Who is eligible to vote?

Shareholders of record at the close of business on December 30, 2005 are entitled to be present and to vote at the Meeting or any adjourned Meeting. Each share of record is entitled to one vote (and a proportionate fractional vote for each fractional share) on each matter presented at the Meeting. The Notice of Meeting, the proxy card, and the proxy statement were first mailed to shareholders of record on or about January 18, 2006.

On what issue am I being asked to vote?

You are being asked to vote on the election of three nominees to the position of Trustee.

How do the Fund's Trustees recommend that I vote?

The Trustees unanimously recommend that you vote FOR the election of the three nominees.

How do I ensure that my vote is accurately recorded?

You may attend the Meeting and vote in person or you may complete and return the enclosed proxy card. If you are eligible to vote by telephone or through the Internet, instructions are enclosed.

If you simply sign, date and return the proxy card, but do not specify a vote on the Proposal, your shares will be voted FOR the election of all nominees as Trustee.

May I revoke my proxy?

You may revoke your proxy at any time before it is voted by forwarding a written revocation or a later-dated proxy to the Fund that is received by the Fund at or prior to the Meeting, or by attending the Meeting and voting in person.

Edgar Filing: TEMPLETON EMERGING MARKETS INCOME FUND - Form DEF 14A

If your shares are held by your broker, then in order to vote in person at the Meeting, you will need to obtain a "Legal Proxy" from your broker and present it to the Inspector of Election at the Meeting.

.THE PROPOSAL: ELECTION OF TRUSTEES

How are nominees selected?

The Board of Trustees of the Fund (the "Board" or the "Trustees") has a Nominating Committee consisting of Edith E. Holiday (Chairman), Frank J. Crothers, Gordon S. Macklin and Frank A. Olson, none of whom is an "interested person" of the Fund as defined by the Investment Company Act of 1940, as amended (the "1940 Act"). Trustees who are not interested persons of the Fund are referred to as the "Independent Trustees," and Trustees who are interested persons of the Fund are referred to as the "Interested Trustees."

The Nominating Committee is responsible for selecting candidates to serve as Trustees and recommending such candidates (a) for selection and nomination as Independent Trustees by the incumbent Independent Trustees and the full Board; and (b) for selection and nomination as Interested Trustees by the full Board. In considering a candidate's qualifications, the Nominating Committee generally considers the potential candidate's educational background, business or professional experience, and reputation. In addition, the Nominating Committee has established as minimum qualifications for Board membership as an Independent Trustee (1) that such candidate be independent from relationships with the Fund's investment manager and other principal service providers both within the terms and the spirit of the statutory independence requirements specified under the 1940 Act and the rules thereunder, (2) that such candidate demonstrate an ability and willingness to make the considerable time commitment, including personal attendance at Board meetings, believed necessary to his or her function as an effective Board member, and (3) that such candidate have no continuing relationship as a director, officer or board member of any investment company other than those within the Franklin Templeton Investments fund complex.

When the Board has or expects to have a vacancy, the Nominating Committee receives and reviews information on individuals qualified to be recommended to the full Board as nominees for election as Trustees, including any recommendations by "Qualifying Fund Shareholders" (as defined below). Such individuals are evaluated based upon the criteria described above. To date, the Nominating Committee has been able to identify, and expects to continue to be able to identify, from its own resources an ample number of qualified candidates. The Nominating Committee, however, will review recommendations from Qualifying Fund Shareholders to fill vacancies on the Board if these recommendations are submitted in writing and addressed to the Nominating Committee at the Fund's offices and are presented with appropriate background material concerning the candidate that demonstrates his or her ability to serve as a Trustee, including as an Independent Trustee, of the Fund. A Qualifying Fund Shareholder is a shareholder who (i) has continuously owned of record, or beneficially through a financial intermediary, shares of the Fund having a net asset value of not less than two hundred and fifty thousand dollars (\$250,000) during the twenty-four month period prior to submitting the recommendation; and (ii) provides a written notice to the Nominating Committee containing the following information: (a) the name and address of the Qualifying Fund Shareholder making the recommendation; (b) the number of shares of the Fund which are owned of record and beneficially by such Qualifying Fund Shareholder and the length of time that such shares have been so owned by the Qualifying Fund Shareholder; (c) a description of all arrangements and understandings between such Qualifying Fund Shareholder and any other person or persons

Edgar Filing: TEMPLETON EMERGING MARKETS INCOME FUND - Form DEF 14A

(naming such person or persons) pursuant to which the recommendation is being made; (d) the name, age, date of birth, business address and residence address of the person or persons being recommended; (e) such other information regarding each person recommended by such Qualifying Fund Shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the U.S. Securities and Exchange Commission ("SEC") had the nominee been nominated by the Board; (f) whether the shareholder making the recommendation believes the person recommended would or would not be an "interested person" of the Fund, as defined in the 1940 Act;

2

and (g) the written consent of each person recommended to serve as a Trustee of the Fund if so nominated and elected/appointed.

The Nominating Committee may amend these procedures from time to time, including the procedures relating to the evaluation of nominees and the process for submitting recommendations to the Nominating Committee.

The Board has adopted and approved a formal written charter for the Nominating Committee. A copy of the charter was included in the Fund's proxy statement for its 2005 Annual Meeting of Shareholders.

Who are the nominees and Trustees?

The Board is divided into three classes. Each class has a term of three years. Each year the term of office of one class expires. This year, the terms of three Trustees expire. Gordon S. Macklin, David W. Niemiec and Larry D. Thompson have been nominated for three-year terms, set to expire at the 2009 Annual Meeting of Shareholders. These terms continue, however, until successors are duly elected and qualified. All of the nominees are currently members of the Board and are considered Independent Trustees; however, Messrs. Niemiec and Thompson are standing for election by shareholders of the Fund for the first time. A former Interested Trustee and an incumbent Independent Trustee recommended Messrs. Niemiec and Thompson, respectively, for consideration by the Nominating Committee as nominees for Trustee. In addition, all of the current nominees and Trustees are also directors or trustees of other Franklin(R) funds and/or Templeton(R) funds.

Certain Trustees of the Fund hold director and/or officer positions with Franklin Resources, Inc. ("Resources") and its affiliates. Resources is a publicly owned holding company, the principal shareholders of which are Charles B. Johnson and Rupert H. Johnson, Jr., who owned approximately 17.66% and 14.97%, respectively, of its outstanding shares as of August 31, 2005. Resources, a global investment management organization operating as Franklin Templeton Investments, is primarily engaged, through various subsidiaries, in providing investment management, share distribution, transfer agent and administrative services to a family of investment companies. Resources is a New York Stock Exchange, Inc. ("NYSE") listed holding company (NYSE: BEN). Charles B. Johnson, Chairman of the Board, Trustee and Vice President of the Fund, and Rupert H. Johnson, Jr., Vice President of the Fund, are brothers. There are no family relationships among any of the Trustees or nominees for Trustee.

Each nominee currently is available and has consented to serve if elected. If any of the nominees should become unavailable, the designated proxy holders will vote in their discretion for another person or persons who may be nominated as Trustees.

Listed below, for the nominees and Trustees, are their names, ages and addresses, as well as their positions and length of service with the Fund,

** Harmon E. Burns and Charles B. Johnson are "interested persons" of the Fund as defined by the 1940 Act. The 1940 Act limits the percentage of interested persons that can comprise a fund's board of trustees. Mr. Johnson is considered an interested person of the Fund due to his position as an officer and director and major shareholder of Resources, which is the parent company of the Fund's Investment Manager, and his position with the Fund. Mr. Burns is considered an interested person of the Fund due to his position as an officer and director of Resources and his position with the Fund. The remaining Trustees of the Fund are Independent Trustees.

How often do the Trustees meet and what are they paid?

The role of the Trustees is to provide general oversight of the Fund's business, and to ensure that the Fund is operated for the benefit of all shareholders. The Trustees anticipate meeting at least five times during the current fiscal year to review the operations of the Fund and the Fund's investment performance. The Trustees also oversee the services furnished to the Fund by Franklin Advisers, Inc., the Fund's investment manager (the "Investment Manager"), and various other service providers. The Fund currently pays the Independent Trustees an annual retainer of \$2,000 and a fee of \$400 per Board meeting attended. Trustees serving on the Audit Committee of the Fund and other investment companies in Franklin Templeton Investments receive a flat fee of \$2,000 per Audit Committee meeting attended, a portion of which is allocated to the Fund. Members of a committee are not compensated for any committee meeting held on the day of a Board meeting.

During the fiscal year ended August 31, 2005, there were six meetings of the Board, three meetings of the Audit Committee, and five meetings of the Nominating Committee. Each Trustee then in office attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings held by all committees of the Board on which the Trustee served with the exception of Mr. Macklin who missed two Board meetings and three Nominating Committee meetings due to illness. The Fund does not currently have a formal policy regarding Trustees' attendance at the annual shareholders' meeting. No Trustees attended the Fund's last annual meeting held on February 25, 2005.

9

Certain Trustees and officers of the Fund are shareholders of Resources and may receive indirect remuneration due to their participation in management fees and other fees received by the Investment Manager and its affiliates from the funds in Franklin Templeton Investments. The Investment Manager or its affiliates pay the salaries and expenses of the officers. No pension or retirement benefits are accrued as part of Fund expenses.

The table below indicates the total fees paid to Independent Trustees by the Fund individually and by all of the funds in Franklin Templeton Investments. These Trustees also serve as directors or trustees of other funds in Franklin Templeton Investments, many of which hold meetings at different dates and times. The Trustees and the Fund's management believe that having the same individuals serving on the boards of many of the funds in Franklin Templeton Investments enhances the ability of each fund to obtain, at a relatively modest cost to each separate fund, the services of high caliber, experienced and knowledgeable Independent Trustees who can more effectively oversee the management of the funds.

 *** We base the number of boards on the number of U.S. registered investment companies in the Franklin Templeton Investments fund complex. This number does not include the total number of series or funds within each investment company for which the Board members are responsible. Franklin Templeton Investments currently includes 47 U.S. registered investment companies, with approximately 153 U.S. based funds or series.
 **** Mr. Millsaps retired effective December 31, 2005.
 ***** Messrs. Niemiec and Thompson were appointed to the Board in October 2005.

Board members historically have followed a policy of having substantial investments in one or more of the funds in Franklin Templeton Investments, as is consistent with their individual financial goals. In February 1998, this policy was formalized through adoption of a requirement that each board member invest one-third of the fees received for serving as a director or trustee of a Templeton fund in shares of one or more Templeton funds and one-third of the fees received for serving as a director or trustee of a Franklin fund in shares of one or more Franklin funds until the value of such investments equals or exceeds five times the annual fees paid to such board member. Investments in the name of family members or entities controlled by a board member constitute fund holdings of such board member for purposes of this policy, and a three-year phase-in period applies to such investment requirements for newly elected board members.

Who are the Executive Officers of the Fund?

.AUDIT COMMITTEE

Audit Committee and Independent Registered Public Accounting Firm. The Fund's Audit Committee is responsible for the appointment, compensation and retention of the Fund's independent registered public accounting firm ("auditors"), including evaluating their independence, recommending the selection of the Fund's auditors to the full Board, and meeting with such auditors to consider and review matters relating to the Fund's financial reports and internal accounting. The Audit Committee is currently comprised of Messrs. Crothers, Niemiec, Olson and Tseretopoulos, all of whom are Independent Trustees and also are considered to be "independent" as that term is defined by the listing standards applicable to the Fund.

Edgar Filing: TEMPLETON EMERGING MARKETS INCOME FUND - Form DEF 14A

Selection of Auditors. The Audit Committee and the Board have selected the firm of PricewaterhouseCoopers LLP ("PwC") as auditors of the Fund for the current fiscal year. Representatives of PwC are not expected to be present at the Meeting, but will have the opportunity to make a statement if they wish, and will be available should any matter arise requiring their presence.

Audit Fees. The aggregate fees paid to PwC for professional services rendered by PwC for the audit of the Fund's annual financial statements or for services that are normally provided by PwC in connection with statutory and regulatory filings or engagements were \$42,098 for the fiscal year ended August 31, 2005 and \$9,099 for the fiscal year ended August 31, 2004.

Audit-Related Fees. There were no fees paid to PwC for assurance and related services by PwC that are reasonably related to the performance of the audit or review of the Fund's financial statements and not reported under "Audit Fees" above.

In addition, the Audit Committee pre-approves PwC's engagement for audit-related services with the Investment Manager and certain entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund, which engagements relate directly to the operations and financial reporting of the Fund. The fees for these services were \$0 for the fiscal year ended August 31, 2005 and \$48,579 for the fiscal year ended August 31, 2004. The services for which these fees were paid included attestation services.

Tax Fees. PwC did not render any tax compliance, tax advice or tax planning services ("tax services") to the Fund for the fiscal year ended August 31, 2005 or for the fiscal year ended August 31, 2004.

In addition, the Audit Committee pre-approves PwC's engagement for tax services to be provided to the Investment Manager and certain entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund, which engagements relate directly to the operations and financial reporting of the Fund. The fees for these services were \$19,591 for the fiscal year ended August 31, 2005 and \$0 for the fiscal year ended August 31, 2004. The services for which these fees were paid included tax compliance and advice.

All Other Fees. The aggregate fees for products and services provided by PwC to the Fund, other than the services reported above, were \$0 for the fiscal year ended August 31, 2005 and \$298 for the fiscal year ended

15

August 31, 2004. The services for which these fees were paid included review of materials provided to the Fund Board in connection with the investment management contract renewal process.

In addition, the Audit Committee pre-approves PwC's engagement for other services with the Investment Manager and certain entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund, which engagements relate directly to the operations and financial reporting of the Fund. The aggregate fees paid to PwC for such other services and not reported above were \$0 for the Fund's fiscal year ended August 31, 2005 and \$99,702 for the fiscal year ended August 31, 2004. The services for which these fees were paid included review of materials provided to the Fund Board in connection with the investment management contract renewal process.

Edgar Filing: TEMPLETON EMERGING MARKETS INCOME FUND - Form DEF 14A

Aggregate Non-Audit Fees. The aggregate fees paid to PwC for non-audit services to the Fund and to the Investment Manager or to any entity controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund were \$19,591 for the fiscal year ended August 31, 2005 and \$148,579 for the fiscal year ended August 31, 2004.

The Audit Committee has determined that the provision of the non-audit services that were rendered to the Investment Manager and to any entities controlling, controlled by, or under common control with the Investment Manager that provide ongoing services to the Fund is compatible with maintaining PwC's independence.

Audit Committee Pre-Approval Policies and Procedures. As of the date of this proxy statement, the Audit Committee has not adopted written pre-approval policies and procedures. As a result, all such services described above and provided by PwC must be directly pre-approved by the Audit Committee.

Audit Committee Report. The Board has adopted and approved a formal written charter for the Audit Committee, which sets forth the Audit Committee's responsibilities. A copy of the charter was included in the Fund's proxy statement for its 2005 Annual Meeting of Shareholders.

As required by the charter, the Audit Committee reviewed the Fund's audited financial statements and met with management, as well as with PwC, the Fund's auditors, to discuss the financial statements.

The Audit Committee received the written disclosures and the letter from PwC required by Independence Standards Board Standard No. 1. The Audit Committee also received the report of PwC regarding the results of their audit. In connection with their review of the financial statements and the auditors' report, the members of the Audit Committee discussed with a representative of PwC, PwC's independence, as well as the following: the auditors' responsibilities in accordance with generally accepted auditing standards; the auditors' responsibilities for information prepared by management that accompanies the Fund's audited financial statements and any procedures performed and the results; the initial selection of, and whether there were any changes in, significant accounting policies or their application; management's judgments and accounting estimates; whether there were any significant audit adjustments; whether there were any disagreements with management; whether there was any consultation with other accountants; whether there were any major issues discussed with management prior to the auditors' retention; whether the auditors encountered any difficulties in dealing with management in performing the audit; and the auditors' judgments about the quality of the Fund's accounting principles.

Based on its review and discussions with management and the Fund's auditors, the Audit Committee did not become aware of any material misstatements or omissions in the financial statements. Accordingly, the Audit

16

Committee recommended to the Board that the audited financial statements be included in the Fund's Annual Report to Shareholders for the fiscal year ended August 31, 2005 for filing with the U.S. Securities and Exchange Commission.

.FURTHER INFORMATION ABOUT VOTING AND THE MEETING

Solicitation of Proxies. Your vote is being solicited by the Trustees. The cost of soliciting proxies, including the fees of a proxy soliciting agent, is borne by the Fund. The Fund reimburses brokerage firms and others for their expenses in forwarding proxy material to the beneficial owners and soliciting them to execute proxies. In addition, the Fund may retain a professional proxy solicitation firm to assist with any necessary solicitation of proxies. The Fund expects that the solicitation would be primarily by mail, but may also include telephone, facsimile, electronic or other means of communication. If the Fund does not receive your proxy by a certain time you may receive a telephone call from a proxy soliciting agent asking you to vote. If professional proxy solicitors are retained, it is expected that soliciting fees would be approximately \$5,000, plus expenses. The Fund does not reimburse Trustees and officers of the Fund, or regular employees and agents of the Investment Manager involved in the solicitation of proxies. The Fund intends to pay all costs associated with the solicitation and the Meeting.

Voting by Broker-Dealers. The Fund expects that, before the Meeting, broker-dealer firms holding shares of the Fund in "street name" for their customers will request voting instructions from their customers and beneficial owners. If these instructions are not received by the date specified in the broker-dealer firms' proxy solicitation materials, the Fund understands that NYSE Rules permit the broker-dealers to vote on the Proposal on behalf of their customers and beneficial owners. Certain broker-dealers may exercise discretion over shares held in their name for which no instructions are received by voting these shares in the same proportion as they vote shares for which they received instructions.

Quorum. A majority of the Fund's shares entitled to vote-present in person or represented by proxy-constitutes a quorum at the Meeting. The shares over which broker-dealers have discretionary voting power, the shares that represent "broker non-votes" (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), and the shares whose proxies reflect an abstention on any item will all be counted as shares present and entitled to vote for purposes of determining whether the required quorum of shares exists.

Method of Tabulation. The Proposal to elect Trustees requires the affirmative vote of not less than a plurality of the votes cast of the holders of shares entitled to vote present in person or represented by proxy at a meeting at which a quorum is present. Abstentions and broker non-votes will be treated as votes present at the Meeting, but will not be treated as votes cast. Abstentions and broker non-votes, therefore, will have no effect on the Proposal.

17

Simultaneous Meetings. The Meeting is to be held at the same time as the annual meetings of shareholders of Templeton Emerging Markets Fund and Templeton Global Income Fund. If any shareholder at the Meeting objects to the holding of simultaneous meetings and moves for an adjournment of the Meeting to a time promptly after the simultaneous meetings, the persons designated as proxies will vote in favor of such adjournment.

Edgar Filing: TEMPLETON EMERGING MARKETS INCOME FUND - Form DEF 14A

Adjournment. The Chairman of the Board or other authorized officer of the Fund for the Meeting, or the holders of a majority of the shares present (in person or by proxy) and entitled to vote at the Meeting, may adjourn the Meeting from time to time. Such authority to adjourn the Meeting may be used in the event that a quorum is not present at the Meeting or, in the event that a quorum is present but sufficient votes have not been received to approve the Proposal, or for any other reason consistent with Delaware law and the Fund's By-Laws, including to allow for the further solicitation of proxies. Unless otherwise instructed by a shareholder granting a proxy, the persons designated as proxies may use their discretionary authority to vote as instructed by management of the Fund on questions of adjournment and on any other proposals raised at the Meeting to the extent permitted by the SEC's proxy rules, including proposals for which management of the Fund did not have timely notice, as set forth in the SEC's proxy rules and the Fund's proxy statement for the 2005 annual meeting.

Shareholder Proposals. The Fund anticipates that its 2007 Annual Meeting of Shareholders will be held on or about February 23, 2007. A shareholder who wishes to submit a proposal for consideration for inclusion in the Fund's proxy statement for the 2007 Annual Meeting of Shareholders must send such written proposal to the Fund's offices at 500 East Broward Boulevard, Suite 2100, Fort Lauderdale, Florida 33394-3091, Attention: Secretary, so that it is received no later than September 20, 2006 in order to be included in the Fund's proxy statement and proxy card relating to that meeting and presented at the meeting.

A shareholder of the Fund who has not submitted a written proposal for inclusion in the Fund's proxy statement by September 20, 2006, as described above, may nonetheless present a proposal at the Fund's 2007 Annual Meeting of Shareholders if such shareholder notifies the Fund in writing at the Fund's offices, of such proposal not earlier than September 26, 2006 and not later than October 26, 2006. If a shareholder fails to give notice within these dates, then the matter shall not be eligible for consideration at the shareholders' meeting. If, notwithstanding the effect of the foregoing notice provisions, a shareholder proposal is acted upon at the 2007 Annual Meeting of Shareholders, the persons designated as proxy holders for proxies solicited by the Board for the 2007 Annual Meeting of Shareholders may exercise discretionary voting power with respect to any shareholder proposal not received by the Fund at the Fund's offices by December 4, 2006. A shareholder proposal may be presented at the 2007 Annual Meeting of Shareholders only if such proposal concerns a matter that may be properly brought before the meeting under applicable federal proxy rules and state law.

In addition to the requirements set forth above, a shareholder must comply with the following:

1. A shareholder intending to present a proposal must (i) be entitled to vote at the meeting; (ii) comply with the notice procedures set forth in this proxy statement and in the Fund's By-Laws; and (iii) have been a shareholder of record at the time the shareholder's notice was received by the Secretary of the Fund.
2. Each notice regarding nominations for the election of Trustees shall set forth (i) the name, age, business address and, if known, residence address of each nominee proposed in such notice; (ii) the principal occupation or employment of each such nominee; (iii) the number of outstanding shares of the Fund which are beneficially owned by each such nominee; and (iv) all such other information regarding each such nominee as would have been required to be included in a proxy statement filed

pursuant to the proxy rules of the SEC had each such nominee been nominated by the Trustees of the Fund. In addition, the shareholder making such nomination shall promptly provide any other information reasonably requested by the Fund.

3. Each notice regarding business proposals shall set forth as to each matter: (i) a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at the meeting; (ii) the name and address, as they appear on the Fund's books, of the shareholder proposing such business; (iii) the number of outstanding shares of the Fund which are beneficially owned by the shareholder; (iv) any material interest of the shareholder in such business; and (v) all such other information regarding each such matter that would have been required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had each such matter been proposed by the Trustees of the Fund.

Submission of a proposal by a shareholder does not guarantee that the proposal will be included in the Fund's proxy statement or presented at the meeting.

By Order of the Board of Trustees,

Robert C. Rosselot
Secretary
