PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 15, 2001

The enclosed proxy is solicited by and on behalf of the Board of Directors of CONMED Corporation (the "Company") for use at the Annual Meeting of Shareholders to be held on Tuesday, May 15, 2001, at 3:30 P.M. (New York time), at the Radisson Hotel - Utica Centre, 200 Genesee Street, Utica, New York, and any adjournment thereof. The matters to be considered and acted upon at such meeting are described in the foregoing notice of the meeting and this proxy statement. This proxy statement, the related form of proxy and the Company's annual report to shareholders are being mailed on or about April 6, 2001, to all shareholders of record on March 28, 2001. Shares of the Company's Common Stock, par value \$.01 per share (the "Common Stock"), represented in person or by proxy will be voted as hereinafter described or as otherwise specified by the

## Edgar Filing: CONMED CORP - Form DEF 14A

shareholder. Any proxy given by a shareholder may be revoked by the shareholder at any time prior to the voting of the proxy by delivering a written notice to the Secretary of the Company, by executing and delivering a later-dated proxy or by attending the meeting and voting in person.

The persons named as proxies are Eugene R. Corasanti and Robert E. Rimmell, who are presently directors and, in the case of Mr. Corasanti, an officer of the Company. The cost of preparing, assembling and mailing the proxy, this proxy statement and other material enclosed, and all clerical and other expenses of solicitations, will be borne by the Company. In addition to the solicitation of proxies by use of the mails, directors, officers and employees of the Company and its subsidiaries may solicit proxies by telephone, telegram or personal interview. The Company also will request brokerage houses and other custodians, nominees and fiduciaries to forward soliciting material to the beneficial owners of Common Stock held of record by such parties and will reimburse such parties for their expenses in forwarding soliciting material.

Votes at the 2001 Annual Meeting will be tabulated by a representative of Registrar and Transfer Company, which has been appointed by the Company's Board of Directors to serve as inspector of election.

### VOTING RIGHTS

The holders of record of the 15,424,027 shares of Common Stock outstanding on March 28, 2001, will be entitled to one vote for each share held on all matters coming before the meeting. The holders of record of a majority of the outstanding shares of Common Stock present in person or by proxy will constitute a quorum for the transaction of business at the meeting. Shareholders are not entitled to cumulative voting rights. Under the rules of the Securities and Exchange Commission (the "SEC"), boxes and a designated blank space are provided on the proxy card for shareholders if they wish either to abstain on one or more of the proposals or to withhold authority to vote for one or more nominees for director. In accordance with New York State law, such abstentions are not counted in determining the votes cast at the meeting. With respect to Proposal 1, the director nominees who receive the greatest number of votes at the meeting will be elected to the Board of Directors of the Company. Votes against, and votes withheld in respect of, a candidate have no legal effect. Proposal 2 requires the affirmative vote of the holders of a majority of the votes cast at the meeting in order to be approved by the shareholders.

When properly executed, a proxy will be voted as specified by the shareholder. If no choice is specified by the shareholder, a proxy will be voted "for" all portions of items (1) and (2) and in the proxies' discretion on any other matters coming before the meeting.

Under the rules of the New York Stock Exchange, Inc., which effectively govern the voting by any brokerage firm holding shares registered in its name or in the name of its nominee on behalf of a beneficial owner, Proposals (1) and (2) are considered "discretionary" items upon which brokerage firms may vote in their discretion on behalf of their clients if such clients have not furnished voting instructions within ten days prior to the Annual Meeting (shares held by such clients, "broker non-votes"). The broker non-votes will be treated in the same manner as votes present.

### ANNUAL REPORT

The annual report for the fiscal year ended December 31, 2000, including financial statements, is being furnished herewith to shareholders of record on March 28, 2001. The annual report does not constitute a part of the proxy

The Audit Committee presently consists of Messrs. Daniels, Matthews and Rimmell. The Audit Committee is charged with evaluating accounting and control procedures and practices of the Company and reporting on such to the Board of Directors. The Audit Committee also serves as the direct liaison with the Company's independent public accountants and recommends the engagement or discharge of such auditors. The Audit Committee met five times during 2000. The current Audit Committee Charter is attached as Appendix A hereto.

The Stock Option Committee presently consists of Messrs. Daniels and Rimmell and Dr. Schwartz. The Stock Option Committee administers the Company's employee stock option plans and has authority to grant options to officers and key employees, as designated by the Stock Option Committee, and to determine the terms of such options in accordance with such plan. The Stock Option Committee acted by unanimous written consent on resolutions ten times during 2000.

The Compensation Committee presently consists of Messrs. Daniels, Matthews and Rimmell. The Compensation Committee is charged with reviewing and establishing levels of salary, bonuses, benefits and other compensation for the Company's officers. The Compensation Committee met three times during 2000, and voted by unanimous consent once during 2000.

8

The full Board of Directors met six times in person and voted by unanimous consent on one resolution during 2000. ## Edgar Filing: CONMED CORP - Form DEF 14A

### AUDIT COMMITTEE REPORT

The role of the Audit Committee is to assist the Board of Directors in its oversight of the company's financial reporting process. The Board of Directors, in its business judgment, has determined that all members of the Committee are "independent", as required by applicable listing standards of NASDAQ. The Committee operates pursuant to a Charter that was last amended and restated by the Board on February 15, 2001, a copy of which is attached to this Proxy Statement as Appendix A.

Management is responsible for CONMED's internal controls, financial reporting process and compliance with laws and regulations. The independent accountants are responsible for performing an independent audit of CONMED's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Committee's responsibility is to monitor and oversee these processes.

In this context, the Committee has met and held discussions with management and the independent auditors. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

CONMED's independent auditors also provided to the Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Committee discussed with the independent accountants that firm's independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent".

10

Based upon the Committee's review and discussions referred to above, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee recommended that the Board of Directors include the Company's audited consolidated financial statements in CONMED's Annual Report on Form 10-K for the year ended December 31, 2000 filed with the Securities and Exchange Commission.

Submitted by the Audit Committee,

Bruce Daniels (Chairman)

If, during the term of Mr. Corasanti's employment under the COO Employment Agreement and within two years after a Change in Control, his employment with the Company is terminated by the Company, other than for Cause or by him for Good Reason (as such capitalized terms are defined in the Employment Agreement), Mr. Corasanti will be entitled to receive (a) a lump sum payment equal to three times the sum of (i) his base salary on the date of such termination or his base salary in effect immediately prior to the Change in Control, whichever is higher, plus (ii) the average of the bonuses, deferred compensation and incentive compensation awarded to Mr. Corasanti during the three years prior to such termination; (b) continued coverage under the benefit plans in which he participates for a period of two years from the date of such early termination; (c) a lump sum payment equal to the aggregate amount credited to his deferred compensation account; and (d) awards for the calendar year of such termination under incentive plans maintained by the Company as though any performance or objective criteria used in determining

such awards were satisfied. The Board of Directors has determined that Mr. Corasanti's base salary was \$200,000 for 2000.

The Company is paying the premiums on three split-dollar life insurance policies for Eugene R. Corasanti. In 2000, premiums on these policies paid by the Company aggregated approximately \$52,000. In addition, the Company is paying the premiums for a split-dollar life insurance policy for Mr. J. Corasanti, for which the Company paid premiums of \$12,130 in 2000. A total of 1,000,000 shares of Common Stock (subject to adjustment for stock splits and other changes in the Company's capital structure) are reserved against the issuance of awards to be granted under the 1999 Plan. In April 1992, the shareholders approved the CONMED Corporation 1992 Stock Option Plan (as amended and approved by the shareholders on May 21, 1996, the "1992 Plan"). Under the 1992 Plan, in the discretion of the Stock Option Committee of the Board of Directors (the "Committee"), options may be granted to officers and key employees of the Company and its subsidiaries for the purchase of shares of Common Stock. 13

#### The 1983 Plan

In June 1983, the shareholders of the Company approved an employee stock option plan (the "1983 Plan"), which was subsequently amended and approved by the shareholders on June 30, 1987 and April 10, 1992. Options may be granted which are (i) incentive stock options within the meaning of Internal Revenue Code Section 422 or (ii) options other than incentive stock options (i.e., non-qualified options). Pursuant to the 1983 Plan, officers and key employees of the Company were eligible for grants of stock options at the fair market value of the Company's Common Stock on the date of grant, exercisable commencing one year after grant. The 1983 Plan is administered by the Committee.

## Edgar Filing: CONMED CORP - Form DEF 14A

No additional options may be granted under the 1983 Plan. Options relating to 1,005,753 shares of Common Stock were granted under the 1983 Plan, of which options for 11,625 shares of Common Stock are still exercisable.

### Stock Option Plan for Non-Employee Directors

In May 1995, the shareholders of the Company approved the Stock Option Plan For Non-Employee Directors of CONMED Corporation (the "Non-Employee Directors Plan"). All members of the Company's Board of Directors who are not current or former employees of the Company or any of its subsidiaries ("Non-Employee Directors") are eligible to participate in the Non-Employee Directors Plan. Under the Non-Employee Directors Plan, each Non-Employee Director (Daniels and Remmell in 1996 and 1997, Messrs. Daniels, Matthews and Remmell and Dr. Schwartz in 1998, 1999 and 2000 and if elected, Messrs. Daniels, Matthews and Remmell and Dr. Schwartz in 2001) elected, reelected or continuing as a director receives 1,500 options (which are non-qualified stock options under the Internal Revenue Code of 1986) (3,000 starting in 2001) with an option price equal to the fair market value of the Company's Common Stock on the business day following each annual meeting of the shareholders.

A total of 75,000 shares of Common Stock (subject to adjustment for stock splits and other changes in the Company's capital structure) are reserved against the exercise of options to be granted and not terminated under the Non-Employee Directors Plan, of which options for 28,500 shares of Common Stock have been granted and options for 18,000 shares are still exercisable. Options relating to 46,500 shares of Common Stock remain available to be granted. Shares issuable under the Non-Employee Directors Plan may be authorized but unissued shares or treasury shares. Shares reserved under an option which for any reason expires or is terminated, in whole or in part, shall again be available for the purposes of the Non-Employee Directors Plan.

PENSION PLANS

The Company maintains a broadly based defined benefit pension plan (the "Pension Plan") for all employees. The Pension Plan entitles a participant to a normal monthly retirement benefit equal to 1 1/2% of the participant's average monthly earnings over the period of employment times years of service. The deferred compensation for Messrs. E. and J. Corasanti is not included in the calculation of retirement benefits. Benefits are fully vested after five years of service, starting from date of hire. Upon reaching normal retirement age, generally age 65 with five years of credited service, participants are entitled to receive vested benefits under the Pension Plan either in the form of a lump sum payment or a monthly retirement benefit.

16

The Pension Plan represents a "fresh start" as of January 1, 1989, replacing the three pension plans formerly in place. The three former plans have been merged into the Pension Plan, which is the former broadly based plan with the benefit formula increased from 1/2% of pay to 1 1/2% of pay. Benefits accrued by participants under the former plans became fully vested as of December 31, 1988 and are paid, when due, from this "fresh start" Pension Plan. Benefits accrued under the former plans are payable from the Pension Plan in addition to the benefits to be received under the Pension Plan.

As of December 31, 2000, Messrs. E. Corasanti, Abraham, Shallish, J. Corasanti and Jonas had five, four, eleven, eight and two years of credited service, respectively. The first table presents information concerning the annual pension payable under the Pension Plan based upon various assumed levels of annual compensation and years of service

### COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Company's Board of Directors, pursuant to the terms of the CEO and COO Employment Agreements, establishes the annual salary of Eugene R. Corasanti and Joseph J. Corasanti. The Compensation Committee establishes the compensation plans and specific compensation levels for the Company's other officers. The Stock Option Committee administers the Company's stock option plans. The Compensation Committee is presently composed of Bruce F. Daniels, William D. Matthews and Robert E. Remmell. The Stock Option Committee is presently composed of Bruce F. Daniels, Robert E. Remmell and Stuart J. Schwartz.

The Board of Directors believes that the compensation of Eugene R. Corasanti, the Company's Chairman and Chief Executive Officer ("CEO"), should be heavily influenced by company performance, long-term growth and strategic positioning. Therefore, although there is necessarily some subjectivity in setting the CEO's salary, major elements of the compensation package are directly tied to company performance, long-term growth and strategic positioning. This philosophy is reflected in Mr. Corasanti's

17

current five-year employment contract, which provides for a base annual salary of \$300,000 and permits the Board of Directors, in its discretion, to establish a higher salary.

The Board of Directors believes that the compensation of Joseph J. Corasanti, the President and Chief Operating Officer ("COO"), should also be heavily influenced by company performance, long-term growth and strategic positioning. This philosophy is reflected in the employment contract for the COO which is generally similar to the contract provided to the CEO, and which provides for a base annual salary of \$200,000 and permits the Board of Directors to determine a higher salary in its discretion.

In 1993, while the Company consummated the \$21.8 million acquisition of certain assets and the business of Medtronic Andover Medical, Inc. from Medtronic Inc., the Company incurred a net loss of \$1.4 million, primarily as a result of a \$5.0 million charge relating to patent infringement litigation. In 1994, the Company returned to profitability, recording net income of \$5.4 million, or \$0.56 per diluted share. In 1995, the Company acquired Birtcher Medical Systems, Inc. (in a \$21.2 million stock-for-stock exchange) and the business and substantially all of the assets of The Master Medical Corporation (in a \$10.0 million purchase transaction) and recorded net income of \$10.9 million, or \$0.94 per diluted share. In 1996, the Company acquired the business and substantially all of the assets of New Dimensions In Medicine, Inc. in a \$34.9 million purchase transaction and continued to increase the level of net income to \$16.3 million, or \$1.12 per diluted share.

In the light of the foregoing matters, on November 4, 1996, the Board of Directors approved Mr. Corasanti's current employment agreement, for employment from January 1, 1997 through December 31, 2001. In November 1999, the Board approved amending this agreement so as to provide Mr. Corasanti with the terms of a Change of Control Agreement as outlined above.

In 1997, the Company continued to integrate its completed acquisitions, recording then record revenues of \$138.2 million. The Company also completed two additional acquisitions to nearly triple the Company's size -- the acquisition of a surgical suction instrument and tubing product line from the Davol

## Edgar Filing: CONMED CORP - Form DEF 14A

subsidiary of C.R. Bard, Inc. for a cash purchase price of \$24 million and the acquisition of Linvatec and certain related assets from Bristol-Myers Squibb for a cash purchase price of \$370 million (plus the assumption of net liabilities totaling approximately \$16.6 million) and the issuance of a warrant to purchase one million shares of the Company's Common Stock at a warrant exercise price of \$34.23. For 1997, excluding unusual charges related to the acquisition of Linvatec and the closure of the Company's Dayton, Ohio manufacturing facility, the Company had net income of \$17 million, or \$1.12 per diluted share.

In 1998, the Company continued to integrate its completed acquisitions, again recording record revenues of \$336.4 million. The Company, through its wholly owned subsidiary Linvatec, acquired an arthroscopic fluid control product line from Minnesota Mining and Manufacturing Company for a cash purchase price of \$17.5 million. For 1998, excluding a one-time charge in connection with the refinancing of the Company's credit facility, the Company had net income of \$19.4 million, or \$1.26 per diluted share. The Company's stock price had increased from \$7.22 on December 31, 1992 to \$33 on December 31, 1998. In light of these factors, the Board of Directors awarded Mr. Corasanti 1999 base salary compensation of \$312,277.

In 1999, the Company continued to integrate its completed acquisitions, again recording record revenues of \$372.6 million. The Company, through its wholly owned subsidiary Linvatec, acquired a powered surgical instrument product line from Minnesota Mining and Manufacturing Company for a cash purchase price of \$39.0 million, before certain adjustments. For 1999, excluding certain one-time charges, the Company had net income of \$27.4 million, or \$1.77 per diluted share. In light of these factors, the Board of Directors awarded Mr. Corasanti 2000 base salary compensation of \$325,000.

18

In 2000, the Company continued to integrate its completed acquisitions, again recording record revenues of \$392.2 million. The Company acquired certain minimally invasive surgery products from Imagyn Medical Technologies, Inc. for a cash purchase price of \$6.0 million, subject to additional contingent consideration of up to \$2.0 million. During part of this period, Mr. E. Corasanti managed the operations of Linvatec until a new President was installed at Linvatec, and Mr. J. Corasanti assumed the responsibilities as President and COO. During this period, the Company also undertook efforts to improve its distribution channels in all product areas and intensified efforts to produce internal growth through the development and introduction of new products. For 2000, excluding certain one-time charges, the Company had net income of \$20.3 million, or \$1.31 per diluted share.

In light of these matters, the Board of Directors awarded Mr. E. Corasanti an increase in deferred compensation to \$200,000 for 2000 and 2001. In light of the foregoing matters, on April 28, 2000, the Board of Directors approved Mr. J. Corasanti's employment agreement for employment from January 1, 2000 through December 31, 2004. Pursuant to this agreement, Mr. J. Corasanti was provided base salary of \$200,000 and the Board of Directors is permitted, in its discretion, to establish a higher salary. In addition, Mr. J. Corasanti was awarded deferred compensation of \$100,000 under the terms of the employment agreement. In light of the Company's performance during 2000, no bonuses were awarded to Mr. E. Corasanti or Mr. J. Corasanti.

The Compensation Committee has adopted similar policies with respect to compensation of the other executive officers of the Company. The Company's performance, long-term growth and strategic positioning and the individual's past performance and future potential are considered in establishing the base salaries of executive officers. The policy regarding other elements of the

Edgar Filing: CONMED CORP - Form DEF 14A

compensation package for executive officers is similar to the CEO's in that the package is tied to achievement of performance targets. As discussed below, in 2000, the Company granted each of the Company's executive officers, including Eugene R. Corasanti, stock options. In light of the Company's performance during 2000, no bonuses were granted to any officer.

Stock options are granted to the Company's executive officers, including Eugene R. Corasanti, primarily based on the executive's ability to influence the Company's long-term growth and profitability. The number of options granted is determined by using the same subjective criteria. All options are granted at the current market price. Since the value of an option bears a direct relationship to the Company's stock price it is an effective incentive for managers to create value for shareholders. The Committee therefore views stock options as an important component of its long-term, performance-based compensation philosophy. The Committee granted stock options to Eugene R. Corasanti in 2000. In 2000, the Committee granted options to executive officers.

The Board of Directors has not yet adopted a policy with respect to qualification of executive compensation in excess of \$1 million per individual for deduction under Section 162(m) of the Internal Revenue Code of 1986, as amended, and the regulations thereunder. The Board of Directors does not anticipate that the compensation of any executive officer during 2001 will exceed the limits for deductibility. In determining a policy for future periods, the Board of Directors would expect to consider all relevant factors, including the Company's tax position and the materiality of the amounts likely to be involved.

As disclosed above, Eugene R. Corasanti, the Chairman of the Board of Directors, is the President and Chief Executive Officer of the Company and also serves as an officer of the Company's subsidiaries. Joseph J. Corasanti, a director of the Company, is the President and Chief Operating Officer of the Company, also serves as an officer of several of the Company's subsidiaries and is the son of Eugene R. when he resigned from those positions. Mr. Remmell is a partner in the law firm of Steates, Remmell, Steates and Dziekan, which has served a counsel to the Company, although the Company made no payments to the firm in 2000.

The Company has entered into a contract with George A. Nole & Son, Inc., a construction company, in connection with certain renovations being made to one of the Company's Central New York facilities. The sole shareholder of George A. Nole & Son, Inc., a New York corporation, is Angelo Nole, who is the brother-in-law of Eugene R. Corasanti. The sub-contractors were awarded contracts following a competitive bidding process which was conducted through an architectural firm. Payments to George A. Nole & Son, Inc. during fiscal 2000 amounted to approximately \$7.0 million, of which approximately \$5.4 million was paid to sub-contractors during fiscal 2000.

The Company pays all premiums on three split-dollar life insurance policies totaling \$3,175,000 for the benefit of Eugene R. Corasanti. Premiums paid or accrued by the Company in the fiscal year ended December 31, 2000 were approximately \$52,000. Of such premiums, an aggregate of approximately \$5,300 has been reflected as compensation to Mr. E. Corasanti. The remaining amount of \$46,700 is being treated by the Company as a loan to Mr. E. Corasanti. At December 31, 2000, the aggregate amount due the Company from Mr. E. Corasanti related to these split-dollar life insurance policies is \$590,500. This amount (and subsequent loans for future premiums) will be repaid to the Company on Mr. E. Corasanti's death and the balance of the policy will be paid to Mr. E. Corasanti's estate or beneficiaries.

The Company likewise pays all premiums associated with a split-dollar life insurance policy totaling \$1,000,000 for the benefit of Joseph J. Corasanti. Premiums paid or accrued by the Company in the fiscal year ended December 31, 2000 were approximately \$12,130. Of such premiums, an aggregate of approximately \$230 has been reflected as compensation to Mr. J. Corasanti. The remaining amount of \$11,900 is being treated by the Company as a loan to Mr. J. Corasanti. This amount (and subsequent loans for future premiums) will be repaid to the Company on Mr. J. Corasanti's death and the balance of the policy will be paid to Mr. J. Corasanti's estate or beneficiaries.

The Company has entered into directors and officers insurance policies with National Union Fire Insurance Company of Pittsburgh, PA covering the period from January 31, 2001 through January 31, 2002 at a total cost of \$149,000, which covers directors and officers of the Company and its subsidiaries.

Further, the directors who are
