Item 4.

Purpose of Transaction.

Item 4 is hereby amended to add the following:

On February 22, 2019, Starboard V&O Fund (together with its affiliates, “Starboard”) delivered a letter to the Issuer (the “Nomination Letter”) nominating a slate of six highly qualified director candidates, including Peter A. Feld, Gavin T. Molinelli, Leslie V. Norwalk, Guy P. Sansone, Steven J. Shulman, and Shirley A. Weis (collectively, the “Nominees”), for election to the Board at the Issuer’s 2019 annual meeting of stockholders (the “Annual Meeting”). As evidenced by their detailed biographies below, the Nominees have backgrounds spanning operations, finance, healthcare, private equity, mergers and acquisitions, restructuring, strategic transformation, and public company governance. Starboard carefully selected this highly qualified slate of nominees who collectively have substantial and highly successful experience in the healthcare, insurance, medical device and equipment, technology, and pharmaceutical industries and who have decades of experience as CEOs, CFOs, CAOs, senior executives, chairmen and directors of well-performing healthcare companies. Starboard expects that five of the Issuer’s nine current Board members will be standing for election at the Annual Meeting, and if that remains the case, Starboard has indicated that it would withdraw one of the two direct Starboard representatives as a nominee.

Also, on February 22, 2019, Starboard delivered a letter to stockholders of the Issuer, which, among other things, details the extensive and prolonged underperformance at the Issuer. While Starboard believes the Issuer is a great company positioned in an industry with strong secular tailwinds, Starboard highlights in the letter that operational missteps, including missed execution and poor capital allocation, have resulted in extensive periods of share price underperformance. Accordingly, Starboard believes substantial change in the composition of the Board is warranted in order to provide a fresh perspective and to make decisions objectively without the burden of attachment to past practices. The full text of the letter is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
