Item 1.01                    Entry into a Material Definitive Agreement

On June 13, 2012, Integrys Energy Group, Inc. entered into an unsecured \$635 million Five-Year Credit Agreement with The Bank of Tokyo-Mitsubishi UFJ, Ltd.; Union Bank, N.A.; JPMorgan Chase Bank, N.A.; KeyBank National Association; Mizuho Corporate Bank Ltd.; The Bank of Nova Scotia; U.S. Bank National Association; and J.P. Morgan Securities LLC. The new credit agreement matures on June 13, 2017. The new facility will be used to provide backup support for commercial paper borrowings and letters of credit.

The new agreement replaces the existing \$735 million Three-Year Credit Agreement entered into in April 2010. The reduced size of the new credit agreement reflects reduced credit and collateral support requirements for Integrys Energy Services, Inc., a wholly owned subsidiary of Integrys Energy Group.

The entire \$635 million revolving credit line is available for letters of credit. The amounts of any letters of credit issued and outstanding under the agreement will be reserved and will not be available for other borrowings.

Integrys Energy Group has the option to borrow funds under the new credit agreement as: 1) Base Rate loans at a floating rate equal to the greatest of: (a) the Federal Funds Rate in effect on such day plus 0.50%; (b) the Prime Rate in effect on such day; or (c) the Eurodollar Rate plus 1.00%, plus an additional 0.25% in all three cases, or 2) Eurodollar loans at a Eurodollar rate plus 1.25%. In addition, Integrys Energy Group will pay quarterly commitment fees of 17.5 basis points on the unused portion of the facility, letter of credit fees of 125.0 basis points, and an annual administrative fee to the administrative agent. The letter of credit fees apply only to outstanding letters of credit. The additional interest rate on Base Rate and Eurodollar loans and all of the fees (other than the administrative fee) are based on Integrys Energy Group's current credit ratings and will change if there is a change in the underlying credit ratings.

The new credit agreement contains customary conditions of borrowing, customary events of default and customary affirmative and negative covenants, including a covenant to maintain a debt to total capitalization ratio not to exceed 65%, excluding non-recourse debt.

Integrys Energy Group may from time to time enter into arm's-length transactions and maintain customary banking and investment banking relationships with one or more of the lenders who are a party to the new credit agreement.

The new credit agreement is filed as Exhibit 10 to this Current Report on Form 8-K and is incorporated into this Current Report on Form 8-K by reference. The brief summary of the material provisions of the new credit agreement set forth above is qualified in its entirety by reference to the full text of the credit agreement.

Concurrent with the above, credit facilities maturing in 2013 of \$115 million at Wisconsin Public Service Corporation and \$250 million at The Peoples Gas Light and Coke Company (both wholly owned subsidiaries of Integrys Energy Group) were also replaced at identical commitment levels.
