PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON APRIL 29, 2014

The Board of Directors (the “Board”) of Apartment Investment and Management Company (“Aimco” or the “Company”) has made these proxy materials available to you on the Internet, or, upon your request, has delivered printed versions of these materials to you by mail. We are furnishing this Proxy Statement in connection with the solicitation by our Board of proxies to be voted at our 2014 Annual Meeting (the “Meeting”). The Meeting will be held on Tuesday, April 29, 2014, at 8:30 a.m. at Aimco’s corporate headquarters located at 4582 South Ulster Street, Suite 1100, Denver, Colorado 80237, and at any and all adjournments or postponements thereof.

Pursuant to rules adopted by the SEC, we are providing access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the “Notice”) to each stockholder entitled to vote at the Meeting. The mailing of such Notice is scheduled to begin on or about March 10, 2014. All stockholders will have the ability to access the proxy materials over the Internet and request to receive a printed copy of the proxy materials by mail. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, the Notice includes instructions on how stockholders may request proxy materials in printed form by mail or electronically by email on an ongoing basis.

This solicitation is made by mail on behalf of Aimco’s Board. Costs of the solicitation will be borne by Aimco. Further solicitation of proxies may be made by telephone, fax or personal interview by the directors, officers and employees of the Company and its affiliates, who will not receive additional compensation for the solicitation. The Company has retained the services of Eagle Rock Proxy Advisors, for an estimated fee of \$3,500, plus out-of-pocket expenses, to assist in the solicitation of proxies from brokerage houses, banks, and other custodians or nominees holding stock in their names for others. The Company will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy material to stockholders.

Holders of record of the Class A Common Stock of the Company (“Common Stock”) as of the close of business on the record date, February 21, 2014 (the “Record Date”), are entitled to receive notice of, and to vote at, the Meeting. Each share of Common Stock entitles the holder to one vote. At the close of business on the Record Date, there were 146,099,061 shares of Common Stock issued and outstanding.

Whether you are a “stockholder of record” or hold your shares through a broker or nominee (i.e., in “street name”) you may direct your vote without attending the Meeting in person.

If you are a stockholder of record, you may vote via the Internet by following the instructions in the Notice. If you request printed copies of the proxy materials by mail, you may also vote by signing and submitting your proxy card and returning by mail or by submitting your vote by telephone. You should sign your name exactly as it appears on the proxy card. If you are signing in a representative capacity (for example, as guardian, executor, trustee, custodian, attorney or officer of a corporation), you should indicate your name and title or capacity.

If you are the beneficial owner of shares held in street name, you may be eligible to vote your shares electronically over the Internet or by telephone by following the instructions in the Notice. If you request printed copies of the proxy materials by mail, you may also vote by signing the voter instruction card provided by your bank or broker and returning it by mail. If you provide specific voting instructions by mail, telephone or the Internet, your shares will be

voted by your broker or nominee as you have directed.

The persons named as proxies are officers of Aimco. All proxies properly submitted in time to be counted at the Meeting will be voted in accordance with the instructions contained therein. If you submit your proxy without voting instructions, your shares will be voted in accordance with the recommendations of the Board. Proxies may be revoked at any time before voting by filing a notice of revocation with the Corporate Secretary of the Company, by filing a later dated proxy with the Corporate Secretary of the Company or by voting in person at the Meeting.

You are entitled to attend the Meeting only if you were an Aimco stockholder or joint holder as of the Record Date or you hold a valid proxy for the Meeting. If you are not a stockholder of record but hold shares in street name, you should provide proof of beneficial ownership as of the Record Date, such as your most recent account statement prior to February 21, 2014, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership.

The principal executive offices of the Company are located at 4582 South Ulster Street, Suite 1100, Denver, Colorado 80237.

PROPOSAL 1:

ELECTION OF DIRECTORS

Pursuant to Aimco's Articles of Restatement (the "Charter") and Amended and Restated Bylaws (the "Bylaws"), directors are elected at each annual meeting of stockholders and hold office for one year, and until their successors are duly elected and qualify. Aimco's Bylaws currently authorize a Board consisting of not fewer than three nor more than nine persons. The Board currently consists of seven directors.

The nominees for election to the Board selected by the Nominating and Corporate Governance Committee of the Board and proposed by the Board to be voted upon at the Meeting are:

James N. Bailey
Terry Considine
Thomas L. Keltner
J. Landis Martin
Robert A. Miller
Kathleen M. Nelson
Michael A. Stein

Messrs. Bailey, Considine, Keltner, Martin, Miller, and Stein and Ms. Nelson were elected to the Board at the last Annual Meeting of Stockholders. Messrs. Bailey, Keltner, Martin, Miller, and Stein and Ms. Nelson are not employed by, or affiliated with, Aimco, other than by virtue of serving as directors of Aimco. Unless authority to vote for the election of directors has been specifically withheld, the persons named in the accompanying proxy intend to vote for the election of Messrs. Bailey, Considine, Keltner, Martin, Miller, and Stein and Ms. Nelson to hold office as directors for a term of one year until their successors are elected and qualify at the next Annual Meeting of Stockholders. All nominees have advised the Board that they are able and willing to serve as directors.

If any nominee becomes unavailable for any reason (which is not anticipated), the shares represented by the proxies may be voted for such other person or persons as may be determined by the holders of the proxies (unless a proxy contains instructions to the contrary). In no event will the proxy be voted for more than seven nominees.

In an uncontested election at the meeting of stockholders, any nominee to serve as a director of the Company will be elected if the director receives a vote of the majority of votes cast, which means that the number of shares voted "for" a director exceeds the number of votes "against" that director. With respect to a contested election, a plurality of all the votes cast at the meeting of stockholders will be sufficient to elect a director. If a nominee who currently is serving as a director receives a greater number of "against" votes for his or her election than votes "for" such election (a "Majority Against Vote") in an uncontested election, Maryland law provides that the director would continue to serve on the Board as a "holdover director." However, under Aimco's Bylaws, any nominee for election as a director in an uncontested election who receives a Majority Against Vote is obligated to tender his or her resignation to the Nominating and Corporate Governance Committee of the Board for consideration. The Nominating and Corporate Governance Committee will consider any resignation and recommend to the Board whether to accept it. The Board is required to take action with respect to the Nominating and Corporate Governance Committee's recommendation.

Brokers holding shares of record for customers generally are not entitled to vote on certain matters unless they receive voting instructions from their customers. If you are a beneficial owner of shares and do not provide your broker, as stockholder of record, with voting instructions, your broker has the authority under applicable stock market rules to vote those shares for or against "routine" matters at its discretion. Where a matter is not considered routine, including the election of the board of directors, shares held by your broker will not be voted (a "broker non-vote") absent specific

instruction from you, which means your shares may go unvoted and not affect the outcome if you do not specify a vote.

For purposes of the election of directors, abstentions or broker non-votes as to the election of directors will not be counted as votes cast and will have no effect on the result of the vote. Unless instructed to the contrary in the proxy, the shares represented by the proxies will be voted FOR the election of the seven nominees named above as directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” EACH OF THE SEVEN NOMINEES.

PROPOSAL 2:

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM

The firm of Ernst & Young LLP, the Company's independent registered public accounting firm for the year ended December 31, 2013, was selected by the Audit Committee to act in the same capacity for the fiscal year ending December 31, 2014, subject to ratification by Aimco's stockholders. The aggregate fees billed for services rendered by Ernst & Young LLP during the years ended December 31, 2013 and 2012, are described below under the heading "Principal Accountant Fees and Services."

Representatives of Ernst & Young LLP will be present at the Meeting and will be given the opportunity to make a statement if they so desire and to respond to appropriate questions.

The affirmative vote of a majority of the votes cast regarding the proposal is required to ratify the selection of Ernst & Young LLP. Abstentions or broker non-votes will not be counted as votes cast and will have no effect on the result of the vote on the proposal. Unless instructed to the contrary in the proxy, the shares represented by the proxies will be voted "for" the proposal to ratify the selection of Ernst & Young LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP.

PROPOSAL 3:

ADVISORY VOTE ON EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, we provide our stockholders with the opportunity to vote to approve, on a nonbinding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the SEC. Aimco's proxy statement for the 2011 annual meeting of stockholders contained a proposal for stockholders to indicate whether they would prefer that we conduct advisory votes on executive compensation once every one, two, or three years. The Board recommended that stockholders vote "for" an annual advisory vote on executive compensation, as it would allow our stockholders to provide timely, direct input on the Company's executive compensation philosophy, policies and practices as disclosed in the proxy statement each year. A majority of stockholders voted "for" an annual advisory vote on executive compensation. Accordingly, the Board decided it will include an advisory vote on executive compensation at each annual meeting of stockholders until the next required advisory vote on frequency of stockholder votes on executive compensation, which will occur no later than the 2017 annual meeting of stockholders.

As described in detail under the heading "Compensation Discussion & Analysis," we seek to closely align the interests of our named executive officers with the interests of our stockholders. Our compensation programs are designed to reward our named executive officers for the achievement of short-term and long-term strategic and operational goals and the achievement of increased total stockholder return ("TSR"), while at the same time avoiding the encouragement of unnecessary or excessive risk-taking.

Highlights of the program include the following:

-

Members of the Compensation and Human Resources Committee (the "Committee") are independent directors. The Committee has established a thorough process for the review and approval of Aimco's executive compensation program, including amounts awarded to executive officers. The Committee engaged and received advice from an independent, third-party compensation consultant. The Committee selected a peer group of companies for the purpose of comparing Aimco's compensation for executive officers.

Aimco sets target total cash compensation and target total compensation near the median of corresponding targets among the peer group. Consistent with Aimco's "pay for performance" philosophy, actual compensation is based on Aimco's results and individual performance.

Table of Contents

Other than with respect to one individual in connection with a promotion, none of our named executive officers received a salary increase for 2013.

Aimco has a pay for performance philosophy, and as such Mr. Considine's total compensation is highly variable from year to year, determined by Aimco's results. Mr. Considine's total compensation has fluctuated in the last ten years from a low of \$2.6 million to a high of \$5.14 million, with an average of \$4.06 million, and in some years was comprised of little or no cash compensation.

Aimco's compensation programs, which, among other things, include caps on cash compensation, shared performance metrics across the organization, multiple performance metrics, the use of long-term incentive compensation that is based in part on TSR, and stock ownership guidelines with required holding periods after vesting, are aligned with the long-term interests of the Company.

Aimco does not provide any perquisites or change in control benefits to the named executive officers that are not available to other employees.

Aimco does not maintain or contribute to any defined benefit pension, supplemental pension plan or nonqualified deferred compensation plan for its executive officers.

Aimco does not maintain any employment or severance agreements with its executive officers (other than for Mr. Considine).

Aimco had a solid year of performance in 2013 and, as a result, executive officers were awarded annual incentive compensation slightly higher than target amounts. However, Aimco's one-year and three-year TSR both underperformed the MSCI US REIT Index ("REIT Index"). As a result, executive officers were awarded long-term incentive compensation amounts that were below target amounts. This, in turn, resulted in total actual compensation amounts for executive officers that were also below target amounts. Aimco's 2013 performance highlights include the following:

Adjusted Funds from Operations ("AFFO") per share was up 14%, and pro forma Funds from Operations ("FFO") per share was up 11%.

- Aimco's conventional same-store net operating income ("NOI") was up 5.1% in 2013.

Aimco continued to improve its portfolio in 2013. Average monthly revenues per apartment home of \$1,469 in Aimco's conventional portfolio in fourth quarter 2013 were 7.9% above those of fourth quarter 2012. This was the result of year-over-year revenue per apartment home growth of 3.5% and the sale of conventional apartment communities during 2012 and 2013 with average revenues per apartment home substantially lower than those of the retained portfolio and reinvestment of the proceeds in higher-rent apartment communities through redevelopment and acquisitions. During 2013, Aimco sold 16 conventional apartment communities with average monthly revenues per apartment home of \$874, 40% below the average of Aimco's retained portfolio. Proceeds from these sales were reinvested in redevelopment and development projects, acquisitions, and property upgrades at an expected weighted average free cash flow internal rate of return approximately 300 basis points higher than the expected weighted average free cash flow internal rate of return of the apartment communities sold to fund them.

- Aimco's portfolio management activities are driven by "paired trades," where the projected risk-adjusted free cash flow internal rate of return of an investment is greater than that of the apartment community or apartment communities sold to fund the investment, enhancing portfolio quality. Aimco expects to continue to sell each year the lowest rated 5% to 10% of its portfolio and to invest the proceeds from such sales in redevelopment and acquisitions of higher

quality apartment communities. From 2010 through 2013, Aimco increased its year-end conventional portfolio average revenue per apartment home at a compound annual growth rate of 8.4%. This rate of growth reflects the impact of market rent growth, but more significantly, the impact of portfolio management through apartment community sales, redevelopment and acquisitions.

Aimco continued to simplify its business in 2013, lowering costs. Over the past three years, Aimco sold over 28,000 apartment homes, eliminating the related property management costs and capital replacement spending, and -reinvested sales proceeds in fewer apartment homes with higher rents, higher margins, and greater expected growth. The wind down of Aimco's affordable portfolio continued, with the reduction from 228 apartment communities three years ago to 74 apartment communities at the end of 2013.

Table of Contents

In 2013, Aimco's gross off-site costs were 8% lower than 2012, and 60% lower than 2008. These lower costs are primarily due to Aimco's strategy of simplifying its business and resulting adjustments in scale, as Aimco focuses on maintaining a geographically diversified portfolio of conventional apartment communities that average "B/B+" in quality. For example, at December 31, 2013, Aimco's real estate portfolio consisted of 236 owned apartment communities (162 conventional and 74 affordable) in which Aimco had an average ownership of 96%. At December 31, 2012, Aimco's real estate portfolio consisted of 265 owned apartment communities (175 conventional and 90 affordable) in which Aimco had an average ownership of 93%. At December 31, 2008, Aimco's owned real estate portfolio consisted of 599 apartment communities (310 conventional and 289 affordable) in which Aimco had an average ownership of 80%, and Aimco's fee-managed portfolio consisted of 393 apartment communities, for a total portfolio of 992 apartment communities.

Over the past five years, the compound annual growth rate for Aimco's on-site costs was 0.5%. By comparison, over the same period, the compound annual growth rate for on-site costs for other apartment REITs was 1.4% on average, and the compound annual growth rate for the Consumer Price Index ("CPI") was 1.6%. For 2013, property operating expenses less insurance, taxes and utility expense were down 0.6% from 2012. Over the past five years, the compound annual growth rate for Aimco's property operating expenses before taxes, insurance, and utilities is below zero.

Aimco continued to strengthen its balance sheet in 2013. Aimco improved its fourth quarter annualized ratio of debt and preferred stock to EBITDA from 7.7:1 in 2012 to 7.2:1 in 2013. Aimco's year-end unencumbered pool was \$380 million. Aimco's recourse debt at December 31, 2013, was limited to its revolving credit facility, which Aimco uses for working capital and other short-term purposes, and to secure letters of credit. At year end, Aimco had outstanding borrowings on the revolving credit facility of \$50.4 million and available capacity was \$505.0 million, net of the outstanding borrowings and \$44.6 million of undrawn letters of credit backed by the facility.

Aimco's Board of Directors declared a cash dividend of \$0.26 per share on its Class A Common Stock for the quarter-ended December 31, 2013, which, on an annualized basis, is an 8% increase compared to the dividends paid during 2013. Aimco expects to pay quarterly dividends at the increased rate during 2014.

Aimco's one-year and three-year TSRs both underperformed the REIT Index and the S&P 500 Total Return Index. However, Aimco's five-year TSR outperformed both the REIT Index and the S&P 500 Total Return Index. Aimco's one-year TSR for 2013 was higher than the average among apartment REITs, and Aimco's five-year TSR for 2013 was the second highest among apartment REITs.

Aimco has supported a collaborative, respectful, and performance-oriented culture, recognizing this fosters superior performance. In 2013, Aimco achieved record scores for team engagement and was recognized by The Denver Post as one of the top places to work in Colorado.

The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the overall compensation of our named executive officers, as described in this proxy statement in accordance with the compensation disclosure rules of the SEC.

The vote is advisory, which means that the vote is not binding on the Company, our Board or the Compensation and Human Resources Committee of the Board. However, we take the views of our stockholders seriously, and to the extent there is any significant vote against our named executive officer compensation as disclosed in this proxy statement, the Compensation and Human Resources Committee will evaluate whether any actions are necessary to address the concerns of stockholders.

In order to be approved at the Meeting, Proposal 3 must receive the affirmative vote of a majority of the total votes cast at the Annual Meeting. Abstentions and broker non-votes are not considered votes cast and will have no effect on the outcome of the vote.

We are asking the Company's stockholders to approve, on an advisory basis, the following resolution: RESOLVED, that the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2014 Annual Meeting of Stockholders pursuant to Item 402 of SEC Regulation S-K, including the Compensation Discussion & Analysis, the 2013 Summary Compensation Table and the other related tables and disclosure, is hereby APPROVED.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT.

CORPORATE GOVERNANCE MATTERS

Independence of Directors

The Board has determined that to be considered independent, an outside director may not have a direct or indirect material relationship with Aimco or its subsidiaries (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company). A material relationship is one that impairs or inhibits, or has the potential to impair or inhibit, a director's exercise of critical and disinterested judgment on behalf of Aimco and its stockholders. In determining whether a material relationship exists, the Board considers all relevant facts and circumstances, including whether the director or a family member is a current or former employee of the Company, family member relationships, compensation, business relationships and payments, and charitable contributions between Aimco and an entity with which a director is affiliated (as an executive officer, partner or substantial stockholder). The Board consults with the Company's counsel to ensure that such determinations are consistent with all relevant securities and other laws and regulations regarding the definition of "independent director," including but not limited to those categorical standards set forth in Section 303A.02 of the listing standards of the New York Stock Exchange as in effect from time to time.

Consistent with these considerations, the Board affirmatively has determined that Messrs. Bailey, Keltner, Martin, Miller, and Stein and Ms. Nelson are independent directors (collectively the "Independent Directors").

Meetings and Committees

The Board held four meetings during the year ended December 31, 2013. During 2013, there were four committees: Audit; Compensation and Human Resources; Nominating and Corporate Governance; and Redevelopment and Construction. During 2013, no director attended fewer than 75% of the total number of meetings of the Board, and, in fact, each director was present at all such meetings.

The Corporate Governance Guidelines, as described below, provide that the Company generally expects that the Chairman of the Board will attend all annual and special meetings of the stockholders. Other members of the Board are not required to attend such meetings. All of the members of the Board attended the Company's 2013 Annual Meeting of Stockholders, and the Company anticipates that all of the members of the Board will attend the Meeting this year.

Below is a table illustrating the current standing committee memberships and chairmen. Additional detail on each committee follows the table.

Audit Committee

The Audit Committee currently consists of the six Independent Directors, and the Audit Committee Chairman is Mr. Stein. The Audit Committee makes determinations concerning the engagement of the independent registered public accounting firm, reviews with the independent registered public accounting firm the plans and results of the audit engagement (including the audit of the Company's financial statements and the Company's internal control over financial reporting), reviews the independence of the independent registered public accounting firm and considers the range of audit and non-audit fees. The Audit Committee also provides oversight for the Company's financial reporting process, internal control over financial reporting, the Company's internal audit function and, in conjunction with the Board, the Company's enterprise risk management processes. Areas involving risk that are reported on by management and considered by the Audit Committee, the other Board committees, or the Board, include: operations, liquidity, leverage, finance, financial statements, the financial reporting process, accounting, legal matters, regulatory compliance, and human resources.

The Audit Committee held five meetings during the year ended December 31, 2013. The Audit Committee has a written charter that is posted on Aimco's website (www.aimco.com) and is also available in print to stockholders, upon written request to Aimco's Corporate Secretary. As set forth in the Audit Committee's charter, no director may serve as a member of the Audit Committee if such director serves on the audit committee of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Audit Committee. No member of the Audit Committee serves on the audit committee of more than two other public companies.

Audit Committee Financial Expert

Aimco's Board has designated Mr. Stein as an "audit committee financial expert." In addition, other members of the audit committee qualify as audit committee financial experts. Each member of the Audit Committee is independent, as that term is defined by Section 303A of the listing standards of the New York Stock Exchange relating to audit committees.

Compensation and Human Resources Committee

The Compensation and Human Resources Committee currently consists of the six Independent Directors. Through January 2013, Mr. Martin served as the Compensation and Human Resources Committee Chairman. In January 2013, Mr. Keltner assumed the role of Chairman of the Compensation and Human Resources Committee. The Compensation and Human Resources Committee's purposes are to: oversee the Company's compensation and employee benefit plans and practices, including its executive compensation plans and its incentive-compensation and equity-based plans; review and discuss with management the Compensation Discussion & Analysis; and direct the preparation of, and approve, a report on executive compensation to be included in the Company's proxy statement for its annual meeting of stockholders or Annual Report on Form 10-K filed with the SEC. The Compensation and Human Resources Committee held five meetings during the year ended December 31, 2013. The Compensation and Human Resources Committee has a written charter that is posted on Aimco's website (www.aimco.com) and is also available in print to stockholders, upon written request to Aimco's Corporate Secretary.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee currently consists of the six Independent Directors, and the Nominating and Corporate Governance Committee Chairman is Mr. Bailey. The Nominating and Corporate Governance Committee's purposes are to: identify and recommend to the Board individuals qualified to serve on the Board; advise the Board with respect to Board composition, procedures and committees; develop and recommend to

the Board a set of corporate governance principles applicable to Aimco and its management; and oversee evaluation of the Board and management (in conjunction with the Compensation and Human Resources Committee). The Nominating and Corporate Governance Committee held four meetings during the year ended December 31, 2013. The Nominating and Corporate Governance Committee has a written charter that is posted on Aimco's website (www.aimco.com) and is also available in print to stockholders, upon written request to Aimco's Corporate Secretary.

The Nominating and Corporate Governance Committee selects nominees for director on the basis of, among other things, breadth and depth of experience, knowledge, skills, expertise, integrity, ability to make independent analytical inquiries, understanding of Aimco's business environment and willingness to devote adequate time and effort to Board responsibilities. In considering nominees for director, the Nominating and Corporate Governance Committee seeks to have a diverse range of experience and expertise relevant to Aimco's business. The Nominating and Corporate Governance Committee assesses the appropriate balance of criteria required of directors and makes recommendations to the Board.

Table of Contents

When formulating its Board membership recommendations, the Nominating and Corporate Governance Committee also considers advice and recommendations from others, including stockholders, as it deems appropriate. Such recommendations are evaluated on the basis of the same criteria noted above. The Nominating and Corporate Governance Committee will consider as nominees to the Board for election at next year's annual meeting of stockholders persons who are recommended by stockholders in writing, marked to the attention of Aimco's Corporate Secretary, no later than July 1, 2014. During 2013, no Aimco stockholder (other than the existing directors) expressed interest in serving on the Board, or recommended anyone to serve on the Board.

The Board is responsible for nominating members for election to the Board and for filling vacancies on the Board that may occur between annual meetings of stockholders. Based on recommendations from the Nominating and Corporate Governance Committee, the Board determined to nominate Messrs. Bailey, Considine, Keltner, Martin, Miller, and Stein and Ms. Nelson for re-election.

Redevelopment and Construction Committee

The Redevelopment and Construction Committee currently consists of the six Independent Directors, and the Redevelopment and Construction Committee Chairman is Mr. Miller. The Redevelopment and Construction Committee's purposes are to provide oversight and guidance to the Corporation's management regarding redevelopment and construction projects by reviewing work process, policies and standards, recommending modifications thereto and directing related analytical and progress reporting. The Redevelopment and Construction Committee held three meetings during the year ended December 31, 2013.

Board Leadership Structure

At this time, Aimco's Board believes that combining the Chairman and CEO role is most effective for the Company's leadership and governance. Having one person as Chairman and CEO provides unified leadership and direction to the Company and strengthens the ability of the CEO to develop and implement strategic initiatives and respond efficiently in various situations. The Board also believes the combination of Chairman and CEO positions is appropriate in light of the independent oversight provided by the Board. Aimco has a Lead Independent Director, currently Mr. Martin, who: presides over executive sessions of independent directors; serves as a liaison between the chairman and independent directors; reviews information sent to directors; approves meeting agendas and schedules; may call meetings of independent directors; and, if asked by major stockholders, is available for direct communication if appropriate. In addition to the Lead Independent Director, the Board has a majority of independent directors. Six out of the seven director nominees are independent. All four standing committees (Audit; Compensation and Human Resources; Nominating and Corporate Governance; and Redevelopment and Construction) are composed solely of independent directors.

Separate Sessions of Non-Management Directors and Lead Independent Director

Aimco's Corporate Governance Guidelines (described below) provide that the non-management directors shall meet in executive session without management on a regularly scheduled basis, but no less than four times per year. The non-management directors, which group currently is made up of the six Independent Directors, met in executive session without management four times during the year ended December 31, 2013. Mr. Martin was the Lead Independent Director who presided at such executive sessions in 2013, and he has been designated as the Lead Independent Director who will preside at such executive sessions in 2014.

The following table sets forth the number of meetings held by the Board and each committee during the year ended December 31, 2013.

Board	Non-Management
-------	----------------

	Directors	Audit Committee	Compensation and Human Resources Committee	Nominating and Corporate Governance Committee	Redevelopment and Construction Committee
Number of Meetings	4	5	5	4	3

Majority Voting for the Election of Directors

In an uncontested election at the meeting of stockholders, any nominee to serve as a director of the Company will be elected if the director receives a majority of votes cast, which means that the number of shares voted “for” a director exceeds the number of shares voted “against” that director. With respect to a contested election, a plurality of all the votes cast at the meeting of stockholders will be sufficient to elect a director. If a nominee who currently is serving as a director receives a greater number of “against” votes for his or

her election than votes “for” such election (a “Majority Against Vote”) in an uncontested election, Maryland law provides that the director would continue to serve on the Board as a “holdover director.” However, under Aimco’s Bylaws, any nominee for election as a director in an uncontested election who receives a Majority Against Vote is obligated to tender his or her resignation to the Nominating and Corporate Governance Committee for consideration. The Nominating and Corporate Governance Committee will consider any resignation and recommend to the Board whether to accept it. The Board is required to take action with respect to the Nominating and Corporate Governance Committee’s recommendation. Additional details are set out in Article II, Section 2.03 (Election and Tenure of Directors; Resignations) of Aimco’s Bylaws.

Corporate Governance Guidelines and Director Stock Ownership

In general, the Corporate Governance Guidelines address director qualification standards, director responsibilities, the lead independent director, director access to management and independent advisors, director compensation, director orientation and continuing education, management succession, stock ownership guidelines and retention requirements, and an annual performance evaluation of the Board.

With respect to stock ownership guidelines for the Independent Directors, the Corporate Governance Guidelines provide that by the completion of five years of service, an Independent Director is expected to own, at a minimum, the lesser of 27,500 shares or shares having a value of at least \$550,000. Each of the Independent Directors has holdings well in excess of this amount.

AUDIT COMMITTEE REPORT TO STOCKHOLDERS

The Audit Committee oversees Aimco's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process, including internal control over financial reporting and disclosure controls and procedures. A written charter approved by the Audit Committee and ratified by the Board governs the Audit Committee. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, its judgment as to the quality, not just the acceptability, of the Company's accounting principles. The Audit Committee also has discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 16, Communications with Audit Committees, issued by the Public Company Accounting Oversight Board. In addition, the Audit Committee has received from the independent registered public accounting firm the written disclosures and letter required by Public Company Accounting Oversight Board Ethics and Independence Rule 3526, has discussed with the independent registered public accounting firm its independence from the Company and its management, and has considered whether the independent registered public accounting firm's provision of non-audit services to the Company is compatible with maintaining such firm's independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for its audit. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of its examination, its evaluation of the Company's internal control over financial reporting, and the overall quality of the Company's financial reporting. The Audit Committee held five meetings during 2013.

None of the Audit Committee members have a relationship with the Company that might interfere with the exercise of the member's independence from the Company and its management.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board has approved, that the audited financial statements and management's report on internal control over financial reporting be included in the Annual Report on Form 10-K for the year ended December 31, 2013, for filing with the SEC. The Audit Committee has also determined that provision by Ernst & Young LLP of other non-audit services is compatible with maintaining Ernst & Young LLP's independence. The Audit Committee and the Board have also recommended, subject to stockholder ratification, the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the year ending December 31, 2014.

Audit Committee Pre-Approval Policies

The Audit Committee has adopted the Audit and Non-Audit Services Pre-Approval Policy (the "Pre-approval Policy"). The Pre-approval Policy describes the Audit, Audit-related, Tax and Other Permitted services that have the general pre-approval of the Audit Committee, typically subject to a dollar limit of \$50,000. The term of any general pre-approval is generally 12 months from the date of pre-approval, unless the Audit Committee considers a different period and states otherwise. At least annually, the Audit Committee will review and pre-approve the services that may be provided by the independent registered public accounting firm without obtaining specific pre-approval from the Audit Committee. In accordance with this review, the Audit Committee may add to or subtract from the list of general pre-approved services or modify the permissible dollar limit associated with pre-approvals. As set forth in the Pre-approval Policy, unless a type of service has received general pre-approval and is anticipated to be within the dollar limit associated with the general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by the independent registered public accounting firm. For both types of pre-approval, the Audit Committee will consider whether such services are consistent with the rules on independent registered public accounting firm independence. The Audit Committee will also consider whether the independent registered public accounting firm is best positioned to provide the most effective and efficient service, for reasons such as its familiarity with Aimco's business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance Aimco's ability to manage or control risk or improve audit quality. All such factors will be considered as a whole, and no one factor will necessarily be determinative. All of the services described above were approved pursuant to the annual engagement letter or in accordance with the Pre-approval Policy; none were approved pursuant

- Through wholly-owned subsidiaries, Aimco acts as general partner of AIMCO Properties, L.P., the operating partnership in Aimco's structure. As of February 28, 2014, Aimco held approximately 94.9% of the common partnership interests in AIMCO Properties, L.P. Interests in AIMCO Properties, L.P. that are held by limited partners other than Aimco are referred to as "OP Units." Generally after a holding period of 12 months, common OP Units may be tendered for redemption and, upon tender, may be acquired by Aimco for shares of Common Stock at an exchange ratio of one share of Common Stock for each common OP Unit (subject to adjustment). If Aimco acquired all common OP Units and HPUs for Common Stock (without regard to the ownership limit set forth in Aimco's Charter), these shares of Common Stock would constitute approximately 5.1% of the then outstanding shares of Common Stock. OP Units are subject to certain restrictions on transfer. Until 2017 and thereafter, HPUs are generally not redeemable for, or convertible into, Common Stock.

Overview of Aimco's "Pay for Performance" Philosophy and 2013 Performance Results

At Aimco's 2013 Annual Meeting of Stockholders, over 93% of the votes cast in the advisory vote on executive compensation that were present and entitled to vote on the matter were in favor of the compensation of Aimco's named executive officers as disclosed in Aimco's 2013 proxy statement. In addition, at Aimco's 2011 Annual Meeting of Stockholders, the Board recommended that our stockholders be provided with the opportunity to submit an advisory vote on the compensation of our named executive officers every year, which our stockholders also strongly supported. Aimco believes that the outcome of these proposals evidences the commitment of our Compensation and Human Resources Committee to open dialogue with our stockholders regarding our executive compensation program, and the Committee has and will continue to consider these voting results and stockholder sentiments generally as it formulates and implements an executive compensation program designed to align the long-term interests of our executive officers with our stockholders.

Aimco is a "pay for performance" organization. Aimco starts by setting target total compensation near the median of target total compensation for Aimco's peers as identified below, both as a measure of fairness and also to provide an economic incentive to remain with Aimco. In some cases, target total compensation may be lower or higher than the

peer median because of the tenure of the executive officer in his or her position. Actual compensation is determined based on Aimco's results and individual performance. Every officer's annual cash incentive compensation, or STI, is based in part on Aimco's performance against its annual corporate goals. The more senior level the officer, the greater the percentage of his or her annual cash incentive compensation that is based on Aimco's performance against its corporate goals. In the case of Mr. Considine, his entire annual cash incentive compensation is based on Aimco's performance against its corporate goals. Aimco's long-term incentive compensation, or LTI, follows a similar tiered structure. Every officer's LTI is based in part on Aimco's one-year and three-year TSR as compared to the REIT Index, with executive officers having a greater share of their

Table of Contents

LTI based on TSR performance. LTI vests over time, typically a period of four years, so that officers bear longer term exposure to decisions made and to create “switching costs.” Aimco also requires substantial equity holdings by executive officers in order to increase their alignment with stockholders.

Aimco had a solid year of performance in 2013. AFFO per share was up 14%, and pro forma FFO per share was up 11%. Aimco’s conventional same-store NOI was up 5.1% in 2013.

Aimco continued to improve its portfolio in 2013. Average monthly revenues per apartment home of \$1,469 in Aimco’s conventional portfolio in fourth quarter 2013 were 7.9% above those of fourth quarter 2012. This was the result of year-over-year revenue per apartment home growth of 3.5% and the sale of conventional apartment communities during 2012 and 2013 with average revenues per apartment home substantially lower than those of the retained portfolio and reinvestment of the proceeds in higher-rent apartment communities through redevelopment and acquisitions. During 2013, Aimco sold 16 conventional apartment communities with average monthly revenues per apartment home of \$874, 40% below the average of Aimco’s retained portfolio. Proceeds from these sales were reinvested in redevelopment and development projects, acquisitions, and property upgrades at an expected weighted average free cash flow internal rate of return approximately 300 basis points higher than the expected weighted average free cash flow internal rate of return of the apartment communities sold to fund them. Aimco’s portfolio management activities are driven by “paired trades,” where the projected risk-adjusted free cash flow internal rate of return of an investment is greater than that of the apartment community or communities sold to fund the investment, enhancing portfolio quality. Aimco expects to continue to sell each year the lowest rated 5% to 10% of its portfolio and to invest the proceeds from such sales in redevelopment and acquisitions of higher quality apartment communities. From 2010 through 2013, Aimco increased its year-end conventional portfolio average revenue per apartment home at a compound annual growth rate of 8.4%. This rate of growth reflects the impact of market rent growth, but more significantly, the impact of portfolio management through apartment community sales, redevelopment and acquisitions.

Aimco continued to simplify its business in 2013, lowering costs. Over the past three years, Aimco sold over 28,000 apartment homes, eliminating the related property management costs and capital replacement spending, and reinvested sales proceeds in fewer apartment homes with higher rents, higher margins, and greater expected growth. The wind down of Aimco’s affordable portfolio continued, with the reduction from 228 affordable apartment communities three years ago to 74 apartment communities at the end of 2013.

Aimco continued its focus on cost discipline in 2013. In 2013, Aimco’s gross off-site costs were 8% lower than 2012, and 60% lower than 2008. These lower costs are primarily due to Aimco’s strategy of simplifying its business and resulting adjustments in scale, as Aimco focuses on maintaining a geographically diversified portfolio of conventional apartment communities that average “B/B+” in quality. For example, at December 31, 2013, Aimco’s real estate portfolio consisted of 236 owned apartment communities (162 conventional and 74 affordable) in which Aimco had an average ownership of 96%. At December 31, 2012, Aimco’s real estate portfolio consisted of 265 owned apartment communities (175 conventional and 90 affordable) in which Aimco had an average ownership of 93%. At December 31, 2008, Aimco’s owned real estate portfolio consisted of 599 apartment communities (310 conventional and 289 affordable) in which Aimco had an average ownership of 80%, and Aimco’s fee-managed portfolio consisted of 393 apartment communities, for a total portfolio of 992 apartment communities. Over the past five years, the compound annual growth rate for Aimco’s on-site costs was 0.5%. By comparison, over the same period, the compound annual growth rate for on-site costs for other apartment REITs was 1.4% on average, and the compound annual growth rate for the Consumer Price Index (“CPI”) was 1.6%. For 2013, property operating expenses less insurance, taxes and utility expense were down 0.6% from 2012. Over the past five years, the compound annual growth rate for Aimco’s property operating expenses before taxes, insurance, and utilities is below zero.

Aimco continued to strengthen its balance sheet in 2013. Aimco improved its fourth quarter annualized ratio of debt and preferred stock to EBITDA from 7.7:1 in 2012 to 7.2:1 in 2013. Aimco's year-end unencumbered pool was \$380 million. Aimco's recourse debt at December 31, 2013, was limited to its revolving credit facility, which Aimco uses for working capital and other short-term purposes, and to secure letters of credit. At year end, Aimco had outstanding borrowings on the revolving credit facility of \$50.4 million and available capacity was \$505.0 million, net of the outstanding borrowings and \$44.6 million of undrawn letters of credit backed by the facility.

Aimco's Board of Directors declared a cash dividend of \$0.26 per share on its Class A Common Stock for the quarter ended December 31, 2013, which, on an annualized basis, is an 8% increase compared to the dividends paid during 2013. Aimco expects to pay quarterly dividends at the increased rate during 2014.

Although Aimco's one-year and three-year TSRs both underperformed the REIT Index and the S&P 500 Total Return Index, Aimco's five-year TSR outperformed both the REIT Index and the S&P 500 Total Return Index. Aimco's one-year TSR was higher than the average among apartment REITs in 2013, and Aimco's five-year TSR was the second highest among apartment REITs in 2013.

Table of Contents

Aimco has supported a collaborative, respectful, and performance-oriented culture, recognizing this fosters superior performance. In 2013, Aimco achieved record scores for team engagement and was recognized by The Denver Post as one of the top places to work in Colorado.

Aimco's cumulative AFFO, FFO and dividend growth over the past three years have been strong, as shown in the following graph:

As set forth in detail below and in the chart beginning on page 24, Aimco outperformed on its corporate goals for 2013, resulting in 2013 cash incentive payouts slightly above target. However, Aimco's one-year and three-year TSRs both underperformed the REIT Index. As a result, executive officers were awarded long-term incentive compensation amounts below target. This, in turn, resulted in total actual compensation amounts for executive officers that were also below target amounts.

Components of Executive Compensation

Total compensation for Aimco's executive officers is comprised of the following components:

• Base compensation;

• Short-term incentive compensation ("STI"), paid in cash; and

• Long-term incentive compensation ("LTI"), paid in restricted stock, stock options and/or deferred cash. LTI vests over time (typically a period of four years).

How the Committee determines the amount of target total compensation for executive officers.

The Compensation and Human Resources Committee (the "Committee") reviews the performance of, and determines the compensation for, the Chief Executive Officer. The Committee also reviews the decisions made by the Chief Executive Officer as to the compensation of Aimco's other executive officers.

Base compensation is determined by reference to the median base compensation paid by peer comparators (discussed further below) for similar positions. In general, base compensation for executives relatively new to their positions is set below the median, and base compensation for seasoned executives is set near the median.

STI is generally targeted to deliver total cash compensation (base compensation plus STI) levels at the median paid by peer comparators, with meaningful upside and downside. LTI is generally targeted to deliver total compensation (base compensation, STI and LTI) levels at the median paid by peer comparators.

Table of Contents

How peer comparators are identified.

Aimco considers enterprise Gross Asset Value (“GAV”), which is Aimco’s estimation of the fair value of its assets, as an imprecise, but reasonable, representation of the complexity of a real estate business and of the responsibilities of its leaders. In addition to GAV, Aimco also reviews other factors, including gross revenues, number of apartment communities, and number of employees, to determine if these factors provide any additional insight into the size and complexity factors of its analysis. Based on this analysis, Aimco included as “peers” for 2013 compensation the following 20 real estate companies: Alexandria Real Estate Equities, Inc., AvalonBay Communities Inc., Camden Property Trust, CBL & Associates Properties, Inc., Developers Diversified Realty Corp., Digital Realty Trust, Inc., Douglas Emmett, Inc., Duke Realty Corp., Essex Property Trust, Federal Realty Investment Trust, Home Properties, Inc., Host Hotels & Resorts, Inc., Kimco Realty Corp., Liberty Property Trust, Macerich Co., Regency Centers Corp., SL Green Realty Corp., Taubman Centers, Inc., UDR, Inc., and Ventas, Inc. At the time 2013 compensation targets were established, approximately half of these real estate companies had a larger GAV, and approximately half of these real estate companies had a smaller GAV, than Aimco.

How the Committee determines the allocation of Mr. Considine’s target total compensation between base compensation, STI and LTI.

The Committee’s philosophy with respect to Mr. Considine’s base compensation is to set a fixed base compensation amount to provide a level of base compensation that is competitive with pay for comparable chief executive officer positions in real estate companies and companies in other industries with similar revenue size and management complexity. The Committee set that level at \$600,000 in Mr. Considine’s employment agreement.

Mr. Considine’s employment agreement provides for an overall minimum target incentive amount, but does not specify a certain percentage of the target incentive to be in the form of STI versus LTI. In connection with renewing his employment agreement in December 2008, the Committee set Mr. Considine’s target STI and target LTI by reference to the median target total cash compensation and median target total compensation for Aimco’s peers in 2008.

How Aimco determines the allocation of target total compensation for executive officers (other than the CEO) between base compensation, STI and LTI.

Base compensation amounts are generally the same for officers with comparable levels of responsibility to provide internal equity and consistency among executive officers. Executive officer base compensation is paid in cash. In some cases, base compensation varies from that of the market median or from that of officers with comparable levels of responsibility because of the current recruiting or retention market for a particular position, or because of the tenure of a particular officer in his or her position.

Target STI and LTI for executive officers was set using median competitive target total cash compensation and median target total compensation for Aimco’s peers.

How incentive compensation (STI and LTI) serves Aimco’s objectives.

Incentive compensation is used primarily to provide total compensation potential that is competitive with pay for comparable positions in real estate companies. Providing incentive compensation in the form of Aimco equity that vests over time (typically a period of four years) serves as a retention incentive, aligns executive compensation with stockholder objectives and serves as an incentive to take a longer-term view of Aimco’s performance. When the equity is in the form of restricted stock, the compensation is linked to performance because the future value of the equity depends on the performance of Aimco’s stock.

Risk analysis of Aimco's compensation programs.

The Committee considers risk-related issues when making decisions with respect to executive compensation and has determined that neither Aimco's executive compensation program nor any of its non-executive compensation programs create risk-taking incentives that are reasonably likely to have a material adverse effect on the organization. Aimco's compensation programs align with the long-term interests of the Company, as follows:

Limits on STI. The compensation of executive officers and other team members is not overly weighted toward STI. Moreover, STI is capped.

Use of LTI. LTI is included in target total compensation for all officers and vests over time, typically a period of four years. The vesting period encourages officers to focus on sustaining Aimco's long-term performance. Executive officers with more responsibility for strategic and operating decisions have a greater percentage of their target total compensation allocated to LTI. Like STI, LTI is capped.

Table of Contents

Stock ownership guidelines and required holding periods after vesting. Aimco's stock ownership guidelines require all executive officers to hold a certain amount of Aimco equity. Any executive officer who has not yet satisfied the stock ownership requirements for his or her position must satisfy certain required holding periods after vesting until stock ownership requirements are met. These policies ensure each executive officer has a substantial amount of personal wealth tied to long-term holdings in Aimco stock. As noted in the section below titled "Stock Ownership Guidelines and Required Holding Periods After Vesting," all of Aimco's named executive officers already exceed the ownership targets.

Shared performance metrics across the organization. A portion of STI for all officers and corporate team members is based upon Aimco's performance against its corporate goals, which are core to the long-term strategy of Aimco's business and are reviewed and approved by the Board.

LTI based in part on TSR. A portion of LTI for all officers is based on Aimco's one-year and three-year TSR as compared to the REIT Index.

Multiple performance metrics. Incentive compensation for Aimco team members is based on many different performance metrics. Aimco's five corporate goals for 2013, with sub-goals, contained twelve different performance measurements. In addition, through Aimco's performance management program, Managing Aimco Performance, or MAP, which sets and monitors performance objectives for each team member, each team member has several different individual performance goals that are set at the beginning of the year and approved by management. Each of the named executive officers other than Mr. Considine (whose individual goals were identical to Aimco's corporate goals) had an average of eight individual goals for 2013. Having multiple performance metrics inherently reduces excessive or unnecessary risk-taking as incentive compensation is spread among a number of metrics rather than a few.

Total Compensation for 2013

For 2013, total compensation is the sum of base compensation, STI and LTI.

Base Compensation for 2013

Mr. Considine's Base Compensation

In 2013, Mr. Considine's base compensation of \$600,000 was paid in cash. His base compensation of \$600,000 has remained unchanged since 2006.

Other Named Executive Officer Base Compensation

For 2013, base compensation for all other named executive officers was set between \$325,000 and \$375,000. In connection with his promotion to Chief Investment Officer, Mr. Bezzant's annual base compensation was set at \$350,000 effective July 30, 2013. Other than with respect to Mr. Bezzant in connection with his promotion, none of our named executive officers received a salary increase for 2013.

Incentive Compensation for 2013

The Compensation Committee determined Mr. Considine's STI by the extent to which Aimco met five designated corporate goals, which are described below and are referred to as Aimco's Key Performance Indicators, or KPI.

For the other named executive officers, calculation of STI is determined by two components, Aimco's performance against the KPI and each individual officer's achievement of his or her MAP goals. For Mr. Freedman and Ms. Cohn, given the breadth of their roles in the implementation of company strategy, an allocation of the target STI is made primarily based on KPI as follows: 75% of the target STI is calculated based on KPI and 25% of the target STI is calculated based on MAP. For example, if an executive's target STI is \$350,000, then 75% of that amount, or

\$262,500, varies based on KPI results and 25% of that amount, or \$87,500, varies based on MAP results. If KPI results are 50%, then the executive receives 50% of \$262,500 (or \$131,250) for that portion of his STI, and if MAP results are 100%, then the executive receives 100% of the \$87,500, for a total STI payment of \$218,750.

For Mr. Bezzant, an allocation of the target STI is made as follows: 50% of the target STI is calculated based on KPI and 50% of the target STI is calculated based on MAP. For Mr. Cortez, an allocation of the target STI is made as follows: 25% of the target STI is calculated based on KPI and 75% of the target STI is calculated based on MAP.

Aimco's KPI consisted of five corporate goals that were reviewed with, and approved by, the Committee – namely, property operations performance, portfolio quality and property standards, financial performance, balance sheet, and compliance and team member engagement. These goals and their expected successful outcome aligned executive officers with the long-term goals of the Company

without encouraging them to take unnecessary and excessive risks. For most goals, threshold performance paid out at 50%; target performance paid out at 100%; and maximum performance paid out at 200%. For some goals, performance was capped at target. Performance below threshold resulted in no payout. Where performance was between threshold and target or between target and maximum, the proportion of the award earned was interpolated. Three of the five goals also carried components that were based on qualitative assessments not based on numerical targets. The following were Aimco's KPI for 2013 and the Company's performance against those goals:

Corporate Goals	Target Goal	Actual Achievement	Payout
1. Property Operations Performance (35%)			
• Total Revenue Performance (20%)	Achievement of 2013 Budget	0.68% unfavorable to Budget	17.74% payout
• Total Expense Performance (5%)	Achievement of 2013 Budget	0.69% favorable to Budget	6.15% payout
• Customer Satisfaction (10%)	80%	76.2%	6.20% payout
2. Portfolio Quality and Property Standards (25%)			
• Whether Property Sales and Acquisitions were Consistent with and Enhanced Aimco's Portfolio Quality and Allocation Objectives (5%)	Qualitative	Aimco acquired apartment communities in San Diego, Atlanta, and Boston, each with higher revenues per apartment home than Aimco's portfolio average. Aimco entered into an agreement with Trinity Financial to develop a 12-story building at One Canal Street in the historic Bulfinch Triangle neighborhood of Boston's West End. Aimco continued to increase the percentage of its portfolio in target markets, and continued the wind down of its affordable portfolio. Aimco sold lower rated assets and assets with lower projected free cash flow internal rates of return. Aimco's rents were slightly higher than local market averages, as Aimco aimed to maintain a "B/B+" portfolio, targeting 100-125% of local market average rents.	Committee determined a 5.00% payout for Mr. Considine and Mr. Considine made the same determination for the rest of the named executive officers.
• Long Term Capital Needs Plan, Property Standards and Capital Spending Goals (5%)	Qualitative	Aimco updated long term capital needs plans and preventive maintenance plans; made additional investment into Aimco's flooring and granite program; updated product and materials standards; and achieved goals around Budget and the timing of completion of capital projects in 2013.	Committee determined a 5.00% payout for Mr. Considine and Mr. Considine made the same determination for the rest of the named executive officers.
• Achievement of Budgeted Expectations on Schedule and Costs for Certain Major Redevelopment and Capital	Qualitative	Aimco completed two redevelopment/ capital projects in 2013 and made good progress on its multi-year redevelopment projects. Although some of the projects	Committee determined a 5.50% payout for Mr. Considine and Mr. Considine made the

Achievement of planning on the pipeline of redevelopment projects (5%)	Qualitative	Aimco completed planning on the pipeline of redevelopment projects in 2013, such that Aimco will achieve the steady quarterly development and redevelopment investment contemplated in its 2014 Budget and Plan.	Committee determined a 4.50% payout for Mr. Considine and Mr. Considine made the same determination for the rest of the named executive officers.

4. Balance Sheet (10%)			
Refinancing Goals; Securing Funding Commitments; Reduction in Near-Term Debt Maturities (10%)	Qualitative	Aimco improved its fourth quarter annualized ratio of debt and preferred stock to EBITDA from 7.7:1 in 2012 to 7.2:1 in 2013. Aimco secured funding for development and redevelopment projects. Aimco made substantial progress in reducing debts maturing in 2013-2017, eliminating \$183 million in debt maturing in 2013, and reducing debts maturing in 2014, 2015, 2016 and 2017 from \$250 million to \$86 million, from \$204 million to \$199 million, from \$506 million to \$492 million, and from \$494 million to \$432 million, respectively. Aimco's year-end unencumbered pool was \$380 million, an important milestone on Aimco's path to an investment grade rating.	Committee determined a 10.00% payout for Mr. Considine and Mr. Considine made the same determination for the rest of the named executive officers.
5. Compliance and Team Member Engagement (10%)			
Compliance (5%)	Qualitative	Aimco achieved its goals relating to Sarbanes-Oxley Section 404 internal control results, legal and regulatory requirements including those related to subsidized housing and fair housing, bond covenants, environmental laws and regulations, labor and employment laws and regulations, Aimco's Code of Business Conduct and Ethics, and workplace safety rules.	Committee determined a 5.00% payout for Mr. Considine and Mr. Considine made the same determination for the rest of the named executive officers.
Team Member Engagement (5%)²	80%	Aimco's 2013 team member engagement score from internal surveys was 84.7%.	7.35% payout
(1)		Reported AFFO was \$1.53 per share. For purposes of Aimco's compensation plan, Aimco made adjustments to AFFO both upward and downward to normalize for certain items not contemplated in Aimco's 2013 budget, according to a process Aimco performs each year, overseen by the Committee, with respect to how AFFO is calculated for purposes of Aimco's compensation plan. This process resulted in a net upward adjustment to reported AFFO for 2013 (by comparison, for 2012, the result was a net downward adjustment to reported AFFO).	
(2)		Performance capped at Target.	

Due to Aimco's outperformance on some goals, Aimco's overall KPI performance was 104.27%. Accordingly, each executive officer was awarded 104.27% of the portion of his or her target STI attributable to KPI.

At the start of 2013, the Committee determined for Mr. Considine, and Mr. Considine determined for the other executive officers, that LTI for 2013 would be based in part on TSR. Specifically, one-third of each executive officer's LTI target would be awarded for the purpose of attracting and retaining key talent integral to the success of Aimco.

Two-thirds of the LTI target would be based on TSR, with half (one-third of the total LTI target) based on Aimco's one-year TSR as compared to the REIT Index, and half (another one-third of the total LTI target) based on Aimco's three-year TSR as compared to the REIT Index. Aimco TSR at greater than 110% of the REIT Index would result in a 125% payout of the LTI target attributable to TSR, and Aimco TSR at less than 90% of the REIT Index would result in a 75% payout of the LTI target attributable to TSR. Aimco TSR between 90% and 110% of the REIT Index would result in a 100% payout of the LTI target attributable to TSR.

In connection with his promotion to Chief Investment Officer on July 30, 2013, Mr. Bezzant's base compensation and target incentive compensation amounts were increased. Mr. Bezzant's base compensation and STI target were prorated as of his promotion date. Mr. Bezzant's LTI target for 2013 was increased from \$200,000 to \$500,000. Forty percent of Mr. Bezzant's overall LTI target, or \$200,000, was based in part on TSR, as described in the preceding paragraph. Sixty percent of Mr. Bezzant's LTI target, or \$300,000, was granted in the form of a \$300,000 long-term cash award, with vesting being both time-based and based on achievement of specific redevelopment-based objectives. This award was granted in 2014.

Both Aimco's one-year TSR and three-year TSR were less than 90% of the REIT Index, resulting in payouts of 75% on those portions of the LTI target attributable to TSR. Accordingly, each executive officer was awarded 83.33% of his or her target LTI (i.e., one-third of the LTI target was for purposes of retention and paid at 100%; one-third of the LTI target was paid at 75% based on underperformance

Table of Contents

on one-year TSR; and one-third of the LTI target was paid at 75% based on underperformance on three-year TSR; and the net effect of these three components resulted in an overall award of 83.33% of target LTI).

Mr. Considine's employment agreement provides for target incentive compensation (both STI and LTI combined) of not less than \$3.9 million. Mr. Considine's STI for 2013 was entirely based on Aimco's performance against the five designated corporate goals. Mr. Considine's STI was calculated by multiplying his STI target of \$1.05 million by 104.27%, which was Aimco's overall performance on the five corporate goals. Mr. Considine's LTI was calculated by multiplying his LTI target of \$2.85 million by 83.33%. This resulted in the following:

Target Total	Paid	Target Total Incentive Compensation		2013 Incentive Compensation				Total 2013 Compensation (\$)
		STI (Cash \$)	LTI (\$)	STI Cash (\$)	LTI Options (\$)	Stock (\$)	Restricted (\$)	
4,500,000	600,000	1,050,000	2,850,000	1,094,835	-	2,374,905		4,069,740

Mr. Considine's STI is paid in cash and his LTI is in the form of 88,025 shares of restricted stock, which vest ratably over four years. The shares were granted on January 27, 2014. Because the equity award for 2013 LTI was made in 2014, pursuant to the applicable disclosure rules, such award will be reflected in the "Summary Compensation Table" and "Grants of Plan-Based Awards in 2014" table in Aimco's proxy statement for the 2015 annual meeting of stockholders. For the purpose of calculating the number of shares of restricted stock to be granted, the dollar amounts allocated to restricted stock were divided by \$26.98 per share, which was the average of the closing trading prices of Aimco's Common Stock on the five trading days up to and including the grant date. The five-day average was used to provide a more fair approximation of the value of the stock at the time of grant by muting the effect of any single day spikes or declines. Providing LTI in the form of Aimco equity that vests over time serves as a retention incentive, aligns Mr. Considine's compensation with stockholder objectives and serves as an incentive to take a longer term view of Aimco's performance. Mr. Considine's compensation is highly variable, and has changed significantly with performance over the past five years.

As noted above, for Mr. Freedman and Ms. Cohn, an allocation of the target STI is made as follows: 75% of the target STI was calculated based on Aimco's performance against the KPI and 25% of the target STI was calculated based on each executive's achievement of his or her individual MAP objectives. For Mr. Bezzant, 50% of the target STI was calculated based on Aimco's performance against the KPI and 50% of the target STI was calculated based on achievement of his individual MAP goals. For Mr. Cortez, 25% of the target STI was calculated based on Aimco's performance against the KPI and 75% of the target STI was calculated based on achievement of his individual MAP goals. As noted above, Aimco's KPI performance was 104.27%. Accordingly, each executive officer was awarded 104.27% of the portion of his or her STI (i.e., 75% of the target STI amount shown below for Mr. Freedman and Ms. Cohn, 50% of the target STI amount shown below for Mr. Bezzant, and 25% of the target STI amount shown below for Mr. Cortez) attributable to KPI. In determining the MAP achievement component of 2013 STI, Mr. Considine determined that: Mr. Freedman's MAP achievement would be paid at 100% for his contributions to finance and planning and to strengthening Aimco's balance sheet; Ms. Cohn's MAP achievement would be paid at 100% for her leadership over legal matters, insurance, risk management, long-term capital needs, compliance, and human resources; Mr. Bezzant's MAP achievement would be paid at 100% for his contributions related to Aimco's portfolio strategy and redevelopment; and Mr. Cortez's MAP achievement would be paid at 100% for his role in addressing issues related to assets in the portfolio requiring specialized oversight and negotiation. The Committee reviewed Mr. Considine's determinations.

Mr. Cortez	945,000	350,000	260,000	335,000	262,776	-	279,156	-	891,932

Pursuant to the applicable disclosure rules, the STI shown above appears in the Summary Compensation Table under the column headed “Non-Equity Incentive Plan Compensation.”

With respect to LTI, the shares of restricted stock were granted January 27, 2014, and vest ratably over four years. Because the equity awards and long term cash incentive award for 2013 incentive compensation were made in 2014, pursuant to the applicable proxy disclosure rules, such awards will be reflected in the “Summary Compensation Table” and “Grants of Plan-Based Awards in 2014” table in Aimco’s proxy statement for the 2015 annual meeting of stockholders. For the purpose of calculating the number of shares of restricted stock to be granted, the dollar amounts allocated to restricted stock were divided by \$26.98 per share, which was the average of the closing trading prices of Aimco’s Common Stock on the five trading days up to and including the grant date.

Other Compensation

From time to time, Aimco determines to provide executive officers with additional compensation in the form of discretionary cash or equity awards.

On January 28, 2013, Aimco awarded Mr. Bezzant a restricted stock award of 7,187 shares, with an approximate fair market value at the grant date of \$200,000. This grant, which vests ratably over four years beginning August 1, 2014, was provided for the purpose of retention and brought the “switching costs” for Mr. Bezzant closer to the median switching costs of comparable positions within the Aimco peer group.

Post-Employment Compensation and Severance Arrangements

401(k)

Aimco provides a 401(k) plan that is offered to all Aimco team members. Aimco did not provide employer matching contributions in 2013; however, Aimco resumed employer matching contributions in February 2014.

Other than the 401(k) plan, Aimco does not provide post-employment benefits. Aimco does not have a pension plan, a Supplemental Executive Retirement Plan or any other similar arrangements.

Executive Severance Arrangements

Aimco has an executive severance policy that provides that Aimco shall seek stockholder approval or ratification of any future severance agreement for any senior executive officer that provides for benefits, such as lump-sum or future periodic cash payments or new equity awards, in an amount in excess of 2.99 times such executive officer’s base salary and bonus. Compensation and benefits earned through the termination date, the value of vesting or payment of any equity awards outstanding prior to the termination date, pro rata vesting of any other long-term awards, or benefits provided under plans, programs or arrangements that are applicable to one or more groups of employees in addition to senior executives are not subject to the policy. Even prior to the Committee’s response to the stockholder proposal, it had been Aimco’s longstanding practice not to enter into agreements with senior executives to provide excessive severance arrangements.

Executive Employment Arrangements

On December 29, 2008, Aimco entered into an employment agreement with Mr. Considine to replace his July 29, 1994, employment agreement and the 2002 non-competition and non-solicitation agreement between Mr. Considine and Aimco. The employment agreement was entered into to reflect current practice and update Aimco’s agreement with Mr. Considine, which had not been formally revised since the Company’s initial public offering in 1994, and to make the compensation arrangements compliant with certain Internal Revenue Service requirements, primarily Section 409A of the Code, which required documentary compliance by December 31, 2008. In connection with the execution of the employment agreement, Mr. Considine did not receive any additional equity awards or signing bonus. The Committee evaluated the terms of Mr. Considine’s employment agreement in comparison to those of the CEOs of Aimco’s peers and other comparable companies.

The employment agreement was for an initial five-year term, with automatic renewal for successive one-year terms until the year in which Mr. Considine reaches age 70, unless earlier terminated. The employment agreement eliminates the evergreen term in the prior employment agreement.

Mr. Considine continues to receive his current base pay of \$600,000, subject to future increase. Mr. Considine also continues to be eligible to participate in Aimco’s performance-based incentive compensation plan with a target total incentive compensation amount of not less than \$3.9 million, which may be paid in cash or in equity.

The employment agreement provides severance payments to Mr. Considine upon his termination of employment by Aimco without cause, by Mr. Considine for good reason and upon a termination for reason of disability.

Mr. Considine is not entitled to any additional or special payments upon the occurrence of a change in control. Mr. Considine's "walk right" under the 1994 employment agreement (that is, his right to severance payments upon his terminating employment with the Company within two years following a change in control) was eliminated. The definition of "change in control" was also narrowed to increase the required percentage of change in ownership and to require the occurrence of the applicable change in control event, rather than just shareholder approval of such event.

Table of Contents

Upon termination of his employment by Aimco without cause, by Mr. Considine for good reason, or upon a termination for reason of disability, Mr. Considine is generally entitled to (a) a lump sum cash payment equal to two times the sum of base salary at the time of termination and \$1.65 million, subject to certain limited reductions, (b) any STI earned but unpaid for a prior fiscal year, (c) a pro-rata portion of a \$1.65 million STI amount for the fiscal year in which the termination occurs, and (d) immediate full acceleration of any outstanding unvested stock options and equity awards with certain limitations on the term thereof.

In the event of Mr. Considine's death, the Company will pay or provide to Mr. Considine's estate any earned but unpaid base salary and vested accrued benefits and any STI earned but unpaid for a prior fiscal year, and all equity-based and other long-term incentive awards granted to Mr. Considine will become immediately fully vested and payable, as applicable, and all outstanding stock option awards will remain exercisable subject to certain limitations on the term thereof.

Under the employment agreement, in the event payments to Mr. Considine are subject to the excise tax imposed by Section 4999 of the Code, Mr. Considine is entitled to receive a limited gross-up payment, subject to a maximum of \$5 million. If covered payments are less than 10% over the permitted limit, Mr. Considine is required to reduce his payments to avoid triggering a gross-up payment. The limited gross-up payment is intended to balance the interests of Aimco's stockholders, eliminate the incentive for the early exercise of stock options and reflect competitive practice. The employment agreement also contains customary confidentiality provisions, a limited mutual non-disparagement provision, and non-competition, non-solicitation and no-hire provisions.

None of Messrs. Freedman, Bezzant, or Cortez or Ms. Cohn has an employment agreement or severance arrangement. The restricted stock and stock option agreements pursuant to which restricted stock and stock option awards have been made to Messrs. Considine, Freedman, Bezzant, Cortez and Ms. Cohn provide that, upon a change of control, all outstanding shares of restricted stock become immediately and fully vested and all unvested stock options become immediately and fully vested and remain exercisable (along with all options already vested) for the remainder of the term of the option.

Other Benefits; Perquisite Philosophy

Aimco's executive officer benefit programs are substantially the same as for all other eligible officers and employees. Aimco does not provide executives with more than minimal perquisites, such as reserved parking places.

Stock Ownership Guidelines and Required Holding Periods After Vesting

Aimco believes that it is in the best interest of Aimco's stockholders for Aimco's executive officers to own Aimco stock. The Committee and management have established the following stock ownership guidelines for Aimco's executive officers, updated as of January 27, 2014. Equity ownership guidelines for all executive officers are determined as a minimum of the lesser of a multiple of the executive's base salary or a fixed number of shares. The Committee and Mr. Considine reviewed each executive officer's holdings in light of the stock ownership guidelines and each executive officer's accumulated realized and unrealized stock option and restricted stock gains.

Aimco's stock ownership guidelines require the following:

Officer Position	Ownership Target
Chief Executive Officer	Lesser of 5x base salary or 150,000 shares
Chief Financial Officer	Lesser of 5x base salary or 75,000 shares
Other Executive Vice Presidents	Lesser of 4x base salary or 25,000 shares

Any executive who has not satisfied the stock ownership guidelines must, until the stock ownership guidelines are satisfied, hold 50% of after tax shares of restricted stock for at least three years from the date of vesting, and hold 50% of shares acquired upon option exercises (50% calculated after exercise price plus taxes) for at least three years from the date of exercise.

Each of Messrs. Considine, Freedman, Bezzant and Cortez and Ms. Cohn exceed the ownership targets established in Aimco's stock ownership guidelines.

Role of Outside Consultants and Executive Officers

The Committee has the authority under its charter to engage the services of outside advisors, experts and others to assist the Committee. In 2013, the Committee engaged Barney & Barney LLC (“Barney & Barney”) as its independent compensation consultant. At the direction of the Committee, Barney & Barney coordinated and consulted with Ms. Cohn and Jennifer Johnson, Senior Vice President – Human Resources, regarding executive compensation matters. Barney & Barney provided the Committee with an independent view of both market data and plan design. Aimco management has engaged FPL Associates L.P. (“FPL”) to review Aimco’s executive compensation plan. Neither Barney & Barney nor FPL provided other services to the Company. The Committee has assessed the independence of Barney & Barney and FPL pursuant to SEC rules and has concluded that there are no conflict of interest issues.

Base Salary, Incentive Compensation, and Equity Grant Practices

Base salary adjustments typically take effect on January 1. The Committee (for Mr. Considine), and Mr. Considine, in consultation with the Committee (for the other executive officers), determine incentive compensation in late January or early February. STI is typically paid in February or March. LTI is awarded on a date determined by the Committee, typically in late January or in February.

Aimco grants equity in three scenarios: in connection with incentive compensation, as discussed above; in connection with certain new-hire or promotion packages; and for purposes of retention and attaining a competitive level of “switching costs.”

With respect to LTI, the Committee sets the grant date for the stock option and restricted stock grants. The Committee sets grant dates at the time of its final compensation determination, generally in late January or in February. The date of determination and date of award are not selected based on share price. In the case of new-hire packages that include equity awards, option grants are made on the employee’s start date or on a date designated in advance based on the passage of a specific number of days after the employee’s start date. For non-executive officers, as provided for in the 2007 Plan, the Committee has delegated the authority to make equity awards, up to certain limits, to the Chief Financial Officer (Mr. Freedman) and/or Corporate Secretary (Ms. Cohn). The Committee and Mr. Freedman and Ms. Cohn time grants without regard to the share price or the timing of the release of material non-public information and do not time grants for the purpose of affecting the value of executive compensation.

In 2013, in addition to equity awards made with respect to year-end incentive compensation for 2012, and as described in the “Other Compensation” section of the CD&A, Aimco made an equity award to Mr. Bezzant to bring his “switching costs” closer to the median switching costs of comparable positions within the Aimco peer group.

2014 Compensation Targets

The Committee set Mr. Considine’s target total compensation (base compensation, STI and LTI) for 2014 at the minimum target provided for in his employment agreement of \$4.5 million, which target is unchanged from 2013. Mr. Considine set target total compensation (base compensation, STI and LTI) for 2014 for the other named executive officers as follows: Mr. Freedman — \$1.525 million; Ms. Cohn — \$1.25 million; Mr. Bezzant — \$1.20 million; and Mr. Cortez — \$500,000. Mr. Considine decreased the target total compensation amount for Mr. Cortez by \$445,000 from the 2013 target, in connection with Mr. Cortez’s election to adjust his responsibilities to provide for more personal flexibility. Both Aimco and individual performance will determine the amounts paid for 2014 short-term incentive compensation, and such amounts may be less than, or in excess of, these target amounts. Aimco TSR performance will determine the amounts paid for 2014 long-term incentive compensation according to the same plan that was in place for 2013, and such long-term incentive amounts may be less than, or in excess of, these target amounts. STI will be paid in cash, and LTI will be paid in the form of restricted stock, stock options and/or deferred

cash.

(1) This column represents the aggregate grant date fair value of stock awards in the year granted computed in accordance with FASB ASC Topic 718, although they are attributable to LTI in respect of the prior compensation year. Because stock awards for 2013 incentive compensation were made in 2014, pursuant to the applicable disclosure rules, such awards will be reflected in the “Summary Compensation Table” and “Grants of Plan-Based Awards in 2014” table in Aimco’s proxy statement for the 2015 annual meeting of stockholders. For additional information on the valuation assumptions with respect to the grants reflected in this column, refer to the Share-Based Compensation footnote to Aimco’s consolidated financial statements in its Annual Report on Form 10-K for the year ended December 31, 2013.

(2) For 2013, the amounts in this column represent the amounts for non-equity incentive compensation determined by the Committee on January 27, 2014, for which target amounts were established by the Committee on January 28, 2013, as discussed below in the “Grants of Plan-Based Awards in 2013” table. For 2013, cash payments were made on February 28, 2014.

(3) Mr. Considine receives annual cash compensation pursuant to an employment agreement with Aimco. The base salary under the employment agreement is subject to review and adjustment as may be determined by the Committee from time to time. For 2011, 2012, and 2013, Mr. Considine received his base salary in cash.

(4) Mr. Considine is also eligible for a bonus determined by the Committee. The employment agreement provides that Mr. Considine’s target incentive opportunity shall not be less than \$3.9 million, provided the applicable achievement targets are met. For 2011, 2012 and 2013, Mr. Considine’s target incentive was set at the \$3.9 million amount provided for in his employment agreement.

(5) Of this amount, \$412,810 represents Mr. Freedman’s annual short term incentive bonus for 2013, and \$28,080 represents a payout in 2013 pursuant to a prior year long-term cash grant.

(6) Of this amount, \$402,859 represents Mr. Freedman’s annual short term incentive bonus for 2012, and \$26,910 represents a payout in 2012 pursuant to a prior year long-term cash grant.

The latter award vests primarily at the end of four and one-half years from the date of grant (in August 2015).

(8) Of this amount, \$370,305 represents Mr. Freedman’s annual short term incentive bonus for 2011, and \$25,740 represents a payout in 2011 pursuant to a prior year long-term cash grant.

(9) Of this amount, \$469,435 represents Ms. Cohn’s annual long-term incentive bonus for 2010, and \$1,005,914 represents an award granted on January 31, 2011, for the purpose of retention and to bring Ms. Cohn’s “switching costs” closer to the median switching costs of comparable positions within the Aimco peer group. The latter award vests primarily at the end of four and one-half years from the date of grant (in August 2015).

(10) Of this amount, \$233,438 represents Mr. Bezzant’s annual long-term incentive bonus for 2012, and \$200,086 represents an award granted on January 28, 2013, for the purpose of retention and to bring Mr. Bezzant’s “switching costs” closer to the median switching costs of comparable positions within the Aimco peer group. On January 28, 2013, in connection with its review and determination of year-end 2012 compensation, the Committee approved certain compensation arrangements related to Mr. Considine and, in conjunction with (1) Mr. Considine, the Committee approved certain compensation arrangements related to Messrs. Freedman, Bezzant and Cortez, and Ms. Cohn. For 2012, year-end bonuses were in the form of cash and equity, and because the equity grants were made in 2013 (even though they were for 2012 compensation), as required by the disclosure rules, the equity portion is shown above.

Pursuant to the 2007 Plan, the Committee made equity awards as follows: Mr. Considine — 119,479 shares of restricted stock; Mr. Freedman — 22,010 shares of restricted stock; Ms. Cohn — 22,010 shares of restricted stock; Mr. Bezzant — 8,385 shares of restricted stock; and Mr. Cortez — 14,045 shares of restricted stock. All of the foregoing equity awards vest ratably over four years beginning with the first anniversary of the grant date.

For the purpose of retention and to bring the “switching costs” for Mr. Bezzant closer to the median switching costs of comparable positions within the Aimco peer group, the Committee made an equity award to Mr. Bezzant of 7,187 shares of restricted stock, vesting ratably over four years beginning August 1, 2014. This award was made pursuant to the 2007 Plan.

The number of shares of restricted stock granted was determined based on the average of the closing trading prices of Aimco's Common Stock on the New York Stock Exchange on the five trading days up to and including the grant date, or \$27.83. Holders of restricted stock are entitled to receive any dividends declared and paid on such shares commencing on the date of grant.

On January 28, 2013, the Committee made determinations of target total incentive compensation for 2013 based on achievement of Aimco's five corporate goals for 2013, and achievement of specific individual objectives. Target total incentive compensation amounts were as follows: Mr. Considine — \$3.9 million; Mr. Freedman — \$1.15 million; (2) Ms. Cohn — \$875,000; Mr. Bezzant — \$806,849; and Mr. Cortez — \$595,000. The table above indicates the target cash portion of these target total incentive amounts. The equity portions of these target total incentive amounts were awarded in 2014; therefore, pursuant to the applicable disclosure rules, such awards will be reflected in this table in Aimco's proxy statement for the 2015 annual meeting of stockholders.

On July 30, 2013, in connection with his promotion to Chief Investment Officer, Aimco granted Mr. Bezzant a cash based incentive award, providing him with the opportunity to earn \$125,000, contingent upon certain redevelopment (3) projects being completed, with such amounts generally to be paid in four annual installments commencing in 2014 so long as Mr. Bezzant remains employed by the Company.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

In the table and discussion that follows, payments and other benefits payable upon early termination and change in control situations are set out as if the conditions for payments had occurred and/or the terminations took place on December 31, 2013. In setting out such payments and benefits, amounts that had already been earned as of the termination date are not shown. Also, benefits that are available to all full-time regular employees when their employment terminates are not shown. The amounts set forth below are estimates of the amounts which could be paid out to the named executive officers upon their termination. The actual amounts to be paid out can only be determined at the time of such named executive officers' separation from Aimco.

Mr. Considine's 2008 Employment Agreement

Under his 2008 employment agreement, Mr. Considine is not entitled to any additional or special payments upon the occurrence of a change in control. Mr. Considine's "walk right" under the 1994 employment agreement (that is, his right to severance payments upon his terminating employment with the Company within two years following a change in control) was eliminated. The definition of "change in control" was also narrowed to increase the required percentage of change in ownership and to require the occurrence of the applicable change in control event, rather than just stockholder approval of such event.

In the event Mr. Considine's employment is terminated without cause by Aimco, by Mr. Considine for good reason, or for reason of disability, Mr. Considine will be entitled to: a lump sum cash payment equal to two times the sum of his base salary at the time of termination and \$1.65 million, subject to certain limited deductions; the amount of any STI earned but unpaid for the fiscal year preceding the termination date; a pro-rata portion of a \$1.65 million STI amount for the fiscal year in which the termination occurs; continued medical coverage at Aimco's expense until the earlier of (a) eighteen months following the date of termination, or (b) Mr. Considine becoming eligible for coverage under the medical plans of a subsequent employer, provided that in the event Mr. Considine's medical coverage terminates pursuant to (a), he will be entitled to a lump sum payment equal to six times the monthly COBRA premium then in effect; and immediate and full acceleration of any unvested stock awards and outstanding unvested stock options, with all outstanding stock options (along with all options already vested) remaining exercisable until the earliest to occur of the fifth anniversary of the date of termination or the expiration of the applicable option term.

In the event of Mr. Considine's disability, the lump sum cash payment described above shall be offset by any long-term disability benefits received under Aimco's long-term disability insurance plan. In the event of a qualifying disability, Mr. Considine is entitled to \$10,000 per month in long-term disability pay for the length of the qualifying disability up to age 65.

In the event of Mr. Considine's death, Aimco will pay or provide to Mr. Considine's estate the amount of any STI earned but unpaid for the prior fiscal year, and all equity-based and other long-term incentive awards granted to Mr. Considine will become immediately fully vested and payable, as applicable, and all outstanding stock option awards will remain exercisable until the earliest to occur of the fifth anniversary of the date of termination or the expiration of the applicable option term.

Under the employment agreement, in the event payments to Mr. Considine are subject to the excise tax imposed by Section 4999 of the Code, Mr. Considine is entitled to receive a limited gross-up payment, subject to a maximum of \$5 million. If covered payments are less than 10% over the permitted limit, Mr. Considine is required to reduce his payments to avoid triggering a gross-up payment.

Accelerated Vesting Upon Change of Control

The restricted stock and stock option agreements pursuant to which restricted stock and stock option awards have been made to Messrs. Considine, Freedman, Bezzant and Cortez and Ms. Cohn provide that upon a change of control, all outstanding shares of restricted stock become immediately and fully vested and all unvested stock options become immediately and fully vested and remain exercisable (along with all options already vested) for the remainder of the term of the option.

Accelerated Vesting upon Termination of Employment Due to Death or Disability

As set forth above, in the event Mr. Considine's employment is terminated for reason of disability, Mr. Considine will be entitled to immediate and full acceleration of any unvested stock awards and outstanding unvested stock options, with all outstanding stock options (along with all options already vested) remaining exercisable until the earliest to occur of the fifth anniversary of the date of termination or the expiration of the applicable option term. In the event of Mr. Considine's death, all equity-based and other long-term incentive awards granted to Mr. Considine will become immediately fully vested and payable, as applicable, and all outstanding stock option awards

Table of Contents

will remain exercisable until the earliest to occur of the fifth anniversary of the date of termination or the expiration of the applicable option term.

The restricted stock and stock option agreements pursuant to which restricted stock and stock option awards have been made to Messrs. Freedman, Bezzant and Cortez and Ms. Cohn provide that upon termination of employment due to death or disability, all outstanding shares of restricted stock become immediately and fully vested and all unvested stock options become immediately and fully vested and remain exercisable (along with all options already vested) for the remainder of the term of the option.

Non-competition and Non-Solicitation Agreements

Effective in January 2002 for Messrs. Considine and Cortez, and in connection with their employment by Aimco for Messrs. Freedman and Bezzant and Ms. Cohn, Aimco entered into certain non-competition and/or non-solicitation agreements with each executive. Mr. Considine's 2002 non-competition and non-solicitation agreement was replaced by his December 2008 employment agreement. Pursuant to the agreements, each of these named executive officers agreed that during the term of his or her employment with the Company and for a period of two years following the termination of his or her employment, except in circumstances where there was a change in control of the Company, he or she could not (i) be employed by a competitor of the Company named on a schedule to the agreement, (ii) solicit other employees to leave the Company's employment, or (iii) solicit customers of Aimco to terminate their relationship with the Company. The agreements further required that the named executive officers protect Aimco's trade secrets and confidential information. The agreement for Mr. Freedman does not include the non-competition covenant as described in (i) above. For Messrs. Bezzant and Cortez and Ms. Cohn, the agreements provide that in order to enforce the above-noted non-competition condition following the executive's termination of employment by the Company without cause, each such executive will receive, for a period not to extend beyond the earlier of 24 months following such termination or the date of acceptance of employment with a non-competitor, (i) severance pay in an amount, if any, to be determined by the Company in its sole discretion and (ii) a monthly payment equal to two-thirds (2/3) of such executive's monthly base salary at the time of termination. For purposes of these agreements, "cause" is defined to mean, among other things, the executive's (i) breach of the agreement, (ii) failure to perform required employment services, (iii) misappropriation of Company funds or property, (iv) indictment, conviction, plea of guilty or plea of no contest to a crime involving fraud or moral turpitude, or (v) negligence, fraud, breach of fiduciary duty, misconduct or violation of law.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies and Procedures for Review, Approval or Ratification of Related Person Transactions

Aimco recognizes that related person transactions can present potential or actual conflicts of interest and create the appearance that Aimco's decisions are based on considerations other than the best interests of Aimco and its stockholders. Accordingly, as a general matter, it is Aimco's preference to avoid related person transactions. Nevertheless, Aimco recognizes that there are situations where related person transactions may be in, or may not be inconsistent with, the best interests of Aimco and its stockholders. The Nominating and Corporate Governance Committee, pursuant to a written policy approved by the Board, has oversight for related person transactions. The Nominating and Corporate Governance Committee will review transactions, arrangements or relationships in which (1) the aggregate amount involved will or may be expected to exceed \$100,000 in any calendar year, (2) Aimco (or any Aimco entity) is a participant, and (3) any related party has or will have a direct or indirect interest (other than an interest arising solely as a result of being a director of another corporation or organization that is a party to the transaction or a less than 10 percent beneficial owner of another entity that is a party to the transaction). The Nominating and Corporate Governance Committee has also given its standing approval for certain types of related person transactions such as certain employment arrangements, director compensation, transactions with another entity in which a related person's interest is only by virtue of a non-executive employment relationship or limited equity position, and transactions in which all stockholders receive pro rata benefits. Since the beginning of 2013, there were no related person transactions that required review under the policy.

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance. Section 16(a) of the Securities Exchange Act of 1934, as amended, requires Aimco's executive officers and directors, and persons who own more than ten percent of a registered class of Aimco's equity securities, to file reports (Forms 3, 4 and 5) of stock ownership and changes in ownership with the SEC and the New York Stock Exchange. Executive officers, directors and beneficial owners of more than ten percent of Aimco's registered equity securities are required by SEC regulations to furnish Aimco with copies of all such forms that they file.

Based solely on Aimco's review of the copies of Forms 3, 4 and 5 and the amendments thereto received by it for the year ended December 31, 2013, or written representations from certain reporting persons that no Forms 5 were required to be filed by those persons, Aimco believes that during the period ended December 31, 2013, all filing requirements were complied with by its executive officers and directors.

Stockholders' Proposals. Proposals of stockholders intended to be presented at Aimco's Annual Meeting of Stockholders to be held in 2015 must be received by Aimco, marked to the attention of the Corporate Secretary, no later than November 7, 2014, to be included in Aimco's proxy statement and form of proxy for that meeting. Proposals must comply with the requirements as to form and substance established by the SEC for proposals in order to be included in the proxy statement. Proposals of stockholders submitted to Aimco for consideration at Aimco's annual meeting of stockholders to be held in 2015 outside the processes of Rule 14a-8 (i.e., the procedures for placing a stockholder's proposal in Aimco's proxy materials) will be considered untimely if received by the Company before December 30, 2014, or after January 29, 2015.

Other Business. Aimco knows of no other business that will come before the Meeting for action. As to any other business that comes before the Meeting, the persons designated as proxies will have discretionary authority to act in their best judgment.
