intended to qualify as "performance-based compensation" under Code Section 162(m) (the vesting of which cannot be accelerated except as provided in Section 11.1), the Committee, in its sole discretion, may accelerate the time at which any restrictions will lapse or remove any restrictions. After the end of the applicable Period of Restriction, the Participant will be entitled to have any restrictive legend or legends placed on the Shares under Section 7.4.3 removed from his or her Share certificate.

7.6. Voting Rights. During the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares, unless the applicable Award Agreement provides otherwise.

7.7. Return of Restricted Stock to Company. On the date set forth in the applicable Award Agreement, the Restricted Stock for which restrictions have not lapsed by the last day of the Period of

Restriction will revert to the Company and thereafter will be available for the grant of new Awards under this Plan.

7.8. Termination of Service. Unless otherwise provided in an Award Agreement or determined by the Committee in its sole discretion, in the event of a Participant's Termination of Service due to death, Disability or Retirement during the Period of Restriction, the restrictions on his Shares of Restricted Stock will lapse and the Participant (or his or her Beneficiary) will, on the date of such Termination of Service, be fully vested in the Restricted Stock. Unless otherwise provided in an Award Agreement or this Plan, in the event of a Participant's Termination of Service for any reason during the Period of Restriction other than a Termination of Service due to death, Disability or Retirement, all Shares of Restricted Stock still subject to restriction will be forfeited by the Participant and thereafter be available for the grant of new Awards under this Plan; provided, however, that the Committee will have the sole discretion to waive, in whole or in part, subject to the restrictions of Section 7.4.1, any or all remaining restrictions with respect to any or all of such Participant's Shares of Restricted Stock. Notwithstanding any other provision of this Section 7 to the contrary, in the case of grants of Restricted Stock to Covered Employees that the Committee intends to qualify as "performance-based compensation" under Code Section 162(m) (the vesting of which cannot be accelerated, except as provided in Section 11.1), no shares of Restricted Stock will become vested unless the applicable Performance Goals have first been met; provided, further, that the Committee will not waive any restrictions with respect to such Restricted Stock. If the vesting of shares of Restricted Stock is accelerated after the applicable Performance Goals have been met, the amount of Restricted Stock distributed will be discounted by the Committee to reasonably reflect the time value of money in connection with such early vesting.

SECTION 8

PERFORMANCE UNITS AND PERFORMANCE SHARES

8.1. Grant of Performance Units/Shares. Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may grant Performance Units or Performance Shares to any Employee or Non-employee Director in such amounts as the Committee, in its sole discretion, determines. Subject to the limitations of Section 3, the Committee will have complete discretion in determining the number of Performance Units or Performance Shares granted to each Participant.

8.2. Value of Performance Units/Shares. Each Performance Unit will have an initial value that is established by the Committee on or before the Grant Date. Each Performance Share will have an initial value equal to the Fair Market Value of a Share on the Grant Date.

8.3. Performance Goals and Other Terms. The Committee will set Performance Goals in its sole discretion which, depending on the extent to which they are met, will determine the number or value of Performance Units or Performance Shares, or both, that will be paid to the Participant. Each Award of Performance Units or Performance Shares will be evidenced by an Award Agreement that specifies the number of Performance Units or Performance Shares, the Performance Period, the Performance Goals and such other terms and conditions as the Committee, in its sole discretion, determines. Notwithstanding the foregoing, any performance-based Awards of Performance Units or Performance Shares must be held for at least one-year before they can be earned.

8.3.1. General Performance Goals. The Committee may set Performance Goals based upon (a) the achievement of Company-wide, Affiliate-based, Subsidiary-based, divisional, individual Participant or other Performance Goals; (b) in either absolute terms or relative to the performance of one or more comparable companies or an index which includes several companies; (c) applicable Federal or state securities laws; or (d) any other basis determined by the Committee in its sole discretion. Measurement of Performance Goals may exclude impact of charges for

restructuring, discontinued operations, extraordinary items, other unusual or non-

A-16

recurring items and the cumulative effects of accounting changes, each as defined by generally accepted accounting principles.

8.3.2. Code Section 162(m) Performance Objectives. Notwithstanding any other provision of this Section 8.3.2 to the contrary, for purposes of qualifying grants of Performance Units or Performance Shares to Covered Employees as “performance-based compensation” under Code Section 162(m), the Committee will establish the specific targets under the Performance Goals applicable to Performance Units or Performance Shares. Such targets under the Performance Goals will be set by the Committee on or before the latest date permissible to enable the Performance Units or Performance Shares, as the case may be, to qualify as “performance-based compensation” under Code Section 162(m). The Performance Goals for a Covered Employee under this Section 8.3.2 will be one or more of the business criteria listed under Section 1.3.31. In granting Performance Units or Performance Shares to Covered Employees which are intended to qualify as “performance-based compensation” under Code Section 162(m), the Committee will follow any procedures determined by it from time to time to be necessary or appropriate in its sole discretion to ensure qualification of the Performance Units or Performance Shares, as the case may be, as “performance-based compensation” under Code Section 162(m).

8.4. Earning of Performance Units/Shares. After the applicable Performance Period has ended, the holder of Performance Units or Performance Shares will be entitled to receive those Performance Units or Performance Shares, as the case may be, earned by the Participant over the Performance Period, to be determined as a function of the extent to which the applicable Performance Goals have been achieved. Except in the case of Performance Goals applicable to Performance Units or Performance Shares granted to Covered Employees which are intended to qualify as “performance-based compensation” under Code Section 162(m) (which cannot be reduced or waived except as provided in Section 11.1), after the grant of a Performance Unit or Performance Share, the Committee, in its sole discretion, may reduce or waive any Performance Goals or related business criteria applicable to such Performance Unit or Performance Share.

8.5. Form and Timing of Payment of Performance Units/Shares. Payment of earned Performance Units or Performance Shares will be made as soon as practicable in the calendar year after the end of the applicable Performance Period. The Committee, in its sole discretion, may pay earned Performance Units or Performance Shares in the form of cash, in Shares (which have an aggregate Fair Market Value equal to the value of the earned Performance Units or Performance Shares, as the case may be, determined as of the last day of the applicable Performance Period) or a combination thereof.

8.6. Cancellation of Performance Units/Shares. On the date set forth in the applicable Award Agreement, all Performance Units or Performance Shares which have not been earned or vested will be forfeited and thereafter be available for the grant of new Awards under this Plan.

8.7. Termination of Service. Unless otherwise provided in an Award Agreement or determined by the Committee in its sole discretion, in the event of a Participant’s Termination of Service due to death, Disability or Retirement during a Performance Period, the Participant (or his Beneficiary) will receive the earned Performance Units or Performance Shares which relate to such Performance Period. Unless otherwise provided in an Award Agreement or determined by the Committee in its sole discretion, in the event of a Participant’s Termination of Service for any other reason, all Performance Units or Performance Shares will be forfeited and thereafter be available for the grant of new Awards under this Plan. Distribution of earned Performance Units or Performance Shares will be made at the same time payments are made to Participants who did not incur a Termination of Service during the applicable Performance Period. Notwithstanding any other provision of this Section 8 to the contrary, in the case of Awards of Performance Units or Performance Shares to Covered Employees that the Committee intends to qualify as performance-based compensation” under Code Section 162(m) (the

A-17

vesting of which cannot be accelerated except as provided in Section 11.1), no Performance Units or Performance Shares will become vested until the applicable Performance Goals have been met.

SECTION 9

AMENDMENT, TERMINATION, AND DURATION

9.1. Amendment, Suspension, or Termination. The Board may supplement, amend, alter or discontinue this Plan in its sole discretion at any time and from time to time, but no supplement, amendment, alteration or discontinuation will be made which would impair the rights of a Participant under an Award without the Participant's consent, except that any supplement, amendment, alteration or discontinuation may be made to (a) avoid a material charge or expense to the Company or an Affiliate, (b) cause this Plan to comply with applicable law, or (c) permit the Company or an Affiliate to claim a tax deduction under applicable law. In addition, subject to the provisions of this Section 9.1, the Board, in its sole discretion at any time and from time to time, may supplement, amend, alter or discontinue this Plan without the approval of the Company's shareholders (a) to the extent such approval is not required by applicable law or the terms of a written agreement, and (b) so long as any such amendment or alteration does not increase the number of Shares subject to this Plan (other than pursuant to Section 3.6) or increase the maximum number of Options, SARs, Shares of Restricted Stock, Performance Units or Performance Shares that the Committee may award to an individual Participant under this Plan. The Committee may supplement, amend, alter or discontinue the terms of any Award theretofore granted, prospectively or retroactively, on the same conditions and limitations (and exceptions to limitations) as apply to the Board under the foregoing provisions of this Section 9.1, and further subject to any approval or limitations the Board may impose. Notwithstanding the foregoing, in no event may the Board or the Committee amend the repricing provisions of the Plan or any Award without approval of the Company's shareholders.

9.2. Duration of this Plan and Shareholder Approval. This Plan will be effective on the Effective Date and, subject to Section 9.1 (regarding the Board's right to supplement, amend, alter or discontinue this Plan), will remain in effect until the tenth anniversary thereof. No Option will be exercised and no other Award will be exercised or otherwise paid hereunder until this Plan has been approved by the holders of at least a majority of the outstanding Shares represented in person or by proxy at a meeting at which approval of this Plan is considered; and provided further, no Incentive Stock Option may be granted under this Plan after the tenth anniversary of the Effective Date.

SECTION 10

TAX WITHHOLDING

10.1. Withholding Requirements. Prior to the delivery of any Shares or cash pursuant to the payment or exercise of an Award, the Company will have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy all Federal, state and local income and employment taxes required by applicable law to be withheld with respect to the payment or exercise of such Award. In no event will any amount withheld be in an amount that would require the Company to incur accounting charges.

10.2. Withholding Arrangements. The Committee, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit a Participant to satisfy a tax withholding obligation, in whole or in part, by (a) electing to have the Company withhold otherwise deliverable Shares (except in the case of exercises of Incentive Stock Options), or (b) delivering to the Company Shares then owned by the Participant having a Fair Market Value equal to the amount required to be withheld. The amount of the withholding requirement will be deemed to include any amount that the Committee agrees

A-18

may be withheld at the time any such election is made, not to exceed, in the case of income tax withholding, the amount determined, based upon minimum statutory requirements, by using the maximum federal, state or local marginal income tax rates applicable to the Participant with respect to the Award on the date the amount of income tax to be withheld is determined. The Fair Market Value of the Shares to be withheld or delivered will be determined as of the date that the taxes are required to be withheld.

SECTION 11

CHANGE IN CONTROL

11.1. Change in Control.

11.1.1. Continuation, Assumption or Replacement of Awards. In the event of a Change in Control, the surviving or successor entity (or its parent corporation) may continue, assume or replace Awards outstanding as of the date of the Change in Control (with such adjustments as may be required or permitted by Section 3.6), and such Awards or replacements therefore shall remain outstanding and be governed by their respective terms, subject to Section 11.1.4. A surviving or successor entity may elect to continue, assume or replace only some Awards or portions of Awards. For purposes of this Section 11.1.1, an Award shall be considered assumed or replaced if, in connection with the Change in Control and in a manner consistent with Code Sections 409A and 424, either (a) the contractual obligations represented by the Award are expressly assumed by the surviving or successor entity (or its parent corporation) with appropriate adjustments to the number and type of securities subject to the Award and the exercise price thereof that preserves the intrinsic value of the Award existing at the time of the Change in Control, or (b) the Participant has received a comparable equity-based award that preserves the intrinsic value of the Award existing at the time of the Change in Control and provides for a vesting or exercisability schedule that is the same as or more favorable to the Participant.

11.1.2. Acceleration of Awards. If and to the extent that outstanding Awards under the Plan are not continued, assumed or replaced in connection with a Change in Control, then (a) outstanding Options and Stock Appreciation Rights issued to the Participant that are not yet fully exercisable shall immediately become exercisable in full and shall remain exercisable in accordance with their terms, (b) all unvested Restricted Stock Awards, Stock Unit Awards and Performance Awards will become immediately fully vested and non-forfeitable; and (c) any Performance Criteria applicable to Restricted Stock Awards, Stock Unit Awards and Performance Awards will be deemed to have been satisfied at the target level of performance specified in connection with the applicable Award.

11.1.3. Payment for Awards. If and to the extent that outstanding Awards under the Plan are not continued, assumed or replaced in connection with a Change in Control, then the Committee may terminate some or all of such outstanding Awards, in whole or in part, as of the effective time of the Change in Control in exchange for payments to the holders as provided in this Section 11.1.3. The Committee will not be required to treat all Awards similarly for purposes of this Section 11.1.3. The payment for any Award or portion thereof terminated shall be in an amount equal to the excess, if any, of (a) the fair market value (as determined in good faith by the Committee) of the consideration that would otherwise be received in the Change in Control for the number of Shares subject to the Award or portion thereof being terminated, or, if no consideration is to be received by the Company's stockholders in the Change in Control, the Fair Market Value of such number of shares immediately prior to the effective date of the Change in

Control, over (b) the aggregate exercise price (if any) for the Shares subject to the Award or portion thereof being terminated. If there is no excess, the Award may be terminated without payment. Any payment shall be made in such form, on such terms and subject to such conditions as the Committee determines in its discretion, which may or may not be the same as the form, terms and conditions applicable to payments to the Company's stockholders in connection with the Change in Control, and may include subjecting such payments to vesting conditions comparable to those of the Award surrendered.

11.1.4. Termination after a Change in Control. If and to the extent that Awards are continued, assumed or replaced under the circumstances described in Section 11.1.1, and if within two years after the Change in Control a Participant experiences an involuntary Termination of Employment or other service for reasons other than Cause, then (a) outstanding Options and Stock Appreciation Rights issued to the Participant that are not yet fully exercisable shall immediately become exercisable in full and shall remain exercisable in accordance with their terms, (b) all unvested Restricted Stock Awards, Performance Units and Performance Shares will become immediately fully vested and non-forfeitable; and (c) any Performance Criteria applicable to Restricted Stock Awards, Performance Units and Performance Shares will be deemed to have been satisfied at the target level of performance specified in connection with the applicable Award.

11.2. Definition. For purposes of Section 11.1, a "Change in Control" of the Company will be deemed to have occurred if the conditions or events set forth in any one or more of the following subsections occur:

- (a) The consummation of any merger, consolidation or similar transaction which involves the Company and in which persons who are the shareholders of the Company immediately prior to the transaction own, immediately after the transaction, shares of the surviving or combined entity which possess voting rights equal to or less than 50 percent of the voting rights of all shareholders of such entity, determined on a fully diluted basis;
- (b) Any sale, lease, exchange, transfer or other disposition of all or any substantially all of the consolidated assets of the Company;
- (c) Any tender, exchange, sale or other disposition (other than disposition of the stock of the Company or Horizon Bank in connection with bankruptcy, insolvency, foreclosure, receivership or other similar transactions) or purchase (other than purchases by the Company or any Company sponsored employee benefit plan, or purchases by members of the Board of Directors of the Company or any subsidiary) of shares of stock which represent more than 25 percent of the voting power of the Company or Horizon Bank;
- (d) During any period of two consecutive years, individuals who at the date of the adoption of the Plan constitute the Board cease for any reason to constitute at least a majority thereof, unless the election of each director at the beginning of the period has been approved by directors representing at least a majority of the directors then in office;

Notwithstanding the foregoing, a Change in Control of the Company (i) will not occur as a result of the issuance of stock by the Company in connection with any public offering of its stock; (ii) will not be deemed to have occurred with respect to any transaction unless such transaction has been approved or shares have been tendered by a majority of the shareholders who are not Section 16 Persons; or (iii) will not occur due to stock ownership by the Horizon Bancorp Employee Stock Ownership Plan Trust Agreement, which forms a part of the Horizon Bancorp Employee Stock Ownership Plan, the Horizon Bancorp Employee's Thrift Plan Trust Agreement, which forms a part of the Horizon Bancorp Employee's Thrift Plan, or any other employee benefit plan.

SECTION 12

LEGAL CONSTRUCTION

12.1. Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also includes the feminine, the plural includes the singular, and the singular includes the plural.

12.2. Severability. In the event any provision of this Plan is held illegal or invalid for any reason, the illegality or invalidity will not affect the remaining parts of this Plan, and this Plan will be construed and enforced as if the illegal or invalid provision had never been included herein.

12.3. Requirements of Law. The grant of Awards and the issuance of Shares under this Plan will be subject to all applicable statutes, laws, rules and regulations and to such approvals and requirements as may be required from time to time by any governmental authorities or any securities exchange or market on which the Shares are then listed or traded.

12.4. Governing Law. Except to the extent preempted by the Federal laws of the United States of America, this Plan and all Award Agreements will be construed in accordance with and governed by the laws of the State of Indiana without giving effect to any choice or conflict of law provisions, principles or rules (whether of the state of Indiana or any other jurisdiction) that would cause the application of any laws of any jurisdiction other than the state of Indiana.

12.5. Headings. The descriptive headings and sections of this Plan are provided herein for convenience of reference only and will not serve as a basis for interpretation or construction of this Plan.

12.6. Mistake of Fact. Any mistake of fact or misstatement of facts will be corrected when it becomes known by a proper adjustment to an Award or Award Agreement.

12.7. Evidence. Evidence required of anyone under the Plan may be by certificate, affidavit, document or other information which the person relying thereon considers pertinent and reliable, and signed, made or presented by the proper party or parties.

12.8. 409A Compliance. It is intended the Plan and all Awards hereunder be administered in a manner that will comply with, or comply with an exemption from, as applicable, the requirements of Code Section 409A, including any final regulations guidance issued by the Secretary of the Treasury and the Internal Revenue Service. The Committee is authorized to adopt rules or regulations deemed necessary or appropriate to qualify for an exemption from or to comply with the requirements of Code Section 409A. Notwithstanding anything in this Section to the contrary, with respect to any Award subject to Code Section 409A, no amendment to or payment under such Award will be made unless permitted under Code Section 409A and the regulations or rulings issued thereunder. Without limiting the generality of the foregoing, if any amount shall be payable with respect to any Award hereunder as a result of a Participant's Termination from Service at such time as the Participant is a "specified employee" (as defined for purposes of Code Section 409A) and such amount is subject to the provisions of Code Section 409A, then no payment shall be made, except as permitted under Code Section 409A prior to the first day of the seventh calendar month beginning after the participants' separation from service (or the date of his or her earlier death).

Notwithstanding anything in the Plan to the contrary, none of the Company, the Committee nor any other person involved in the administration of this Plan shall in any way be responsible for ensuring the exemption of any Award from, or compliance by any Award with, the requirements of Code Section 409A. By accepting an Award under this Plan, each Participant acknowledges that neither the Company, the Committee nor any other person involved with the

administration of this Plan has any duty or

A-21

obligation to design or administer the Plan or Awards granted thereunder in a manner that minimizes a Participant's tax liabilities, including the avoidance of additional tax liabilities under Code Section 409A.

SECTION 13

MISCELLANEOUS

13.1. No Effect on Employment or Service. Neither this Plan nor the grant of any Awards or the execution of any Award Agreement will confer upon any Participant any right to continued employment by the Company, retention on or nomination to the Board or will interfere with or limit in any way the right of the Company to terminate any Employee's employment or service at any time, with or without Cause, or removal from the Board. Employment with the Company and its Affiliates is on an at-will basis only, unless otherwise provided by a written employment or severance agreement, if any, between the Employee and the Company or an Affiliate, as the case may be. If there is any conflict between the provisions of this Plan and an employment or severance agreement between a Participant and the Company, the provisions of such employment or severance agreement will control, including, but not limited to, the vesting and forfeiture of any Awards.

13.2. No Company Obligation. Unless required by applicable law, the Company, an Affiliate, the Board of Directors and the Committee will not have any duty or obligation to affirmatively disclose material information to a record or beneficial holder of Shares or an Award, and such holder will have no right to be advised of any material information regarding the Company or any Affiliate at any time prior to, upon or in connection with the receipt, exercise or distribution of an Award. In addition, the Company, an Affiliate, the Board, the Committee and any attorneys, accountants, advisors or agents for any of the foregoing will not provide any advice, counsel or recommendation to any Participant with respect to, without limitation, any Award, any exercise of an Option or any tax consequences relating to an Award.

13.3. Participation. No Employee or Non-employee Director will have the right to be selected to receive an Award under this Plan or, having been selected, to be selected to receive a future Award. Participation in the Plan will not give any Participant any right or claim to any benefit under this Plan, unless such right or claim has specifically accrued under the terms of this Plan.

13.4. Liability and Indemnification. No member of the Board, the Committee or any officer or employee of the Company or any Affiliate will be personally liable for any action, failure to act, decision or determination made in good faith in connection with this Plan. By participating in this Plan, each Participant agrees to release and hold harmless the Company and its Affiliates (and their respective directors, officers and employees) and the Committee from and against any tax liability, including, but not limited to, interest and penalties, incurred by the Participant in connection with his receipt of Awards under this Plan and the deferral, payment and exercise thereof. Each person who is or was a member of the Committee, or of the Board, will be indemnified and held harmless by the Company against and from (a) any loss, cost, liability or expense (including, but not limited to, attorneys' fees) that may be imposed upon or reasonably incurred by him in connection with or resulting from any claim, action, suit or proceeding to which he may be a party or in which he may be involved by reason of any action taken or failure to act under this Plan or any Award Agreement; and (b) any and all amounts paid by him in settlement thereof, with the Company's prior written approval, or paid by him in satisfaction of any judgment in any such claim, action, suit or proceeding against him; provided, however, that he will give the Company an opportunity, at the Company's expense, to handle and defend such claim, action, suit or proceeding before he undertakes to handle and defend the same on his own behalf. The foregoing right of indemnification is exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or By-Laws, by contract, as a matter of law or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

A-22

13.5. Successors. All obligations of the Company under this Plan, with respect to Awards granted hereunder, are binding on any successor to the Company, whether or not the existence of such successor is the result of a Change in Control of the Company.

The Company will not, and will not permit its Affiliates to, recommend, facilitate or agree or consent to a transaction or series of transactions which would result in a Change in Control of the Company unless and until the person or persons or entity or entities acquiring control of the Company as a result of such Change in Control agree(s) to be bound by the terms of this Plan insofar as it pertains to Awards theretofore granted and agrees to assume and perform the obligations of the Company and its Successor (as defined in Section 3.6.2) hereunder.

13.6. Beneficiary Designations. Any Participant may designate, on such forms as may be provided by the Committee for such purpose, a Beneficiary to whom any vested but unpaid Award will be paid in the event of the Participant's death. Each such designation will revoke all prior designations by the Participant and will be effective only if given in a form and manner acceptable to the Committee. In the absence of any such designation, any vested benefits remaining unpaid at the Participant's death will be paid to the Participant's spouse, if any, and the to the Participant's estate and, subject to the terms of this Plan and of the applicable Award Agreement, any unexercised vested Award may be exercised by the spouse, if any, and if not by the administrator or executor of the Participant's estate.

13.7. Nontransferability of Awards. Except as provided in Sections 13.7.1 and 13.7.2, no Award under this Plan can be sold, transferred, assigned, margined, encumbered, bequeathed, gifted, alienated, hypothecated, pledged or otherwise disposed of, whether by operation of law, whether voluntarily or involuntarily or otherwise, other than by will or by the laws of descent and distribution. In addition, no Award under this Plan will be subject to execution, attachment or similar process. Any attempted or purported transfer of an Award in contravention of this Plan or an Award Agreement will be null and void ab initio and of no force or effect whatsoever. All rights with respect to an Award granted to a Participant will be exercisable during his lifetime only by the Participant.

13.7.1. Limited Transfers of Nonqualified Stock Options. Notwithstanding the foregoing, the Committee may, in its sole discretion, permit the transfer of Nonqualified Stock Options by a Participant to (a) the Participant's spouse, any children or lineal descendants of the Participant or the Participant's spouse, or the spouse(s) of any such children or lineal descendants ("Immediate Family Members"), (b) a trust or trusts for the exclusive benefit of Immediate Family Members, or (c) a partnership or limited liability company in which the Participant and/or the Immediate Family Members are the only equity owners, (collectively, "Eligible Transferees"); provided, however, in the event the Committee permits the transferability of Nonqualified Stock Options granted to the Participant, the Committee may subsequently, in its sole discretion, amend, modify, revoke or restrict, without the prior consent, authorization or agreement of the Eligible Transferee, the ability of the Participant to transfer Nonqualified Stock Options that have not been already transferred to an Eligible Transferee. An Option that is transferred to an Immediate Family Member will not be transferable by such Immediate Family Member, except for any transfer by such Immediate Family Member's will or by the laws of descent and distribution upon the death of such Immediate Family Member. Incentive Stock Options granted under this Plan are not transferable pursuant to this Section 13.7.

13.7.2. Exercise by Eligible Transferees. In the event that the Committee, in its sole discretion, permits the transfer of Nonqualified Stock Options by a Participant to an Eligible Transferee under Section 13.7.1, the Options transferred to the Eligible Transferee must be exercised by such Eligible Transferee and, in the event of the death of such Eligible Transferee, by such Eligible Transferee's executor or administrator only in the same manner, to the same extent and under the same circumstances (including, but not limited to, the time period within which the Options must be exercised) as the Participant could have exercised such Options. The

Participant, or in the event of his death, the Participant's estate, will remain liable for all federal, state, local and other taxes applicable upon the exercise of a Nonqualified Stock Option by an Eligible Transferee.

13.8. No Rights as Shareholder. Except to the limited extent provided in Sections 3.5 and 8.6, no Participant (or any Beneficiary) will have any of the rights or privileges of a shareholder of the Company with respect to any Shares issuable pursuant to an Award (or the exercise thereof), unless and until certificates representing such Shares have been recorded on the Company's official shareholder records (or the records of its transfer agents or registrars) as having been issued and transferred to the Participant (or his or her Beneficiary).

13.9. Mitigation of Excise Tax. Subject to any other agreement providing for the Company's indemnification of the tax liability described herein, if any payment or right accruing to a Participant under this Plan (without the application of this Section 13.9), either alone or together with other payments or rights accruing to the Participant from the Company or an Affiliate would constitute a "parachute payment," as defined in Code Section 280G and regulations thereunder, such payment or right will be reduced to the largest amount or greatest right that will result in no portion of the amount payable or right accruing under this Plan being subject to an excise tax under Code Section 4999 or being disallowed as a deduction under Code Section 280G. The determination of whether any reduction in the rights or payments under this Plan is to apply will be made by the Committee in good faith after consultation with the Participant, and such determination will be conclusive and binding on the Participant. The Participant will cooperate in good faith with the Committee in making such determination and providing the necessary information for this purpose.

13.10. Funding. Benefits payable under this Plan to any person will be paid by the Company from its general assets. Shares to be issued hereunder will be issued directly by the Company from its authorized but unissued Shares or acquired by the Company on the open market, or a combination thereof. Neither the Company nor any of its Affiliates will be required to segregate on its books or otherwise establish any funding procedure for any amount to be used for the payment of benefits under this Plan. The Company or any of its Affiliates may, however, in its sole discretion, set funds aside in investments to meet any anticipated obligations under this Plan. Any such action or set-aside will not be deemed to create a trust of any kind between the Company and any of its Affiliates and any Participant or other person entitled to benefits under the Plan or to constitute the funding of any Plan benefits. Consequently, any person entitled to a payment under the Plan will have no rights greater than the rights of any other unsecured general creditor of the Company or its Affiliates.
